

HB6107 and SB1027

To the State Legislature of Connecticut:

We all believe that affordable housing is important.

**However, local governments should be able to control the zoning of their towns.**

Each town has unique infrastructure and environmental situations and the local governments know what they are doing.

We do not want a "one size fits" solution from Hartford that doesn't necessarily address the affordable housing issues of our town. We trust ourselves and our neighbors who care about our town, city's people, environment, traffic and our future.

Please do not vote 'yes' for HB 6107 or SB 1027!!
