

HB6107 and SB1027

I wish to go on record in *strong opposition* to the pending bills HB 6107 and SB 1027. It takes away local sovereignty and local freedom in the matter of zoning, and concentrates it at the State level. This is a total innovation for our State and threatening to our own history of local self-governance.

Of course my family and I agree with the principle of equitable and fair housing -- I love almost next door to one of the Town of Greenwich's public housing projects -- but I fear the developers will take advantage of this potential new bill to "force" all sorts of buildings and opportunistic possibilities to destroy the character of this beautiful old town.

PLEASE VOTE NO to these bills!

Sincerely yours,
