

- Ref Bill numbers (HB 6107, HB 6611, HB 6612, HB 6613, SB 1024, SB 1026, SB 1027)

Communities and towns are built on local management. People decide to invest and buy homes and raise families based on how the locale is managed and maintained, locally not by a central dictating body.

Local control must rule and all outside control on zoning and additional taxing on property should not be given to anyone other than the town/city.
