

NO to State-Mandated Zoning and Yes to maintaining Local Control & Municipal Home Rule HB 6107, HB 6611, HB 6612, HB 6613, SB 1024, SB 1026, SB 1027

What makes CT unique and successful are our rural and suburban towns, each with its own unique character and history. People move to and stay in CT for this local feel. Imposing Hartford controlled zoning on local towns or allowing developers to ignore local wishes to build as they wish will help no one.

CT doesn't properly count affordable housing units. The state should update its criteria and correct it's data before taking any more action on the issue.
