### H.B. 6545 Addressing Unregistered Motor Vehicles

As the Revenue Collector for the Town of Newington, I am in favor of H.B. No. 6545.

It is unfair to the Connecticut's taxpayers who do pay their motor vehicle taxes to daily experience Unregistered Motor Vehicles by friends and neighbors who have registered their vehicles "Out of State" thereby avoiding their responsibility to pay taxes which assists in maintaining the roads they drive on while they are in Connecticut.

I am very much in favor of being able to tax all "Out of State" vehicles taking advantage of the system, and would like to agree with being able to lien their property for the unpaid taxes.

This proposal should also affect businesses operating in Connecticut with "Out of State" registrations. I am in favor of Tax/Revenue Collectors to be able to file a Lien against those business for unpaid motor vehicle taxes by way of something similar to the UCC Liens we are currently able to place with the CT Secretary of State's Office.

Thank you.
