

Dear CT State Senators and CT State Representatives of the Public Health Committee,

Thank you for your time.

Please strongly consider re-including the Tattoo Technician Language in:
House Bill 6666- An Act Concerning The Department Of Public Health's Recommendations Regarding
Various Revisions To The Public Health Statutes before being voted out of the committee.

(write here and explain why in your own words..... Talking Points :

-a max of 2 apprentices per artist

-mentors must have at least 5 years experience/ -Tattooers need to be able to have a voice on their own
professions Also to be noted:

The Public health committee had asked this be removed due to the questions regarding whether or not
the 2,000 hours was excessive (already a law made by them not us) and the limit to 2 persons working
under a supervisor.

Please if you have any questions on this reach out to us! We can also send you the actual proposed
language that was written/ taken out. This format will not allow attachments.
