Dear CT State Senators and CT State Representatives of the Public Health Committee,

Please strongly consider re-including the Tattoo Technician Language in:  
House Bill 6666-An Act Concerning the Department of Health's recommendation regarding  
various revisions to the Public Health statuses before being voted out of the Committee.

I believe tattooers need to be able to have a voice in their own profession. I strongly disagree  
with being taken out of this bill and have laws and regulations enacted without our  
involvement.

Thank you for your time.

Your sincerely,

Charlotte A. Epright
