

My name is Tory Lamore. I am a life-long resident of Connecticut, presently living in New Britain. I am opposed to SB 835 concerning the advertising practices of crisis pregnancy centers, because this bill does not address the reality on the ground.

The reality is that many women do not want abortion in deciding what to do when faced with a crisis pregnancy. CPC's already make it known that they are not abortion providers and do not refer for abortions.

Abortion is ubiquitous. A woman who opts for abortion knows where to go to get one. It is an insult to her intelligence to think otherwise, and anti-woman. As a woman, I am offended that this committee would think *any* woman would be "deceived." The data proves me correct, as there is not one single instance of a woman having been "deceived" by a CPC.

Please support women, and oppose this bill.
