

To the members of the Public Health Committee,

My name is Emily Luna and I am writing to you in strong opposition to S.B. 835. As a summer volunteer at the Hope Pregnancy Center of Cheshire, my duties included sorting and organizing the donations that come into the facility that are provided by the community. During my time at Hope Pregnancy Center of Cheshire, CT, I have never felt that they were deceptive in what they have to offer. I believe that they are doing good for our community in helping new mothers seeking assistance and education.

Thank you,

Emily Luna
