CORRECTION

To Fiscal Note on
sSB-5, File No. 570

AN ACT CONCERNING INCREASED OPPORTUNITIES FOR
ABSENTEE VOTING, SAFE AND SECURE IN-PERSON VOTING,
VOTER REGISTRATION AND CERTAIN OTHER CHANGES
REGARDING ELECTION ADMINISTRATION.

The fiscal note on SB 5 (file copy 570), should have indicated that requiring employers to give an employee two hours of paid time off on the day of a regular state election to vote would result in a cost to the state and municipalities (including local and regional boards of education). The cost could be significant depending on the number of employees who request paid time off to vote. To the extent that employees request this time off this could result in a cost to various municipalities.
