To Fiscal Note on
sSB-911, File No. 115

AN ACT REQUIRING THE STATE TO PROVIDE MEDICAL
ASSISTANCE FOR PRENATAL CARE.

The fiscal note on the underlying bill overstated the estimated state cost by approximately \$1.6 million. The estimate was based on (1) 450 individuals per year at an average gross cost of approximately \$13,000 per person which is revised to \$11,800, and (2) 1,500 non-citizens at an average gross cost of approximately \$8,600 per person which is revised to \$5,900. The revised state cost of \$5 million assumes 65% federal financial participation.
