AN ACT CONCERNING THE PROPERTY TAX EXEMPTION FOR CERTAIN MUNICIPAL VOLUNTEERS

SUMMARY: This act increases the maximum property tax exemption that municipalities may provide to certain active and retired volunteer emergency personnel, making it equal to the maximum amount of relief municipalities may provide these individuals through abatements (i.e., \$2,000).

By law, a municipality may provide tax relief by ordinance to qualifying volunteer emergency personnel (see BACKGROUND) in the form of either an abatement or an exemption. An abatement is a reduction in the amount of taxes owed; an exemption is a reduction in the property's assessed value for tax purposes.

The act increases the maximum exemption amount from \$1 million to \$2 million, divided by the municipality's mill rate (expressed as a whole number per \$1,000 of assessed value) at the time of the assessment. By doing so, it increases from \$1,000 to \$2,000 the maximum amount of tax relief for exemption recipients.

The act also makes a technical change.

EFFECTIVE DATE: July 1, 2021, and applicable to assessment years beginning on and after October 1, 2021.

BACKGROUND

Tax Relief for Volunteer Emergency Personnel

By law, municipalities may provide tax relief by ordinance to the following types of active and retired volunteers:

1. local emergency management directors;
2. firefighters and fire police officers;
3. emergency medical technicians;
4. paramedics;
5. civil preparedness staff;
6. active members of a volunteer canine search and rescue team;
7. active members of a volunteer underwater search and rescue team;
8. ambulance drivers in the municipality; and
9. retired volunteer firefighters, police officers, or emergency medical technicians who have completed at least 25 years of service in those roles.

The tax relief ordinance may also authorize interlocal agreements for providing tax relief to certain active and retired volunteers who live in one municipality but volunteer or volunteered their services in another municipality.
