

General Assembly

January Session, 2021

Proposed Bill No. 5400

LCO No. 801

Referred to Committee on PUBLIC HEALTH

Introduced by:
REP. PETIT, 22nd Dist.

AN ACT CONCERNING BLOOD LEAD LEVEL REQUIREMENTS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

- 1 That the general statutes be amended to lower the acceptable lead
- 2 blood level to five micrograms per deciliter of blood for the purposes of
- 3 reporting and investigation and to establish adequate funding for
- 4 appropriate follow-up investigations.

Statement of Purpose:

To lower the acceptable lead blood level to five micrograms per deciliter of blood for the purposes of reporting and investigation and to establish adequate funding for appropriate follow-up investigations.
