Such plan may, among other things, call for:

(1) The exchange to:

(2) The Office of Health Strategy shall, not later than July 1, 2021, report to the Insurance Commissioner that the amount described in subparagraph (A) of subdivision (1) of this subsection is thirty million dollars for the year 2022.

(c) (1) Each insurer and health care center doing health insurance business in this state, and each exempt insurer, shall annually pay to the Insurance Commissioner, for deposit in the Covered Connecticut account, a fee assessed by the commissioner pursuant to this section.

(2) Not later than July 1, 2021, and annually thereafter, each insurer,
health care center and exempt insurer described in subdivision (1) of this subsection shall report to the commissioner, on a form designated by the commissioner, the number of insured or enrolled lives in this state as of the May first immediately preceding for which such insurer, health care center or exempt insurer was providing health insurance coverage, or administering a self-insured health benefit plan providing coverage, of the types specified in subdivisions (1), (2), (4), (11) and (12) of section 38a-469 of the general statutes. (3) Not later than August 1, 2021, and annually thereafter, the commissioner shall determine the fee to be assessed for that year against each insurer, health care center and exempt insurer described in subdivision (1) of this subsection. Such fee shall be determined by multiplying the number of insured or enrolled lives reported to the commissioner pursuant to subdivision (2) of this subsection by a factor, determined annually by the commissioner, to fully fund the amount reported by the Office of Health Strategy to the commissioner pursuant to subsection (b) of this section. The commissioner shall determine the factor by dividing the amount reported by the Office of Health Strategy to the commissioner pursuant to subsection (b) of this section by the total number of insured or enrolled lives reported to the commissioner pursuant to subdivision (2) of this subsection.

(4) (A) Not later than August 1, 2021, and annually thereafter, the commissioner shall submit a statement to each insurer, health care center and exempt insurer described in subdivision (1) of this subsection that includes the proposed fee imposed under this section for such insurer, health care center or exempt insurer determined in accordance with this subsection. Each such insurer, health care center and exempt insurer shall pay such fee to the commissioner not later than November first of that year.
(B) Any insurer, health care center or exempt insurer described in subdivision (1) of this subsection that is aggrieved by an assessment levied under this subsection may appeal therefrom in the same manner as provided for appeals under section 38a-52 of the general statutes.

The commissioner shall deposit all late fees paid pursuant to this subdivision in the Covered Connecticut account. The commissioner may require an insurer, health care center or exempt insurer subject to this subsection to produce any records in its possession, and may require any other person to produce any records in such other person's possession, that were used to prepare such report for examination by the commissioner or the commissioner's designee. If the commissioner determines there exists anything other than a good faith discrepancy between the actual number of insured or enrolled lives that should have been reported to the commissioner pursuant to subdivision (2) of this subsection and the number actually reported, such insurer, health care center or exempt insurer shall be liable to this state for a civil penalty of not more than fifteen thousand dollars for each report filed for which the commissioner determines there is such a discrepancy.

(6) (A) The commissioner shall apply any overpayment of the fee imposed under this section by an insurer, health care center or exempt insurer for a given year as a credit against the fee due from such insurer, health care center or exempt insurer under this section for the succeeding year if:

(i) The amount of the overpayment exceeds five thousand dollars; and

(ii) On or before April first of the year following the overpayment, the insurer, health care center or exempt insurer:
(I) Notifies the commissioner of the amount of the overpayment; and

(II) Provides the commissioner with evidence sufficient to prove the amount of the overpayment.

(i) Determine whether the insurer, health care center or exempt insurer made an overpayment; and

(ii) Notify the insurer, health care center or exempt insurer of the commissioner's determination under subparagraph (B)(i) of this subdivision.

(C) Failure of an insurer, health care center or exempt insurer to notify the commissioner of the amount of an overpayment within the time prescribed in subparagraph (A)(ii) of this subdivision constitutes a waiver of any demand of the insurer, health care center or exempt insurer against this state on account of such overpayment.

(D) Nothing in this subdivision shall be construed to prohibit or limit the right of an insurer, health care center or exempt insurer to appeal pursuant to subparagraph (B) of subdivision (4) of this subsection.

(d) If another state, territory or district of the United States, or a foreign country, imposes on a Connecticut domiciled insurer, fraternal benefit society, hospital service corporation, medical service corporation, health care center or other domestic entity a retaliatory charge for the fee imposed under this section, such domestic entity may, not later than sixty days after receipt of notice of the imposition of the retaliatory charge for such fee, appeal to the Insurance Commissioner for a verification that the fee imposed under this section is subject to retaliation by another state, territory or district of the United States, or a foreign country. If the commissioner verifies, upon appeal to and certification by the commissioner, that the fee imposed under this
section is the subject of a retaliatory tax, fee, assessment or other
obligation by another state, territory or district of the United States, or a
foreign country, such fee shall not be assessed against nondomestic
insurers and nondomestic exempt insurers pursuant to this section. Any
such domestic insurer, fraternal benefit society, hospital service
corporation, medical service corporation, health care center or other
entity aggrieved by the commissioner's decision issued under this
subsection may appeal therefrom in the same manner as provided
under section 38a-52 of the general statutes.

hearing ordered by the commissioner, the commissioner, or the commissioner's agent authorized to conduct such hearing and having authority by law to issue such process, may subpoena witnesses and require the production of books, papers and documents pertinent to such inquiry or investigation. No witness under subpoena authorized to be issued under the provisions of this section shall be excused from testifying or from producing books, papers or documentary evidence on the ground that such testimony or the production of such books, papers or documentary evidence would tend to incriminate such witness, but such books, papers or documentary evidence so produced shall not be used in any criminal proceeding against such witness. If any person disobey such process or, having appeared in obedience thereto, refuses to answer any pertinent question put to such person by the commissioner, or the commissioner's authorized agent, or to produce any books, papers or other documentary evidence pursuant thereto, the commissioner, or such agent, may apply to the Superior Court of the judicial district wherein the pharmaceutical manufacturer resides or wherein the business has been conducted, or to any judge of such court if the same is not in session, setting forth such disobedience to process or refusal to answer, and such court or such judge shall cite such person to appear before such court or such judge to answer such question or to produce such books, papers or other documentary evidence and, upon such person's refusal so to do, shall commit such person to a community correctional center until such person testifies, but not for a period longer than sixty days. Notwithstanding the serving of the term of such commitment by any person, the commissioner may proceed in all respects with such inquiry and examination as if the witness had not previously been called upon to testify. Officers who serve subpoenas issued by the commissioner or under the commissioner's authority and witnesses attending hearings conducted by the commissioner pursuant to this section shall receive fees and compensation at the same rates as officers and witnesses in the courts of this state, to be paid on vouchers of the commissioner on order of the Comptroller from the proper appropriation for the administration of this section.
(i) The amount of any civil penalty unpaid under the provisions of this section may be collected under the provisions of section 12-35 of the general statutes. The warrant provided under section 12-35 of the general statutes shall be signed by the commissioner or the commissioner's authorized agent. The amount of any such civil penalty shall be a lien on the real property of the pharmaceutical manufacturer from the last day of the month next preceding the due date of such civil penalty until such civil penalty is paid. The commissioner may record such lien in the records of any town in which the real property of such pharmaceutical manufacturer is situated, but no such lien shall be enforceable against a bona fide purchaser or qualified encumbrancer of such real property. When any civil penalty with respect to which a lien has been recorded under the provisions of this subsection has been satisfied, the commissioner shall, upon request of any interested party, issue a certificate discharging such lien, which certificate shall be recorded in the same office in which such lien was recorded. Any action for the foreclosure of such lien shall be brought by the Attorney General in the name of this state in the Superior Court for the judicial district in which the real property subject to such lien is situated, or, if such property is located in two or more judicial districts, in the Superior Court for any one such judicial district, and the court may limit the time for redemption or order the sale of such real property or make such other or further decree as it judges equitable. The provisions of section 12-39g of the general statutes shall apply to all civil penalties imposed under this section.

(j) (1) Any officer or employee of a pharmaceutical manufacturer who owes a duty to the pharmaceutical manufacturer to pay a civil penalty imposed under this section on behalf of such pharmaceutical manufacturer, file a statement with the commissioner pursuant to subsection (c) of this section on behalf of such pharmaceutical manufacturer, keep records or supply information to the commissioner on behalf of such pharmaceutical manufacturer pursuant to this section and willfully fails, at the time required under this section, to pay such civil penalty, file such statement, keep such records or supply such
information on behalf of such pharmaceutical manufacturer shall, in addition to any other penalty provided by law, be fined not more than one thousand dollars or imprisoned not more than one year, or both. Notwithstanding the provisions of section 54-193 of the general statutes, no such officer or employee shall be prosecuted for a violation of the provisions of this subdivision committed on or after July 1, 2021, except within three years next after such violation has been committed.

(2) Any officer or employee of a pharmaceutical manufacturer who owes a duty to the pharmaceutical manufacturer to deliver or disclose to the commissioner, or the commissioner's authorized agent, any list, statement, return, account statement or other document on behalf of such pharmaceutical manufacturer and willfully delivers or discloses to the commissioner, or the commissioner's authorized agent, any such list, statement, return, account statement or other document that such officer or employee knows to be fraudulent or false in any material matter shall, in addition to any other penalty provided by law, be guilty of a class D felony.

(3) No officer or employee of a pharmaceutical manufacturer shall be charged with an offense under subdivisions (1) and (2) of this subsection in relation to the same civil penalty, but such officer or employee may be charged and prosecuted for both such offenses upon the same information.

(k) The proceeds from all civil penalties imposed under this section shall be deposited in the Covered Connecticut account. Each civil penalty imposed under this section shall be deemed to constitute a civil fine or penalty within the meaning of 42 USC 1396b(w), as amended from time. No portion of any civil penalty imposed under this section shall be waived under section 12-3a of the general statutes or any other applicable law. No tax credit shall be allowable against any civil penalty imposed under this section.

(l) Not later than July 1, 2023, and annually thereafter, the commissioner shall prepare a list containing the name of each
pharmaceutical manufacturer that violated subsection (a) of this section
during the preceding calendar year. The commissioner shall make each
list publicly available.

(m) The commissioner may adopt regulations, in accordance with the
provisions of chapter 54 of the general statutes, to implement the
provisions of this section.

Sec. 8. (NEW) (Effective July 1, 2021) (a) No pharmaceutical
manufacturer of an identified prescription drug shall withdraw the
identified prescription drug from sale in this state for the purpose of
avoiding the civil penalty imposed under subsection (b) of section 7 of
this act.

(b) Any pharmaceutical manufacturer that intends to withdraw an
identified prescription drug from sale in this state shall send advance
written notice to the Office of Health Strategy disclosing such
pharmaceutical manufacturer's intention at least one hundred eighty
days before such withdrawal.

(c) Any pharmaceutical manufacturer that violates any provision of
subsection (a) or (b) of this section shall be liable to this state for a civil
penalty in the amount of five hundred thousand dollars.
