123 in a joint venture or a participant in a similar organization; and

124 (35) "Homogenize" means to blend hemp into a mixture that has a  
125 uniform quality and content throughout such mixture.

126 (b) The Commissioner of Agriculture shall establish and operate an  
127 agricultural pilot program, as defined in 7 USC 5940, as amended from  
128 time to time, for hemp research to enable the department, and its  
129 licensees, to study methods of producing and marketing hemp. All  
130 producer licensees licensed pursuant to this section shall be participants

131 in the state agricultural pilot program for hemp research. Until such  
132 time as said commissioner adopts regulations, in accordance with the  
133 provisions of chapter 54, the Department of Agriculture shall utilize  
134 procedures and guidance policies that the commissioner deems to be  
135 consistent with the provisions of 7 USC 5940, as amended from time to  
136 time, provided such procedures and guidance policies shall, at a  
137 minimum, require: (1) The commissioner to certify and register any site  
138 used to grow hemp, (2) any person who produces hemp to produce  
139 plants that meet the definition of hemp and verify such, (3) the  
140 maintenance of records by any person who grows hemp and the  
141 availability of inspection of such records by the commissioner, and (4)  
142 verification of compliance with the definition of hemp by a laboratory,  
143 at the expense of any licensee. The provisions of this section shall take  
144 precedence over any such procedure or guidance policy. Participants in  
145 the state agricultural pilot program for hemp research shall be licensed  
146 in accordance with the provisions of this section. Such pilot program  
147 shall operate until the earlier of the date of a fully approved state plan  
148 under the federal act, as described in this section, or the date of repeal  
149 of the federal law permitting the state's agricultural pilot program for  
150 hemp research.

151 (c) (1) The commissioner shall prepare a state plan in accordance with  
152 the federal act and 7 CFR 990.3, for approval by the Governor, in  
153 consultation with the office of the Chief State's Attorney and the  
154 Attorney General. The state plan, once approved by the Governor and  
155 the Attorney General, shall be submitted by the commissioner to the  
156 United States Secretary of Agriculture for his or her approval. The  
157 commissioner shall have the authority to amend the state plan, in  
158 consultation with the Governor, the Attorney General and the office of  
159 the Chief State's Attorney, as necessary to comply with the federal act.

160 (2) The commissioner shall operate the state plan, which shall  
161 include, at a minimum, the following requirements:

162 (A) The sampling of hemp shall comply, at a minimum, with 7 CFR  
163 [990.3(a)(2)] 990.3 and be performed by [the commissioner, the

164 commissioner's designated agents, or] an authorized sampling agent;

165 (B) The testing of hemp shall comply, at a minimum, with 7 CFR  
166 [990.3(a)(3)] 990.3;

167 (C) The control, remediation and disposal of noncompliant cannabis  
168 plants shall comply with 7 CFR 990.27 and 7 CFR 990.3;

169 (D) The department shall comply with all recordkeeping and  
170 reporting requirements in the federal act, and 7 CFR 990.1 to 7 CFR  
171 990.71, inclusive;

172 (E) The department shall comply with enforcement procedures in 7  
173 CFR 990.6;

174 (F) The department shall conduct annual inspections of, at a  
175 minimum, a random sample of producers to verify that hemp is not  
176 produced in violation of the federal act, the state plan and the provisions  
177 of this section, and shall enforce any violation as provided for in the  
178 federal act and as defined in 7 CFR 990.6;

179 (G) Producers shall report their required license, lot and hemp crop  
180 acreage information to FSA, in accordance with the requirements in 7  
181 CFR 990.7; and

182 (H) Producers shall report to the commissioner the total acreage of  
183 hemp planted, harvested and, if applicable, disposed of or remediated,  
184 and such other information as the commissioner may require.

185 (3) All sampling and testing of hemp shall be done using protocols  
186 that are at least as statistically valid as the USDA's published protocols  
187 for sampling and testing of hemp, which protocols shall be posted on  
188 the department's Internet web site. During a scheduled sample  
189 collection, the producer, or an authorized representative of the  
190 producer, shall be present at the lot. A producer shall not harvest the  
191 cannabis crop prior to the taking of samples. Samples of hemp plant  
192 material from one lot shall not be commingled with hemp plant material

193 from other lots. Lots tested and not certified by a laboratory at or below  
194 the acceptable hemp THC level shall be handled, remediated and  
195 disposed of in accordance with the federal act, the provisions of this  
196 section and the state plan, as applicable.

197 (4) The commissioner shall collect, maintain and provide to the  
198 USDA, on a timely basis, and not less than once per month, license status  
199 of each hemp producer, contact information for each hemp producer  
200 licensed in the state, including lot legal descriptions and locations, and  
201 any changes to such information. The commissioner shall also report to  
202 the USDA, on a timely basis, and not less than once per month, all  
203 required hemp test results and disposal information for all  
204 nonconforming hemp plants and plant material. Such information shall  
205 not include state and federal fingerprint-based records pursuant to  
206 section 29-17a.

207 (d) The commissioner shall have the authority to enforce the federal  
208 act, as amended from time to time, the state plan, this section and any  
209 regulations adopted in accordance with the federal act and chapter 54  
210 for hemp production in the state. The commissioner shall have the  
211 authority to enforce the applicable standards for producer hemp  
212 products. The commissioner may consult, collaborate and enter into  
213 cooperative agreements with any federal or state agency, municipality  
214 or political subdivision of the state concerning application of the  
215 provisions of the federal act and the regulations adopted pursuant to the  
216 federal act, as may be necessary to carry out the provisions of this  
217 section.

218 (e) Any person who produces hemp shall: (1) Be licensed by the  
219 commissioner; (2) comply with the federal act, the state plan, the  
220 provisions of this section and any regulation adopted pursuant to this  
221 section; and (3) transport hemp and hemp samples in a manner and with  
222 such documentation as required by the commissioner.

223 (f) Any person who sells hemp products shall not be required to be  
224 licensed provided such person only engages in: (1) The retail or

225 wholesale sale of hemp or hemp products in which no further  
226 producing or manufacturing of the hemp products occurs and the hemp  
227 products are acquired from a person authorized under the laws of this  
228 state or another state, territory or possession of the United States or  
229 another sovereign entity to possess and sell such hemp products; (2) the  
230 acquisition of hemp or hemp products for the sole purpose of product  
231 distribution for resale; or (3) the retail sale of hemp products that are  
232 otherwise authorized under federal or state law.

233 (g) Any applicant for a license pursuant to this section shall meet each  
234 of the following requirements, as applicable:

235 (1) Each applicant, whether an individual or an entity, shall submit  
236 an application for a license that consists, at a minimum, of the following:  
237 (A) The name, telephone number, electronic mail address, business  
238 address and address of any individual who is the applicant, the full  
239 name of any entity that is the applicant, including any applicable  
240 principal business location and the full name, title and electronic mail  
241 address of each key participant; (B) the name and address of each lot for  
242 the hemp cultivation or producing location; (C) the geospatial location  
243 of each lot by means of global positioning system coordinates and legal  
244 description of each lot used for the hemp cultivation; (D) the acreage  
245 size of each lot where the hemp will be cultivated; (E) written consent  
246 allowing the commissioner to conduct both scheduled and random  
247 inspections of and around the premises on which the hemp is to be  
248 cultivated, harvested, stored and produced; (F) the applicant's employer  
249 identification number or the applicant's Social Security number if an  
250 employer identification number is not available; and [(F)] (G) any other  
251 information as may be required by the commissioner;

252 (2) Each individual who is an applicant and each key participant of  
253 any entity applying for a producer license, or renewal thereof, shall  
254 submit to state and national fingerprint-based criminal history records  
255 checks conducted in accordance with section 29-17a, at his or her own  
256 expense; [. For the period commencing on the effective date of this  
257 section and ending on December 31, 2021, the results of any such

258 criminal history records checks shall be provided by such applicants  
259 and key participants to the commissioner for review;]

260 (3) No individual, including any key participant of any entity, who  
261 has been convicted of any state or federal felony, [as prescribed in the  
262 federal act] related to a controlled substance, shall be eligible to obtain  
263 or hold a producer license for ten years from the date of the conviction,  
264 provided such restriction shall not apply to any individual who lawfully  
265 grew hemp with a license, registration or authorization under any state  
266 pilot program authorized by section 7606 of the Agricultural Act of 2014  
267 before December 20, 2018. Any individual or entity that materially  
268 falsifies any information in an application pursuant to this section shall  
269 be ineligible to obtain a producer license; and

270 (4) Each individual or entity who is required by this section to obtain  
271 a producer license shall pay for all costs of sampling, testing, retesting  
272 and resampling any samples at a laboratory for the purpose of  
273 determining the THC concentration level of any cannabis under their  
274 control, or in their possession. Each individual or entity who is required  
275 by this section to obtain a producer license shall pay for all costs of  
276 disposal of all noncompliant cannabis plants under their control, or in  
277 their possession.

278 (h) Any producer license issued by the commissioner shall expire on  
279 the third following December thirty-first and may be renewed during  
280 the preceding month of October. Such licenses shall not be transferable.

281 (i) The following fees shall apply for each producer license and  
282 inspection:

283 (1) A nonrefundable license application fee of fifty dollars, provided  
284 any constituent unit of higher education, state agency or department  
285 shall be exempt from such application fee if such production is for  
286 research purposes;

287 (2) A nonrefundable triennial producer license fee of four hundred  
288 fifty dollars for up to one acre of planned hemp plantings and thirty

289 dollars per each additional acre of planned hemp plantings rounded to  
290 the nearest acre, except no license fee charged shall exceed three  
291 thousand dollars, provided any constituent unit of higher education,  
292 state agency or department shall be exempt from such license fee if such  
293 production is for research purposes; and

294 (3) In the event that resampling by the commissioner is required due  
295 to a test result that shows a violation of any provision of this section or  
296 any regulation adopted pursuant to this section, the licensee shall pay  
297 an inspection fee of fifty dollars. Such fee shall be paid prior to the  
298 inspection and collection of the sample to be used for resampling.

299 (j) After receipt and review of an application for producer licensure,  
300 the commissioner may grant a triennial license upon a finding that the  
301 applicant meets the applicable requirements. Each producer licensee  
302 shall notify the commissioner of any changes to their application  
303 information, not later than fifteen days after such change. While the  
304 pilot program is in effect, the commissioner may grant a conditional  
305 approval of a producer license, pending receipt of the criminal history  
306 records check required by this section. The commissioner shall assign  
307 each producer with a license or authorization identifier in a format  
308 consistent with 7 CFR [990.3(a)(9)] 990.3.

309 (k) Whenever an inspection or investigation conducted by the  
310 commissioner pursuant to this title reveals any violation of the state  
311 plan, this section or any regulation adopted thereunder, the producer  
312 license applicant or respondent, as applicable, shall be notified, in  
313 writing, of such violation and any corrective action to be taken and the  
314 time period within which such corrective action shall be taken. Any such  
315 producer license applicant or respondent may request a hearing,  
316 conducted in accordance with chapter 54, on any such notification. Any  
317 notification issued pursuant to this section shall be made by certified  
318 mail, return receipt requested to the producer license applicant or  
319 respondent's last known address, by in-hand service by the  
320 commissioner or designated agent of the commissioner, electronic mail  
321 service with the consent of the recipient, or by service in accordance

322 with chapter 896. The commissioner shall report all producer violations  
323 made with a culpable mental state greater than negligence to the United  
324 States Attorney General and the State's Attorney for the judicial district  
325 in which the producer violation occurred.

326 (l) Nothing in this section shall be construed to limit the  
327 commissioner's authority to issue a cease and desist order pursuant to  
328 section 22-4d, or an emergency order, in order to respond to a condition  
329 that may present a public health hazard, or issue orders necessary to  
330 effectuate the purposes of this section, including, but not limited to,  
331 orders for the embargo, partial destruction, destruction and release of  
332 hemp or hemp products. Any cease and desist order or an emergency  
333 order shall become effective upon service of such order by the  
334 commissioner. Following service of any such order, subsequent  
335 proceedings shall proceed in accordance with the provisions of section  
336 22-4d and the rules of practice for such agency. Any embargo, partial  
337 destruction, destruction or release order issued pursuant to this section  
338 shall be served by certified mail, return receipt requested to the  
339 respondent's last known address, by in-hand service by the  
340 commissioner or designated agent of the commissioner, or by service in  
341 accordance with chapter 896.

342 (m) Following a hearing conducted in accordance with chapter 54,  
343 the commissioner may impose an administrative civil penalty, not to  
344 exceed two thousand five hundred dollars per violation, and suspend,  
345 revoke or place conditions upon any producer licensee who violates the  
346 provisions of this section or any regulation adopted pursuant to this  
347 section.

348 (n) (1) Any individual who produces hemp in this state without  
349 obtaining a license pursuant to this section, or who produces hemp in  
350 this state after having a license suspended or revoked shall have  
351 committed an infraction.

352 (2) Any entity that produces hemp in this state without obtaining a  
353 license pursuant to this section, produces hemp in violation of this

354 section or produces hemp in this state after having a license suspended  
355 or revoked may be fined not more than two thousand five hundred  
356 dollars per violation, after a hearing conducted in accordance with  
357 chapter 54.

358 (o) (1) Any negligent violation, as described in the federal act, of this  
359 section or the state plan shall be subject to enforcement in accordance  
360 with the federal act, and the state plan for negligent violations.

361 (2) For any negligent violation, a producer shall be required to correct  
362 such negligent violation, by means of a corrective action plan approved  
363 by the commissioner. Each corrective action plan shall include, at a  
364 minimum, a reasonable completion deadline for correction of the  
365 negligent violation, periodic reporting to the commissioner for at least  
366 two years and compliance with the state plan.

367 (3) Any producer that negligently violates the state plan shall not, as  
368 a result of such negligent violation, be referred by the commissioner for  
369 any criminal enforcement action by the federal, state or local  
370 government.

371 (4) Any producer that negligently violates the state plan three times  
372 during any five-year period shall be ineligible to produce hemp for a  
373 period of five years beginning on the date of the third violation.

374 (5) The commissioner shall conduct an inspection to determine if the  
375 corrective action plan for a producer who commits any such negligent  
376 violation was properly implemented.

377 (p) Any person aggrieved by an order issued pursuant to this section  
378 may appeal to the commissioner in accordance with the provisions of  
379 chapter 54. Such appeal shall be made in writing to the commissioner  
380 and received not later than fifteen days after the date of the order. If no  
381 appeal is made pursuant to this subsection the order shall be final.

382 (q) (1) All documents submitted under this section shall be subject to  
383 disclosure in accordance with chapter 14, except: (A) Information

384 depicting or describing (i) the test results of any producer, (ii) the  
385 location of any hemp growing, harvesting, processing or storage  
386 location, or (iii) hemp producer location security schematics; and (B) the  
387 results of any criminal history records check.

388 (2) Notwithstanding the provisions of subdivision (1) of this  
389 subsection, all documents and records submitted or maintained  
390 pursuant to this section shall be disclosed to any law enforcement  
391 agency upon request of such law enforcement agency.

392 (r) The commissioner may inspect and shall have access to the  
393 buildings, equipment, supplies, vehicles, records, real property and  
394 other information that the commissioner deems necessary to carry out  
395 the commissioner's duties pursuant to this section from any person  
396 participating in producing, handling, storing marketing or researching  
397 hemp.

398 (s) Nothing in this section shall be construed to apply to any licensee  
399 of palliative marijuana authorized pursuant to chapter 420f.

400 (t) All licensees pursuant to this section shall maintain records  
401 required by the federal act, the state plan, this section and any regulation  
402 adopted pursuant to this section. Each licensee shall make such records  
403 available to the department immediately upon request of the  
404 commissioner and in electronic format, if available.

405 (u) The commissioner may adopt regulations, in accordance with the  
406 provisions of chapter 54, to implement the provisions of this section  
407 including, but not limited to, the labeling of producer hemp products.

408 (v) Notwithstanding any provision of the general statutes: (1)
