

General Assembly

January Session, 2021

**Raised Bill No. 6522**

LCO No. 3841

Referred to Committee on ENERGY AND TECHNOLOGY

Introduced by:  
(ET)

***AN ACT CONCERNING AN ELECTRIC GENERATOR  
REIMBURSEMENT PROGRAM.***

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. (*Effective from passage*) On or before September 1, 2021, the  
2 Public Utilities Regulatory Authority shall initiate a proceeding to  
3 consider the implementation of a program allowing customers of an  
4 electric distribution company, as defined in section 16-1 of the general  
5 statutes, to apply with such company for reimbursement of an electric  
6 generator purchased due to a medical necessity, as determined by the  
7 authority. Such program shall (1) establish a procedure for customers of  
8 such company to offer proof of such purchase and such medical  
9 necessity for such generator, and (2) prevent the recovery of costs  
10 incurred by an electric distribution company pursuant to this section.  
11 On or before January 15, 2022, the authority shall report, in accordance  
12 with section 11-4a of the general statutes, the results of such proceeding  
13 to the joint standing committee of the General Assembly having  
14 cognizance of matters relating to energy.

This act shall take effect as follows and shall amend the following sections:		
Section 1	<i>from passage</i>	New section

**Statement of Purpose:**

To direct the Public Utilities Regulatory Authority to initiate a proceeding to consider the implementation of a reimbursement program for electric distribution company customers who purchase an electric generator due to a medical necessity.
