January Session, 2021

**AN ACT CONCERNING LABOR MATTERS RELATED TO COVID-19,
PERSONAL PROTECTIVE EQUIPMENT AND OTHER STAFFING
ISSUES.**

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. Section 31-290a of the general statutes is repealed and the
2 following is substituted in lieu thereof (*Effective from passage*):

3 (a) No employer who is subject to the provisions of this chapter shall:
4 [discharge,] (1) Discharge or cause to be discharged, or in any manner
5 discipline or discriminate against any employee because the employee
6 has filed a claim for workers' compensation benefits or otherwise
7 exercised the rights afforded to him pursuant to the provisions of this
8 chapter, or (2) deliberately misinform or otherwise deliberately
9 dissuade an employee from filing a claim for workers' compensation
10 benefits.

11 (b) Any employee who is so discharged, disciplined or discriminated
12 against or who has been deliberately misinformed or dissuaded from
13 filing a claim for workers' compensation benefits may either: (1) Bring a
14 civil action in the superior court for the judicial district where the
15 employer has its principal office for the reinstatement of his previous
16 job, payment of back wages and reestablishment of employee benefits
17 to which he would have otherwise been entitled if he had not been

18 discriminated against or discharged and any other damages caused by
19 such discrimination or discharge. The court may also award punitive
20 damages. Any employee who prevails in such a civil action shall be
21 awarded reasonable attorney's fees and costs to be taxed by the court;
22 or (2) file a complaint with the chairman of the Workers' Compensation
23 Commission alleging violation of the provisions of subsection (a) of this
24 section. Upon receipt of any such complaint, the chairman shall select a
25 commissioner to hear the complaint, provided any commissioner who
26 has previously rendered any decision concerning the claim shall be
27 excluded. The hearing shall be held in the workers' compensation
28 district where the employer has its principal office. After the hearing,
29 the commissioner shall send each party a written copy of his decision.
30 The commissioner may award the employee the reinstatement of his
31 previous job, payment of back wages and reestablishment of employee
32 benefits to which he otherwise would have been eligible if he had not
33 been discriminated against or discharged. Any employee who prevails
34 in such a complaint shall be awarded reasonable attorney's fees. Any
35 party aggrieved by the decision of the commissioner may appeal the
36 decision to the Appellate Court.

37 Sec. 2. (NEW) (*Effective from passage*) (a) For the purposes of
38 adjudication of claims for payment of benefits under the provisions of
39 chapter 568 of the general statutes, when there is a dispute regarding
40 whether a request for medical and surgical aid or hospital and nursing
41 services, including mechanical aids and prescription drugs, is
42 reasonable or necessary, the employer or insurer shall file a notice of
43 controversy. A copy of the notice of controversy shall be sent to the
44 originator of the request. A health care provider, employee or other
45 interested party may request a hearing regarding payment of medical
46 and related services for determination of any such dispute.

47 (b) Payment of a medical bill by an employer or insurer shall not be
48 considered an admission by the employer or the insurer as to the
49 reasonableness of subsequent medical bills. The provisions of this
50 section shall not affect the applicability of any notice provision of section

51 31-294c of the general statutes.

52 Sec. 3. (NEW) (*Effective from passage*) (a) For the purpose of
53 adjudication of claims for payment of benefits under the provisions of
54 chapter 568 of the general statutes, an employee who died or was unable
55 to work as a result of contracting COVID-19, or due to symptoms that
56 were later diagnosed as COVID-19, at any time during (1) the public
57 health and civil preparedness emergencies declared by the Governor on
58 March 10, 2020, or any extension of such declarations, or (2) any new
59 public health and civil preparedness emergencies declared by the
60 Governor as a result of a COVID-19 outbreak in this state, shall be
61 presumed to have contracted COVID-19 as an occupational disease
62 arising out of and in the course of employment, provided (A) the
63 contraction of COVID-19 by such employee shall be confirmed by a
64 positive laboratory test or, if a laboratory test was not available for the
65 employee, as diagnosed and documented by the employee's licensed
66 physician, licensed physician assistant or licensed advanced practice
67 registered nurse, based on the employee's symptoms, and (B) a copy of
68 the positive laboratory test or the written documentation of the
69 physician's, physician assistant's or advanced practice registered nurse's
70 diagnosis is provided to the employer or insurer. For the purposes of
71 this section, "COVID-19" means the respiratory disease designated by
72 the World Health Organization on February 11, 2020, as coronavirus
73 2019, and any related mutation thereof recognized by the World Health
74 Organization as a communicable respiratory disease.

75 (b) The provisions of subsection (a) of this section shall not apply to
76 an employee who, during the fourteen consecutive days immediately
77 preceding the date the employee died or was unable to work due to
78 contracting COVID-19 or due to symptoms that were later diagnosed as
79 COVID-19: (1) Was employed in a capacity where he or she worked
80 solely from home and did not have physical interaction with other
81 employees, or (2) was the recipient of an individualized written offer or
82 directive from his or her employer to work solely from home but
83 otherwise chose to work at a work site of the employer.

84 (c) Notwithstanding the definition of "occupational disease" under
85 section 31-396 of the general statutes, COVID-19 shall be considered an
86 occupational disease for any employee who was diagnosed with
87 COVID-19 in accordance with subsection (a) of this section.

88 (d) The presumption under subsection (a) of this section shall only be
89 rebutted if the employer or insurer clearly demonstrates by a
90 preponderance of the evidence that the employment of the individual
91 was not a direct cause of the occupational disease. The employer or the
92 insurer, within ten days of filing a notice to contest an employee's rights
93 to compensation benefits pursuant to section 31-294c of the general
94 statutes, shall provide evidence to rebut the presumption under
95 subsection (a) of this section. If a compensation commissioner finds that
96 such presumption has been rebutted, such commissioner shall decide
97 the claim on its merits, in accordance with established practices of
98 causation. For purposes of this section, an employee's preexisting
99 condition shall have no bearing on the merits of a claim, both with
100 regard to approving a claim and continuing benefits once they have
101 been awarded. The reapportionment of the levels of the burden of
102 proofs between the parties is a procedural change intended to apply to
103 all existing and future COVID-19 claims.

104 (e) An employee who has contracted COVID-19 but who is not
105 entitled to the presumption under subsection (a) of this section shall not
106 be precluded from making a claim as provided in chapter 568 of the
107 general statutes.

108 (f) Beginning on July 1, 2021, and ending on January 1, 2023, the
109 Workers' Compensation Commission shall provide a detailed report on
110 the first business day of each month on COVID-19 workers'
111 compensation claims and shall provide such reports to the joint
112 standing committees of the General Assembly having cognizance of
113 matters relating to labor and insurance. Such monthly reports shall
114 contain: (1) The number of total COVID-19 workers' compensation
115 claims filed since May 10, 2020; (2) the number of record-only claims
116 filed by hospitals, nursing homes, municipalities and other employers,

117 listed by employer name; (3) the number of COVID-19 workers'
118 compensation cases filed by state employees in each agency; (4) the
119 number of such claims contested by each individual employer,
120 including state agencies, third-party administrators and insurers, by
121 client; (5) the reasons cited by each employer, including state agencies,
122 third-party administrators and insurers, by client, for contesting such
123 claims; (6) the number of claims that have received a hearing by the
124 Workers' Compensation Commission; (7) the number of: (A) Rulings by
125 the Workers' Compensation Commission regarding such claims that
126 have been appealed, (B) approved voluntary agreements, (C) findings
127 and awards, (D) findings and dismissals, (E) petitions for review, and
128 (F) stipulations; (8) the average time it took to schedule an initial hearing
129 once it has been requested; and (9) the average time it took to adjudicate
130 contested COVID-19 workers' compensation claims. Employers,
131 including state agencies, third-party administrators and insurers shall
132 comply with all requests from the Workers' Compensation Commission
133 for information required to compile the reports.

134 Sec. 4. Subsection (a) of section 31-306 of the general statutes is
135 repealed and the following is substituted in lieu thereof (*Effective from*
136 *passage*):

137 (a) Compensation shall be paid to dependents on account of death
138 resulting from an accident arising out of and in the course of
139 employment or from an occupational disease as follows:

140 (1) Four thousand dollars shall be paid for burial expenses in any case
141 in which the employee died on or after October 1, 1988, and before the
142 effective date of this act, and twenty thousand dollars shall be paid for
143 burial expenses in any case in which the employee died on or after the
144 effective date of this act. On January 1, 2022, and not later than each
145 January first thereafter, the compensation for burial benefits shall be
146 adjusted by the percentage increase between the last complete calendar
147 year and the previous calendar year in the consumer price index for
148 urban wage earners and clerical workers in the northeast, with no
149 seasonal adjustment, as calculated by the United States Department of

150 Labor's Bureau of Labor Statistics. If there is no one wholly or partially
151 dependent upon the deceased employee, the burial expenses [of four
152 thousand dollars] shall be paid to the person who assumes the
153 responsibility of paying the funeral expenses.

154 (2) Twenty thousand dollars shall be paid for burial expenses in any
155 case in which an employee died due to contracting COVID-19 during
156 (A) the public health and civil preparedness emergencies declared by
157 the Governor on March 10, 2020, or any extension of such declarations,
158 or (B) any new public health and civil preparedness emergencies
159 declared by the Governor as a result of a COVID-19 outbreak in this
160 state. For the purposes of this subdivision, "COVID-19" means the
161 respiratory disease designated by the World Health Organization on
162 February 11, 2020, as coronavirus 2019, and any related mutation thereof
163 recognized by the World Health Organization as a communicable
164 respiratory disease.

165 ~~[(2)]~~ (3) To those wholly dependent upon the deceased employee at
166 the date of the deceased employee's injury, a weekly compensation
167 equal to seventy-five per cent of the average weekly earnings of the
168 deceased calculated pursuant to section 31-310, after such earnings have
169 been reduced by any deduction for federal or state taxes, or both, and
170 for the federal Insurance Contributions Act made from such employee's
171 total wages received during the period of calculation of the employee's
172 average weekly wage pursuant to said section 31-310, as of the date of
173 the injury but not more than the maximum weekly compensation rate
174 set forth in section 31-309 for the year in which the injury occurred or
175 less than twenty dollars weekly. (A) The weekly compensation rate of
176 each dependent entitled to receive compensation under this section as a
177 result of death arising from a compensable injury occurring on or after
178 October 1, 1977, shall be adjusted annually as provided in this
179 subdivision as of the following October first, and each subsequent
180 October first, to provide the dependent with a cost-of-living adjustment
181 in the dependent's weekly compensation rate as determined as of the
182 date of the injury under section 31-309. If the maximum weekly

183 compensation rate, as determined under the provisions of said section
184 31-309, to be effective as of any October first following the date of the
185 injury, is greater than the maximum weekly compensation rate
186 prevailing at the date of the injury, the weekly compensation rate which
187 the injured employee was entitled to receive at the date of the injury or
188 October 1, 1990, whichever is later, shall be increased by the percentage
189 of the increase in the maximum weekly compensation rate required by
190 the provisions of said section 31-309 from the date of the injury or
191 October 1, 1990, whichever is later, to such October first. The cost-of-
192 living increases provided under this subdivision shall be paid by the
193 employer without any order or award from the commissioner. The
194 adjustments shall apply to each payment made in the next succeeding
195 twelve-month period commencing with the October first next
196 succeeding the date of the injury. With respect to any dependent
197 receiving benefits on October 1, 1997, with respect to any injury
198 occurring on or after July 1, 1993, and before October 1, 1997, such
199 benefit shall be recalculated to October 1, 1997, as if such benefits had
200 been subject to recalculation annually under this subparagraph. The
201 difference between the amount of any benefits that would have been
202 paid to such dependent if such benefits had been subject to such
203 recalculation and the actual amount of benefits paid during the period
204 between such injury and such recalculation shall be paid to the
205 dependent not later than December 1, 1997, in a lump-sum payment.
206 The employer or its insurer shall be reimbursed by the Second Injury
207 Fund, as provided in section 31-354, for adjustments, including lump-
208 sum payments, payable under this subparagraph for deaths from
209 compensable injuries occurring on or after July 1, 1993, and before
210 October 1, 1997, upon presentation of any vouchers and information
211 that the Treasurer shall require. No claim for payment of retroactive
212 benefits may be made to the Second Injury Fund more than two years
213 after the date on which the employer or its insurer paid such benefits in
214 accordance with this subparagraph. (B) The weekly compensation rate
215 of each dependent entitled to receive compensation under this section
216 as a result of death arising from a compensable injury occurring on or
217 before September 30, 1977, shall be adjusted as of October 1, 1977, and

218 October 1, 1980, and thereafter, as provided in this subdivision to
219 provide the dependent with partial cost-of-living adjustments in the
220 dependent's weekly compensation rate. As of October 1, 1977, the
221 weekly compensation rate paid prior to October 1, 1977, to the
222 dependent shall be increased by twenty-five per cent. The partial cost-
223 of-living adjustment provided under this subdivision shall be paid by
224 the employer without any order or award from the commissioner. In
225 addition, on each October first, the weekly compensation rate of each
226 dependent as of October 1, 1990, shall be increased by the percentage of
227 the increase in the maximum compensation rate over the maximum
228 compensation rate of October 1, 1990, as determined under the
229 provisions of section 31-309 existing on October 1, 1977. The cost of the
230 adjustments shall be paid by the employer or its insurance carrier who
231 shall be reimbursed for such cost from the Second Injury Fund as
232 provided in section 31-354 upon presentation of any vouchers and
233 information that the Treasurer shall require. No claim for payment of
234 retroactive benefits may be made to the Second Injury Fund more than
235 two years after the date on which the employer or its insurance carrier
236 paid such benefits in accordance with this subparagraph.

237 [(3)] (4) If the surviving spouse is the sole presumptive dependent,
238 compensation shall be paid until death or remarriage.

239 [(4)] (5) If there is a presumptive dependent spouse surviving and
240 also one or more presumptive dependent children, all of which children
241 are either children of the surviving spouse or are living with the
242 surviving spouse, the entire compensation shall be paid to the surviving
243 spouse in the same manner and for the same period as if the surviving
244 spouse were the sole dependent. If, however, any of the presumptive
245 dependent children are neither children of the surviving spouse nor
246 living with the surviving spouse, the compensation shall be divided into
247 as many parts as there are presumptive dependents. The shares of any
248 children having a presumptive dependent parent shall be added to the
249 share of the parent and shall be paid to the parent. The share of any
250 dependent child not having a surviving dependent parent shall be paid

251 to the father or mother of the child with whom the child may be living,
252 or to the legal guardian of the child, or to any other person, for the
253 benefit of the child, as the commissioner may direct.

254 ~~[(5)]~~ (6) If the compensation being paid to the surviving presumptive
255 dependent spouse terminates for any reason, or if there is no surviving
256 presumptive dependent spouse at the time of the death of the employee,
257 but there is at either time one or more presumptive dependent children,
258 the compensation shall be paid to the children as a class, each child
259 sharing equally with the others. Each child shall receive compensation
260 until the child reaches the age of eighteen or dies before reaching age
261 eighteen, provided the child shall continue to receive compensation up
262 to the attainment of the age of twenty-two if unmarried and a full-time
263 student, except any child who has attained the age of twenty-two while
264 a full-time student but has not completed the requirements for, or
265 received, a degree from a postsecondary educational institution shall be
266 deemed not to have attained age twenty-two until the first day of the
267 first month following the end of the quarter or semester in which the
268 child is enrolled at the time, or if the child is not enrolled in a quarter or
269 semester system, until the first day of the first month following the
270 completion of the course in which the child is enrolled or until the first
271 day of the third month beginning after such time, whichever occurs first.
272 When a child's participation ceases, such child's share shall be divided
273 among the remaining eligible dependent children, provided if any child,
274 when the child reaches the age of eighteen years, is physically or
275 mentally incapacitated from earning, the child's right to compensation
276 shall not terminate but shall continue for the full period of incapacity.

277 ~~[(6)]~~ (7) In all cases where there are no presumptive dependents, but
278 where there are one or more persons wholly dependent in fact, the
279 compensation in case of death shall be divided according to the relative
280 degree of their dependence. Compensation payable under this
281 subdivision shall be paid for not more than three hundred and twelve
282 weeks from the date of the death of the employee. The compensation, if
283 paid to those wholly dependent in fact, shall be paid at the full

284 compensation rate. The compensation, if paid to those partially
285 dependent in fact upon the deceased employee as of the date of the
286 injury, shall not, in total, be more than the full compensation rate nor
287 less than twenty dollars weekly, nor, if the average weekly sum
288 contributed by the deceased at the date of the injury to those partially
289 dependent in fact is more than twenty dollars weekly, not more than the
290 sum so contributed.

291 [(7)] (8) When the sole presumptive dependents are, at the time of the
292 injury, nonresident aliens and the deceased has in this state some person
293 or persons who are dependent in fact, the commissioner may in the
294 commissioner's discretion equitably apportion the sums payable as
295 compensation to the dependents.

420 (iii) Has physical contact with and treats or provides care for a person
421 who subsequently dies as a result of COVID-19 or due to symptoms that
422 were later diagnosed as COVID-19; or

423 (iv) Witnesses a traumatic physical injury that results in the loss of a
424 vital body function of a person due to COVID-19 or due to symptoms
425 that were later diagnosed as COVID-19;

426 (12) "Telecommunicator" has the same meaning as provided in
427 section 28-30; and

428 (13) "Witnesses" means, for an eligible individual who is a
429 telecommunicator, hears by telephone or radio.

430 (b) A diagnosis of post-traumatic stress [disorder] injury is
431 compensable as a personal injury as described in subparagraph
432 (B)(ii)(III) of subdivision (16) of section 31-275, as amended by this act,

433 if a mental health professional examines [a police officer, parole officer
434 or firefighter] the eligible individual and diagnoses the [officer or
435 firefighter] individual with a post-traumatic stress [disorder] injury as a
436 direct result of a qualifying event, provided (1) the post-traumatic stress
437 [disorder] injury resulted from [the officer or firefighter] (A) the eligible
438 individual acting in the line of duty if such individual is a police officer,
439 firefighter, emergency medical services personnel, Department of
440 Correction employee or telecommunicator and, in the case of a
441 firefighter, such firefighter complied with Federal Occupational Safety
442 and Health Act standards adopted pursuant to 29 CFR 1910.134 and 29
443 CFR 1910.156, or (B) the eligible individual acting the course of
444 employment if such individual is a health care provider, (2) a qualifying
445 event was a substantial factor in causing the [disorder, (3) such
446 qualifying event, and not another event or source of stress, was the
447 primary cause of the post-traumatic stress disorder] injury, and [(4)] (3)
448 the post-traumatic stress [disorder] injury did not result from any
449 disciplinary action, work evaluation, job transfer, layoff, demotion,
450 promotion, termination, retirement or similar action of the [officer or
451 firefighter] eligible individual. Any such mental health professional
452 shall comply with any workers' compensation guidelines for approved
453 medical providers, including, but not limited to, guidelines on release
454 of past or contemporaneous medical records.

455 (c) Whenever liability to pay compensation is contested by the
456 employer, the employer shall file with the commissioner, on or before
457 the twenty-eighth day after the employer has received a written notice
458 of claim, a notice in accordance with a form prescribed by the
459 chairperson of the Workers' Compensation Commission stating that the
460 right to compensation is contested, the name of the claimant, the name
461 of the employer, the date of the alleged injury and the specific grounds
462 on which the right to compensation is contested. The employer shall
463 send a copy of the notice to the employee in accordance with section 31-
464 321. If the employer or the employer's legal representative fails to file
465 the notice contesting liability on or before the twenty-eighth day after
466 receiving the written notice of claim, the employer shall commence

467 payment of compensation for such injury on or before the twenty-eighth
468 day after receiving the written notice of claim, but the employer may
469 contest the employee's right to receive compensation on any grounds or
470 the extent of the employee's disability within one hundred eighty days
471 from the receipt of the written notice of claim and any benefits paid
472 during the one hundred eighty days shall be considered payments
473 without prejudice, provided the employer shall not be required to
474 commence payment of compensation when the written notice of claim
475 has not been properly served in accordance with section 31-321 or when
476 the written notice of claim fails to include a warning that the employer
477 (1) if the employer has commenced payment for the alleged injury on or
478 before the twenty-eighth day after receiving a written notice of claim,
479 shall be precluded from contesting liability unless a notice contesting
480 liability is filed within one hundred eighty days from the receipt of the
481 written notice of claim, and (2) shall be conclusively presumed to have
482 accepted the compensability of the alleged injury unless the employer
483 either files a notice contesting liability on or before the twenty-eighth
484 day after receiving a written notice of claim or commences payment for
485 the alleged injury on or before such twenty-eighth day. An employer
486 shall be entitled, if the employer prevails, to reimbursement from the
487 claimant of any compensation paid by the employer on and after the
488 date the commissioner receives written notice from the employer or the
489 employer's legal representative, in accordance with the form prescribed
490 by the chairperson of the Workers' Compensation Commission, stating
491 that the right to compensation is contested. Notwithstanding the
492 provisions of this subsection, an employer who fails to contest liability
493 for an alleged injury on or before the twenty-eighth day after receiving
494 a written notice of claim and who fails to commence payment for the
495 alleged injury on or before such twenty-eighth day, shall be conclusively
496 presumed to have accepted the compensability of the alleged injury. If
497 an employer has opted to post an address of where notice of a claim for
498 compensation by an employee shall be sent, as described in subsection
499 (a) of section 31-294c, the twenty-eight-day period set forth in this
500 subsection shall begin on the date when such employer receives written
501 notice of a claim for compensation at such posted address.

502 (d) Notwithstanding any provision of this chapter, workers'
503 compensation benefits for any [police officer, parole officer or
504 firefighter] eligible individual for a personal injury described in
505 subparagraph (B)(ii)(III) of subdivision (16) of section 31-275, as
506 amended by this act, shall (1) include any combination of medical
507 treatment prescribed by a board-certified psychiatrist or a licensed
508 psychologist, temporary total incapacity benefits under section 31-307
509 and temporary partial incapacity benefits under subsection (a) of section
510 31-308, and (2) be provided for a maximum of fifty-two weeks from the
511 date of diagnosis. No medical treatment, temporary total incapacity
512 benefits under section 31-307 or temporary partial incapacity benefits
513 under subsection (a) of section 31-308 shall be awarded beyond four
514 years from the date of the qualifying event that formed the basis for the
515 personal injury. The weekly benefits received by an [officer or a
516 firefighter] eligible individual pursuant to section 31-307 or subsection
517 (a) of section 31-308, when combined with other benefits including, but
518 not limited to, contributory and noncontributory retirement benefits,
519 Social Security benefits, benefits under a long-term or short-term
520 disability plan, but not including payments for medical care, shall not
521 exceed the average weekly wage paid to such [officer or firefighter]
522 eligible individual. An [officer or firefighter] eligible individual
523 receiving benefits pursuant to this subsection shall not be entitled to
524 benefits pursuant to subsection (b) of section 31-308 or section 31-308a.

525 Sec. 7. (NEW) (*Effective from passage*) (a) As used in this section:

526 (1) "Compensation" means an employee's average weekly earnings
527 for the twelve-month period immediately preceding the date of the
528 employee's last day of active employment with an employer, including
529 wages or salary, payments to an employee while on vacation or on
530 leave, allocated or declared tip income, bonuses or commissions,
531 contributions or premiums paid by the employer for fringe benefits,
532 overtime or other premium payments, and allowances for expenses,
533 uniforms, travel or education;

534 (2) "COVID-19" means the respiratory disease designated by the

535 World Health Organization on February 11, 2020, as coronavirus 2019,
536 and any related mutation thereof recognized by the World Health
537 Organization as a communicable respiratory disease;

538 (3) "Customary seasonal work" means work performed by an
539 employee for approximately the same portion of each calendar year;

540 (4) "Employer" means any person, including a corporate officer or
541 executive, who directly or indirectly or through an agent or any other
542 person, including through the services of a temporary service or staffing
543 agency or similar entity, conducts an enterprise and employs or
544 exercises control over the wages, hours or working conditions of any
545 employee;

546 (5) "Employment site" means the principal physical place where a
547 laid-off employee performed the predominance of the employee's duties
548 prior to being laid off, or, in the case of a laid-off employee in
549 construction, transportation, building services or other industries where
550 work is performed at locations other than the employer's administrative
551 headquarters from which such assignments were made, any location
552 served by such headquarters;

553 (6) "Enterprise" means any income-producing economic activity
554 carried on in this state that employs five or more employees;

555 (7) "Laid-off employee" means any employee who was employed by
556 the employer for six months or more in the twelve months preceding
557 March 10, 2020, and whose most recent separation from active service
558 or whose failure to be scheduled for customary seasonal work by that
559 employer occurred after March 10, 2020, and before December 31, 2024,
560 and was due to government shutdown orders, lack of business, or a
561 reduction or furlough of the employer's workforce; and

562 (8) "Length of service" means the total of all periods of time during
563 which an employee has been in active service, including periods of time
564 when the employee was on leave or on vacation.

565 (b) Each employer shall send to each of its laid-off employees, in
566 writing to such employee's last-known physical address and electronic
567 mail address, and in a text message to such employee's mobile phone,
568 notice of all job positions that become available at the employer for
569 which the laid-off employee is qualified. A laid-off employee is qualified
570 for a position if the employee: (1) Held the same or similar position at
571 the enterprise at the time of the employee's most recent separation from
572 active service with the employer; or (2) is or can be qualified for the
573 position with the same training that would be provided to a new
574 employee hired for such position. The employer shall offer such
575 positions to laid-off employees in the order of preference set forth under
576 subdivisions (1) and (2) of this subsection. Where more than one
577 employee is entitled to preference for a position, the employer shall offer
578 the position to the employee with the greatest length of service at the
579 employment site. An employer may make offers of employment for a
580 position to more than one laid-off employee with the final offer of
581 employment for such position conditioned upon the order of preference
582 described in this subsection.

583 (c) An offer of employment to a laid-off employee pursuant to this
584 section shall be in the same classification or job title at substantially the
585 same employment site, subject to relocation as provided in subdivision
586 (4) of subsection (g) of this section, and with substantially the same
587 duties, compensation, benefits and working conditions as applied to the
588 laid-off employee immediately prior to March 10, 2020.

589 (d) Any laid-off employee who is offered a position pursuant to this
590 section shall be given not less than ten days in which to accept or decline
591 the offer. A laid-off employee who declines an offer due to his or her
592 age, underlying health conditions of himself or herself or of a family
593 member or other person living in his or her household shall retain his
594 or her right to accept the position and shall retain all other rights under
595 this section until both (1) the expiration of the public health and civil
596 preparedness emergencies declared by the Governor on March 10, 2020,
597 and any extension of such emergency declarations, and (2) the laid-off

598 employee is reoffered the position.

599 (e) Each employer that declines to rehire a laid-off employee on the
600 grounds of lack of qualifications and instead hires a person other than a
601 laid-off employee shall provide to the laid-off employee a written notice
602 not later than thirty days after the date such other person is hired. Such
603 notice shall identify the person hired in lieu of rehiring the laid-off
604 employee, the reasons for such decision and all demographic data the
605 employer has regarding such new hire and the laid-off employee who
606 was not rehired.

607 (f) Laid-off employees rehired pursuant to this section shall be
608 permitted to work for not less than thirty work days, unless there is just
609 cause for the employee's termination.

610 (g) The requirements of this section shall apply under any of the
611 following circumstances:

612 (1) The ownership of the employer changed after a laid-off employee
613 was laid off, but the enterprise continues to conduct the same or similar
614 operations it did prior to March 10, 2020;

615 (2) The form of organization of the employer changed after March 10,
616 2020;

617 (3) Substantially all of the assets of the employer were acquired by
618 another entity that conducts the same or similar operations using
619 substantially the same assets; or

620 (4) The employer relocates the operations at which a laid-off
621 employee was employed prior to March 10, 2020, to a different
622 employment site not greater than twenty-five miles away from the
623 original employment site.

624 (h) No employer shall terminate, refuse to reemploy, reduce
625 compensation or otherwise take any adverse action against any person
626 seeking to enforce his or her rights under this section or for participating

627 in proceedings related to this section, opposing the violation of any
628 provision of this section or otherwise asserting rights under this section.

629 (i) An employer that terminates, refuses to reemploy or takes any
630 other adverse action against any laid-off employee shall provide to the
631 employee, at or before the time of the termination, refusal to reemploy
632 or other adverse action, a detailed written statement of the reason or
633 reasons for the termination, refusal to reemploy or other adverse action,
634 including all the facts substantiating the reason or reasons and all facts
635 known to the employer that contradict the substantiating facts.

636 (j) (1) A laid-off employee aggrieved by a violation of any provision
637 of this section may bring a civil in the Superior Court or may designate
638 an agent or representative to maintain the action on behalf of the
639 employee.

640 (2) If the court finds that the employer has violated any provision of
641 this section, the court may enjoin the employer from engaging in such
642 violation and may order such affirmative action as the court deems
643 appropriate, including, but not limited to, the reinstatement or rehiring
644 of the laid-off employee, with or without back pay and fringe benefits,
645 or other equitable relief as the court deems appropriate. Interim
646 earnings or amounts earnable with reasonable diligence by the laid-off
647 employee who was subjected to the violation shall be deducted from the
648 back pay permitted under this subdivision and any reasonable amounts
649 expended by the laid-off employee in searching for, obtaining or
650 relocating to new employment shall be deducted from the interim
651 earnings before such earnings are deducted from such back pay. The
652 court may order (A) compensatory and punitive damages if the court
653 finds that the employer committed the violation with malice or with
654 reckless indifference to the provisions of this section, and (B) treble
655 damages if the court finds that the employer terminated the laid-off
656 employee in violation of the provisions of subsection (h) of this section.
657 Any laid-off employee who prevails in a civil action shall be awarded
658 reasonable attorney's fees and costs to be taxed by the court.

659 (k) The provisions of this section shall apply to each laid-off
660 employee, whether or not such laid-off employee is represented for
661 purposes of collective bargaining or is covered by a collective
662 bargaining agreement, and may be waived in a bona fide collective
663 bargaining agreement but only if the waiver is explicitly set forth in the
664 agreement in clear and unambiguous terms. Unilateral implementation
665 of terms and conditions of employment by either party to a collective
666 bargaining relationship shall not constitute or be permitted as a waiver
667 of all or any part of the provisions of this section. Nothing in this section
668 shall be construed to invalidate or limit the rights, remedies and
669 procedures of any contract or agreement that provides equal or greater
670 protection for laid-off employees than provided by this section and it
671 shall not be a violation of this section for an employer to follow an order
672 of preference for rehiring laid-off employees required by a collective
673 bargaining agreement that is different from the order of preference
674 required by this section.

675 Sec. 8. (NEW) (*Effective from passage*) (a) As used in this section and
676 section 9 of this act, "personal protective equipment" means specialized
677 clothing or equipment worn by an employee for protection against
678 infectious disease and materials, including, but not limited to, protective
679 equipment for the eyes, face, head and extremities, protective clothing
680 and protective shields and barriers.

681 (b) Not later than six months after the end of the public health and
682 civil preparedness emergencies declared by the Governor on March 10,
683 2020, or the effective date of this section, whichever is later, the
684 Commissioner of Public Health, in consultation with the Department of
685 Administrative Services and the Division of Emergency Management
686 and Homeland Security, shall award a contract or contracts for the
687 procurement of personal protective equipment to create two stockpiles
688 of such equipment pursuant to this section. The commissioner may
689 make awards to multiple bidders and shall, to the maximum extent
690 feasible, pay for the personal protective equipment with federal public
691 health emergency funds. Each stockpile shall be gradually filled to a

692 capacity determined by the commissioner, provided at least one third of
693 the capacity of the stockpile shall be filled each year until capacity is
694 met. If personal protective equipment from a stockpile is used, the
695 stockpile shall be refilled in a manner similar to how the initial stockpile
696 was filled.

697 (c) One stockpile shall consist of personal protective equipment
698 approved for use by a federal agency and one stockpile shall consist of
699 personal protective equipment approved for use by the Department of
700 Public Health, in consultation with the Department of Administrative
701 Services and the Division of Emergency Management and Homeland
702 Security. Fifty per cent of the personal protective equipment in each
703 stockpile shall, to the maximum extent feasible, be manufactured in this
704 state, and thirty per cent of the personal protective equipment in each
705 stockpile shall, to the maximum extent feasible, be manufactured in the
706 United States.

707 (d) (1) During a declaration of a public health emergency, the
708 Commissioner of Public Health shall make personal protective
709 equipment in such stockpiles available without charge to state agencies,
710 political subdivisions of the state, nursing homes, hospitals, nonprofit
711 organizations and public schools. If the commissioner determines, after
712 making such personal protective equipment available, that there is an
713 excess supply of personal protective equipment, the commissioner shall
714 make such excess supply available for purchase by other private entities
715 at fair market value. The commissioner shall establish orders of priority
716 for the entities that may gain access to the state's personal protective
717 equipment stockpiles.

718 (2) When any personal protective equipment in a stockpile is within
719 one year of its expiration date, the commissioner shall make such
720 personal protective equipment available for sale at no more than fair
721 market value to the following entities, in order of priority: (A) Private
722 nursing homes in this state, (B) federally qualified healthcare centers in
723 this state, (C) hospitals, (D) nonprofit hospitals and entities that provide
724 direct medical care in this state, (E) public school districts in this state,

725 and (F) private schools and nonpublic charter schools in this state. To
726 the extent feasible, expired personal protective equipment shall be
727 disposed of in an environmentally sound manner.

728 (e) The Division of Emergency Management and Homeland Security,
729 in consultation with the Department of Public Health and the
730 Department of Administrative Services, shall submit a report annually
731 to the Governor and the General Assembly, in accordance with the
732 provisions of section 11-4a of the general statutes, on the status of the
733 stockpiles. The report shall include data on the price paid by the state
734 for the personal protective equipment and data on any personal
735 protective equipment sold by the state. The reports shall be made
736 available to the public on the Internet web site of the Division of
737 Emergency Management and Homeland Security.

738 Sec. 9. (NEW) (*Effective from passage*) The Division of Emergency
739 Management and Homeland Security, in consultation with the
740 Department of Public Health, shall establish a process to evaluate,
741 distribute and approve personal protective equipment for use during
742 public health emergencies. The process shall be designed to assist the
743 production of personal protective equipment by businesses not
744 otherwise engaged in the production of such equipment and not
745 approved by a federal agency to produce such equipment, and shall
746 prioritize businesses that manufacture personal protective equipment in
747 this state. The process shall require the Department of Administrative
748 Services to assist the Division of Emergency Management and
749 Homeland Security and the Department of Public Health in the review
750 of such businesses to ensure such businesses are legitimate and do not
751 have any unresolved safety or health citations.

752 Sec. 10. (NEW) (*Effective from passage*) (a) As used in this section:

753 (1) "Department" means the Department of Public Health;

754 (2) "Health care provider" has the same meaning as provided in
755 section 19a-17b of the general statutes, except that "health care provider"

756 does not include an independent medical practice that is owned and
757 operated, or maintained as a clinic or office, by one or more licensed
758 physicians and used as an office for the practice of their profession,
759 within the scope of their license, regardless of the name used publicly to
760 identify the place or establishment unless the medical practice is
761 operated or maintained exclusively as part of an integrated health
762 system or health facility;

763 (3) "Long-term care provider" means a home health care agency,
764 home health aide agency, behavioral health facility, alcohol or drug
765 treatment facility, assisted living services agency or nursing home, each
766 as defined in section 19a-490 of the general statutes;

767 (4) "Covered provider" means a health care provider or long-term
768 care provider;

769 (5) "Health care worker" means an individual employed by a health
770 care provider;

771 (6) "Long-term care worker" means an individual employed by a
772 long-term care provider; and

773 (7) "Personal protective equipment" or "PPE" means specialized
774 clothing or equipment worn by an employee for protection against
775 infectious disease and materials, including, but not limited to, protective
776 equipment for the eyes, face, head and extremities, protective clothing
777 and protective shields and barriers.

778 (b) On and after January 1, 2023, or one year after regulations are
779 adopted pursuant to subsection (g) of this section, whichever is later,
780 each covered provider shall maintain an unexpired inventory of PPE
781 deemed sufficient by the Commissioner of Public Health for ninety days
782 of surge consumption in the event of a state of emergency declaration
783 by the Governor, or a local emergency for a pandemic or other health
784 emergency. Personal protective equipment in the inventory shall be new
785 and not previously worn or used. Each covered provider shall provide
786 an inventory of its PPE to the department upon request from the

787 department. Except as provided in subsections (d) and (e) of this section,
788 a covered provider that violates this subsection shall be subject to a civil
789 penalty in the amount of twenty-five thousand dollars.

790 (c) If a covered provider provides services in a facility or other setting
791 controlled or owned by another covered provider that is obligated to
792 maintain a PPE inventory pursuant to this section, the covered provider
793 that controls or owns the facility or other setting shall be required to
794 maintain the required PPE for the covered provider providing services
795 in such facility or setting.

796 (d) Any covered provider may apply to the department, in writing,
797 for a waiver of some or all of the PPE inventory requirements described
798 in subsection (b) of this section. The department may approve the
799 waiver if the covered provider has twenty-five or fewer employees and
800 the covered provider agrees to close in-person operations during any
801 public health emergency in which increased use of PPE is recommended
802 by the department until sufficient PPE becomes available to the covered
803 provider to return to in-person operations.

804 (e) (1) The department may exempt a covered provider from the civil
805 penalty under subsection (b) of this section if the department
806 determines that supply chain limitations make meeting the required
807 supply level infeasible, and (A) a covered provider has made a
808 reasonable attempt, as determined by the department, to obtain PPE, or
809 (B) the covered provider shows that meeting the required supply level
810 is not possible due to issues beyond the covered provider's control, such
811 as the covered provider ordered the PPE but such order was not fulfilled
812 by the manufacturer or distributor or the PPE was damaged in transit
813 or stolen.

814 (2) A covered provider shall not be assessed a civil penalty under
815 subsection (b) of this section if the covered provider's PPE inventory
816 falls below the required supply level as a result of the covered provider's
817 distribution of PPE to its health care workers or long-term care workers,
818 or to another covered provider's workers, during a state of emergency

819 declared by the Governor or a declared local emergency for a pandemic
820 or other health emergency, provided the covered provider replenishes
821 its inventory to the required supply level not later than thirty days after
822 the date the inventory falls below the required supply level if the
823 department has determined there is not a supply limitation.

824 (f) A covered provider shall supply PPE to its health care workers and
825 long-term care workers and require that such workers use the PPE.

826 (g) The department shall adopt regulations, in accordance with
827 chapter 54 of the general statutes, to carry out the provisions of this
828 section. Such regulations shall (1) establish requirements for the surge
829 capacity levels described in subsection (b) of this section, including, but
830 not limited to, the types and amount of PPE to be maintained by the
831 covered provider based on the type and size of each covered provider,
832 as well as the composition of health care workers and long-term care
833 workers in its workforce, and (2) not establish policies or standards that
834 are less protective or prescriptive than any federal, state or local law on
835 PPE standards.

836 Sec. 11. (NEW) (*Effective from passage*) (a) Each acute care hospital and
837 nursing home shall collect data on COVID-19 in a form and format
838 prescribed by the Commissioner of Public Health (1) each day during
839 the time period of the public health and civil preparedness emergencies
840 declared by the Governor on March 10, 2020, or any extension of such
841 time periods, and (2) monthly after the expiration of such time periods.
842 The COVID-19 data shall be based on nationally recognized and
843 recommended standards and shall include, but need not be limited to
844 for each such hospital and nursing home: (A) Current inpatient data of
845 COVID-19 cases, hospitalizations and deaths, (B) the number of
846 employees exposed to COVID-19 and exhibiting symptoms of COVID-
847 19 who were tested for COVID-19, (C) the number of asymptomatic
848 employees tested for COVID-19, (D) the number of COVID-19 vaccines

897 Sec. 13. (NEW) (*Effective from passage*) (a) There is established within
898 the Department of Social Services the Essential Employees Pandemic
899 Pay Grant Program to administer and award grants to employers whose
900 covered employees were engaged in activities substantially dedicated to
901 mitigating or responding to the public health and civil preparedness
902 emergencies declared by the Governor on March 10, 2020, during the
903 eligible period. Not less than fifteen per cent of unrestricted funds
904 received by the state from January 1, 2021, to July 1, 2021, inclusive, for
905 purposes of COVID-19 relief shall be appropriated to fund grants under
906 the program.

907 (b) Not later than July 1, 2021, or sixty days after the Commissioner
908 of Social Services certifies that the program is established and available,
909 whichever is later, each employer shall apply to the department for a
910 grant under the program in an amount sufficient to make payments of
911 additional compensation to covered employees pursuant to subdivision
912 (1) of subsection (a) of section 14 of this act. The department shall issue
913 such grants requested on the grant application not later than thirty days

914 after the date grant applications are due, provided if the amount
915 appropriated to the program under subsection (a) of this section is
916 insufficient to fund the full amount of such grants, the department shall
917 prorate each grant by such amount as is necessary to issue a grant
918 payment to each employer who submitted an application.

919 Sec. 14. (NEW) (*Effective from passage*) (a) Each employer that receives
920 a grant under section 13 of this act shall pay each of its covered
921 employees additional compensation for each hour worked by such
922 covered employee during a covered week. Such compensation shall be
923 in addition to all other compensation, including wages, remuneration or
924 other pay and benefits the covered employee otherwise receives from
925 the employer, and shall be paid in an amount (1) equal to five dollars
926 per hour worked for essential employees and ten dollars per hour
927 worked for specialized risk employees if the employer received a grant
928 in the full amount for which the employer applied, or (2) prorated as
929 necessary to distribute the grant funds to each covered employee if the
930 employer received a grant in an amount less than the amount for which
931 the employer applied. No employer may deny such compensation
932 based upon the quality or type of work the covered employee
933 performed during such covered week.

934 (b) Such compensation shall be provided to the covered employee as
935 a lump sum payment in the first regularly scheduled payment of wages
936 after the employer's receipt of the grant. In any case where the employer
937 is unable to arrange for payment of the amount due to the covered
938 employee in the first regularly scheduled payment of wages, such
939 amounts shall be paid as soon as practicable, but not later than the
940 second regularly scheduled payment of wages after the employer's
941 receipt of the grant. Such compensation shall be clearly demarcated as a
942 separate line item in each paystub or other document provided to a
943 covered employee that details the remuneration the covered employee
944 received from the employer for a particular period of time. If any
945 covered employee does not otherwise regularly receive any such
946 paystub or other document from the employer, the employer shall

947 provide such paystub or other document to the covered employee for
948 the duration of the period in which the employer provides additional
949 compensation under subsection (a) of this section.

950 (c) (1) Any employer receiving a grant pursuant to section 13 of this
951 act or providing additional compensation to a covered employee under
952 this section shall not reduce or in any way diminish the compensation,
953 including the wages, remuneration or other pay or employment benefits
954 of a covered employee from March 20, 2020, to June 30, 2021, inclusive,
955 from the level provided to the covered employee on the date before the
956 effective date of this act.

957 (2) An employer shall not take any action to displace a covered
958 employee or partially displace a covered employee by reducing hours,
959 wages or employment benefits for the purposes of hiring an individual
960 for an equivalent position at a rate of compensation that is less than
961 required to be provided to a covered employee under subdivision (1) of
962 this subsection.

963 (d) The additional compensation provided pursuant to subsection (a)
964 of this section shall be excluded from the amount of remuneration for
965 work paid to the covered employee for purposes of (1) calculating the
966 employee's eligibility for any wage-based benefits offered by the
967 employer, or (2) computing the regular rate at which such covered
968 employee is employed under any provision of the general statutes
969 providing for minimum wages, overtime pay or any other wage-based
970 employment standard or benefit.

971 (e) If a covered employee entitled to additional compensation under
972 this section dies prior to such compensation, the employer shall pay
973 such additional compensation to the next of kin of the covered employee
974 as a lump sum payment.

975 Sec. 15. (NEW) (*Effective from passage*) (a) Any employer who fails to
976 apply for a grant pursuant to section 13 of this act and any employer
977 who receives a grant and fails to make a payment of additional

978 compensation or otherwise causes an employee to incur a loss as a result
979 of a violation of any provision of section 14 of this act, shall be subject to
980 the provisions of sections 31-68 and 31-71g of the general statutes, as
981 amended by this act, for failure to make wage payments.

982 (b) Any employer who takes any action against an employee for
983 invoking any right created by section 14 of this act shall be subject to the
984 provisions of sections 31-69 and 31-69a of the general statutes, as
985 amended by this act.

986 Sec. 16. (NEW) (*Effective from passage*) All actions required under
987 section 14 of this act of consumers, as defined in section 17b-706 of the
988 general statutes, shall be undertaken by fiscal intermediaries who shall
989 be solely responsible for any penalties otherwise applicable to such
990 consumers under this section, section 15 of this act and sections 31-68,
991 31-69, 31-69a and 31-71g of the general statutes, as amended by this act.
992 The Department of Social Services and the Department of
993 Developmental Services may apply to the Essential Employees
994 Pandemic Pay Grant Program for such funds as shall be reasonably
995 required to compensate fiscal intermediaries for compliance with
996 sections 12 to 16, inclusive, of this act.

997 Sec. 17. Section 31-71g of the general statutes is repealed and the
998 following is substituted in lieu thereof (*Effective October 1, 2021*):

999 Any employer or any officer or agent of an employer or any other
1000 person authorized by an employer to pay wages who violates any
1001 provision of this part or intentionally violates any provision of
1002 subsection (a) of section 14 of this act: (1) Shall be guilty of a class D
1003 felony, except that such employer, officer or agent shall be fined not less
1004 than two thousand nor more than five thousand dollars for each offense
1005 if the total amount of all unpaid wages owed to an employee is more
1006 than two thousand dollars; (2) may be fined not less than one thousand
1007 nor more than two thousand dollars or imprisoned not more than one
1008 year, or both, for each offense if the total amount of all unpaid wages
1009 owed to an employee is more than one thousand dollars but not more

1010 than two thousand dollars; (3) may be fined not less than five hundred
1011 nor more than one thousand dollars or imprisoned not more than six
1012 months, or both, for each offense if the total amount of all unpaid wages
1013 owed to an employee is more than five hundred but not more than one
1014 thousand dollars; or (4) may be fined not less than two hundred nor
1015 more than five hundred dollars or imprisoned not more than three
1016 months, or both, for each offense if the total amount of all unpaid wages
1017 owed to an employee is five hundred dollars or less.

1018 Sec. 18. Subsection (a) of section 31-69 of the general statutes is
1019 repealed and the following is substituted in lieu thereof (*Effective October*
1020 *1, 2021*):

1021 (a) Any employer or his agent, or the officer or agent of any
1022 corporation, who discharges or in any other manner discriminates
1023 against any employee because such employee has testified or is about to
1024 testify in any investigation or proceeding under or related to this part or
1025 section 14 of this act, or because such employer believes that such
1026 employee may testify in any investigation or proceeding under this part,
1027 shall be fined not less than one hundred dollars nor more than four
1028 hundred dollars.

1029 Sec. 19. Section 31-69a of the general statutes is repealed and the
1030 following is substituted in lieu thereof (*Effective October 1, 2021*):

1031 (a) In addition to the penalties provided in this chapter and chapter
1032 568, any employer, officer, agent or other person who violates any
1033 provision of this chapter, chapter 557 or subsection (g) of section 31-288,
1034 or who intentionally violates any provision of section 14 of this act, shall
1035 be liable to the Labor Department for a civil penalty of three hundred
1036 dollars for each such violation, [of said chapters and for each violation
1037 of subsection (g) of section 31-288,] except that (1) any person who
1038 violates (A) a stop work order issued pursuant to subsection (c) of
1039 section 31-76a shall be liable to the Labor Department for a civil penalty
1040 of one thousand dollars and each day of such violation shall constitute
1041 a separate offense, and (B) any provision of section 31-12, 31-13 or 31-14,

1042 subsection (a) of section 31-15 or section 31-18, 31-23 or 31-24 shall be
1043 liable to the Labor Department for a civil penalty of six hundred dollars
1044 for each violation of said sections, and (2) a violation of subsection (g) of
1045 section 31-288 shall constitute a separate offense for each day of such
1046 violation.

1047 (b) Any employer, officer, agent or other person who violates any
1048 provision of chapter 563a may be liable to the Labor Department for a
1049 civil penalty of not greater than five hundred dollars for the first
1050 violation of chapter 563a related to an individual employee or former
1051 employee, and for each subsequent violation of said chapter related to
1052 such individual employee or former employee, may be liable to the
1053 Labor Department for a civil penalty of not greater than one thousand
1054 dollars. In setting a civil penalty for any violation in a particular case,
1055 the Labor Commissioner shall consider all factors which the
1056 commissioner deems relevant, including, but not limited to, (1) the level
1057 of assessment necessary to insure immediate and continued compliance
1058 with the provisions of chapter 563a; (2) the character and degree of
1059 impact of the violation; and (3) any prior violations of such employer of
1060 chapter 563a.

1061 (c) The Attorney General, upon complaint of the Labor
1062 Commissioner, shall institute civil actions to recover the penalties
1063 provided for under subsections (a) and (b) of this section. Any amount
1064 recovered shall be deposited in the General Fund and credited to a
1065 separate nonlapsing appropriation to the Labor Department, for other
1066 current expenses, and may be used by the Labor Department to enforce
1067 the provisions of chapter 557, chapter 563a, this chapter, [and]
1068 subsection (g) of section 31-288 and section 14 of this act, and to
1069 implement the provisions of section 31-4.

1074 parentis to an employee, or an individual to whom the employee stood
1075 in loco parentis when the individual was a minor child;

1076 (2) "COVID-19" means the respiratory disease designated by the
1077 World Health Organization on February 11, 2020, as coronavirus 2019,
1078 and any related mutation thereof recognized by the World Health
1079 Organization as a communicable respiratory disease;

1080 (3) "Employee" means an individual engaged in service to an
1081 employer in the business of the employer;

1082 (4) "Employer" means any person, firm, business, educational

1086 statutes shall act on behalf of the employer of all personal care
1087 attendants, as defined in section 17b-706 of the general statutes.
1088 "Employer" does not include the federal government;

1089 (5) "Family member" means (A) the employee's spouse, as defined in
1090 section 31-51kk of the general statutes, child, parent, grandparent,
1091 grandchild or sibling, whether related to the employee by blood,

1101 suspension, constructive discharge, demotion, unfavorable
1102 reassignment, refusal to promote, reduction of hours, disciplinary

1105 Sec. 21. (NEW) (*Effective from passage*) (a) (1) Each employer shall
1106 provide to each of its employees COVID-19 sick leave in addition to any
1107 paid sick leave provided by the employer pursuant to section 31-57s of
1108 the general statutes, as amended by this act. The COVID-19 sick leave
1109 shall be (A) in the amount of eighty hours for each employee who
1110 regularly works forty or more hours per week, or (B) equal to the
1111 amount of hours the employee is regularly scheduled to work or works
1112 in a two-week period, whichever is greater, for each employee who
1113 regularly works less than forty hours per week.

1114 (2) An employee exempt from overtime requirements under 29 USC
1115 213(a)(1), as amended from time to time, shall be assumed to work forty
1116 hours per week for purposes of calculating COVID-19 sick leave, unless
1117 such employee regularly works less than forty hours per week, in which
1118 case the COVID-19 sick leave shall be provided based upon the number
1119 of hours regularly worked per week. An employee who regularly works
1120 less than forty hours per week, but whose number of work hours varies
1121 from week to week, shall be provided COVID-19 sick leave using the
1122 average number of hours per week the employee was scheduled to work
1123 in the six-month period immediately preceding the date on which the
1124 employee utilizes COVID-19 sick leave, including the hours of any leave
1125 taken by the employee, except that if the employee did not work over
1126 such period, the average shall be the reasonable expectation of the
1127 employee, at the time the employee was hired, of the average number
1128 of hours per week the employee would be regularly scheduled to work.

1129 (b) COVID-19 sick leave shall be provided one time to each employee
1130 and shall be immediately available for use for any of the purposes
1131 described in subsection (c) of this section beginning on the effective date
1132 of this section, regardless of how long such employee has been
1133 employed by the employer. An employee shall be entitled to use
1134 COVID-19 sick leave retroactively starting on March 10, 2020, until four
1135 weeks after the expiration of the public health and civil preparedness
1136 emergencies declared by the Governor on March 10, 2020, or any
1137 extension of such declarations.

1138 (c) An employee shall be entitled to take COVID-19 sick leave when
1139 the employee is unable to perform the functions of the job of such
1140 employee, including through telework, due to any of the following
1141 reasons related to COVID-19:

1142 (1) The employee's need to: (A) Self-isolate and care for oneself
1143 because the employee has been diagnosed with COVID-19 or is
1144 experiencing symptoms of COVID-19; (B) seek preventive care
1145 concerning COVID-19; or (C) seek or obtain medical diagnosis, care or
1146 treatment if experiencing symptoms of COVID-19;

1147 (2) The employee's need to comply with an order or determination to
1148 self-isolate, on the basis that the employee's physical presence on the job
1149 or in the community would jeopardize the employee's health, the health
1150 of other employees or the health of an individual in the employee's
1151 household because of: (A) Possible exposure to COVID-19; or (B) the
1152 exhibition of symptoms of COVID-19, regardless of whether the
1153 employee has been diagnosed with COVID-19;

1154 (3) The employee's need to care for a family member who is: (A) Self-
1155 isolating, seeking preventive care or seeking or obtaining medical
1156 diagnosis, care or treatment for the purposes described in subdivision
1157 (1) of this subsection; or (B) self-isolating due to an order or
1158 determination as described in subdivision (2) of this subsection;

1159 (4) The employee's inability to work or telework because the
1160 employee is: (A) Prohibited from working by the employer due to health
1161 concerns related to the potential transmission of COVID-19; or (B)
1162 subject to an individual or general local, state or federal quarantine or
1163 isolation order, including a shelter-in-place or stay-at-home order,
1164 related to COVID-19;

1165 (5) The employee's need to care for a family member when the care
1166 provider of such family member is unavailable due to COVID-19 or if
1167 the family member's school or place of care has been closed by a local,
1168 state or federal public official or at the discretion of the school or place

1169 of care, due to COVID-19, including if a school or place of care: (A) Is
1170 physically closed but providing virtual learning instruction; (B) requires
1171 or makes optional virtual learning instruction; or (C) requires or makes
1172 available a hybrid of in-person and virtual learning instruction models;
1173 or

1174 (6) The employee's inability to work because the employee has a
1175 health condition that may increase susceptibility to or risk of COVID-19,
1176 including, but not limited to, age, heart disease, asthma, lung disease,
1177 diabetes, kidney disease or a weakened immune system.

1178 (d) An order or determination pursuant to subdivision (2) of
1179 subsection (c) of this section or subparagraph (B) of subdivision (3) of
1180 subsection (c) of this section shall be made by a local, state or federal
1181 public official, a health authority having jurisdiction, a health care
1182 provider or the employer of the employee or the employee's family
1183 member. Such order or determination need not be specific to such
1184 employee or family member.

1185 (e) Each employer shall pay each employee for COVID-19 sick leave
1186 at a pay rate equal to the greater of (1) the normal hourly wage for that
1187 employee, or (2) the minimum fair wage rate under section 31-58 of the
1188 general statutes in effect for the pay period during which the employee
1189 used COVID-19 sick leave. For any employee whose hourly wage varies
1190 depending on the work performed by the employee, "normal hourly
1191 wage" means the average hourly wage of the employee in the pay period
1192 prior to the one in which the employee uses COVID-19 sick leave.

1193 (f) The employee shall provide advance notice to the employer of the
1194 need for COVID-19 sick leave as soon as practicable only when the need
1195 for COVID-19 sick leave is foreseeable and the employer's place of
1196 business has not been closed.

1197 (g) Notwithstanding any provision of sections 20 to 25, inclusive, of
1198 this act, no documentation from an employee shall be required by an
1199 employer for COVID-19 sick leave.

1200 (h) If an employee is transferred to a separate division, entity or
1201 location, but remains employed by the same employer, the employee
1202 shall retain and be entitled to use all COVID-19 sick leave the employee
1203 accrued or received in accordance with the provisions of sections 20 to
1204 25, inclusive, of this act, at the prior division, entity or location. If a
1205 different employer succeeds or takes the place of an existing employer,
1206 each employee of the original employer who remains employed by the
1207 successor employer shall retain and be entitled to use all COVID-19 sick
1208 leave the employee accrued or received in accordance with the
1209 provisions of sections 20 to 25, inclusive, of this act, while employed by
1210 the original employer.

1211 (i) An employer shall not require, as a condition of an employee's
1212 taking COVID-19 sick leave, that the employee search for or find a
1213 replacement worker to cover the hours during which the employee is
1214 using COVID-19 sick leave.

1215 Sec. 22. (NEW) (*Effective from passage*) (a) Nothing in sections 20 to 25,
1216 inclusive, of this act shall be construed to: (1) Discourage or prohibit an
1217 employer from the adoption or retention of a COVID-19 sick leave, paid
1218 sick leave or other paid leave policy more generous than the one
1219 required pursuant to section 21 of this act, including providing more
1220 leave than required under said section; (2) diminish any rights provided
1221 to any employee under a collective bargaining agreement; or (3) prohibit
1222 an employer from establishing a policy whereby an employee may
1223 donate unused COVID-19 sick leave to another employee.

1224 (b) An employee may first use the COVID-19 sick leave provided
1225 under section 21 of this act prior to using sick leave under section 31-57t
1226 of the general statutes, as amended by this act. An employer may not
1227 require an employee to use other paid leave provided by the employer
1228 to the employee before the employee uses the COVID-19 sick leave.

1229 Sec. 23. (NEW) (*Effective from passage*) (a) It shall be unlawful for an
1230 employer or any other person to interfere with, restrain or deny the
1231 exercise of, or the attempt to exercise, any right protected under sections

1232 20 to 25, inclusive, of this act. No employer shall take retaliatory
1233 personnel action or discriminate against an employee because the
1234 employee (1) requests or uses COVID-19 sick leave in accordance with
1235 the provisions of sections 20 to 25, inclusive, of this act, or (2) files a
1236 complaint with the Labor Commissioner alleging the employer's
1237 violation of any provision of said sections.

1238 (b) The Labor Commissioner shall advise any employee who (1) is
1239 covered by a collective bargaining agreement that provides for COVID-
1240 19 sick leave, and (2) files a complaint pursuant to subsection (a) of this
1241 section of the employee's right to pursue a grievance with his or her
1242 collective bargaining agent.

1243 (c) Any employee aggrieved by a violation of any provision of
1244 sections 20 to 25, inclusive, of this act, may file a complaint with the
1245 Labor Commissioner. Upon receipt of any such complaint, the Labor
1246 Commissioner may hold a hearing. After the hearing, any employer
1247 who is found by the Labor Commissioner, by a preponderance of the
1248 evidence, to have violated any provision of this section shall be liable to
1249 the Labor Department for a civil penalty in an amount consistent with
1250 the penalties provided in section 31-57v of the general statutes, as
1251 amended by this act. The Labor Commissioner may award the employee
1252 appropriate relief consistent with the provisions of section 31-57v of the
1253 general statutes, as amended by this act. Any party aggrieved by the
1254 decision of the Labor Commissioner may appeal the decision to the
1255 Superior Court in accordance with the provisions of section 4-183 of the
1256 general statutes.

1257 (d) Any person aggrieved by a violation of any provision of sections
1258 20 to 25, inclusive, of this act, the Labor Commissioner, the Attorney
1259 General or any entity a member of which is aggrieved by a violation of
1260 any provision of sections 20 to 25, inclusive, of this act, may bring a civil
1261 action in a court of competent jurisdiction against the employer
1262 violating said sections. Such action may be brought by a person
1263 aggrieved by a violation of this section without first filing an
1264 administrative complaint.

1265 (e) The Labor Commissioner shall administer this section within
1266 available appropriations.

1267 Sec. 24. (NEW) (*Effective from passage*) (a) Each employer subject to the
1268 provisions of sections 20 to 25, inclusive, of this act shall, at the time of
1269 hiring or not later than fourteen days after the effective date of this
1270 section, whichever is later, provide written notice to each employee (1)
1271 of the entitlement to COVID-19 sick leave, the amount of COVID-19 sick
1272 leave provided and the terms under which COVID-19 sick leave may be
1273 used, (2) that retaliatory personnel actions by the employer are
1274 prohibited, and (3) of the right to file a complaint with the Labor
1275 Commissioner or file a civil action for any violation of sections 20 to 25,
1276 inclusive, of this act. Each employer shall also display a poster in a
1277 conspicuous place, accessible to employees, at the employer's place of
1278 business that contains the information required by this section in both
1279 English and Spanish provided in cases where the employer does not
1280 maintain a physical workplace, or an employee teleworks or performs
1281 work through a web-based or application-based platform, notification
1282 shall be sent via electronic communication or a conspicuous posting in
1283 the web-based or application-based platform. The Labor Commissioner
1284 shall provide such posters and model written notices to all employers.
1285 Additionally, employers shall include in the record of hours worked,
1286 wages earned and deductions required by section 31-13a of the general
1287 statutes, the number of hours, if any, of COVID-19 sick leave received
1288 by each employee, as well as any use of COVID-19 sick leave in the
1289 calendar year.

1290 (b) Employers shall retain records documenting hours worked by
1291 employees and COVID-19 sick leave taken by employees, for a period
1292 of three years, and shall allow the Labor Commissioner access to such
1293 records, with appropriate notice and at a mutually agreeable time, to
1294 monitor compliance with the requirements of this section. When an
1295 issue arises as to an employee's entitlement to COVID-19 sick leave
1296 under this section, if the employer does not maintain or retain adequate
1297 records documenting hours worked by the employee and COVID-19

1298 sick leave taken by the employee, or does not allow reasonable access to
1299 such records, it shall be presumed that the employer has violated this
1300 section absent clear and convincing evidence otherwise.

1301 (c) The Labor Commissioner may coordinate implementation and
1302 enforcement of sections 20 to 25, inclusive, of this act and shall adopt
1303 regulations, in accordance with the provisions of chapter 54 of the
1304 general statutes, for such purposes.

1305 (d) The Labor Commissioner may develop and implement a
1306 multilingual outreach program to inform employees, parents and
1307 persons who are under the care of a health care provider about the
1308 availability of COVID-19 sick leave. This program may include the
1309 development of notices and other written materials in English and in
1310 other languages. The Labor Commissioner shall administer this section
1311 within available appropriations.

1312 Sec. 25. (NEW) (*Effective from passage*) Unless required by law, an
1313 employer shall not require disclosure of the details of an employee's or
1314 an employee's family member's health information as a condition for
1315 providing COVID-19 sick leave under sections 20 to 25, inclusive, of this
1316 act. If an employer possesses health information about an employee or
1317 an employee's family member, such information shall be treated as
1318 confidential and not disclosed except to such employee or with the
1319 permission of such employee.

1320 Sec. 26. Subsection (a) of section 31-225a of the general statutes is
1321 repealed and the following is substituted in lieu thereof (*Effective October*

1324 (1) "Qualified employer" means each employer subject to this chapter

1345 on June thirtieth; [and "experience period"]

1346 (8) "Experience period" means the three consecutive experience years
1347 ending on the computation date, except that (A) if the employer's
1348 account has been chargeable with benefits for less than three years, the
1349 experience period shall consist of the greater of one or two consecutive
1350 experience years ending on the computation date, [.] and (B) to the
1351 extent allowed by federal law and as necessary to respond to the spread
1352 of COVID-19, for any taxable year commencing on or after January 1,
1353 2022, the experience period shall be calculated without regard to benefit

1355 and June 30, 2021, when applicable; and

1356 (9) "COVID-19" means the respiratory disease designated by the

1360 Sec. 27. Subsection (d) of section 31-225a of the general statutes is
1361 repealed and the following is substituted in lieu thereof (*Effective October*

1366 section shall pay contributions at a rate that is the higher of (1) one per
1367 cent, or (2) the state's five-year benefit cost rate. For purposes of this
1368 subsection, the state's five-year benefit cost rate shall be computed
1369 annually on or before June thirtieth and shall be derived by dividing the
1370 total dollar amount of benefits paid to claimants under this chapter
1371 during the five consecutive calendar years immediately preceding the
1372 computation date by the five-year payroll during the same period,
1373 except that, to the extent allowed by federal law and as necessary to
1374 respond to the spread of COVID-19, for any taxable year commencing
1375 on or after January 1, 2022, the state's five-year benefit cost rate shall be
1376 calculated without regard to benefit payments and taxable wages for
1377 calendar years 2020 and 2021, when applicable. If the resulting quotient
1378 is not an exact multiple of one-tenth of one per cent, the five-year benefit
1379 cost rate shall be the next higher such multiple.

1380 Sec. 28. (NEW) (*Effective from passage*) (a) Notwithstanding any
1381 provision of chapter 567 of the general statutes, during the weeks
1382 commencing July 26, 2020, and ending on September 5, 2020,
1383 individuals who were eligible for a weekly benefit amount of less than
1384 one hundred dollars pursuant to the provisions of said chapter and who
1385 did not exhaust their state regular unemployment benefits by July 26,
1386 2020, shall have their weekly benefit amount raised to one hundred
1387 dollars and such individuals shall be permitted to apply for lost wages
1388 assistance.

1389 (b) Notwithstanding any provision of chapter 567 of the general

1390 statutes, if an additional federal benefit program is established for which
1391 the eligibility of an individual requires a minimum weekly benefit
1392 pursuant to the provisions of said chapter, individuals who are eligible
1393 for a weekly benefit amount of less than such required minimum weekly
1394 benefit and who have not exhausted their state regular unemployment
1395 benefits shall have their weekly benefit amount raised to the minimum
1396 amount required for eligibility for such additional federal benefit
1397 program, and such individuals shall be permitted to apply for such
1398 additional federal benefit program. As used in this subsection, (1)
1399 "additional federal benefit program" means a program enacted in
1400 federal law that provides benefits for unemployment caused by or
1401 related to COVID-19 or the public health and civil preparedness

1408 respiratory disease.

1409 (c) With respect to employers who make payments in lieu of
1410 contributions pursuant to section 31-225 of the general statutes, for
1411 individuals who are affected by subsection (a) or (b) of this section, the
1412 amount otherwise due from the employer in lieu of contributions shall
1413 be reduced by an amount equal to the difference between the
1414 individual's weekly benefit amount to be paid pursuant to subsections
1415 (a) or (b) of this section and the weekly benefit amount which was or
1416 would have been calculated pursuant to chapter 567 of the general
1417 statutes prior to the adjustment to the weekly benefit amount required
1418 by subsections (a) or (b) of this section.

1419 (d) The Labor Commissioner may issue any implementing orders the
1420 commissioner deems necessary to effectuate the provisions of this
1421 section.

1422 Sec. 29. Subsection (f) of section 31-273 of the general statutes is

1423 repealed and the following is substituted in lieu thereof (*Effective from*
1424 *passage*):

1425 (f) Any person who knowingly makes a false statement or
1426 representation or fails to disclose a material fact in order to obtain,
1427 increase, prevent or decrease any benefit, contribution or other payment
1428 under this chapter, or under any similar law of another state or of the
1429 United States in regard to which this state acted as agent pursuant to an
1430 agreement authorized by section 31-225, whether to be made to or by
1431 himself or herself or any other person, and who receives any such
1432 benefit, pays any such contribution or alters any such payment to his or
1433 her advantage by such fraudulent means (1) shall be guilty of a class A
1434 misdemeanor if such benefit, contribution or payment amounts to [five
1435 hundred] two thousand dollars or less, or (2) shall be guilty of a class D
1436 felony if such benefit, contribution or payment amounts to more than
1437 [five hundred] two thousand dollars. Notwithstanding the provisions
1438 of section 54-193, no person shall be prosecuted for a violation of the
1439 provisions of this subsection committed on or after October 1, 1977,
1440 except within five years next after such violation has been committed.

1441 Sec. 30. (NEW) (*Effective from passage*) Each contracting authority
1442 acting pursuant to section 31-53 of the general statutes shall consider the
1443 use of a project labor agreement pursuant to section 31-56b of the
1444 general statutes for state contracts valued at ten million dollars or more.
1445 Each contractor who bids on such a state contract shall (1) be
1446 prequalified under section 4a-100 of the general statutes to perform the
1447 work required by the contractor under the contract, (2) be enrolled in
1448 the apprenticeship program pursuant to section 31-22m of the general
1449 statutes, and (3) if awarded the contract, complete the work required

1460 (4) "Licensed practical nurse" means a practical nurse licensed
1461 pursuant to chapter 378 of the general statutes;

1462 (5) "Nurse's aide" means a nurse's aide registered pursuant to chapter
1463 378a of the general statutes;

1464 (6) "Hospital" means any short-term acute care general or children's

1472 (b) Each hospital shall calculate for each nursing unit, on a per shift

1474 patient care to patients of the hospital. Each hospital shall post in each
1475 nursing unit, at the beginning of each shift, a clear and conspicuous

1487 (c) In addition to the information posted pursuant to subsection (b)
1488 of this section, each hospital shall post at the beginning of each shift a

1502 information was posted.

1503 (e) No hospital shall discharge or in any manner discriminate or
1504 retaliate against any employee of any hospital or against any other
1505 person because such employee or person reported a suspected violation
1506 by the hospital of a regulatory requirement concerning staffing levels
1507 and direct patient care. Notwithstanding any other provision of the
1508 general statutes, any hospital that violates any provision of this
1509 subsection shall (1) be liable to such employee or person for treble
1510 damages, and (2) reinstate the employee, if the employee was
1511 terminated from employment. For purposes of this subsection,
1512 "discriminate or retaliate" includes, but is not limited to, discharge,

1513 demotion, suspension or any other detrimental change in terms or
1514 conditions of employment or the threat of any such action.

1515 Sec. 32. Section 31-68 of the general statutes is repealed and the
1516 following is substituted in lieu thereof (*Effective from passage*):

1517 (a) (1) If any employee is paid by his or her employer less than the
1518 minimum fair wage or overtime wage to which he or she is entitled
1519 under sections 31-58, 31-59 and 31-60 or by virtue of a minimum fair
1520 wage order, or less than the amount of additional compensation to
1521 which he or she is entitled under sections 12 to 16, inclusive, of this act,
1522 he or she shall recover, in a civil action, (A) twice the full amount of such
1523 minimum wage, [or] overtime wage or additional compensation less
1524 any amount actually paid to him or her by the employer, with costs and
1525 such reasonable attorney's fees as may be allowed by the court, or (B) if
1526 the employer establishes that the employer had a good faith belief that
1527 the underpayment of such wages or additional compensation was in
1528 compliance with the law, the full amount of such minimum wage, [or]
1529 overtime wage or additional compensation less any amount actually
1530 paid to him or her by the employer, with costs and such reasonable
1531 attorney's fees as may be allowed by the court.

1532 (2) Notwithstanding the provisions of subdivision (1) of this
1533 subsection, if any employee is paid by his or her employer less than the
1534 minimum fair wage or overtime wage to which he or she is entitled
1535 under section 31-62-E4 of the regulations of Connecticut state agencies,
1536 such employee shall recover, in a civil action, (A) twice the full amount
1537 of such minimum wage or overtime wage less any amount actually paid
1538 to such employee by the employer, with costs and such reasonable
1539 attorney's fees as may be allowed by the court, or (B) if the employer
1540 establishes that the employer had a good faith belief that the
1541 underpayment of such wages was in compliance with the law, the full
1542 amount of such minimum wage or overtime wage less any amount
1543 actually paid to such employee by the employer, with costs as may be
1544 allowed by the court. A good faith belief includes, but is not limited to,
1545 reasonable reliance on written guidance from the Labor Department.

1546 (3) Notwithstanding the provisions of section 52-105, no person may
1547 be authorized by a court to sue for the benefit of other alleged similarly
1548 situated persons in a case brought for violations of section 31-62-E4 of
1549 the regulations of Connecticut state agencies, unless such person, in
1550 addition to satisfying any judicial rules of practice governing class
1551 action certifications, demonstrates to the court, under the appropriate
1552 burden of proof, that the defendant is liable to all individual proposed
1553 class members because all such members (A) performed nonservice
1554 duties while employed by the defendant, for more than a de minimis
1555 amount of time, that were not incidental to service duties, and (B) were
1556 not properly compensated by the defendant for some portion of their
1557 nonservice duties in accordance with section 31-62-E4 of the regulations
1558 of Connecticut state agencies.

1559 (4) Any agreement between an employee and his or her employer to
1560 work for less than such minimum fair wage or overtime wage or for less
1561 than the amount of additional compensation owned to the employee
1562 pursuant to sections 12 to 16, inclusive, of this act shall be no defense to
1563 such action as described in this section. The commissioner may collect
1564 the full amount of unpaid minimum fair wages, [or] unpaid overtime
1565 wages or unpaid additional compensation to which an employee is
1566 entitled under said sections or order, as well as interest calculated in
1567 accordance with the provisions of section 31-265 from the date the
1568 wages or additional compensation should have been received, had they
1569 been paid in a timely manner. In addition, the commissioner may bring
1570 any legal action necessary to recover twice the full amount of the unpaid
1571 minimum fair wages, [or] unpaid overtime wages or unpaid additional
1572 compensation to which the employee is entitled under said sections or
1573 under an order, and the employer shall be required to pay the costs and
1574 such reasonable attorney's fees as may be allowed by the court. The
1575 commissioner shall distribute any wages, additional compensation or
1576 interest collected pursuant to this section to the employee or in
1577 accordance with the provisions of subsection (b) of this section.

1578 (b) All wages and additional compensation collected by the

1579 commissioner for an employee whose whereabouts are unknown to the
 1580 commissioner shall be held by the commissioner for three months and
 1581 thereafter the commissioner may, in his discretion, pay the same, on
 1582 application, to the husband or wife or, if none, to the next of kin of such
 1583 employee. As a condition of such payment, the commissioner or his
 1584 authorized representative shall require proof of the relationship of the
 1585 claimant and the execution of a bond of indemnity and a receipt for such
 1586 payment. Notwithstanding the provisions of section 3-60b, any such
 1587 wages or additional compensation held by the commissioner for two
 1588 years without being claimed shall escheat to the state, subject to the
 1589 provisions of sections 3-66a to 3-71a, inclusive.
