AN ACT CREATING A BROADBAND INTERNET TASK FORCE.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

That the general statutes be amended to create a task force to examine broadband Internet in the state of Connecticut and make recommendations to the General Assembly regarding high-speed Internet access, provider selection and market competition to improve service quality.

Statement of Purpose:
To create a task force to examine broadband Internet in the state of Connecticut and make recommendations to the General Assembly regarding high-speed Internet access, provider selection and market competition to improve service quality.
