The registrars of the town in which an institution is located and the administrator of the institution shall mutually agree on a date and time for such supervision of absentee balloting, which shall be not later than the last business day before the election or primary.

(c) The supervision of absentee balloting under this section shall be carried out in accordance with the provisions of subsections (g), (h), (i) and (k) of section 9-159q.

(d) Notwithstanding the provisions of subsections (a) to (c), inclusive, of this section, for the state election in 2020, and any election or primary held on or after the effective date of this section but prior to July 1, 2021, the Secretary of the State may waive any requirement under said subsections, provided the Secretary (1) waives such requirement in recognition of the public health and civil preparedness emergency declared by the Governor on March 10, 2020, and has consulted with the Commissioner of Public Health or said commissioner's designee regarding such waiver, (2) has given written notice to the town clerk and registrars of voters in each municipality, and (3) has submitted a report, in accordance with section 11-4a, to the joint standing committee of the General Assembly having cognizance of matters relating to elections advising of such waiver and specifying alternative actions to be taken to provide opportunities for absentee voting by electors described in this section.

Sec. 14. Section 9-159o of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

(a) Any elector who has returned an absentee ballot to the municipal clerk and who finds such elector is able to vote in person shall proceed before ten o'clock a.m. on election, primary or referendum day to the municipal clerk's office and request that such elector's ballot be withdrawn. The municipal clerk shall remove the ballot from the sealed package and shall mark the serially-numbered outer envelope, which shall remain unopened, "rejected" and note the reasons for rejection. The
elector shall also endorse the envelope. The rejected ballot shall then be returned to the sealed package until delivered on election, primary or referendum day to the registrars of voters in accordance with section 9-140c, as amended by this act. The municipal clerk shall then give the elector a signed statement directed to the moderator of the voting district in which the elector resides stating that the elector has withdrawn such elector's absentee ballot and may vote in person. Upon delivery of the statement by the elector to the moderator, the moderator shall cause the absentee indication next to the name of the elector to be stricken from the official checklist and the elector may then have such elector's name checked and vote in person. Unless absentee ballots are to be counted in the respective polling places pursuant to subsection (b) of section 9-147a, as amended by this act, the municipal clerk shall also cause the absentee indication next to the name of the elector to be stricken from the duplicate checklist to be used by the absentee ballot counters.

(b) Notwithstanding the provisions of subsection (a) of this section, for the state election in 2020, and any election, primary or referendum held on or after the effective date of this section but prior to July 1, 2021, any elector who has returned an absentee ballot to the municipal clerk and who finds such elector is able to vote in person shall proceed before five o'clock p.m. on the fourth day before [the] such election, primary or referendum to the municipal clerk's office and request that such elector's ballot be withdrawn.

Sec. 15. Subsection (g) of section 9-150b of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

(g) (1) No such depository envelope shall be opened except by order of a court of competent jurisdiction, by the State Elections Enforcement Commission pursuant to a subpoena issued under subdivision (1) of subsection (a) of section 9-7b or within five business days after an election, primary or referendum for the purpose of a recanvass conducted pursuant to law. After such a recanvass the depository
envelopes and their contents shall be returned to the municipal clerk
and preserved for the stated period.

(2) Notwithstanding the provisions of subdivision (1) of this
subsection, for the state election in 2020, and any election held on or after
the effective date of this section but prior to July 1, 2021, no such
depository envelope shall be opened for the purpose of a recanvass
conducted pursuant to law except within seven business days after [the]
such election as provided in section 9-311, as amended by this act.

Sec. 16. Section 9-307 of the general statutes is repealed and the
following is substituted in lieu thereof (Effective from passage):

(a) Immediately after the polls are closed, the official checker or
checkers, appointed under the provisions of section 9-234, shall make
and deliver to the moderator a certificate stating the whole number of
names on the registry list or enrollment list including, if applicable,
unaffiliated electors authorized under section 9-431 to vote in the
primary, and the number checked as having voted in that election or
primary. For the purpose of computing the whole number of names on
the registry list, the lists of persons who have applied for presidential or
overseas ballots prepared in accordance with section 9-158h shall be
included. If a paper registry list is used, the registrars or assistant
registrars, as the case may be, shall write and sign with ink, on the list
or lists so used and checked, a certificate of the whole number of names
registered on the list eligible to vote in the election or primary and the
number checked as having voted in that election or primary, and
deposit it in the office of the municipal clerk not later than forty-eight
hours after the close of the polls. If an electronic version of the registry
list is used, the electronic device upon which such list is stored shall be
returned to the registrars of voters who shall cause the electronic
registry list to be printed. Such printed list shall be signed by each
registrar, who shall deposit such list in the office of the municipal clerk
not later than forty-eight hours after the close of the polls. The municipal
clerk shall carefully preserve the paper registry list or printed electronic
registry list, as applicable, on file, with the marks on it without
alteration, for public inspection, and shall immediately enter a certified

copy of such certificate on the town records. Subject to the provisions of

section 7-109, the municipal clerk may destroy any voting checklist four

years after the date upon which it was used. The moderator shall place

the certificate which the moderator received from the official checker or

checkers in the office of the municipal clerk not later than forty-eight

hours after the close of the polls.

(b) Notwithstanding the provisions of subsection (a) of this section,

for the state election in 2020, and any election or primary held on or after

the effective date of this section but prior to July 1, 2021, any certificate

or list required under said subsection to be deposited or placed in the

office of the municipal clerk shall be so deposited or placed not later

than ninety-six hours after the close of the polls at such election or

primary.

Sec. 17. Section 9-309 of the general statutes is repealed and the

following is substituted in lieu thereof (Effective from passage):

(a) Upon the close of the polls, the moderator, in the presence of the

other election officials, shall immediately lock the voting tabulator

against voting and immediately cause the vote totals for all candidates

and questions to be produced. The moderator shall, in the order of the

offices as their titles are arranged on the ballot, read and announce in

distinct tones the result as shown, giving the number indicated and

indicating the candidate to whom such total belongs, and shall read the

votes recorded for each office on the ballot. The moderator shall also, in

the same manner, announce the vote on each constitutional amendment,

proposition or other question voted on. The vote so announced by the

moderator shall be taken down by each checker and recorded on the

tally sheets. Each checker shall record the number of votes received for

each candidate on the ballot and also the number received by each

person for whom write-in ballots were cast. The moderator shall make

a preliminary list from the vote totals produced by the tabulators and

shall prepare such preliminary list for transmission to the Secretary of

the State pursuant to section 9-314, as amended by this act. After such
preliminary list has been transmitted to the Secretary of the State, the
658 canvass may be temporarily interrupted, during which time the
659 moderator shall (1) return the keys for all tabulators to the registrars of
660 voters, (2) seal the tabulators against voting or being tampered with, (3)
661 prepare and seal individual envelopes for all (A) write-in ballots, (B)
662 absentee ballots, (C) moderators’ returns, and (D) other notes,
663 worksheets or written materials used at the election, and (4) store all
664 such tabulators and envelopes in a secure place or places directed by the
665 registrars of voters. At the end of such temporary interruption, the
666 moderator shall receive such keys from the registrars and shall take
667 possession of and break the seal on all such tabulators and envelopes for
668 the purpose of completing the canvass. The result totals shall remain in
669 full public view until the statement of canvass and all other reports have
670 been fully completed and signed by the moderator, checkers and
671 registrars, or assistant registrars, as the case may be. Any other
672 remaining result of the votes cast shall be publicly announced by the
673 moderator not later than forty-eight hours after the close of the polls.
674 Such public announcement shall consist of reading both the name of
675 each candidate, with the designating number and letter on the ballot and
676 the absentee vote as furnished to the moderator by the absentee ballot
677 counters, and also the vote cast for and against each question submitted.
678 While such announcement is being made, ample opportunity shall be
679 given to any person lawfully present to compare the results so
680 announced with the result totals provided by the tabulator and any
681 necessary corrections shall then and there be made by the moderator,
682 checkers and registrars or assistant registrars, after which the
683 compartments of the voting tabulator shall be closed and locked. In
684 canvassing, recording and announcing the result, the election officials
685 shall be guided by any instructions furnished by the Secretary of the
686 State.

(b) Notwithstanding the provisions of subsection (a) of this section,
688 for the state election in 2020, and any election held on or after the
689 effective date of this section but prior to July 1, 2021, after the
690 preliminary list has been transmitted to the Secretary of the State, any
other remaining result of the votes cast required under said subsection
to be publicly announced by the moderator shall be so announced not
later than ninety-six hours after the close of the polls at such election.

Sec. 18. Section 9-311 of the general statutes is repealed and the
following is substituted in lieu thereof (Effective from passage):

(a) (1) If, within three days after an election, it appears to the
moderator that there is a discrepancy in the returns of any voting
district, such moderator shall forthwith within said period summon, by
written notice delivered personally, the recanvass officials, consisting of
at least two checkers of different political parties and at least two
absentee ballot counters of different political parties who served at such
election, and the registrars of voters of the municipality in which the
election was held and such other officials as may be required to conduct
such recanvass. Such written notice shall require the clerk or registrars
of voters, as the case may be, to bring with them the depository
envelopes required by section 9-150a, the package of write-in ballots
provided for in section 9-310, the absentee ballot applications, the list of
absentee ballot applications, the registry list and the moderators' returns
and shall require such recanvass officials to meet at a specified time not
later than the fifth business day after such election to recanvass the
returns of a voting tabulator or voting tabulators or absentee ballots or
write-in ballots used in such district in such election. If any of such
recanvass officials are unavailable at the time of the recanvass, the
registrar of voters of the same political party as that of the recanvass
official unable to attend shall designate another elector having previous
training and experience in the conduct of elections to take his place.
Before such recanvass is made, such moderator shall give notice, in
writing, to the chairman of the town committee of each political party
which nominated candidates for the election, and, in the case of a state
election, not later than twenty-four hours after a determination is made
regarding the need for a recanvass to the Secretary of the State, of the
time and place where such recanvass is to be made; and each such
chairman may send representatives to be present at such recanvass.
Such representatives may observe, but no one other than a recanvass
official may take part in the recanvass. If any irregularity in the recanvass procedure is noted by such a representative, he shall be permitted to present evidence of such irregularity in any contest relating to the election.

(2) Notwithstanding the provisions of subdivision (1) of this subsection, for the state election in 2020 and any election held on or after the effective date of this section but prior to July 1, 2021, (A) if, within five days after [the] such election, it appears to the moderator that there is a discrepancy in the returns of any voting district, such moderator shall forthwith within said period summon, by written notice delivered personally, the recanvass officials to conduct such recanvass in accordance with the provisions of said subdivision, and (B) such written notice shall require such recanvass officials to meet not later than the seventh business day after [the] such election for such purpose.

(b) The moderator shall determine the place or places where the recanvass shall be conducted and, if such recanvass is held before the tabulators are boxed and collected in the manner required by section 9-266, the moderator may either require that such recanvass of such tabulators be conducted in each place where the tabulators are located, or he may require that they be removed to one central place, where such recanvass shall be conducted. All recanvassing procedures shall be open to public observation. Such recanvass officials shall, in the presence of such moderator and registrars of voters, make a record of the number on the seal and the number on the protective counter, if one is provided, on each voting tabulator specified by such moderator. Such registrars of voters in the presence of such moderator shall turn over the keys of each such tabulator to such recanvass officials, and such recanvass officials, in the presence of such registrars of voters and moderator, shall immediately proceed to recanvass the vote cast thereon, and shall then open the package of absentee ballots and recanvass the vote cast thereon. In the course of the recanvass of the absentee ballot vote the recanvass officials shall check all outer envelopes for absentee ballots against the inner envelopes for such ballots and against the registry list to verify postmarks, addresses and registry list markings and also to
determine whether the number of envelopes from which absentee
ballots have been removed is the same as the number of persons checked
as having voted by absentee ballot. The write-in ballots shall also be
recanvassed at this time. All of the recanvass officials shall use the same
forms for tallies and returns as were used at the original canvass and the
absentee ballot counters shall also sign the tallies.

(c) (1) The votes shall be announced and recorded in the manner
prescribed in section 9-309, as amended by this act, on return forms
provided by the registrars of voters and appended thereto shall be a
statement signed by the moderator indicating the time and place of the
recanvass and the names, addresses, titles and party affiliations of the
recanvass officials. The write-in ballots shall be replaced in a properly
secured sealed package. Upon the completion of such recanvass, any
tabulator used in such recanvass shall be locked and sealed, the keys
thereof shall immediately be returned to such registrars of voters and
such tabulator shall remain so locked until the expiration of fourteen
days after such election or for such longer period as is ordered by a court
of competent jurisdiction. The absentee ballots shall be replaced in their
wrappers and be resealed by the moderator in the presence of the
recanvass officials. Upon the completion of such recanvass, such
moderator and at least two of the recanvass officials of different political
parties shall forthwith prepare and sign such return forms which shall
contain a written statement giving the result of such recanvass for each
tabulator and each package of absentee ballots whose returns were so
recanvassed, setting forth whether or not the original canvass was
correctly made and stating whether or not the discrepancy still remains
unaccounted for. Such return forms containing such statement shall
forthwith be filed by the moderator in the office of such clerk. If such
recanvass reveals that the original canvass of returns was not correctly
made, such return forms containing such statement so filed with the
clerk shall constitute a corrected return. In the case of a state election, a
recanvass return shall be made in duplicate on a form prescribed and
provided by the Secretary of the State, and the moderator shall file one
copy with the Secretary of the State and one copy with the town clerk.
not later than ten days after the election. Such recanvass return shall be substituted for the original return and shall have the same force and effect as an original return.

(2) Notwithstanding the provisions of subdivision (1) of this subsection, for the state election in 2020 and any election held on or after the effective date of this section but prior to July 1, 2021, each copy of the recanvass return required under said subdivision to be filed by the moderator with the Secretary of the State and the town clerk shall be so filed not later than twelve days after [the] such election.

kept by the Secretary for that purpose and present a printed report of
the same, with the name of, and the total number of votes received by,

later than ninety-six hours after the close of the polls on such election
day, and (2) the duplicate list required under said subsections to be
