AN ACT PREVENTING NEW DATA CAPS DURING COVID-19.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. (NEW) (Effective from passage) (a) As used in this section:

1. "Broadband Internet access service" means a mass-market retail service by wire or radio that provides the capability to transmit data to and receive data from all or substantially all Internet endpoints, including any capabilities that are incidental to and enable the operation of the communications service, but excluding dial-up Internet access service;

2. "Broadband Internet access service provider" means any person or entity that provides broadband Internet access service through facilities occupying public highways or streets authorized by the Public Utilities Regulatory Authority, including through a certificate of public convenience and necessity, a certificate of video franchise authority, a certificate of cable franchise authority, or as a certified telecommunications provider;

3. "COVID-19" means the respiratory disease designated by the
World Health Organization on February 11, 2020, as coronavirus 2019, and any related mutation thereof recognized by said organization as a communicable respiratory disease; and

(4) "Data cap" means a limit on, or a fee-based structure with the purpose of limiting, the broadband Internet download and upload speeds a consumer may utilize during a period of time specified by a broadband Internet access service provider.

(b) Notwithstanding any provision of the general statutes, no broadband Internet access service provider shall impose new data caps on such provider's customers for the duration of the public health emergency declared by the Governor related to COVID-19.

This act shall take effect as follows and shall amend the following sections:
