When such hazard, potential hazard, pollution, contamination or potential pollution or contamination results from the action or inaction of more than one person, each person shall be held jointly and severally liable for such costs. Upon request of the commissioner, the Attorney General shall bring a civil action to recover all such costs and expenses from the person who caused or is responsible for any such hazard, potential hazard, pollution, contamination or potential pollution or contamination.
materials, radioactive waste or a source of ionizing radiation that is not  
authorized by a provision of the general statutes, any regulation,  
registration or license, or (2) any pollution or contamination or potential  
pollution or contamination of any land, water, air or other natural  
resources of the state through a discharge, spillage, uncontrolled loss,  
release, leakage, seepage or filtration of radioactive material or  
radioactive waste that is not authorized by a provision of the general  
statutes, any regulation, registration or license, shall be entitled to  
reimbursement of the reasonable costs incurred or expended for such  
abatement, containment, removal or mitigation from any person whose  
negligent, reckless, knowing or intentional action or inaction caused  
such hazard, potential hazard, pollution, contamination or potential  
pollution or contamination. When such hazard, potential hazard,  
pollution, contamination or potential pollution or contamination results  
from the action or inaction of more than one person, each such person  
shall be held jointly and severally liable for such costs.

(d) Whenever the commissioner incurs contractual obligations in  
carrying out the authority vested in the commissioner pursuant to  
subsection (a) of this section and the person who causes or is responsible  
for the hazard, potential hazard, pollution, contamination or potential  
pollution or contamination does not assume the tasks and  
responsibilities that are the subject of such contractual obligations, the  
commissioner shall request the Attorney General to bring a civil action,  
pursuant to subsection (b) of this section, to recover the costs and  
expenses of such contractual obligations and other costs and expenses

government of the United States with respect to sources of ionizing
radiation and the assumption thereof by this state, as provided for in the
Atomic Energy Act of 1954, as amended.

Sec. 49. Section 16a-100 of the general statutes is repealed and the
following is substituted in lieu thereof (Effective October 1, 2021):

(a) The state of Connecticut endorses the action of the Congress of the
United States in enacting the Atomic Energy Act of 1954 to institute a
program to encourage the widespread participation in the development
and utilization of atomic energy for peaceful purposes to the maximum
extent consistent with the common defense and security and with the
health and safety of the public; and therefore declares the policy of the
state to be (1) to cooperate actively in the program thus instituted; (2) to
develop programs for the control of ionizing and nonionizing radiation
compatible with federal programs for regulation of by-product, source
and special nuclear material; and (2) to the extent that the
regulation of special nuclear materials and by-product materials, of
production facilities and utilization facilities and of persons operating
such facilities may be within the jurisdiction of the state, to provide for
the exercise of the state’s regulatory authority so as to conform, as nearly
as may be, to the Atomic Energy Act of 1954 and regulations issued
thereunder, to the end that there may, in effect, be a single harmonious
system of regulation within the state.

(b) The state of Connecticut recognizes that the development of
industries producing or utilizing atomic energy may result in new
conditions calling for changes in the laws of the state and in regulations
issued thereunder with respect to health and safety, working conditions,
workers' compensation, transportation, public utilities, life, health,
accident, fire and casualty insurance, the conservation of natural
resources, including wildlife, and the protection of streams, rivers and
airspace from pollution, and therefore declares the policy of the state to
be (1) to adapt its laws and regulations to meet the new conditions in
ways that will encourage the healthy development of industries
producing or utilizing atomic energy while at the same time protecting
the public interest; (2) to initiate continuing studies of the need for
changes in the relevant laws and regulations of the state by the
respective agencies of the state which are responsible for their
administration; [and] (3) to assure the coordination of the studies thus
undertaken, particularly with other atomic industrial development
activities of the state and with the development and regulatory activities
of other states and of the government of the United States; and (4) to
coordinate the studies, recommendations and
the administration and enforcement of such laws and regulations.

industrial and commercial uses of atomic energy; (3) act as [deputy of
the Governor] the Governor's designee in matters relating to atomic
energy, including participation in the activities of any committee
formed by the New England states to represent their interests in such
matters and also cooperation with other states and with the government
of the United States; (4) coordinate the studies, recommendations and
proposals of the several departments and agencies of the state required
by section 16a-103 with each other and also with the programs and
activities of the development commission. [So far as practicable, he shall
coordinate the studies conducted, and the recommendations and
proposals made, in this state with like activities in the New England and
other states and with the policies and regulations of the Energy Research
and Development Administration and the Nuclear Regulatory
Commission. In carrying out his duties, he shall proceed in close
cooperation with the development commission.] The commissioner
shall consult with and review regulations and procedures of the

(d) If the results of the test conducted pursuant to this section reveal that the total sulfur content of the sample in per cent by mass is equal to or greater than one per cent, an operator shall not sell or provide such aggregate for use in concrete.

(e) If the results of the test performed pursuant to this section reveal that the total sulfur content of the sample in per cent by mass is less than
one per cent and equal to or greater than one-tenth per cent and (1) no pyrrhotite is present, an operator may sell or provide such aggregate for use in concrete for a period of one year beginning on the date of receipt of such test results; and (2) pyrrhotite is present, an operator shall not sell or provide such aggregate in a manner inconsistent with the acceptance and use indicated by the results of a petrographic analysis undertaken pursuant to this section or requirement or restriction established by the Commissioner of Energy and Environmental Protection pursuant to subsection (f) of this section.

consumer. If requests from a consumer are manifestly unfounded, excessive or repetitive, the controller may charge the consumer a reasonable fee to cover the administrative costs of complying with the request or decline to act on the request. The controller bears the burden of demonstrating the manifestly unfounded, excessive or repetitive nature of the request.

(4) If a controller is unable to authenticate the request using commercially reasonable efforts, the controller shall not be required to comply with a request to initiate an action pursuant to this section and shall provide notice to the consumer that the controller is unable to authenticate the request until the consumer provides additional information reasonably necessary to authenticate the consumer and the consumer's request.

(d) A controller shall establish a process for a consumer to appeal the controller's refusal to take action on a request within a reasonable period of time after the consumer's receipt of the decision. The appeal process shall be conspicuously available and similar to the process for submitting requests to initiate action pursuant to this section. Not later than sixty days after receipt of an appeal, a controller shall inform the consumer in writing of any action taken or not taken in response to the appeal, including a written explanation of the reasons for the decisions. If the appeal is denied, the controller shall also provide the consumer with an online mechanism, if available, or other method through which the consumer may contact the Attorney General to submit a complaint.

Sec. 70. (NEW) (Effective January 1, 2023) (a) Except as provided in subsection (b) of this section, a controller receiving a request from an authorized agent to exercise the rights of a consumer to opt out of the processing of such consumer's personal data for purposes of subparagraphs (A) and (B) of subdivision (5) of subsection (a) of section 69 of this act may require the authorized agent to provide proof that the consumer gave the agent signed permission to submit the request. If the controller has a reason to believe that the proof submitted by the agent
is insufficient or invalid, the controller may also require the consumer
to do either of the following: (1) Verify the consumer's own identity
directly with the controller; or (2) directly confirm with the controller
that the consumer provided the authorized agent with permission to
submit the request.

(b) Subsection (a) of this section does not apply when a consumer has
provided the authorized agent with power of attorney pursuant to
sections 1-350 to 1-353b, inclusive, of the general statutes.

(c) An authorized agent shall implement and maintain reasonable
security procedures and practices to protect the consumer's personal
data.

(d) An authorized agent shall not use a consumer's personal data, or
any information collected from or about the consumer, for any purposes
other than to fulfill the consumer's requests, for verification or for fraud
prevention.

Sec. 71. (NEW) (Effective January 1, 2023) (a) A controller shall: (1)
Limit the collection of personal data to what is adequate, relevant and
reasonably necessary in relation to the purposes for which such data is
processed, as disclosed to the consumer, (2) except as otherwise
provided in sections 66 to 76, inclusive, of this act, not process personal
data for purposes that are neither reasonably necessary to nor
compatible with the disclosed purposes for which such personal data is
processed, as disclosed to the consumer, unless the controller obtains
the consumer's consent, (3) establish, implement and maintain
reasonable administrative, technical and physical data security practices
to protect the confidentiality, integrity and accessibility of personal data
appropriate to the volume and nature of the personal data at issue, (4)
not process sensitive data concerning a consumer without obtaining the
consumer's consent, or, in the case of the processing of sensitive data
concerning a known child, without processing such data in accordance
with COPPA, (5) not process personal data in violation of the laws of
this state and federal laws that prohibit unlawful discrimination against consumers, (6) provide an effective mechanism for a consumer to revoke his or her consent under this section, and upon revocation of such consent, cease to process the data as soon as practicable, but not later than forty-five days after the receipt of such request, and (7) not process the personal data of a consumer under circumstances where a controller has actual knowledge of, or wilfully disregards, whether the consumer is a minor for the purposes of targeted advertising or selling a minor's personal data without obtaining the minor's consent. A controller shall not discriminate against a consumer for exercising any of the consumer rights contained in sections 66 to 76, inclusive, of this act, including denying goods or services, charging different prices or rates for goods or services or providing a different level of quality of goods and services to the consumer.

(b) Nothing in subsection (a) of this section shall be construed to prohibit a controller from offering a different price, rate, level, quality, or selection of goods or services to a consumer, including offering goods or services for no fee, if the offering is in connection with a consumer's voluntary participation in a bona fide loyalty, rewards, premium features, discounts or club card program. If a consumer exercises his or her right to opt out pursuant to subdivision (5) of subsection (a) of section 69 of this act, a controller may not sell the consumer's personal data to a third party as part of such program unless: (1) The sale is reasonably necessary to enable the third party to provide a benefit to which the consumer is entitled; (2) the sale of personal data to third parties is clearly disclosed in the terms of the program; and (3) the third party uses the personal data only for purposes of facilitating such a benefit to which the consumer is entitled and does not retain or otherwise use or disclose the personal data for any other purpose.

(c) A controller shall provide consumers with a reasonably accessible, clear, and meaningful privacy notice that includes: (1) The categories of personal data processed by the controller, (2) the purpose for processing personal data, (3) how consumers may exercise their consumer rights,
including how a consumer may appeal a controller's decision with regard to the consumer's request, (4) the categories of personal data that the controller shares with third parties, if any, (5) the categories of third parties, if any, with which the controller shares personal data, and (6) an active electronic mail address that the consumer may use to contact the controller.

(d) If a controller sells personal data to third parties or processes personal data for targeted advertising, the controller shall clearly and conspicuously disclose such processing, as well as the manner in which a consumer may exercise the right to opt out of such processing.

(e) A controller shall establish, and shall describe in a privacy notice, one or more secure and reliable means for consumers to submit a request to exercise their consumer rights pursuant to sections 66 to 76, inclusive, of this act. Such means shall take into account the ways in which consumers normally interact with the controller, the need for secure and reliable communication of such requests, and the ability of the controller to authenticate the identity of the consumer making the request. Such means shall further include any mechanisms provided for under any other state law or regulation to which the controller is subject and that grants individuals rights analogous to those granted to consumers under sections 66 to 76, inclusive, of this act. A controller shall not require a consumer to create a new account in order to exercise consumer rights, but may require a consumer to use an existing account. Any such means shall include:

(1) (A) Providing a clear and conspicuous link on the controller's Internet web site, titled "Do Not Sell or Share My Personal Information", to an Internet web page that enables a consumer, or an agent of the consumer, to opt out of the sale or sharing of the consumer's personal data; and

(B) Providing a clear and conspicuous link on the controller's Internet web site, titled "Limit the Use of My Sensitive Personal Information",
that enables a consumer, or an agent of the consumer, to limit the use or disclosure of the consumer's sensitive data; or

(2) In lieu of complying with subdivision (1) of this subsection, providing a single, clearly-labeled link on the controller's Internet website that easily allows a consumer to opt out of the sale or sharing of the consumer's personal data and to limit the use or disclosure of the consumer's sensitive data.

(3) If a controller responds to consumer opt-out requests received pursuant to subdivision (1) or (2) of this subsection by informing the consumer of a charge for the use of any product or service, the controller shall present the terms of any financial incentive offered pursuant to subsection (b) of this section for the retention, use, sale or sharing of the consumer's personal data.

(f) A controller shall not be required to comply with subsection (e) of this section if the controller (1) allows consumers to opt out of the sale or sharing of their personal data and to limit the use of their sensitive data through an opt-out preference signal sent with the consumer's consent by a platform, technology or mechanism to the controller indicating the consumer's intent to opt out of the controller's sale or sharing of the consumer's personal data or to limit the use or disclosure of the consumer's sensitive data, or both, and (2) describes in its privacy notice how consumers may exercise such opt-out preference.

Sec. 72. (NEW) (Effective January 1, 2023) (a) A processor shall adhere to the instructions of a controller and shall assist the controller in meeting its obligations pursuant to sections 66 to 76, inclusive, of this act. Such assistance shall include: (1) Taking into account the nature of processing and the information available to the processor, by appropriate technical and organizational measures, insofar as is reasonably practicable, to fulfill the controller's obligation to respond to consumer rights requests, (2) taking into account the nature of processing and the information available to the processor, by assisting
the controller in meeting the controller's obligations in relation to the
security of processing the personal data and in relation to the
notification of a breach of security, as defined in section 36a-701b of the
general statutes, of the system of the processor, in order to meet the
controller's obligations, and (3) providing necessary information to enable the controller to conduct and document data protection assessments.

(b) A contract between a controller and a processor shall govern the processor's data processing procedures with respect to processing performed on behalf of the controller. The contract shall be binding and clearly set forth instructions for processing data, the nature and purpose of processing, the type of data subject to processing, the duration of processing and the rights and obligations of both parties. The contract shall also require that the processor: (1) Ensure that each person processing personal data is subject to a duty of confidentiality with respect to the data, (2) at the controller's direction, delete or return all personal data to the controller as requested at the end of the provision of services, unless retention of the personal data is required by law, (3) upon the reasonable request of the controller, make available to the controller all information in its possession necessary to demonstrate the processor's compliance with the obligations in sections 66 to 76, inclusive, of this act, (4) engage any subcontractor pursuant to a written contract that requires the subcontractor to meet the obligations of the processor with respect to the personal data, and (5) allow, and cooperate with, reasonable assessments by the controller or the controller's designated assessor, or the processor may arrange for a qualified and independent assessor to conduct an assessment of the processor's policies and technical and organizational measures in support of the obligations under sections 66 to 76, inclusive, of this act, using an appropriate and accepted control standard or framework and assessment procedure for such assessments. The processor shall provide a report of such assessment to the controller upon request.

(c) Nothing in this section shall be construed to relieve a controller or
a processor from the liabilities imposed on it by virtue of its role in the processing relationship, as described in sections 66 to 76, inclusive, of this act.

(d) Determining whether a person is acting as a controller or processor with respect to a specific processing of data is a fact-based determination that depends upon the context in which personal data is to be processed. A processor that continues to adhere to a controller's instructions with respect to a specific processing of personal data remains a processor.

Sec. 73. (NEW) (Effective January 1, 2023) (a) A controller shall conduct and document a data protection assessment of each of the following high-risk processing activities involving personal data: (1) The processing of personal data for purposes of targeted advertising, (2) the sale of personal data, (3) the processing of personal data for purposes of profiling, where such profiling presents a reasonably foreseeable risk of (A) unfair or deceptive treatment of, or unlawful disparate impact on, consumers, (B) financial, physical or reputational injury to consumers, (C) a physical or other intrusion upon the solitude or seclusion, or the private affairs or concerns, of consumers, where such intrusion would be offensive to a reasonable person, or (D) other substantial injury to consumers, (4) the processing of sensitive data, and (5) any processing activities involving personal data that present a heightened risk of harm to consumers.

(b) Data protection assessments conducted pursuant to subsection (a) of this section shall identify and weigh the benefits that may flow, directly and indirectly, from the processing to the controller, the consumer, other stakeholders and the public against the potential risks to the rights of the consumer associated with such processing, as mitigated by safeguards that can be employed by the controller to reduce such risks. The use of de-identified data and the reasonable expectations of consumers, as well as the context of the processing and the relationship between the controller and the consumer whose
personal data will be processed, shall be factored into this assessment by the controller.

(c) The Attorney General may require that a controller disclose any data protection assessment that is relevant to an investigation conducted by the Attorney General, and the controller shall make the data protection assessment available to the Attorney General. The Attorney General may evaluate the data protection assessment for compliance with the responsibilities set forth in sections 66 to 76, inclusive, of this act. Data protection assessments shall be confidential and shall be exempt from disclosure under the Freedom of Information Act, as defined in section 1-200 of the general statutes. To the extent any information contained in a data protection assessment disclosed to the Attorney General includes information subject to attorney-client privilege or work product protection, such disclosure shall not constitute a waiver of such privilege or protection.

(d) A single data protection assessment may address a comparable set of processing operations that include similar activities.

(e) Data protection assessments conducted by a controller for the purpose of compliance with other laws or regulations may comply under this section if the assessments have a reasonably comparable scope and effect.

(f) Data protection assessment requirements shall apply to processing activities created or generated after January 1, 2023, and are not retroactive.

Sec. 74. (NEW) (Effective January 1, 2023) (a) Any controller in possession of de-identified data shall: (1) Take reasonable measures to ensure that the data cannot be associated with a natural person, (2) publicly commit to maintaining and using de-identified data without attempting to re-identify the data, and (3) contractually obligate any recipients of the de-identified data to comply with all provisions of sections 66 to 76, inclusive, of this act.
(b) Nothing in sections 66 to 76, inclusive, of this act shall be construed to (1) require a controller or processor to re-identify de-identified data or pseudonymous data, or (2) maintain data in identifiable form, or collect, obtain, retain or access any data or technology, in order to be capable of associating an authenticated consumer request with personal data.

(c) Nothing in sections 66 to 76, inclusive, of this act shall be construed to require a controller or processor to comply with an authenticated consumer rights request, if all of the following are true, if the controller: (1) Is not reasonably capable of associating the request with the personal data or it would be unreasonably burdensome for the controller to associate the request with the personal data, (2) does not use the personal data to recognize or respond to the specific consumer who is the subject of the personal data, or associate the personal data with other personal data about the same specific consumer, and (3) does not sell the personal data to any third party or otherwise voluntarily disclose the personal data to any third party other than a processor, except as otherwise permitted in this section.

(d) Consumer rights shall not apply to pseudonymous data in cases where the controller is able to demonstrate any information necessary to identify the consumer is kept separately and is subject to effective technical and organizational controls that prevent the controller from accessing such information.

(e) A controller that discloses pseudonymous data or de-identified data shall exercise reasonable oversight to monitor compliance with any contractual commitments to which the pseudonymous data or de-identified data is subject and shall take appropriate steps to address any breaches of those contractual commitments.

Sec. 75. (NEW) (Effective January 1, 2023) (a) Nothing in sections 66 to 76, inclusive, of this act shall be construed to restrict a controller's or processor's ability to: (1) Comply with federal, state or municipal
ordinances or regulations, (2) comply with a civil, criminal or regulatory
inquiry, investigation, subpoena or summons by federal, state,
municipal or other governmental authorities, (3) cooperate with law-
enforcement agencies concerning conduct or activity that the controller
or processor reasonably and in good faith believes may violate federal,
state or municipal ordinances or regulations, (4) investigate, establish,
exercise, prepare for or defend legal claims, (5) provide a product or
service specifically requested by a consumer, (6) perform a contract to
which a consumer is a party, including fulfilling the terms of a written
warranty, (7) take steps at the request of a consumer prior to entering
into a contract, (8) take immediate steps to protect an interest that is
essential for the life or physical safety of the consumer or of another
natural person, and where the processing cannot be manifestly based on
another legal basis, (9) prevent, detect, protect against or respond to
security incidents, identity theft, fraud, harassment, malicious or
deceptive activities or any illegal activity, preserve the integrity or
security of systems or investigate, report or prosecute those responsible
for any such action, (10) engage in public or peer-reviewed scientific or
statistical research in the public interest that adheres to all other
applicable ethics and privacy laws and is approved, monitored and
governed by an institutional review board, or similar independent
oversight entities that determine (A) if the deletion of the information is
likely to provide substantial benefits that do not exclusively accrue to
the controller, (B) the expected benefits of the research outweigh the
privacy risks, and (C) if the controller has implemented reasonable
safeguards to mitigate privacy risks associated with research, including
any risks associated with re-identification, (11) assist another controller,
processor, or third party with any of the obligations under sections 66
to 76, inclusive, of this act, or (12) process personal data for reasons of
public interest in the area of public health, but solely to the extent that
such processing is (A) subject to suitable and specific measures to
safeguard the rights of the consumer whose personal data is being
processed, and (B) under the responsibility of a professional subject to
confidentiality obligations under federal, state or local law.
(b) The obligations imposed on controllers or processors under sections 66 to 76, inclusive, of this act shall not restrict a controller's or processor's ability to collect, use, or retain data for internal use to: (1) Conduct internal research to develop, improve, or repair products, services, or technology, (2) effectuate a product recall, (3) identify and repair technical errors that impair existing or intended functionality, or (4) perform internal operations that are reasonably aligned with the expectations of the consumer or reasonably anticipated based on the consumer's existing relationship with the controller or are otherwise compatible with processing data in furtherance of the provision of a product or service specifically requested by a consumer or the performance of a contract to which the consumer is a party.

(c) The obligations imposed on controllers or processors under sections 66 to 76, inclusive, of this act shall not apply where compliance by the controller or processor with said sections would violate an evidentiary privilege under the laws of this state. Nothing in sections 66 to 76, inclusive, of this act shall be construed to prevent a controller or processor from providing personal data concerning a person covered by an evidentiary privilege under the laws of the state as part of a privileged communication.

(d) A controller or processor that discloses personal data to a third-party controller or processor, in compliance with the requirements of sections 66 to 76, inclusive, of this act, is not in violation of said sections if the third-party controller or processor that receives and processes such personal data is in violation of said sections, provided, at the time of disclosing the personal data, the disclosing controller or processor did not have reason to believe that the recipient would violate said sections. A third-party controller or processor receiving personal data from a controller or processor in compliance with the requirements of sections 66 to 76, inclusive, of this act is likewise not in violation of said sections for the transgressions of the controller or processor from which it receives such personal data.
(e) Nothing in sections 66 to 76, inclusive, of this act shall be construed as an obligation imposed on controllers and processors that adversely affects the rights or freedoms of any persons, such as exercising the right of free speech pursuant to the First Amendment to the United States Constitution, or applies to the processing of personal data by a person in the course of a purely personal or household activity.

(f) Personal data processed by a controller pursuant to this section may be processed to the extent that such processing is: (1) Reasonably necessary and proportionate to the purposes listed in this section, and (2) adequate, relevant and limited to what is necessary in relation to the specific purposes listed in this section. Personal data collected, used, or retained pursuant to subsection (b) of this section shall, where applicable, take into account the nature and purpose or purposes of such collection, use, or retention. Such data shall be subject to reasonable administrative, technical, and physical measures to protect the confidentiality, integrity, and accessibility of the personal data and to reduce reasonably foreseeable risks of harm to consumers relating to such collection, use, or retention of personal data.

(g) If a controller processes personal data pursuant to an exemption in this section, the controller bears the burden of demonstrating that such processing qualifies for the exemption and complies with the requirements in subsection (f) of this section.

(h) Processing personal data for the purposes expressly identified in this section shall not solely make an entity a controller with respect to such processing.

Sec. 76. (NEW) (Effective January 1, 2023) (a) The Attorney General shall have exclusive authority to enforce violations of sections 66 to 75, inclusive, of this act.

(b) Until December 31, 2023, prior to initiating any action for a violation of any provision of sections 66 to 75, inclusive, of this act that the Attorney General deems it is possible to cure, the Attorney General
shall provide a controller or processor not less than thirty days' written notice identifying the specific provisions of said sections the Attorney General, on behalf of a consumer, alleges have been or are being violated, except such notice shall not be required when (1) the Attorney General deems that such violation is not possible to cure, or (2) the Attorney General has a reasonable belief that a controller or processor knowingly or wilfully violated the provisions of said sections. If, prior to the expiration of such time period, the controller or processor cures the noticed violation and provides the Attorney General an express written statement that the alleged violation has been cured and that no further violations shall occur, no action for statutory damages shall be initiated against the controller or processor.

(c) Beginning on January 1, 2024, in determining whether to grant a controller or processor the opportunity to cure an alleged violation as described in subsection (b) of this section, the Attorney General may consider: (1) The number of violations, (2) the size and complexity of the controller or processor and the nature and extent of the controller's or processor's processing activities, (3) the substantial likelihood of injury to the public, and (4) the safety of persons or property.

(d) Nothing in sections 66 to 75, inclusive, of this act shall be construed as providing the basis for, or be subject to, a private right of action to violations of said sections or any other law.

(e) A violation of the requirements of sections 66 to 75, inclusive, of this act shall constitute an unfair trade practice for purposes of section 42-110b of the general statutes and shall be enforced solely by the Attorney General, provided the provisions of section 42-110g of the general statutes shall not apply to such violation.

Sec. 77. (Effective from passage) (a) Not later than August 1, 2021, the chairpersons of the joint standing committee of the General Assembly having cognizance of matters relating to general law shall convene a working group to (1) monitor privacy developments in other states and
make recommendations for modifications to this state's data privacy
laws, (2) develop a plan to disseminate information to businesses of this
state impacted by sections 66 to 76, inclusive, of this act and identify
resources to assist with such businesses' compliance with said sections,
(3) study and recommend whether to expand sections 66 to 76, inclusive,
of this act to include personal data that the controller purchased from
another controller rather than data that was provided directly by the
consumer, (4) study and recommend whether to extend the sunset of the
period for controllers or processors to cure violations and require them
to be sent a notice of violation, including which violations should be
subject to such cure period, if any, and (5) study and make
recommendations concerning available best methods or mechanisms for
consumers to opt out of the use of their personal data by a controller
under section 69 of this act. Said chairpersons shall serve as chairpersons
of the working group and shall appoint the members of the working
group, which shall include, but need not be limited to, representatives
from industry, academia, consumer advocacy groups, small and large
companies, the Office of the Attorney General and attorneys with an
expertise in privacy law. The administrative staff of the joint standing
committee of the General Assembly having cognizance of matters
relating to general law shall serve as administrative staff of the working
group.

(b) Not later than January 1, 2022, the working group shall submit a
report on its findings and recommendations to the joint standing
committee of the General Assembly having cognizance of matters
relating to general law, in accordance with the provisions of section 11-
4a of the general statutes. The working group shall terminate on the date
that it submits such report or January 1, 2022, whichever is later.

Sec. 78. (Effective from passage) Notwithstanding the provisions of
section 8-2l of the general statutes, any zoning regulation or any other
ordinance regulating a proposed building, structure, development or
use located in a floodplain, as defined in said section, the space in certain
buildings constructed on parcels located at 601 Norwich Avenue, 603
Norwich Avenue and 609 Norwich Avenue in the village of Taftville, in the city of Norwich, which parcels are situated above the one-hundred-year flood elevation plus one foot of freeboard, shall be permitted for residential and commercial use.

(c) Any appointment that is vacant for one year or more shall be made by the Commissioner of Developmental Services. The commissioner shall notify the appointing authority of the commissioner's choice of member for appointment not less than thirty days before making such appointment.

(d) The committee shall meet not less than quarterly. On or before January 1, 2022, and annually thereafter, the committee shall report, in accordance with the provisions of section 11-4a of the general statutes, on its activities to the joint standing committee of the General Assembly having cognizance of matters relating to public health.

The municipal clerk shall not invalidate the application solely because it does not contain the name of a person who assisted the applicant in the completion of the application. The municipal clerk shall not distribute with an absentee ballot application any material which promotes the success or defeat of any candidate or referendum question. The municipal clerk shall maintain a log of all absentee ballot applications provided under this subsection, including the name and address of each person to whom applications are

Each absentee ballot application provided by the municipal clerk shall be consecutively numbered and be stamped or marked with the name of the municipality issuing the application. If the ballot is to be mailed to the applicant, the applicant shall list the bona fide personal mailing address of the applicant in the appropriate space on the application.

[(b)] (2) A municipal clerk may transmit an application to a person under this subsection by facsimile machine or other electronic means, if so requested by the applicant. If a municipal clerk has a facsimile machine or other electronic means, an applicant may return a completed application to the clerk by such a machine or device, provided the applicant shall also mail the original of the completed application to the clerk, either separately or with the absentee ballot that is issued to the applicant. If the clerk does not receive such original application by the close of the polls on the day of the election, primary or referendum, the absentee ballot shall not be counted.

(b) On and after July 1, 2021:

(1) Application for an absentee ballot may also be made to the Secretary of the State through an online system established and maintained by the Secretary for such purpose if an applicant's signature is in a database described in subsection (b) of section 9-19k, or the system

2. I am eligible to vote in the municipality provided on this form or have applied for such eligibility.

3. I authorize the Department of Motor Vehicles or other Connecticut state agency to transmit to the Connecticut Secretary of the State my signature that is on file with such agency and understand that such signature will be used by the Secretary on this online application for an absentee ballot as if I had signed this form personally."

(3) Not later than twenty-four hours after receipt of any submitted application for an absentee ballot through the online system described in subdivision (1) of this subsection, the Secretary shall transmit such application to the clerk of the municipality indicated in such application.

Sec. 116. Subsections (a) to (c), inclusive, of section 9-140b of the general statutes are repealed and the following is substituted in lieu thereof (Effective from passage):

A person returning an absentee ballot to the municipal clerk pursuant to subdivision (3) or (4) of this subsection shall present identification and, on the outer envelope of the absentee ballot, sign his name in the presence of the municipal clerk, and indicate his address, his relationship to the voter or his position, and the date and time of such return. As used in this section, "immediate family" means a dependent relative who resides in the individual's household or any spouse, child, [or] parent or sibling of the individual.

(b) As used in this section and section 9-150c, "designee" means (1) a person who is caring for the applicant because of the applicant's illness or physical disability, including but not limited to, a licensed physician or a registered or practical nurse, (2) a member of the applicant's family, who is designated by an absentee ballot applicant and who consents to such designation, or (3) [if no such person consents or is available, then]
a police officer, registrar of voters, deputy registrar of voters or assistant registrar of voters in the municipality in which the applicant resides.

(c) (1) For purposes of this section, "mailed" means (A) sent by the United States Postal Service or any commercial carrier, courier or messenger service recognized and approved by the Secretary of the State, or (B) [for the state election in 2020,] deposited in a secure drop box designated by the municipal clerk for such purpose, in accordance with instructions prescribed by the Secretary.

(2) In the case of absentee ballots mailed under subparagraph (B) of subdivision (1) of this subsection, beginning on the twenty-ninth day before [the state election in 2020] each election, primary or referendum, and on each weekday thereafter until the close of the polls at such election, primary or referendum, the municipal clerk shall [(A)] retrieve from the secure drop box described in said subparagraph each such ballot deposited in such drop box, [and (B) if the drop box is located outside a building other than the building where the clerk's office is located, arrange for the clerk or the clerk's designee to be escorted by a police officer during such retrieval.]

Sec. 117. Section 9-140e of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

(a) Any elector who is permanently physically disabled or suffering from a long-term illness and who files an application for an absentee ballot with a certification from a primary care provider, indicating that such elector is permanently physically disabled or suffering from a long-term illness and unable to appear in person at such elector's designated polling location, shall be eligible for permanent absentee ballot status and shall receive an absentee ballot for each election, primary or referendum conducted in such elector's municipality for which such elector is eligible to vote. Such elector's permanent absentee ballot status shall remain in effect until such elector: (1) Is removed from the official registry list of the municipality, (2) is removed from permanent absentee
ballot status pursuant to the provisions of this section, or (3) requests that he or she no longer receive such permanent absentee ballot status.

(b) The registrars of voters shall send written notice to each such elector with permanent absentee ballot status in January of each year, on a form prescribed by the Secretary of the State, for the purpose of determining if such elector continues to reside at the address indicated on the elector's permanent absentee ballot application. If (1) such written notice is returned as undeliverable, or (2) not later than thirty sixty days after such notice is sent to the elector, the elector fails to return such notice to the registrars of voters, as directed on the form, the elector in question shall be removed from permanent absentee ballot status. If such elector indicates on such notice that the elector no longer resides at such address and the elector's new address is within the same municipality, the registrars of voters shall change the elector's address pursuant to section 9-35 and such elector shall retain permanent absentee ballot status. If the elector indicates on such notice that the elector no longer resides in the municipality, the registrars of voters shall remove such individual from the registry list of the municipality and send such individual an application for voter registration. Failure to return such written notice shall not result in the removal of an elector from the official registry list of the municipality or from permanent absentee ballot status.

Sec. 118. (NEW) (Effective from passage) (a) Whenever voter registration information maintained under title 9 of the general statutes by the Secretary of the State or any registrar of voters is provided pursuant to any provision of the general statutes, disclosure of a voter's date of birth shall be limited to only the month and year of birth, unless such voter registration information is requested and used for a governmental purpose, as determined by the Secretary, in which case the voter's complete date of birth shall be provided. As used in this section, a governmental purpose shall include, but not be limited to, jury administration.
(b) Notwithstanding any provision of the general statutes, any motor vehicle operator's license number, identity card number, Social Security number and any other unique identifier used for the purpose of generating a voter registration record, or added to such record for compliance with the requirements of the Help America Vote Act, P.L. 107-252, as amended from time to time, shall be confidential and shall not be disclosed to any person.

(c) Notwithstanding any provision of the general statutes, if a voter submits to the Secretary of the State a signed statement that nondisclosure of such voter's name from the official registry list is necessary for the safety of such voter or the voter's family, the name and address of such voter on his or her voter registration record shall be confidential and shall not be disclosed, except that an election, primary or referendum official may view such information on the official registry list when such list is used by any such official at a polling place on the day of an election, primary or referendum. Such signed statement shall be sworn under penalty of false statement, as provided in section 53a-157b of the general statutes.

Sec. 119. Section 9-450 of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

If a vacancy occurs in the delegation from any town, political subdivision or district, such vacancy may be filled by the town committee of the town in which the
delegate resided. Endorsements by political party conventions pursuant to this subsection may be made and certified at any time after the resignation or death creating such vacancy and not later than the fiftieth day before the day of the election. No such endorsement shall be effective until the presiding officer or secretary of any district convention has certified the endorsement to the Secretary of the State.

[(B)] (2) If such a vacancy occurs between the one hundred twenty-fifth day and the sixty-third day before the day of a regular state or municipal election in November of any year, no primary shall be held for the nomination of any political party and the party-endorsed candidate so selected shall be deemed, for the purposes of this chapter, the person certified by the Secretary of the State pursuant to section 9-444 as the nominee of such party.

[(C)] (3) Except as provided in [subparagraph (B) of this] subdivision (2) of this subsection, if a candidacy for nomination is filed by or on behalf of any person other than a party-endorsed candidate not later than [fourteen days] the day after the party endorsement and in conformity with the provisions of section 9-400, a primary shall be held in each municipality of the district and each part of a municipality which is a component part of the district, to determine the nominee of such party for such office, except as provided in section 9-416a. Such primary shall be held on the day that the writs of election issued by the Governor, pursuant to section 9-212, ordered the election to be held, and new writs of election shall be issued by the Governor in accordance with section 9-212.

[(D)] (4) Unless the provisions of [subparagraph (B) of this] subdivision (2) of this subsection apply, petition forms for candidacies for nomination by a political party pursuant to this subdivision shall be available from the Secretary of the State beginning on the day following the issuance of writs of election by the Governor pursuant to section 9-212, except when a primary has already been held, and the provisions of section 9-404a shall otherwise apply to such petitions.
[(E) (5)] The registry lists used pursuant to this subsection shall be the last-completed lists, as provided in sections 9-172a and 9-172b.

[(2) (c)] In the case of judges of probate in probate districts composed of a single town, the day named for the election shall be not earlier than the one hundred fifteenth day following the day on which the writ of election is issued, and the times specified in sections 9-391, 9-405 and 9-423 shall be applicable.

[(3) (A) (d) (1)] In the case of nominations for senators in Congress provided for in section 9-211, the delegates to the convention for the last state election shall be the delegates for the purpose of selecting a candidate to fill such vacancy. If a vacancy occurs in the delegation from any town or political subdivision, such vacancy may be filled by the town committee of the town in which the delegate resided. Endorsements by political party conventions pursuant to this subsection may be made and certified at any time after the resignation or death creating such vacancy and not later than the fifty-sixth day before the day of the primary. No such endorsement shall be effective until the presiding officer or secretary of any state convention has certified the endorsement to the Secretary of the State.

[(B) (2)] If such a vacancy occurs between the one hundred twenty-fifth day and the sixty-third day before the day of a regular state or municipal election in November of any year, no primary shall be held for the nomination of any political party and the party-endorsed candidate so selected shall be deemed, for the purposes of this chapter, the person certified by the Secretary of the State, pursuant to section 9-444, as the nominee of such party. In such an event, endorsements by political party conventions shall be made not later than sixty days prior to the election.

[(C) (3)] Except as provided in [subparagraph (B) of this] subdivision (2) of this subsection, if a candidacy for nomination is filed by or on behalf of any person other than a party-endorsed candidate not later
than [fourteen days] the day after the party endorsement and in conformity with the provisions of section 9-400, a primary shall be held on the fifty-sixth day prior to the day of the election in each municipality to determine the nominee of such party for such office, except as provided in section 9-416a.

[(D)] (4) Unless the provisions of [subparagraph (B) of this] subdivision (2) of this subsection apply, petition forms for candidacies for nomination by a political party pursuant to this subdivision shall be available from the Secretary of the State beginning on the day following the issuance of writs of election by the Governor, pursuant to section 9-211, except when a primary has already been held and the provisions of section 9-404a shall otherwise apply to such petitions.

[(E)] (5) The registry lists used pursuant to this subsection shall be the last-completed lists, as provided in sections 9-172a and 9-172b.

[(4)] (e) The times specified in sections 9-391, 9-405 and 9-423 shall be applicable to any special town election held to fill a vacancy in any town office under subsection (b) of section 9-164. Except as provided under subsection (c) of section 9-164, any election held to fill a vacancy in any municipal office under the provisions of any special act shall be held not earlier than the one hundred twenty-seventh day following the day upon which warning of such election is issued, and the times specified in sections 9-391, 9-405 and 9-423 shall be applicable.

Sec. 120. Subsection (a) of section 9-212 of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

(a) In case of a vacancy in the office of representative in Congress from any district, the Governor, except as otherwise provided by law, shall not more than ten days after the occurrence of such vacancy issue writs of election directed to the town clerks or assistant town clerks, in such district, ordering an election to be held on the sixtieth day after the issue of such writs on a day, other than a Saturday or Sunday, to fill such
vacancy, provided (1) if such a vacancy occurs between the one hundred twenty-fifth day and the sixty-third day before the day of a regular state or municipal election in November of any year, the Governor shall so issue such writs on the sixtieth day before the day of such regular election, ordering an election to be held on the day of such regular election, (2) if such a vacancy occurs after the sixty-third day before the day of a regular state election but before the regular state election, the Governor shall not issue such writs and no election shall be held under this section, unless the position vacated is that of member-elect, in which case the Governor shall issue such writs and an election shall be held as provided in this section, and (3) if a primary for such office occurs pursuant to [subparagraph (C) of subdivision (1)] subdivision (3) of subsection (b) of section 9-450, the Governor shall, within ten days following the filing of a candidacy for nomination by a person other than the party-endorsed candidate, issue new writs of election, in place of those first issued pursuant to this section.

Sec. 121. Subsection (a) of section 9-320f of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

(a) Not earlier than the fifteenth day after any election or primary and not later than two business days before the canvass of votes by the Secretary of the State, Treasurer and Comptroller, for any federal or state election or primary, or by the town clerk for any municipal election or primary, the registrars of voters shall conduct a manual audit or, for an election or primary held on or after January 1, 2016, an electronic audit authorized under section 9-320g of the votes recorded in not less than five per cent of the voting districts in the state, district or municipality, whichever is applicable. For the purposes of this section, any central location used in a municipality for the counting of absentee ballots shall be deemed a voting district. Such manual or electronic audit shall be noticed in advance and be open to public observation. Any election official who participates in the administration and conduct of an audit pursuant to this section shall be compensated by the
municipality at the standard rate of pay established by such
municipality for elections or primaries, as the case may be.

Sec. 122. Section 9-159q of the general statutes is repealed and the
following is substituted in lieu thereof (Effective from passage):

(a) As used in this section:

(1) "Institution" means a veterans' health care facility, residential care
home, health care facility for the handicapped, nursing home, rest home,
mental health facility, alcohol or drug treatment facility, an infirmary
operated by an educational institution for the care of its students, faculty
and employees or an assisted living facility; and

(2) "Designee" means an elector of the same town and political party
as the appointing registrar of voters, which elector is not an employee
of the institution at which supervised voting is conducted.

(b) Notwithstanding any provision of the general statutes, if less than twenty of the patients in any institution in the state
are electors, absentee ballots voted by such electors shall, upon request
of either registrar of voters in the town of such electors' voting residence
or the administrator of such institution, be voted under the supervision
of such registrars of voters or their designees in accordance with the
provisions of this section. The registrars of voters of a town other than
the town in which an institution is located may refuse a request by the
administrator of such institution when, in their written opinion, the
registrars agree that such request is unnecessary, in which case this
section shall not apply. Such registrars shall inform the administrator
and the town clerk of the electors' town of voting residence of their
refusal.

(c) Except as provided in subsection (e) of this section, such request
shall be made in writing and filed with the town clerk and registrars of
voters of the town of such electors' voting residence, not more than
forty-five days prior to an election or thirty-four days prior to a primary
and not later than the seventh day prior to an election or primary. The request shall specify the name and location of the institution and the date and time when the registrars of voters or their designees shall supervise the casting of absentee ballots at the institution. The request shall also specify one or more alternate dates and times when supervised voting may occur. No request shall specify a date or an alternate date for supervised voting which is later than the last business day before the election or primary.

(d) The town clerk shall not mail or otherwise deliver an absentee ballot to an applicant who is a patient in any institution if a request for supervision of absentee balloting at that institution has been filed with the clerk during the period set forth in subsection (c) of this section. The clerk shall instead deliver such ballot or ballots to the registrars of voters or their designees who will supervise the voting of such ballots in accordance with this section.

(e) Except in the case of a written refusal as provided in subsection (b) of this section, upon receipt of a request for supervision of absentee balloting during the period set forth in subsection (c) of this section, the registrar or registrars of voters who received the request shall inform the registrar or administrator who made the request and the town clerk as to the date and time when such supervision shall occur, which shall be the date and time contained in the request or the alternate date and time contained in the request. If the registrar or registrars fail to select either date, the supervision shall take place on the date and time contained in the request. If a request for supervision of absentee balloting at an institution is filed during the period set forth in subsection (c) of this section and the town clerk receives an application for an absentee ballot from a patient in the institution after the date when supervised balloting occurred, either registrar of voters may request, in writing, to the appropriate town clerk and registrars of voters that the supervision of the voting of absentee ballots at such institution in accordance with this section be repeated, and in such case the registrars or their designees shall supervise absentee balloting at such
institution on the date and at the time specified in the subsequent
request, which shall be not later than the last business day before the
election or primary.

(f) On the date when the supervision of absentee balloting at any
institution is to occur, the town clerk shall deliver to the registrars or
their designees the absentee ballots and envelopes for all applicants who

provided and in accordance with the provisions of sections 9-137, 9-139
and 9-140a. If any elector asks for assistance in voting his ballot, two
registrars or their designees of different political parties or, for a

requested their assistance desires to vote the ballot. When the registrars
or their designees reject a ballot, they shall mark the serially-numbered
outer envelope "rejected" and note the reasons for rejection. Nothing in
this section shall limit the right of an elector to vote his ballot in secret.

accordance with subsection (g) of this section, the registrars or their
designees shall jointly deliver or mail them in the envelopes, which shall
be sealed, to the appropriate town clerk, who shall retain them until
delivered in accordance with section 9-140c.

Any registrar from the same town as a registrar who has filed such a request may waive his right to participate in the supervision of absentee balloting.

(k) Notwithstanding any provision of this section, if the spouse or a child of a registrar of voters or a dependent relative residing in the registrar's household is a candidate in the election or primary for which supervised absentee voting is to occur, such registrar shall not supervise such absentee voting but may designate the deputy registrar of voters or an assistant registrar of voters, appointed by the registrar pursuant to section 9-192, to supervise the absentee voting in his place.

clerk receives twenty or more absentee ballot applications from the same
street address in a town, including, but not limited to, an apartment
building or complex, absentee ballots voted by the electors submitting
such applications may, at the discretion of the registrars of voters of such
town, be voted under the supervision of such registrars of voters or their

Sec. 154. Section 9-309 of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

(a) Upon the close of the polls, the moderator, in the presence of the other election officials, shall immediately lock the voting tabulator against voting and immediately cause the vote totals for all candidates and questions to be produced. The moderator shall, in the order of the offices as their titles are arranged on the ballot, read and announce in distinct tones the result as shown, giving the number indicated and indicating the candidate to whom such total belongs, and shall read the votes recorded for each office on the ballot. The moderator shall also, in the same manner, announce the vote on each constitutional amendment,

moderator shall be taken down by each checker and recorded on the

each candidate on the ballot and also the number received by each

registrars, as the case may be. Any other remaining result of the votes
cast shall be publicly announced by the moderator not later than forty-

consist of reading both the name of each candidate, with the designating
number and letter on the ballot and the absentee vote as furnished to the
moderator by the absentee ballot counters, and also the vote cast for and

made, ample opportunity shall be given to any person lawfully present
to compare the results so announced with the result totals provided by
the tabulator and any necessary corrections shall then and there be made
by the moderator, checkers and registrars or assistant registrars, after
which the compartments of the voting tabulator shall be closed and
locked. In canvassing, recording and announcing the result, the election officials shall be guided by any instructions furnished by the Secretary of the State.

(b) Notwithstanding the provisions of subsection (a) of this section, for the state election in 2020, and any election held on or after the effective date of this section but prior to November 3, 2021, after the preliminary list has been transmitted to the Secretary of the State, any other remaining result of the votes cast required under said subsection to be publicly announced by the moderator shall be so announced not later than ninety-six hours after the close of the polls at such election.

If any of such recanvass officials are unavailable at the time of the recanvass, the registrar of voters of the same political party as that of the recanvass official unable to attend shall designate another elector having previous
training and experience in the conduct of elections to take his place.

Before such recanvass is made, such moderator shall give notice, in writing, to the chairman of the town committee of each political party which nominated candidates for the election, and, in the case of a state election, not later than twenty-four hours after a determination is made regarding the need for a recanvass to the Secretary of the State, of the time and place where such recanvass is to be made; and each such chairman may send representatives to be present at such recanvass. Such representatives may observe, but no one other than a recanvass official may take part in the recanvass. If any irregularity in the recanvass procedure is noted by such a representative, he shall be permitted to present evidence of such irregularity in any contest relating to the election.

(2) Notwithstanding the provisions of subdivision (1) of this subsection, for the state election in 2020, and any election held on or after the effective date of this section but prior to November 3, 2021, (A) if, within five days after [the] such election, it appears to the moderator that there is a discrepancy in the returns of any voting district, such moderator shall forthwith within said period summon, by written notice delivered personally, the recanvass officials to conduct such recanvass in accordance with the provisions of said subdivision, and (B) such written notice shall require such recanvass officials to meet not later than the seventh business day after [the] such election for such purpose.

(b) The moderator shall determine the place or places where the recanvass shall be conducted and, if such recanvass is held before the tabulators are boxed and collected in the manner required by section 9-266, the moderator may either require that such recanvass of such tabulators be conducted in each place where the tabulators are located, or he may require that they be removed to one central place, where such recanvass shall be conducted. All recanvassing procedures shall be open to public observation. Such recanvass officials shall, in the presence of such moderator and registrars of voters, make a record of the number
on the seal and the number on the protective counter, if one is provided, on each voting tabulator specified by such moderator. Such registrars of voters in the presence of such moderator shall turn over the keys of each such tabulator to such recanvass officials, and such recanvass officials, in the presence of such registrars of voters and moderator, shall immediately proceed to recanvass the vote cast thereon, and shall then open the package of absentee ballots and recanvass the vote cast thereon. In the course of the recanvass of the absentee ballot vote the recanvass officials shall check all outer envelopes for absentee ballots against the inner envelopes for such ballots and against the registry list to verify postmarks, addresses and registry list markings and also to determine whether the number of envelopes from which absentee ballots have been removed is the same as the number of persons checked as having voted by absentee ballot. The write-in ballots shall also be recanvassed at this time. All of the recanvass officials shall use the same forms for tallies and returns as were used at the original canvass and the absentee ballot counters shall also sign the tallies.

(c) (1) The votes shall be announced and recorded in the manner prescribed in section 9-309 on return forms provided by the registrars of voters and appended thereto shall be a statement signed by the moderator indicating the time and place of the recanvass and the names, addresses, titles and party affiliations of the recanvass officials. The write-in ballots shall be replaced in a properly secured sealed package. Upon the completion of such recanvass, any tabulator used in such recanvass shall be locked and sealed, the keys thereof shall immediately be returned to such registrars of voters and such tabulator shall remain so locked until the expiration of fourteen days after such election or for such longer period as is ordered by a court of competent jurisdiction. The absentee ballots shall be replaced in their wrappers and be resealed by the moderator in the presence of the recanvass officials. Such return forms containing such statement shall forthwith be filed by the moderator in the office of such clerk. If such recanvass reveals that the original canvass of returns was not correctly made, such return forms containing such statement so filed with the clerk shall constitute a corrected return. In the case of a state election, a recanvass return shall be made in duplicate on a form prescribed and provided by the Secretary of the State, and the moderator shall file one copy with the Secretary of the State and one copy with the town clerk not later than ten days after the election. Such recanvass return shall be substituted for the original return and shall have the same force and effect as an original return.

student athlete's eligibility to participate in an intercollegiate athletic
program, (3) prohibit or prevent a student athlete from earning
compensation from such endorsement contract or employment activity, or (4) prohibit or prevent a student athlete from representation by a duly licensed attorney or sports agent.

(f) (1) No institution of higher education, on the basis of a student athlete's endorsement contract, employment activity or representation by an attorney or sports agent pursuant to subsection (b) of this section, shall (A) prohibit or prevent such student athlete from earning compensation from such endorsement contract or employment activity, (B) prohibit or prevent such student athlete from representation by a duly licensed attorney or sports agent, or (C) restrict or revoke such student athlete's eligibility for a scholarship or to participate in the intercollegiate athletic program at such institution.

(2) Notwithstanding section 1-210 of the general statutes with respect to public institutions of higher education, no institution of higher education shall disclose any record of the compensation received by a student athlete from an endorsement contract or employment activity entered into or engaged in pursuant to subsection (b) of this section unless the institution receives the written consent of the student athlete for each disclosure.

(3) Not later than [September 1, 2021] January 1, 2022, the governing board of each institution of higher education shall adopt or update its policies, as necessary, to carry out the purposes of this section.

(g) No provision of subsections (d) and (f) of this section shall be construed to prevent an institution of higher education or an athletic association or conference, including, but not limited to, the NCAA, from prohibiting a student athlete's participation in an intercollegiate athletic program, revoking a student athlete's eligibility for a scholarship or taking any other punitive or legal action if such student athlete's endorsement contract, employment activity or representation by an attorney or sport agent does not comply with the provisions of subsection (b) of this section.
(h) No student athlete may receive compensation for use of such student athlete's name, image or likeness as an inducement to attend, enroll in or continue attending a specific institution of higher education or intercollegiate athletic program.

(3) "Caucus" means (A) a convening or assembly of the enrolled members of a single political party who are members of a public agency within the state or a political subdivision, or (B) the members of a multimember public agency, which members constitute a majority of the membership of the agency, or the other members of the agency who constitute a minority of the membership of the agency, who register their intention to be considered a majority caucus or minority caucus, as the case may be, for the purposes of the Freedom of Information Act, provided (i) the registration is made with the office of the Secretary of the State for any such public agency of the state, in the office of the clerk of a political subdivision of the state for any public agency of a political subdivision of the state, or in the office of the clerk of each municipal member of any multitown district or agency, (ii) no member is registered in more than one caucus at any one time, (iii) no such member's registration is rescinded during the member's remaining term of office, and (iv) a member may remain a registered member of the majority caucus or minority caucus regardless of whether the member

Sec. 162. Section 1-206 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2021):

(a) Any denial of the right to inspect or copy records provided for under section 1-210 shall be made to the person requesting such right by the public agency official who has custody or control of the public record, in writing, within four business days of such request, except when the request is determined to be subject to subsections (b) and (c) of section 1-214, in which case such denial shall be made, in writing, within ten business days of such request. Failure to comply with a request to so inspect or copy such public record within the applicable number of business days shall be deemed to be a denial.

(b) (1) Any person denied the right to inspect or copy records under section 1-210 or wrongfully denied the right to attend any meeting of a public agency or denied any other right conferred by the Freedom of Information Act may appeal therefrom to the Freedom of Information Commission, by filing a notice of appeal with said commission. A notice of appeal shall be filed not later than thirty days after such denial, except in the case of an unnoticed or secret meeting, in which case the appeal shall be filed not later than thirty days after the person filing the appeal receives actual or constructive notice that such meeting was held. For purposes of this subsection, such notice of appeal shall be deemed to be filed on the date it is received by said commission or on the date it is postmarked, if received more than thirty days after the date of the denial.
from which such appeal is taken. Upon receipt of such notice, the commission shall serve upon all parties, by certified or registered mail or by electronic transmission, a copy of such notice together with any other notice or order of such commission. In the case of the denial of a request to inspect or copy records contained in a public employee's personnel or medical file or similar file under subsection (c) of section 1-214, the commission shall include with its notice or order an order requiring the public agency to notify any employee whose records are the subject of an appeal, and the employee's collective bargaining representative, if any, of the commission's proceedings and, if any such employee or collective bargaining representative has filed an objection under said subsection (c), the agency shall provide the required notice to such employee and collective bargaining representative by certified mail, return receipt requested, by electronic transmission or by hand delivery with a signed receipt. A public employee whose personnel or medical file or similar file is the subject of an appeal under this subsection may intervene as a party in the proceedings on the matter before the commission. Said commission shall, after due notice to the parties, hear and decide the appeal within one year after the filing of the notice of appeal. The commission shall adopt regulations in accordance with chapter 54, establishing criteria for those appeals which shall be privileged in their assignment for hearing. Any such appeal shall be heard not later than thirty days after receipt of a notice of appeal and decided not later than sixty days after the hearing. If a notice of appeal concerns an announced agency decision to meet in executive session or an ongoing agency practice of meeting in executive sessions, for a stated purpose, the commission or a member or members of the commission designated by its chairperson shall serve notice upon the parties in accordance with this section and hold a preliminary hearing on the appeal not later than seventy-two hours after receipt of the notice, provided such notice shall be given to the parties at least forty-eight hours prior to such hearing. During such preliminary hearing, the commission shall take evidence and receive testimony from the parties. If after the preliminary hearing the commission finds probable cause to
believe that the agency decision or practice is in violation of sections 1-200 and 1-225, the agency shall not meet in executive session for such purpose until the commission decides the appeal. If probable cause is found by the commission, it shall conduct a final hearing on the appeal and render its decision not later than five days after the completion of the preliminary hearing. Such decision shall specify the commission's findings of fact and conclusions of law.

(2) In any appeal to the Freedom of Information Commission under subdivision (1) of this subsection or subsection (c) of this section, the commission may confirm the action of the agency or order the agency to provide relief that the commission, in its discretion, believes appropriate to rectify the denial of any right conferred by the Freedom of Information Act. The commission may declare null and void any action taken at any meeting which a person was denied the right to attend and may require the production or copying of any public record. In addition, upon the finding that a denial of any right created by the Freedom of Information Act was without reasonable grounds and after the custodian or other official directly responsible for the denial has been given an opportunity to be heard at a hearing conducted in accordance with sections 4-176e to 4-184, inclusive, the commission may, in its discretion, impose against the custodian or other official a civil penalty of not less than twenty dollars nor more than one thousand dollars. If the commission finds that a person has taken an appeal under this subsection frivolously, without reasonable grounds and solely for the purpose of harassing the agency from which the appeal has been taken, after such person has been given an opportunity to be heard at a hearing conducted in accordance with sections 4-176e to 4-184, inclusive, the commission may, in its discretion, impose against that person a civil penalty of not less than twenty dollars nor more than one thousand dollars. The commission shall notify a person of a penalty levied against him pursuant to this subsection by written notice sent by certified or registered mail or electronic transmission. If a person fails to pay the penalty within thirty days of receiving such notice, the Superior
Court shall, on application of the commission, issue an order requiring
the person to pay the penalty imposed. If the executive director of the
commission has reason to believe an appeal under subdivision (1) of this
subsection or subsection (c) of this section (A) presents a claim beyond
the commission's jurisdiction; (B) would perpetrate an injustice; or (C)
would constitute an abuse of the commission's administrative process,
the executive director shall not schedule the appeal for hearing without
first seeking and obtaining leave of the commission. The commission
shall provide due notice to the parties and review affidavits and written
argument that the parties may submit and grant or deny such leave
summarily at its next regular meeting. The commission shall grant such
leave unless it finds that the appeal: (i) Does not present a claim within
the commission's jurisdiction; (ii) would perpetrate an injustice; or (iii)
would constitute an abuse of the commission's administrative process.
Any party aggrieved by the commission's denial of such leave may
apply to the superior court for the judicial district of New Britain, within
fifteen days of the commission meeting at which such leave was denied,
for an order requiring the commission to hear such appeal.

(3) In making the findings and determination under subdivision (2)
of this subsection the commission shall consider the nature of any
injustice or abuse of administrative process, including but not limited
to: (A) The nature, content, language or subject matter of the request or
appeal, including, among other factors, whether the request or
appeal is repetitious or cumulative; (B) the nature, content, language or
subject matter of prior or contemporaneous requests or appeals by the
person making the request or taking the appeal; (C) the nature, content,
language or subject matter of other verbal and written communications
to any agency or any official of any agency from the person making the
request or taking the appeal; (D) any history of nonappearance at
commission proceedings or disruption of the commission's
administrative process, including, but not limited to, delaying
commission proceedings; and (E) the refusal to participate in settlement
conferences conducted by a commission ombudsman in accordance
with the commission's regulations.

(4) Notwithstanding any provision of this subsection to the contrary, in the case of an appeal to the commission of a denial by a public agency, the commission may, upon motion of such agency, confirm the action of the agency and dismiss the appeal without a hearing if it finds, after examining the notice of appeal and construing all allegations most favorably to the appellant, that (A) the agency has not violated the Freedom of Information Act, or (B) the agency has committed a technical violation of the Freedom of Information Act that constitutes a harmless error that does not infringe the appellant's rights under said act.

(5) Notwithstanding any provision of this subsection, a public agency may petition the commission for relief from a requester that the public agency alleges is a vexatious requester. Such petition shall be sworn under penalty of false statement, as provided in section 53a-157b, and shall detail the conduct which the agency alleges demonstrates a vexatious history of requests, including, but not limited to: (A) The number of requests filed and the total number of pending requests; (B) the scope of the requests; (C) the nature, content, language or subject matter of the requests; (D) the nature, content, language or subject matter of other oral and written communications to the agency from the requester; and (E) a pattern of conduct that amounts to an abuse of the right to access information under the Freedom of Information Act or an interference with the operation of the agency. Upon receipt of such petition, the executive director of the commission shall review the petition and determine whether it warrants a hearing. If the executive director determines that a hearing is not warranted, the executive director shall recommend that the commission deny the petition without a hearing. The commission shall vote at its next regular meeting after such recommendation to accept or reject such recommendation and, after such meeting, shall issue a written explanation of the reasons for such acceptance or rejection. If the executive director determines that a hearing is warranted, the commission shall serve upon all parties, by certified or registered mail or electronic transmission, a copy of such
petition together with any other notice or order of the commission. The
commission shall, after due notice to the parties, hear and either grant
or deny the petition within one year after its filing. Upon a grant of such
petition, the commission may provide appropriate relief commensurate
with the vexatious conduct, including, but not limited to, an order that
the agency need not comply with future requests from the vexatious
requester for a specified period of time, but not to exceed one year. Any
party aggrieved by the commission's granting of such petition may
apply to the superior court for the judicial district of New Britain, within
fifteen days of the commission meeting at which such petition was
granted, for an order reversing the commission's decision.

(c) Any person who does not receive proper notice of any meeting of
a public agency in accordance with the provisions of the Freedom of
Information Act may appeal under the provisions of subsection (b) of
this section. A public agency of the state shall be presumed to have given
timely and proper notice of any meeting as provided for in said
Freedom of Information Act if notice is given in the Connecticut Law
Journal or a Legislative Bulletin. A public agency of a political
subdivision shall be presumed to have given proper notice of any
meeting, if a notice is timely sent under the provisions of said Freedom
of Information Act by (1) first-class mail to the address, or (2) electronic
transmission to the information processing system, as defined in section
1-267, indicated in the request of the person requesting the same. If such
commission determines that notice was improper, it may, in its sound
discretion, declare any or all actions taken at such meeting null and
void.

(d) Any party aggrieved by the decision of said commission may
appeal therefrom, in accordance with the provisions of section 4-183.
Notwithstanding the provisions of section 4-183, in any such appeal of
a decision of the commission, the court may conduct an in camera
review of the original or a certified copy of the records which are at issue
in the appeal but were not included in the record of the commission's
proceedings, admit the records into evidence and order the records to
be sealed or inspected on such terms as the court deems fair and
appropriate, during the appeal. The commission shall have standing to
defend, prosecute or otherwise participate in any appeal of any of its
decisions and to take an appeal from any judicial decision overturning
or modifying a decision of the commission. If aggrievement is a
jurisdictional prerequisite to the commission taking any such appeal,
the commission shall be deemed to be aggrieved. Notwithstanding the
provisions of section 3-125, legal counsel employed or retained by said
commission shall represent said commission in all such appeals and in
any other litigation affecting said commission. Notwithstanding the
provisions of subsection (c) of section 4-183 and section 52-64, all process
shall be served upon said commission at its office. Any appeal taken
pursuant to this section shall be privileged in respect to its assignment
for trial over all other actions except writs of habeas corpus and actions
brought by or on behalf of the state, including informations on the
relation of private individuals. Nothing in this section shall deprive any
party of any rights he may have had at common law prior to January 1,
1958. If the court finds that any appeal taken pursuant to this section or
section 4-183 is frivolous or taken solely for the purpose of delay, it shall
order the party responsible therefor to pay to the party injured by such
frivolous or dilatory appeal costs or attorney’s fees of not more than one
thousand dollars. Such order shall be in addition to any other remedy
or disciplinary action required or permitted by statute or by rules of
court.

(e) Within sixty days after the filing of a notice of appeal alleging
violation of any right conferred by the Freedom of Information Act
concerning records of the Department of Energy and Environmental
Protection relating to the state’s hazardous waste program under
sections 22a-448 to 22a-454, inclusive, the Freedom of Information
Commission shall, after notice to the parties, hear and decide the appeal.
Failure by the commission to hear and decide the appeal within such
sixty-day period shall constitute a final decision denying such appeal
for purposes of this section and section 4-183. On appeal, the court may,
in addition to any other powers conferred by law, order the disclosure
of any such records withheld in violation of the Freedom of Information
Act and may assess against the state reasonable attorney's fees and other
litigation costs reasonably incurred in an appeal in which the
complainant has prevailed against the Department of Energy and
Environmental Protection.

Sec. 163. (Effective July 1, 2021) (a) As used in this section, "public
agency", "meeting", "executive session", "electronic equipment" and
"electronic transmission" have the same meanings as provided in section
1-200 of the general statutes. On and after the effective date of this
section until April 30, 2022, a public agency may hold a public meeting
that is accessible to the public by means of electronic equipment or by
means of electronic equipment in conjunction with an in-person
meeting, in accordance with the provisions of this section. Not less than
forty-eight hours before any public agency, except for the General
Assembly, conducts a regular meeting by means of electronic
equipment, such agency shall provide direct notification in writing or
by electronic transmission to each member of the public agency and post
a notice that such agency intends to conduct the meeting solely or in
part by means of electronic equipment (1) in the agency's regular office
or place of business, (2) in the office and on the Internet web site of the
Secretary of the State for any such public agency of the state or quasi-
public agency, in the office of the clerk of such subdivision for any
public agency of a political subdivision of the state that is not a quasi-
public agency, or in the office of the clerk of each municipal member of
any multitown district or agency, and (3) if the agency has an Internet
web site, on such Internet web site. Not less than twenty-four hours
prior to any such meeting, such agency shall post the agenda for any
such meeting in the same manner as the notice of the meeting in
accordance with subdivisions (1) to (3), inclusive, of this subsection.
Such notice and agenda shall include instructions for the public, to
attend and provide comment or otherwise participate in the meeting, by
means of electronic equipment or in person, as applicable and permitted
by law. Any such notice and agenda shall be posted in accordance with
the provisions of section 1-225 of the general statutes.

(b) Any public agency that conducts a meeting, other than an
executive session or special meeting, as described in this section, solely
by means of electronic equipment, shall (1) provide any member of the
public (A) upon a written request submitted not less than twenty-four
hours prior to such meeting, with a physical location and any electronic
equipment necessary to attend such meeting in real-time, and (B) the
same opportunities to provide comment or testimony and otherwise
participate in such meeting that such member of the public would be
accorded if such meeting were held in person, except that a public
agency is not required to adjourn or postpone a meeting if a member of
the public loses the ability to participate because of an interruption,
failure or degradation of such person's connection to the meeting by
electronic equipment; (2) ensure that such meeting is recorded or
transcribed, excluding any portion of the meeting that is an executive
session, and such transcription or recording is posted on the agency's
Internet web site and made available to the public to view, listen to and
copy in the agency's office or regular place of business not later than
seven days after the meeting and for not less than forty-five days
thereafter; and (3) if a quorum of the members of a public agency attend
a meeting by means of electronic equipment from the same physical
location, permit members of the public to attend such meeting in such
physical location. Any public agency that conducts a meeting shall
provide members of the public agency the opportunity to participate by
means of electronic equipment, except that a public agency is not
required to adjourn or postpone a meeting if a member loses the ability
to participate because of an interruption, failure or degradation of that
member's connection by electronic equipment, unless the member's
participation is necessary to form a quorum.

(c) Any public agency other than the General Assembly that conducts
a special meeting shall include in the notice of such meeting whether the
meeting will be conducted solely or in part by means of electronic
equipment and, not less than twenty-four hours prior to such meeting, shall post such notice and an agenda of the meeting in accordance with the provisions of subsection (d) of section 1-225 of the general statutes. If such special meeting is to be conducted by means of electronic equipment, such notice and agenda shall include instructions for the public, by means of electronic equipment or in person, to attend and provide comment or otherwise participate in the meeting, as applicable and permitted by law.

(d) Any vote taken at a meeting during which any member participates by means of electronic equipment shall be taken by roll call, unless the vote is unanimous. The minutes of the meeting shall record a list of members that attended such meeting in person and a list of members that attended such meeting by means of electronic equipment.

(e) Any member of a public agency or the public who participates orally in a meeting of a public agency conducted by means of electronic equipment shall make a good faith effort to state such member's name and title, if applicable, at the outset of each occasion that such member participates orally during an uninterrupted dialogue or series of questions and answers.

(f) Whenever a meeting being conducted by means of electronic equipment is interrupted by the failure, disconnection or, in the chairperson's determination, unacceptable degradation of the electronic means of conducting a meeting, or if a member necessary to form a quorum loses the ability to participate because of the interruption, failure or degradation of such member's connection by electronic equipment, the public agency may, not less than thirty minutes and not more than two hours from the time of the interruption or the chairperson's determination, resume the meeting (1) in person, if a quorum is present in person, or (2) if a quorum is restored by means of electronic equipment, solely or in part by such electronic equipment. In each case of resumption of such meeting, electronic access shall be restored to the public if such capability has been restored. The public
agency shall, if practicable, post a notification on its Internet web site
and inform attendees by electronic transmission of the expected time of
resumption or of the adjournment or postponement of the meeting, as
applicable, and may announce at the beginning of any meeting what
preplanned procedures are in place for resumption of a meeting in the
event of an interruption as described in this subsection.

(g) Nothing in this section shall be construed to require a public
agency to offer members of the public who attend a meeting by means
of electronic equipment the opportunity for public comment, testimony
or other participation if the provision of such opportunity is not
required by law for members of the public who attend such a meeting
in person.

Sec. 164. Section 1-227 of the general statutes is repealed and the
following is substituted in lieu thereof (Effective July 1, 2021):

The public agency shall, where practicable, give notice by mail or
electronic transmission of each regular meeting, and of any special
meeting which is called, at least one week prior to the date set for the
meeting, to any person who has filed a written request for such notice
with such body, except that such body may give such notice as it deems
practical of special meetings called less than seven days prior to the date
set for the meeting. Such notice requirement shall not apply to the
General Assembly, either house thereof or to any committee thereof.
Any request for notice filed pursuant to this section shall be valid for
one year from the date on which it is filed unless a renewal request is
filed. Renewal requests for notice shall be filed within thirty days after
January first of each year. Such public agency may establish a reasonable
charge for sending such notice based on the estimated cost of providing
such service.

Sec. 165. Section 1-228 of the general statutes is repealed and the
following is substituted in lieu thereof (Effective July 1, 2021):

The public agency may adjourn any regular or special meeting to a
time and place specified in the order of adjournment. Less than a quorum may so adjourn from time to time. If all members are absent from any regular meeting the clerk or the secretary of such body may declare the meeting adjourned to a stated time and place and shall cause a written notice of the adjournment to be given in the same manner as provided in section 1-225, for special meetings, unless such notice is waived as provided for special meetings. A copy of the order or notice of adjournment shall be conspicuously posted on or near the door of the place where the regular or special meeting was held and on the Internet web site of the public agency, if applicable, within twenty-four hours after the time of the adjournment. When an order of adjournment of any meeting fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings, by ordinance, resolution, by law or other rule.

Sec. 166. Section 7-8 of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

The moderator of any town meeting, and of any meeting of any society or other community lawfully assembled, may, when any disorder arises in the meeting and the offender refuses to submit to the moderator's lawful authority, order any proper officer to take the offender into custody and, if necessary, to remove the offender from such meeting until the offender conforms to order or, if need be, until such meeting is closed, and thereupon such officer shall have power to command all necessary assistance. Any person refusing to assist when commanded shall be liable to the same penalties as for refusing to assist constables in the execution of their duties; but no person commanded to assist shall be deprived of such person's right to act in the meeting, nor shall the offender be so deprived any longer than the offender refuses to conform to order. If such offender is attending such meeting by means of electronic equipment, as defined in section 1-200, the moderator may terminate such offender's attendance by electronic equipment until such time as the offender conforms to order or, if need be, until such meeting is closed.
Sec. 167. Section 1-232 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2021):

In the event that any meeting of a public agency is interrupted by any person or group of persons so as to render the orderly conduct of such meeting unfeasible and order cannot be restored by the removal of individuals who are wilfully interrupting the meetings, the members of the agency conducting the meeting may order the meeting room cleared and continue in session. If such person or group of persons is attending such meeting by means of electronic equipment, as defined in section 1-200, the members of the public agency may terminate such person's or group of persons' attendance by electronic equipment until such time as such person or group of persons conforms to order or, if need be, until such meeting is closed. Only matters appearing on the agenda may be considered in such a session. Duly accredited representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this section. Nothing in this section shall prohibit such public agency from establishing a procedure for readmitting an individual or individuals not responsible for wilfully disturbing the meeting.

Sec. 168. (j) An authorized official of the municipality may file a civil action in Superior Court to collect the penalties imposed pursuant to subsections (h) and (i) of this section, which penalties shall be payable to the
treasurer of such municipality. Such penalties shall not create or constitute a lien against the residential property.

(k) Neither the registration by a foreclosing party nor the failure to register in accordance with subsection (a) of this section shall imply or create any legal obligations on the part of the foreclosing party to repair, maintain or secure the residential property for which a registration is required prior to the time that title passes to the foreclosing party.

Sec. 176. Section 7-152b of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2021):

(a) Any town, city or borough may establish by ordinance a parking violation hearing procedure in accordance with this section. The Superior Court shall be authorized to enforce the assessments and judgments provided for under this section.

(b) The chief executive officer of the town, city or borough shall appoint one or more parking violation hearing officers, other than policemen or persons who issue parking tickets or work in the police department, to conduct the hearings authorized by this section.

(c) A town, city or borough may, at any time within two years from the expiration of the final period for the uncontested payment of fines, penalties, costs or fees for any alleged violation under any ordinance adopted pursuant to section 7-148 or sections 14-305 to 14-308, inclusive, send notice to the motor vehicle operator, if known, or the registered owner of the motor vehicle by first class mail at his address according to the registration records of the Department of Motor Vehicles or by electronic mail, if the operator or owner's electronic mail address is known. Such notice shall inform the operator or owner: (1) Of the allegations against him and the amount of the fines, penalties, costs or fees due; (2) that he may contest his liability before a parking violations hearing officer by delivering in person, by electronic mail or by mail written notice within ten days of the date thereof; (3) that if he does not demand such a hearing, an assessment and judgment shall enter against
him; and (4) that such judgment may issue without further notice.

Whenever a violation of such an ordinance occurs, proof of the registration number of the motor vehicle involved shall be prima facie evidence in all proceedings provided for in this section that the owner of such vehicle was the operator thereof; provided, the liability of a lessee under section 14-107 shall apply.

(d) If the person who is sent notice pursuant to subsection (c) of this section wishes to admit liability for any alleged violation, such person may, without requesting a hearing, pay the full amount of the fines, penalties, costs or fees admitted to in person or by mail to an official designated by the town, city or borough. Such payment shall be inadmissible in any proceeding, civil or criminal, to establish the conduct of such person or other person making the payment. Any person who does not deliver or mail written demand for a hearing within ten days of the date of the first notice provided for in subsection (c) of this section shall be deemed to have admitted liability, and the designated town official shall certify such person's failure to respond to the hearing officer. The hearing officer shall thereupon enter and assess the fines, penalties, costs or fees provided for by the applicable ordinances and shall follow the procedures set forth in subsection (f) of this section.

(e) Any person who requests a hearing shall be given written notice of the date, time and place for the hearing. Such hearing shall be held not less than fifteen days nor more than thirty days from the date of the mailing of notice, provided the hearing officer shall grant upon good cause shown any reasonable request by any interested party for postponement or continuance. An original or certified copy of the initial notice of violation issued by a policeman or other issuing officer shall be filed and retained by the town, city or borough, be deemed to be a business record within the scope of section 52-180 and be evidence of the facts contained therein. The presence of the policeman or issuing officer shall be required at the hearing if such person so requests. A person wishing to contest his liability shall appear at the hearing in
person or by means of electronic equipment, and may present evidence in his behalf. A designated town official, other than the hearing officer, may present evidence on behalf of the town. If such person fails to appear, the hearing officer may enter an assessment by default against him upon a finding of proper notice and liability under the applicable statutes or ordinances. The hearing officer may accept from such person copies of police reports, Department of Motor Vehicles documents and other official documents by mail and may determine thereby that the appearance of such person is unnecessary. The hearing officer shall conduct the hearing in the order and form and with such methods of proof as he deems fair and appropriate. The rules regarding the admissibility of evidence shall not be strictly applied, but all testimony shall be given under oath or affirmation. The hearing officer shall announce his decision at the end of the hearing. If he determines that the person is not liable, he shall dismiss the matter and enter his determination in writing accordingly. If he determines that the person is liable for the violation, he shall forthwith enter and assess the fines, penalties, costs or fees against such person as provided by the applicable ordinances of that town, city or borough.

(f) If such assessment is not paid on the date of its entry, the hearing officer shall send by first class mail a notice of the assessment to the person found liable and shall file, not less than thirty days or more than twelve months after such mailing, a certified copy of the notice of assessment with the clerk of a superior court facility designated by the Chief Court Administrator together with an entry fee of eight dollars. The certified copy of the notice of assessment shall constitute a record of assessment. Within such twelve-month period, assessments against the same person may be accrued and filed as one record of assessment. The clerk shall enter judgment, in the amount of such record of assessment and court costs of eight dollars, against such person in favor of the town, city or borough. Notwithstanding any provision of the general statutes, the hearing officer's assessment, when so entered as a judgment, shall have the effect of a civil money judgment and a levy of
execution on such judgment may issue without further notice to such
person.

(g) A person against whom an assessment has been entered pursuant
to this section is entitled to judicial review by way of appeal. An appeal
shall be instituted within thirty days of the mailing of notice of such
assessment by filing a petition to reopen assessment, together with an
entry fee in an amount equal to the entry fee for a small claims case
pursuant to section 52-259, at the Superior Court facility designated by
the Chief Court Administrator, which shall entitle such person to a
hearing in accordance with the rules of the judges of the Superior Court.

following is substituted in lieu thereof (Effective October 1, 2021):

(a) The water pollution control authority may establish and revise fair and reasonable charges for connection with and for the use of a sewerage system. The owner of property against which any such connection or use charge is levied shall be liable for the payment thereof. Municipally-owned and other tax-exempt property which uses the sewerage system shall be subject to such charges under the same conditions as are the owners of other property, but nothing herein shall be deemed to authorize the levying of any property tax by any municipality against any property exempt by the general statutes from property taxation. No charge for connection with or for the use of a sewerage system shall be established or revised until after a public hearing before the water pollution control authority at which the owner of property against which the charges are to be levied shall have an opportunity to be heard concerning the proposed charges. Such hearing may be conducted in person or by means of electronic equipment. Notice of the time, place and purpose of such hearing shall be published at least ten days before the date thereof in a newspaper having a general circulation in the municipality and on the Internet web site of the municipality. A copy of the proposed charges shall be on file in the office of the clerk of the municipality and available for inspection by the public for at least ten days before the date of such hearing. In establishing or revising such charges the water pollution control authority may classify the property connected or to be connected with the sewer system and the users of such system, including
categories of industrial users, and may give consideration to any factors relating to the kind, quality or extent of use of any such property or classification of property or users including, but not limited to, (1) the volume of water discharged to the sewerage system, (2) the type or size of building connected with the sewerage system, (3) the number of plumbing fixtures connected with the sewerage system, (4) the number of persons customarily using the property served by the sewerage system, (5) in the case of commercial or industrial property, the average number of employees and guests using the property and (6) the quality and character of the material discharged into the sewerage system. The water pollution control authority may establish minimum charges for connection with and for the use of a sewerage system. Any person aggrieved by any charge for connection with or for the use of a sewerage system may appeal to the superior court for the judicial district wherein the municipality is located and shall bring any such appeal to a return day of said court not less than twelve or more than thirty days after service thereof. The judgment of the court shall be final.

(b) Any municipality may, by ordinance, provide for the payment to the water pollution control authority by such municipality of the whole or a portion of such charges for specified classifications of property or users, provided such classifications are established by the water pollution control authority in accordance with the provisions of subsection (a) of this section and meet the requirements of the federal Water Pollution Control Act Amendments of 1972, P.L. 92-500, as amended from time to time, [amended.]

The water pollution control authority may order the owner of any building to which a sewerage system is available to connect such building with the system or order the owner to construct and connect the building to an alternative sewage treatment system. No such order shall be issued until after a public hearing with respect thereto is conducted in person or by means of electronic equipment after due notice in writing to such property owner. Any owner aggrieved by such an order may, within twenty-one days, appeal to the superior court for the judicial district wherein the municipality is located. Such appeal shall be brought to a return day of said court not less than twelve or more than thirty days after service thereof. The judgment of the court shall be final. If any owner fails to comply with an order to connect, the water pollution control authority shall cause the connection to be made and shall assess the expense thereof against such owner.

Sec. 180. Section 12-111 of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2021):

(a) Any person, including any lessee of real property whose lease has been recorded as provided in section 47-19 and who is bound under the terms of a lease to pay real property taxes and any person to whom title to such property has been transferred since the assessment date, claiming to be aggrieved by the doings of the assessors of such town may appeal therefrom to the board of assessment appeals. Such appeal shall be filed in writing or by electronic mail in a manner prescribed by such board on or before February twentieth. The appeal shall include, but is not limited to, the property owner's name, name and position of the signer, description of the property which is the subject of the appeal, name and mailing address and electronic mail address of the party to be sent all correspondence by the board of assessment
appeals, reason for the appeal, appellant's estimate of value, signature
of property owner, or duly authorized agent of the property owner, and
date of signature. The board shall notify each aggrieved taxpayer who
filed [a written] an appeal in the proper form and in a timely manner,
no later than March first immediately following the assessment date, of
the date, time and place of the appeal hearing. Such notice shall be sent
no later than seven calendar days preceding the hearing date except that
the board may elect not to conduct an appeal hearing for any
commercial, industrial, utility or apartment property with an assessed
value greater than one million dollars. The board shall, not later than
March first, notify the appellant that the board has elected not to
conduct an appeal hearing. An appellant whose appeal will not be heard
by the board may appeal directly to the Superior Court pursuant to
section 12-117a. The board shall determine all appeals for which the
board conducts an appeal hearing and send written notification of the
final determination of such appeals to each such person within one week
after such determination has been made. Such written notification shall
include information describing the property owner's right to appeal the
determination of such board. Such board may equalize and adjust the
grand list of such town and may increase or decrease the assessment of
any taxable property or interest therein and may add an assessment for
property omitted by the assessors which should be added thereto; and
may add to the grand list the name of any person omitted by the
assessors and owning taxable property in such town, placing therein all
property liable to taxation which it has reason to believe is owned by
such person, at the percentage of its actual valuation, as determined by
the assessors in accordance with the provisions of sections 12-64 and 12-
71, from the best information that it can obtain, and if such property
should have been included in the declaration, as required by section 12-
42 or 12-43, it shall add thereto twenty-five per cent of such assessment;
but, before proceeding to increase the assessment of any person or to
add to the grand list the name of any person so omitted, it shall mail to
such person, postage paid, at least one week before making such
increase or addition, a written or printed notice addressed to such
person at the town in which such person resides, to appear before such
board and show cause why such increase or addition should not be
made. When the board increases or decreases the gross assessment of
any taxable real property or interest therein, the amount of such gross
assessment shall be fixed until the assessment year in which the
municipality next implements a revaluation of all real property
pursuant to section 12-62, unless the assessor increases or decreases the
gross assessment of the property to (1) comply with an order of a court
of jurisdiction, (2) reflect an addition for new construction, (3) reflect a
reduction for damage or demolition, or (4) correct a factual error by
issuance of a certificate of correction. Notwithstanding the provisions of
this subsection, if, prior to the next revaluation, the assessor increases or
decreases a gross assessment established by the board for any other
reason, the assessor shall submit a written explanation to the board
setting forth the reason for such increase or decrease. The assessor shall
also append the written explanation to the property card for the real
estate parcel whose gross assessment was increased or decreased.

(b) If an extension is granted to any assessor or board of assessors
pursuant to section 12-117, the date by which a taxpayer shall be
required to submit a request for appeal to the board of
assessment appeals shall be extended to March twentieth and said
board shall conduct hearings regarding such requests during the month
of April. The board shall send notification to the taxpayer of the time
and date of an appeal hearing at least seven calendar days preceding the
hearing date, but no later than the first day of April. If the board elects
not to hear an appeal for commercial, industrial, utility or apartment
property described in subsection (a) of this section, the board shall
notify the taxpayer of such decision no later than the first day of April.

Sec. 181. Section 12-117 of the general statutes is repealed and the
following is substituted in lieu thereof (Effective October 1, 2021):

(a) The period prescribed by law for the completion of the duties of
any assessor, board of assessors or board of assessment appeals may, for
due cause shown, be extended by the chief executive officer of the town for a period not exceeding one month, and in the case of the board of assessment appeals in any town in the assessment year in which a revaluation, pursuant to section 12-62, is required to be effective, such period shall be extended by said chief executive officer for a period not exceeding two months. Not later than two weeks after granting an extension as provided under this subsection, the chief executive officer shall send [written] notice of the extension to the Secretary of the Office of Policy and Management by mail or electronic mail in a manner prescribed by the secretary.

(b) If, in the assessment year in which a revaluation is required to be effective, the Secretary of the Office of Policy and Management determines, on the basis of information provided [, in writing,] by the board of assessment appeals and the chief executive officer, that the number of appeals pending before such board is such as to preclude fair and equitable consideration of such appeals within the extended period of time provided under subsection (a) of this section, the secretary may authorize a postponement of the implementation of said revaluation until the assessment day next ensuing. If the secretary authorizes such postponement, the town shall not be subject to the penalty provisions of subsection (d) of section 12-62. Upon receipt of the secretary’s notice of authorization, the assessor shall revise the real property grand list for the assessment year with respect to which such postponement is applicable, to reflect assessments for such property effective in the assessment year immediately preceding. The real property grand list from which such appeals are taken shall then become the real property grand list for the assessment day next ensuing, subject only to transfers of ownership, additions for new construction, reductions for demolitions and such adjustments as are authorized by the board of assessment appeals, unless the assessor revalues all real property for said assessment day in accordance with section 12-62. The secretary shall not grant an authorization to a town, pursuant to this subsection, in consecutive years.
(c) During any assessment year in which the provisions of subsection (b) of this section become applicable, the assessor or board of assessors shall, not later than thirty days after the date on which the Secretary of the Office of Policy and Management authorizes the postponement of revaluation, complete the grand list as required by subsection (b) of this section. An increase notice shall be prepared in the manner prescribed by section 12-55, and, mailed, not later than the tenth day after the completion of said grand list, mailed or sent by electronic mail to each owner whose property valuation on said grand list increased above the valuation of such property in the last-preceding assessment year. Notwithstanding the provisions of section 12-112, any owner may appeal such increase to the board of assessment appeals not later than thirty days after the date of such notice. If the assessor or board of assessors fails to comply with the notice requirements in this subsection, any such increase shall not take effect until the next succeeding assessment date.

Sec. 182. Subsection (a) of section 12-170f of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2021):

(a) Any renter, believing himself or herself to be entitled to a grant under section 12-170d for any calendar year, shall apply for such grant to the assessor of the municipality in which the renter resides or to the duly authorized agent of such assessor or municipality on or after April first and not later than October first of each year with respect to such grant for the calendar year preceding each such year. Such application shall be made on a form prescribed and furnished by the Secretary of the Office of Policy and Management or electronically in a manner prescribed by the secretary. Municipalities that require notarization of a landlord verification of property rental on an application under this section (1) shall exempt a renter from the requirement if a landlord verification for the same property rental by the same renter has been previously notarized, and (2) shall not delay submission of the application of an otherwise qualified renter to the
Secretary of the Office of Policy and Management if the renter fails to meet the deadline for notarizing such landlord verification. A renter may apply to the secretary prior to December fifteenth of the claim year for an extension of the application period. The secretary may grant such extension in the case of extenuating circumstance due to illness or incapacitation as evidenced by a certificate signed by a physician or an advanced practice registered nurse to that extent, or if the secretary determines there is good cause for doing so. A renter making such application shall present to such assessor or agent, in substantiation of the renter's application, a copy of the renter's federal income tax return, and if not required to file a federal income tax return, such other evidence of qualifying income, receipts for money received, or cancelled checks, or copies thereof, and any other evidence the assessor or such agent may require. When the assessor or agent is satisfied that the applying renter is entitled to a grant, such assessor or agent shall issue a certificate of grant in such form as the secretary may prescribe and supply showing the amount of the grant due.

Sec. 183. Section 12-170g of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2021):

Any person aggrieved by the action of the assessor or agent in fixing the amount of the grant under section 12-170f, or in disapproving the claim therefor may apply to the Secretary of the Office of Policy and Management in writing or electronically in a manner prescribed by the secretary, within thirty business days from the date of notice given to such person by the assessor or agent, giving notice of such grievance. The secretary shall promptly consider such notice and may grant or deny the relief requested, provided such decision shall be made not later than thirty business days after the receipt of such notice. If the relief is denied, the applicant shall be notified forthwith, and the applicant may appeal the decision of the secretary in accordance with the provisions of section 12-120b.

Sec. 184. Subsection (a) of section 12-170w of the general statutes is
repealed and the following is substituted in lieu thereof (Effective October 1, 2021):

(a) No claim shall be accepted under section 12-170v unless the taxpayer or authorized agent of such taxpayer files an application with the assessor of the municipality in which the property is located, [in such form and manner as the assessor may prescribe,] during the period from February first to and including May fifteenth of any year in which benefits are first claimed. [including] Such application shall be made in writing or electronically in a manner prescribed by the assessor, and shall include such information as is necessary to substantiate such claim in accordance with requirements in such application. A taxpayer may make application to the assessor in writing or electronically in a manner prescribed by the assessor prior to August fifteenth of the claim year for an extension of the application period. The assessor may grant such extension in the case of extenuating circumstance due to illness or incapacitation as evidenced by a certificate signed by a physician or an advanced practice registered nurse to that extent, or if the assessor determines there is good cause for doing so. Each such application, together with the federal income tax return and any other information submitted in relation thereto, shall be examined by the assessor and a determination shall be made as to whether the application is approved. Upon determination by the assessor that the applying homeowner is entitled to tax relief in accordance with the provisions of section 12-170v and this section, the assessor shall notify the homeowner and the municipal tax collector of the approval of such application. The municipal tax collector shall determine the maximum amount of the tax due with respect to such
homeowner's residence and thereafter the property tax with respect to such homeowner's residence shall not exceed such amount. After a taxpayer's claim for the first year has been filed and approved such taxpayer shall file such an application biennially. In respect to such application required after the filing and approval for the first year the assessor in each municipality shall notify each such taxpayer concerning application requirements by [regular] mail, or, at the taxpayer's option, electronic mail, not later than February first of the assessment year in which such taxpayer is required to reapply, [enclosing] providing a copy of the required application form. Such taxpayer may submit such application to the assessor [by mail,] provided it is received by the assessor not later than April fifteenth in the assessment year with respect to which such tax relief is claimed. accordance with subdivision (2) of this subsection, evidence of which income shall be required in the form of a signed affidavit to be submitted to the assessor in the municipality in which application for benefits under this section is filed. If title to real property or a tenancy interest liable for real property taxes is recorded in the name of such qualified homeowner or his spouse making a claim and qualifying under this section and any other person or persons, the claimant hereunder shall be entitled to pay his fractional share of the tax on such property calculated in accordance with the provisions of this section, and such other person or persons shall pay his or their fractional share of the tax without regard for the provisions of this section, unless also qualified hereunder. Each such adjustment of qualifying income shall be prepared by the Secretary of the Office of Policy and Management in relation to the annual inflation adjustment in Social Security, if any, becoming effective at any time during the twelve-month period immediately preceding the first day of October each year and the amount of such adjustment shall be
distributed to the assessors in each municipality not later than the thirty-first day of December next following.

(d) Any homeowner qualified for tax reduction in accordance with subsection (b) of this section in an amount to be determined under the schedule of such tax reduction in subsection (c) of this section, shall in no event receive less in tax reduction than the minimum amount of such reduction applicable to the qualifying income of such homeowner according to the schedule in said subsection (c).

(e) Any claim for tax reduction under this section shall be submitted for approval, on the application form prepared for such purpose by the Secretary of the Office of Policy and Management, in the first year claim for such tax relief is filed and biennially thereafter. Such application form may be submitted by mail or electronic mail, in a manner prescribed by the secretary. The amount of tax reduction approved shall be applied to the real property tax payable by the homeowner for the assessment year in which such application is submitted and approved. If any such homeowner has qualified for tax reduction under this section, the tax reduction determined shall, when possible, be applied and prorated uniformly over the number of installments in which the real property tax is due and payable to the municipality in which he resides. In the case of any homeowner who is eligible for tax reduction under this section as a result of increases in qualifying income, effective with respect to the assessment year commencing October 1, 1987, under the schedule of qualifying income and tax reduction in subsection (c) of this section, exclusive of any such increases related to social security adjustments in accordance with subsection (b) of this section, the total amount of tax reduction to which such homeowner is entitled shall be credited and uniformly prorated against property tax installment payments applicable to such homeowner's residence which become due.
after such homeowner's application for tax reduction under this section is accepted. In the event that a homeowner has paid in full the amount of property tax applicable to such homeowner's residence, regardless of whether the municipality requires the payment of property taxes in one or more installments, such municipality shall make payment to such homeowner in the amount of the tax reduction allowed. The municipality shall be reimbursed for the amount of such payment in accordance with subsection (g) of this section. In respect to such application required biennially after the filing and approval for the first year, the tax assessor in each municipality shall notify each such homeowner concerning application requirements by [regular] mail or, at such homeowner's option, electronic mail, not later than February first, annually enclosing a copy of the required application form. Such homeowner may submit such application to the assessor by mail or electronic mail, in a manner prescribed by the assessor, provided it is received by the assessor not later than April fifteenth in the assessment year with respect to which such tax reduction is claimed. Not later than April thirtieth of such year the assessor shall notify, by mail evidenced by a certificate of mailing, any such homeowner for whom such application was not received by said April fifteenth concerning application requirements and such homeowner shall be required not later than May fifteenth to submit such application personally or by electronic mail, in a manner prescribed by the assessor, or, for reasonable cause, by a person acting on behalf of such taxpayer as approved by the assessor. In the year immediately following any year in which such homeowner has submitted application and qualified for tax reduction in accordance with this section, such homeowner shall be presumed, without filing application therefor, to be qualified for tax reduction in accordance with the schedule in subsection (c) of this section in the same percentage of property tax as allowed in the year immediately preceding. If any homeowner has qualified and received tax reduction under this section and subsequently in any calendar year has qualifying income in excess of the maximum described in this section, such homeowner shall notify the tax assessor by mail or
electronic mail, in a manner prescribed by the assessor, on or before the next filing date and shall be denied tax reduction under this section for the assessment year and any subsequent year or until such homeowner has reapplied and again qualified for benefits under this section. Any such person who fails to so notify the tax assessor of his disqualification shall refund all amounts of tax reduction improperly taken and be fined not more than five hundred dollars.

(f) Any homeowner, believing such homeowner is entitled to tax reduction benefits under this section for any assessment year, shall make application as required in subsection (e) of this section, to the assessor of the municipality in which the homeowner resides, for such tax reduction at any time from February first to and including May fifteenth of the year in which tax reduction is claimed. A homeowner may make application to the secretary prior to August fifteenth of the claim year for an extension of the application period. The secretary may grant such extension in the case of extenuating circumstance due to illness or incapacitation as evidenced by a certificate signed by a physician or an advanced practice registered nurse to that extent, or if the secretary determines there is good cause for doing so. Such application for tax reduction benefits shall be submitted on a form prescribed and furnished by the secretary to the assessor. In making application the homeowner shall present to such assessor, in substantiation of such homeowner's application, a copy of such homeowner's federal income tax return, including a copy of the Social Security statement of earnings for such homeowner, and that of such homeowner's spouse, if filed separately, for such homeowner's taxable year ending immediately prior to the submission of such application, or if not required to file a return, such other evidence of qualifying income in respect to such taxable year as may be required by the assessor. When the assessor is satisfied that the applying homeowner is entitled to tax reduction in accordance with this section, such assessor shall issue a certificate of credit, in such form as the secretary may prescribe and supply showing the amount of tax reduction allowed. A duplicate of
such certificate shall be delivered to the applicant and the tax collector
of the municipality and the assessor shall keep the fourth copy of such
certificate and a copy of the application. Any homeowner who, for the
purpose of obtaining a tax reduction under this section, wilfully fails to
disclose all matters related thereto or with intent to defraud makes false
statement shall refund all property tax credits improperly taken and
shall be fined not more than five hundred dollars. Applications filed
under this section shall not be open for public inspection.

(g) On or before July first, annually, each municipality shall submit
to the secretary a claim for the tax reductions approved under this
section in relation to the assessment list of October first immediately
preceding. On or after December 1, 1987, any municipality that neglects
to transmit to the secretary the claim as required by this section shall
forfeit two hundred fifty dollars to the state, except that the secretary
may waive such forfeiture in accordance with procedures and standards
established by regulations adopted in accordance with chapter 54.
Subject to procedures for review and approval of such data pursuant to
section 12-120b, said secretary shall, on or before December fifteenth
next following, certify to the Comptroller the amount due each
municipality as reimbursement for loss of property tax revenue related
to the tax reductions allowed under this section, except that the
secretary may reduce the amount due as reimbursement under this
section by up to one hundred per cent for any municipality that is not
eligible for a grant under section 32-9s. The Comptroller shall draw an
order on the Treasurer on or before the fifth business day following
December fifteenth and the Treasurer shall pay the amount due each
municipality not later than the thirty-first day of December. Any
claimant aggrieved by the results of the secretary's review shall have the
rights of appeal as set forth in section 12-120b. The amount of the grant
payable to each municipality in any year in accordance with this section
shall be reduced proportionately in the event that the total of such grants
in such year exceeds the amount appropriated for the purposes of this
section with respect to such year.
(h) Any person who is the owner of a residential dwelling on leased land, including any such person who is a sublessee under terms of the lease agreement applicable to such land, shall be entitled to claim tax relief under the provisions of this section, subject to all requirements therein except as provided in this subdivision, with respect to property taxes paid by such person on the assessed value of such dwelling, provided (1) the dwelling is such person's principal place of residence, (2) such lease or sublease requires that such person as the lessee or sublessee, whichever is applicable, pay all property taxes related to the dwelling and (3) such lease or sublease is recorded in the land records of the town.

(i) If any person with respect to whom a claim for tax reduction in accordance with this section has been approved for any assessment year transfers, assigns, grants or otherwise conveys on or after the first day of October but prior to the first day of August in such assessment year the interest in real property to which such claim for tax credit is related, regardless of whether such transfer, assignment, grant or conveyance is voluntary or involuntary, the amount of such tax credit shall be a pro rata portion of the amount otherwise applicable in such assessment year to be determined by a fraction the numerator of which shall be the number of full months from the first day of October in such assessment year to the date of such conveyance and the denominator of which shall be twelve. If such conveyance occurs in the month of October the grantor shall be disqualified for tax credit in such assessment year. The grantee shall be required within a period not exceeding ten days immediately following the date of such conveyance to notify the assessor thereof by mail or electronic mail, in a manner prescribed by the assessor, or in the absence of such notice, upon determination by the assessor that such transfer, assignment, grant or conveyance has occurred, the assessor shall (1) determine the amount of tax reduction to which the grantor is entitled for such assessment year with respect to the interest in real property conveyed and notify the tax collector of the reduced amount of tax reduction applicable to such interest and (2)
notify the Secretary of the Office of Policy and Management on or before the October first immediately following the end of the assessment year in which such conveyance occurs of the reduction in such tax reduction for purposes of a corresponding adjustment in the amount of state payment to the municipality next following as reimbursement for the revenue loss related to such tax reductions. On or after December 1, 1987, any municipality which neglects to transmit to the Secretary of the Office of Policy and Management the claim as required by this section shall forfeit two hundred fifty dollars to the state provided the secretary may waive such forfeiture in accordance with procedures and standards established by regulations adopted in accordance with chapter 54. Upon receipt of such notice from the assessor, the tax collector shall, if such notice is received after the tax due date in the municipality, within ten days thereafter mail, [or] hand or deliver by electronic mail, at the grantee's option, a bill to the grantee stating the additional amount of tax due as determined by the assessor. Such tax shall be due and payable and collectible as other property taxes and subject to the same liens and processes of collection, provided such tax shall be due and payable in an initial or single installment not sooner than thirty days after the date such bill is mailed or handed to the grantee and in equal amounts in any remaining, regular installments as the same are due and payable.

(j) (1) Notwithstanding the intent in subsections (a) to (i), inclusive, of this section to provide for benefits in the form of property tax reduction applicable to persons liable for payment of such property tax and qualified in accordance with requirements related to age and income as provided in subsection (b) of this section, a certain annual benefit, determined in amount under the provisions of subsections (c) and (d) of this section but payable in a manner as prescribed in this subsection, shall be provided with respect to any person who (A) is qualified in accordance with said requirements related to age and income as provided in subsection (b) of this section, including provisions concerning such person's spouse, and (B) is a resident of a dwelling unit within a multiple-dwelling complex containing dwelling
units for occupancy by certain elderly persons under terms of a contract
between such resident and the owner of such complex, in accordance
with which contract such resident occupies a certain dwelling unit
subject to the express provision that such resident has no legal title,
interest or leasehold estate in the real or personal property of such
complex, and under the terms of which contract such resident agrees to
pay the owner of the complex a fee, as a condition precedent to
occupancy and a monthly or other such periodic fee thereafter as a
condition of continued occupancy. In no event shall any such resident
be qualified for benefits payable in accordance with this subsection if, as
determined by the assessor in the municipality in which such complex
is situated, such resident's contract with the owner of such complex, or
occupancy by such resident (i) confers upon such resident any
ownership interest in the dwelling unit occupied or in such complex, or
(ii) establishes a contract of lease of any type for the dwelling unit
occupied by such resident.

(2) The amount of annual benefit payable in accordance with this
subsection to any such resident, qualified as provided in subdivision (1)
of this subsection, shall be determined in relation to an assumed amount
of property tax liability applicable to the assessed value for the dwelling
unit which such resident occupies, as determined by the assessor in the
municipality in which such complex is situated. Annually, not later than
the first day of June, the assessor in such municipality, upon receipt of
an application for such benefit submitted in accordance with this
subsection by mail or electronic mail, in a manner prescribed by the
assessor, by any such resident, shall determine, with respect to the
assessment list in such municipality for the assessment year
commencing October first immediately preceding, the portion of the
assessed value of the entire complex, as included in such assessment list,
attributable to the dwelling unit occupied by such resident. The
assumed property tax liability for purposes of this subsection shall be
the product of such assessed value and the mill rate in such municipality
as determined for purposes of property tax imposed on said assessment
list for the assessment year commencing October first immediately preceding. The amount of benefit to which such resident shall be entitled for such assessment year shall be equivalent to the amount of tax reduction for which such resident would qualify, considering such assumed property tax liability to be the actual property tax applicable to such resident's dwelling unit and such resident as liable for the payment of such tax, in accordance with the schedule of qualifying income and tax reduction as provided in subsection (c) of this section, subject to provisions concerning maximum allowable benefit for any assessment year under subsections (c) and (d) of this section. The amount of benefit as determined for such resident in respect to any assessment year shall be payable by the state as a grant to such resident equivalent to the amount of property tax reduction to which such resident would be entitled under subsections (a) to (i), inclusive, of this section if such resident were the owner of such dwelling unit and qualified for tax reduction benefits under said subsections (a) to (i), inclusive.

(3) Any such resident entitled to a grant as provided in subdivision (2) of this subsection shall be required to submit an application to the assessor in the municipality in which such resident resides [to] by mail or electronic mail, in a manner prescribed by the assessor, [in the municipality in which such resident resides] at any time from February first to and including the fifteenth day of May in the year in which such grant is claimed, on a form prescribed and furnished for such purpose by the Secretary of the Office of Policy and Management. Any such resident submitting an application for such grant shall be required to present to the assessor, in substantiation of such application, a copy of such resident's federal income tax return, and if not required to file a federal income tax return, such other evidence of qualifying income, receipts for money received or cancelled checks, or copies thereof, and any other evidence the assessor may require. Not later than the first day of July in such year, the assessor shall submit to the Secretary of the Office of Policy and Management (A) a copy of the
application prepared by such resident, together with such resident's federal income tax return, if required to file such a return, and any other information submitted in relation thereto, (B) determinations of the assessor concerning the assessed value of the dwelling unit in such complex occupied by such resident, and (C) the amount of such grant approved by the assessor. Said secretary, upon approving such grant, shall certify the amount thereof and not later than the fifteenth day of September immediately following submit approval for payment of such grant to the State Comptroller. Not later than five business days immediately following receipt of such approval for payment, the State Comptroller shall draw his or her order upon the State Treasurer and the Treasurer shall pay the amount of the grant to such resident not later than the first day of October immediately following.

(k) If the Secretary of the Office of Policy and Management makes any adjustments to the grants for tax reductions or assumed amounts of property tax liability claimed under this section subsequent to the Comptroller the payment of said grants in any year, the amount of such adjustment shall be reflected in the next payment the Treasurer shall make to such municipality pursuant to this section.

The secretary shall promptly consider such notice and may grant or deny the relief requested, provided such decision shall be made not later than thirty business days after the receipt of such notice. If the relief is denied, the applicant shall be notified forthwith and may appeal the decision of the secretary in
accordance with the provisions of section 12-120b.

Sec. 187. Subsection (a) of section 29-263 of the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2021):

(a) Except as provided in subsection (h) of section 29-252a and the State Building Code adopted pursuant to subsection (a) of section 29-252, after October 1, 1970, no building or structure shall be constructed or altered until an application has been filed with the building official and a permit issued. Such application shall be filed in person, by mail or electronic mail, in a manner prescribed by the building official. Such permit shall be issued or refused, in whole or in part, within thirty days after the date of an application. No permit shall be issued except upon application of the owner of the premises affected or the owner's authorized agent. No permit shall be issued to a contractor who is required to be registered pursuant to chapter 400, for work to be performed by such contractor, unless the name, business address and Department of Consumer Protection registration number of such contractor is clearly marked on the application for the permit, and the contractor has presented such contractor's certificate of registration as a home improvement contractor. Prior to the issuance of a permit and within said thirty-day period, the building official shall review the plans of buildings or structures to be constructed or altered, including, but not limited to, plans prepared by an architect licensed pursuant to chapter 390, a professional engineer licensed pursuant to chapter 391 or an interior designer registered pursuant to chapter 396a acting within the scope of such license or registration, to determine their compliance with the requirements of the State Building Code and, where applicable, the local fire marshal shall review such plans to determine their compliance with the Fire Safety Code. Such plans submitted for review shall be in substantial compliance with the provisions of the State Building Code and, where applicable, with the provisions of the Fire Safety Code.

Sec. 188. Section 29-264 of the general statutes is repealed and the
following is substituted in lieu thereof (Effective October 1, 2021):

The State Building Inspector may, upon application by a builder setting forth that a set of plans and specifications will be utilized in more than one municipality to acquire building permits, review and approve any set of plans and specifications for the construction or erection of any building or structure designed to provide dwelling space for not more than two families if such set of plans and specifications meet the requirements of the State Building Code. (b) In connection with the issuance of bonds or to refund bonds previously issued by the authority, or in connection with the issuance of bonds to effect a refinancing or other restructuring with respect to one or more projects, the authority may create and establish one or more reserve funds to be known as special capital reserve funds, and may pay into such special capital reserve funds (1) any moneys appropriated and made available by the state for the purposes of such special capital

Such approval may provide for the waiver or modification of such other requirements of this section as the secretary determines to be necessary or appropriate in order to effectuate such issuance, subject to all applicable tax covenants of the authority and the state.

(h) Notwithstanding any other provision contained in this section, the aggregate amount of bonds secured by such special capital reserve fund authorized to be established under this section shall not exceed fifty million dollars.

The program shall offer assistance, within available funds and on a first-come, first-served basis, to affected persons eligible for assistance under this section, pending verification of eligibility, provided no assistance shall be paid to any affected person after June 30, 2024. The program shall be administered by the administrator. The administrator shall accept applications for assistance on or after the effective date of this section. For the purposes of this section, the administrator shall be authorized to (1) determine whether an affected person meets the requirements for eligibility for assistance under this section and the amount of assistance that should be provided; (2) summon and examine under oath such witnesses that may provide information relevant to the eligibility of an affected person, and direct the production of, and examine or cause to be produced or examined, such books, records, vouchers, memoranda, documents, letters, contracts or other papers in relation to any matter at issue as the administrator may find proper; and (3) take or cause to be taken affidavits or depositions within or without the state.

to the program.

(d) To apply for assistance from the Connecticut Essential Workers

COVID-19, or an affected person who does not have such pending
workers' compensation claim, shall submit a claim to the administrator,
in such form as required by the administrator, not later than July 20,
2022. An affected person who does not have a pending workers'
compensation claim related to COVID-19 shall submit a claim to the
administrator, in such form as required by the administrator, not later
than one year after the date such person was initially unable to work as
a result of contracting COVID-19 or due to symptoms that were later
diagnosed as COVID-19 or July 20, 2022, whichever is later. Any such
claim shall include: (1) A certificate issued by a licensed medical
professional documenting the laboratory test or diagnosis that such
affected person contracted COVID-19 (A) requiring such person to
isolate and quarantine from others, (B) preventing such affected person
from performing such affected person's employment duties, or (C)
requiring in-patient or outpatient medical treatment; (2) for the
purposes of requesting assistance for uncompensated leave, evidence of
(A) such affected person's weekly earnings during the eight calendar
weeks immediately preceding the time of diagnosis, except in the case
of an employee who has not yet worked for that employer for an eight-
week period, for the time period such employee was employed, and (B)
uncompensated leave due to the contraction of COVID-19 or symptoms that were later diagnosed as COVID-19; (3) for the purposes of requesting assistance for out-of-pocket costs for medical and surgical aid or hospital or nursing service, evidence of such affected person's costs; and (4) any additional information as requested or required by the administrator.

(e) The level of assistance offered to an affected person shall be calculated as follows, subject to available funds, and payable on a retroactive basis from the date such person was initially unable to work as a result of contracting COVID-19 or due to symptoms that were later diagnosed as COVID-19, but not earlier than March 10, 2020, and not later than July 20, 2021: (1) Weekly assistance for all uncompensated leave, calculated as seventy-five per cent of such affected person's average weekly earnings during the eight calendar weeks immediately preceding the date such person was initially unable to work as a result of contracting COVID-19, or due to symptoms that were later diagnosed as COVID-19, except in the case of an employee who has not yet worked for that employer for an eight-week period, seventy-five per cent of such affected person's average weekly earnings for the time period such employee was employed, and after such earnings have been reduced by any deduction for: (A) Federal or state taxes, or both; (B) the federal Insurance Contributions Act, provided such assistance shall not exceed the average weekly earnings of all workers in the state as calculated by the Labor Commissioner, pursuant to section 31-309 of the general statutes; and (C) any benefits received for total or partial unemployment as provided in chapter 567 of the general statutes, and any amount of temporary total or temporary partial disability benefits under chapter 568 of the general statutes, for the same days of such claimed assistance, (2) all documented out-of-pocket COVID-19 related costs for medical and surgical aid or hospital and nursing service incurred directly as a result of such affected person contracting COVID-19, including, but not limited to, medical rehabilitation services, mental health therapy services and prescription drugs, and (3) burial expenses in the amount
of three thousand dollars in any case in which an employee died due to contracting COVID-19 during (A) the public health and civil preparedness emergencies declared by the Governor on March 10, 2020, or any extension of such declarations, or (B) any new public health and civil preparedness emergencies declared by the Governor as a result of a COVID-19 outbreak in this state.

(f) The administrator shall promptly review all claims submitted pursuant to this section. The administrator shall evaluate each claim and determine, on the basis of information provided by the affected person, or additional information provided at the request of the administrator, whether or not such claim should be approved and, if approved, the amount of assistance offered. The administrator shall provide such determination, in writing, to such affected person not later than sixty business days after having received the notice of claim, or, if the administrator requested additional information, not later than ten business days after receiving such additional information, and shall direct the Comptroller to pay any such assistance offered to such affected person in the amount and for the duration determined by the administrator, if applicable.

(g) For purposes of this section, a pending workers' compensation claim submitted by an affected person shall not prevent the administrator from approving such person's claim for assistance under this section, provided any workers' compensation benefits such affected person receives for the workers' compensation claim shall be offset by the amount of assistance such affected person receives for uncompensated leave under this section, as deemed appropriate by the presiding workers' compensation commissioner. Any assistance available under this section shall be offset by any workers' compensation benefits already paid to the affected person for the uncompensated leave or out-of-pocket medical costs, including payments made without prejudice. It shall be the responsibility of the administrator of the fund to notify the Workers' Compensation Commission of an available offset.
(h) An affected person may request that a determination made pursuant to subsection (f) of this section be reconsidered by the administrator's designee by filing a request with the administrator, on a form prescribed by the administrator, not later than twenty business days after the mailing of the notice of such determination. The administrator, not later than three business days after receipt of such request for reconsideration, shall designate an individual to conduct such reconsideration and shall submit to such designated individual all documents relating to such affected person's claim. The administrator's designee shall conduct any reconsideration requested by an affected person, which shall consist of a de novo review of all relevant evidence, not later than twenty business days after such individual's designation. Such administrator's designee shall issue such designee's decision affirming, modifying or reversing the decision of the administrator not later than twenty business days after the designee's reconsideration of the determination and shall submit such decision in writing to the administrator and the affected person. The decision shall include a short statement of findings that shall specify any assistance to be paid to the affected person in accordance with subsection (f) of this section.

(i) Any statement, document, information or matter may be considered by the administrator or, on reconsideration, by the administrator's designee, if in the opinion of the administrator or designee, it contributes to a determination of the claim, whether or not the same would be admissible in a court of law.

(j) There shall be no right of appeal by any affected person claiming assistance under this section following the final decision of the administrator's designee issued pursuant to subsection (h) of this section.

(k) Any assistance provided to an affected person under this section shall not be considered income for the purpose of the state's personal income tax law, corporation tax or any other tax laws.
(l) If a claim is paid to an affected person erroneously or as a result of 
wilful misrepresentation by such affected person, the administrator may 
seek repayment of benefits from the affected person having received 
such compensation and may also, in the case of wilful 
misrepresentation, seek payment of a penalty in the amount of fifty per 
cent of the benefits paid as a result of such misrepresentation.

(m) On or before January 1, 2022, and monthly thereafter, and any 
other time at the request of the administrator, the Comptroller shall 
submit a report to the administrator indicating the value of the 
Connecticut Essential Workers COVID-19 Assistance Fund at the time 
of the report.

(n) On or before January 1, 2022, and at least quarterly thereafter, the 
administrator shall submit to the joint standing committee of the 
General Assembly having cognizance of matters relating to labor, in 
accordance with section 11-4a of the general statutes, a report on the 
financial condition of the Connecticut Essential Workers COVID-19 
Assistance Fund. Such report shall include (1) an estimate of the fund's 
value as of the date of the report; (2) the effect of scheduled payments 
on the fund's value; (3) an estimate of the monthly administrative costs 
necessary to operate the program and the fund; and (4) any 
recommendations for legislation to improve the operation or 
administration of the program and the fund.

Sec. 324. Section 31-290a of the general statutes is repealed and the 
following is substituted in lieu thereof (Effective from passage):

(a) No employer who is subject to the provisions of this chapter shall; 
[discharge,] (1) Discharge or cause to be discharged, or in any manner 
discipline or discriminate against any employee because the employee 
has filed a claim for workers' compensation benefits or otherwise 
exercised the rights afforded to him pursuant to the provisions of this 
chapter, or (2) deliberately misinform or deliberately dissuade an 
employee from filing a claim for workers' compensation benefits or, on
or after October 1, 2021, a claim for payment of benefits from the Connecticut Essential Workers COVID-19 Assistance Fund.

(b) Any employee who is so discharged, disciplined or discriminated against or who has been deliberately misinformed or deliberately dissuaded from filing a claim for workers' compensation benefits or a claim for payment of benefits from the Connecticut Essential Workers COVID-19 Assistance Fund may either: (1) Bring a civil action in the superior court for the judicial district where the employer has its principal office for the reinstatement of his previous job, payment of back wages and reestablishment of employee benefits to which he would have otherwise been entitled if he had not been discriminated against or discharged and any other damages caused by such discrimination or discharge. The court may also award punitive damages. Any employee who prevails in such a civil action shall be awarded reasonable attorney's fees and costs to be taxed by the court; or (2) file a complaint with the chairman of the Workers' Compensation Commission alleging violation of the provisions of subsection (a) of this section. Upon receipt of any such complaint, the chairman shall select a commissioner to hear the complaint, provided any commissioner who has previously rendered any decision concerning the claim shall be excluded. The hearing shall be held in the workers' compensation district where the employer has its principal office. After the hearing, the commissioner shall send each party a written copy of his decision. The commissioner may award the employee the reinstatement of his previous job, payment of back wages and reestablishment of employee benefits to which he otherwise would have been eligible if he had not been discriminated against or discharged. Any employee who prevails in such a complaint shall be awarded reasonable attorney's fees. Any party aggrieved by the decision of the commissioner may appeal the decision to the Appellate Court.

Sec. 325. Subsection (a) of section 31-306 of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):
(a) Compensation shall be paid to dependents on account of death resulting from an accident arising out of and in the course of employment or from an occupational disease as follows:

(1) Four thousand dollars shall be paid for burial expenses in any case in which the employee died on or after October 1, 1988, and before the effective date of this section, and twelve thousand dollars shall be paid for burial expenses in any case in which the employee died on or after the effective date of this section. On January 1, 2022, and not later than each January first thereafter, the compensation for burial benefits shall be adjusted by the percentage increase between the last complete calendar year and the previous calendar year in the consumer price index for urban wage earners and clerical workers in the northeast, with no seasonal adjustment, as calculated by the United States Department of Labor's Bureau of Labor Statistics. If there is no one wholly or partially dependent upon the deceased employee, the burial expenses [of four thousand dollars] shall be paid to the person who assumes the responsibility of paying the funeral expenses.

(2) To those wholly dependent upon the deceased employee at the date of the deceased employee's injury, a weekly compensation equal to seventy-five per cent of the average weekly earnings of the deceased calculated pursuant to section 31-310, after such earnings have been reduced by any deduction for federal or state taxes, or both, and for the federal Insurance Contributions Act made from such employee's total wages received during the period of calculation of the employee's average weekly wage pursuant to said section 31-310, as of the date of the injury but not more than the maximum weekly compensation rate set forth in section 31-309 for the year in which the injury occurred or less than twenty dollars weekly. (A) The weekly compensation rate of each dependent entitled to receive compensation under this section as a result of death arising from a compensable injury occurring on or after October 1, 1977, shall be adjusted annually as provided in this subdivision as of the following October first, and each subsequent October first, to provide the dependent with a cost-of-living adjustment.
in the dependent's weekly compensation rate as determined as of the
date of the injury under section 31-309. If the maximum weekly
compensation rate, as determined under the provisions of said section
31-309, to be effective as of any October first following the date of the
injury, is greater than the maximum weekly compensation rate
prevailing at the date of the injury, the weekly compensation rate which
the injured employee was entitled to receive at the date of the injury or
October 1, 1990, whichever is later, shall be increased by the percentage
of the increase in the maximum weekly compensation rate required by
the provisions of said section 31-309 from the date of the injury or
October 1, 1990, whichever is later, to such October first. The cost-of-
living increases provided under this subdivision shall be paid by the
employer without any order or award from the commissioner. The
adjustments shall apply to each payment made in the next succeeding
twelve-month period commencing with the October first next
succeeding the date of the injury. With respect to any dependent
receiving benefits on October 1, 1997, with respect to any injury
occurring on or after July 1, 1993, and before October 1, 1997, such
benefit shall be recalculated to October 1, 1997, as if such benefits had
been subject to recalculation annually under this subparagraph. The
difference between the amount of any benefits that would have been
paid to such dependent if such benefits had been subject to such
recalculation and the actual amount of benefits paid during the period
between such injury and such recalculation shall be paid to the
dependent not later than December 1, 1997, in a lump-sum payment.
The employer or its insurer shall be reimbursed by the Second Injury
Fund, as provided in section 31-354, for adjustments, including lump-
sum payments, payable under this subparagraph for deaths from
compensable injuries occurring on or after July 1, 1993, and before
October 1, 1997, upon presentation of any vouchers and information
that the Treasurer shall require. No claim for payment of retroactive
benefits may be made to the Second Injury Fund more than two years
after the date on which the employer or its insurer paid such benefits in
accordance with this subparagraph. (B) The weekly compensation rate
of each dependent entitled to receive compensation under this section
as a result of death arising from a compensable injury occurring on or
before September 30, 1977, shall be adjusted as of October 1, 1977, and
October 1, 1980, and thereafter, as provided in this subdivision to
provide the dependent with partial cost-of-living adjustments in the
dependent's weekly compensation rate. As of October 1, 1977, the
weekly compensation rate paid prior to October 1, 1977, to the
dependent shall be increased by twenty-five per cent. The partial cost-
of-living adjustment provided under this subdivision shall be paid by
the employer without any order or award from the commissioner. In
addition, on each October first, the weekly compensation rate of each
dependent as of October 1, 1990, shall be increased by the percentage of
the increase in the maximum compensation rate over the maximum
compensation rate of October 1, 1990, as determined under the
provisions of section 31-309 existing on October 1, 1977. The cost of the
adjustments shall be paid by the employer or its insurance carrier who
shall be reimbursed for such cost from the Second Injury Fund as
provided in section 31-354 upon presentation of any vouchers and
information that the Treasurer shall require. No claim for payment of
retroactive benefits may be made to the Second Injury Fund more than
two years after the date on which the employer or its insurance carrier
paid such benefits in accordance with this subparagraph.

(3) If the surviving spouse is the sole presumptive dependent,
compensation shall be paid until death or remarriage.

(4) If there is a presumptive dependent spouse surviving and also one
or more presumptive dependent children, all of which children are
either children of the surviving spouse or are living with the surviving
spouse, the entire compensation shall be paid to the surviving spouse in
the same manner and for the same period as if the surviving spouse
were the sole dependent. If, however, any of the presumptive
dependent children are neither children of the surviving spouse nor
living with the surviving spouse, the compensation shall be divided into
as many parts as there are presumptive dependents. The shares of any
children having a presumptive dependent parent shall be added to the
share of the parent and shall be paid to the parent. The share of any
dependent child not having a surviving dependent parent shall be paid
to the father or mother of the child with whom the child may be living,
or to the legal guardian of the child, or to any other person, for the
benefit of the child, as the commissioner may direct.

(5) If the compensation being paid to the surviving presumptive
dependent spouse terminates for any reason, or if there is no surviving
presumptive dependent spouse at the time of the death of the employee,
but there is at either time one or more presumptive dependent children,
the compensation shall be paid to the children as a class, each child
sharing equally with the others. Each child shall receive compensation
until the child reaches the age of eighteen or dies before reaching age
eighteen, provided the child shall continue to receive compensation up
to the attainment of the age of twenty-two if unmarried and a full-time
student, except any child who has attained the age of twenty-two while
a full-time student but has not completed the requirements for, or
received, a degree from a postsecondary educational institution shall be
deemed not to have attained age twenty-two until the first day of the
first month following the end of the quarter or semester in which the
child is enrolled at the time, or if the child is not enrolled in a quarter or
semester system, until the first day of the first month following the
completion of the course in which the child is enrolled or until the first
day of the third month beginning after such time, whichever occurs first.
When a child's participation ceases, such child's share shall be divided
among the remaining eligible dependent children, provided if any child,
when the child reaches the age of eighteen years, is physically or
mentally incapacitated from earning, the child's right to compensation
shall not terminate but shall continue for the full period of incapacity.

(6) In all cases where there are no presumptive dependents, but
where there are one or more persons wholly dependent in fact, the
compensation in case of death shall be divided according to the relative
degree of their dependence. Compensation payable under this
subdivision shall be paid for not more than three hundred and twelve weeks from the date of the death of the employee. The compensation, if paid to those wholly dependent in fact, shall be paid at the full compensation rate. The compensation, if paid to those partially dependent in fact upon the deceased employee as of the date of the injury, shall not, in total, be more than the full compensation rate nor less than twenty dollars weekly, nor, if the average weekly sum contributed by the deceased at the date of the injury to those partially dependent in fact is more than twenty dollars weekly, not more than the sum so contributed.

(7) When the sole presumptive dependents are, at the time of the injury, nonresident aliens and the deceased has in this state some person or persons who are dependent in fact, the commissioner may in the commissioner's discretion equitably apportion the sums payable as compensation to the dependents.

Sec. 330. (NEW) (Effective October 1, 2021) For the purposes of this section and sections 331 to 338, inclusive, of this act:
(1) "Department" means the Department of Transportation.

(2) "Limited access state highway" means any state highway so designated under the provisions of section 13b-27 of the general statutes.

(3) "Owner" means a person in whose name a motor vehicle is registered under the provision of chapter 246 of the general statutes or law of another jurisdiction.

(4) "Personally identifiable information" means information created or maintained by the department or a vendor that identifies or describes an owner and includes, but need not be limited to, the owner's address, telephone number, number plate, photograph, bank account information, credit card number, debit card number or the date, time, location or direction of travel on a limited access highway.

(5) "Vendor" means a person selected by the department (A) to provide services to the department described in sections 331 to 337, inclusive, of this act; (B) who operates, maintains, leases or licenses a work zone speed control system; or (C) is authorized to review and assemble the recorded images captured by the work zone speed control system.

(6) "Highway work zone" has the same meaning as provided in section 14-212d of the general statutes.

(7) "Work zone speed control system" means a device having one or more motor vehicle sensors connected to a camera system capable of producing recorded images that indicate the date, time and location of the image of each motor vehicle allegedly operating in violation of the provisions of section 332 of this act.

(8) "Work zone speed control system operator" means a person who is trained and certified to operate a work zone speed control system and is a sworn member or authorized member of the Division of State Police.
Sec. 331. (NEW) (Effective October 1, 2021) (a) The department may establish a pilot program to operate work zone speed control systems in a highway work zone. The pilot program shall provide for such systems at not more than three locations in the state. A work zone speed control system may be used to record the images of motor vehicles traveling on a limited access highway (1) within a highway work zone, and (2) on which the speed limit, established using generally accepted traffic engineering practices, is forty-five miles per hour or greater. The pilot program shall commence on or before January 1, 2022, and terminate on December 31, 2022.

(b) A work zone speed control system may be used provided (1) such system is operated by a work zone speed control system operator, (2) if, in accordance with the manual of uniform traffic control devices as approved and revised by the Office of State Traffic Administration, at least two conspicuous road signs are placed at a reasonable distance in advance of a highway work zone notifying drivers that a work zone speed control system may be in operation, (3) at least one of the signs described in subdivision (2) of this subsection indicates that the work zone speed control system is operational or is not operational, (4) an appropriate sign is conspicuously placed at the end of a highway work zone with a work zone speed control system that is operational, and (5) a notice identifying the location of a work zone speed control system is available on the Internet web site of the department.

(c) A work zone speed control system shall be used in a manner to only record images of motor vehicles that are exceeding the posted highway work zone speed limit by fifteen miles per hour or more in violation of the provisions of section 332 of this act. Any recorded
images collected as part of a work zone speed control system shall not
be used for any surveillance purpose. The department or work zone
speed control system operator shall certify to the Division of State Police
when a work zone speed control system is operational.

(d) The Commissioner of Transportation may (1) enter into
agreements with vendors for the design, operation or maintenance, or
any combination thereof, of work zone speed control systems, and (2)
retain and employ consultants and assistants on a contract or other basis
for rendering legal, financial, professional, technical or other assistance
and advice necessary for the design, operation and maintenance of work
zone speed control systems. If a vendor provides, deploys or operates a
work zone control system, the vendor's fee may not be contingent on the
number of violations issued or fines paid pursuant to the provisions of
section 332 of this act.

Sec. 332. (NEW) (Effective October 1, 2021) (a) No person operating a
motor vehicle shall exceed the posted speed limit by fifteen or more
miles per hour, as detected by a work zone speed control system, within
a highway work zone.

(b) The owner of a motor vehicle identified by a work zone speed
camera control system as violating the provisions of subsection (a) of
this section shall, (1) for a first violation, receive a written warning, (2)
for a second violation, be fined seventy-five dollars, (3) for a subsequent
violation, be fined one hundred fifty dollars. The owner shall be liable
for any such fine imposed unless the driver of the motor vehicle received
a citation from a law enforcement officer at the time of the violation.

(c) All amounts received in respect to the violation of subsection (a)
of this section shall be deposited into the Special Transportation Fund,
established pursuant to section 13b-68 of the general statutes and
maintained pursuant to article thirty-second of the amendments to the
Constitution of the state.

Sec. 333. (NEW) (Effective October 1, 2021) (a) (1) Whenever a work
zone speed control system detects and produces recorded images of a motor vehicle allegedly committing a violation of section 332 of this act, a sworn member or authorized member of the Division of State Police within the Department of Emergency Services and Public Protection shall review the recorded images provided by such system. If, after such review, such member determines that there are reasonable grounds to believe that a violation has occurred, such member may issue a notice of violation for the alleged violation. Such notice of violation shall be sworn or affirmed by such member and shall be prima facie evidence of the facts contained in the notice. Such notice of violation shall include written verification that the work zone speed control system was operating correctly at the time of the alleged violation and specify the date of the most recent inspection that confirms the work zone speed control system to be operating properly.

(2) A work zone speed control system operator shall complete training offered by the manufacturer of such system, including training on any devices critical to the operation of such system or the manufacturer's representative in the procedures for setting up, testing and operating such system. Upon completion of the training, the manufacturer or manufacturer's representative shall issue a signed certificate to the work zone speed control system operator. Such signed certificate shall be admitted as evidence in any court proceeding for an alleged violation of section 332 of this act.

(3) A work zone speed control system operator shall complete and sign a daily log for a work zone control system. Such daily log shall (A) state the date, time and location of such system's set-up, (B) state that the work zone speed control system operator successfully performed, and the work zone speed system passed, the testing specified by the manufacturer of the work zone speed system, (C) be kept on file at the principle office of the operator, and (D) be admitted in any court proceeding for an alleged violation of section 332 of this act.

(b) A work zone speed control system shall undergo an annual
calibration check performed at a calibration laboratory. The calibration laboratory shall issue a signed certificate of calibration after the annual calibration check. Such signed certificate of calibration shall be kept on file and admitted as evidence in any court proceeding for an alleged violation of section 332 of this act.

(c) The notice of violation for the alleged violation of section 332 of this act shall include (1) a copy of the recorded image showing the vehicle with its number plate visible, (2) the registration number and state of issuance of the vehicle registration, (3) verification that the work zone speed control system was operating correctly at the time of the alleged violation and the date of the most recent calibration check, and (4) the date, time and location of the alleged violation.

(d) In the case of an alleged violation of section 332 of this act involving a motor vehicle registered in the state, the notice of violation shall be mailed not later than thirty days after the commission of the alleged violation or after the identity of the owner is ascertained, whichever is later, to the address of the owner that is in the records of the Department of Motor Vehicles.

(e) In the case of an alleged violation of section 332 of this act involving a motor vehicle registered in another jurisdiction, the notice of the violation shall be mailed not later than thirty days after the identity of the owner is ascertained to the address of the owner that is in the records of the official in the other jurisdiction issuing such registration.

(f) A notice of violation shall be invalid unless mailed to an owner not later than ninety days after the alleged violation of section 332 of this act.

(g) The notice of violation shall be sent by first class mail. A manual or automatic record of mailing prepared by the work zone speed control system operator in the ordinary course of business shall be prima facie evidence of mailing and shall be admissible in any court proceeding as
to the facts contained in the notice.

(h) A violation of section 332 of this act shall not (1) be included in the operating record of the driver maintained pursuant to section 14-137a of the general statutes, (2) be the subject to merit rating for insurance purposes, or (3) authorize the imposition of surcharge points in the provision of motor vehicle insurance coverage.

(i) The following defenses shall be available to the owner of a motor vehicle identified by a work zone speed camera control system as allegedly violating section 332 of this act: (1) The violation took place during a period of time in which the motor vehicle had been reported as being stolen to a law enforcement unit, as defined in section 7-294a of the general statutes, and had not been recovered prior to the time of the violation, (2) the owner was not operating the motor vehicle at the time of the violation, and (3) the work zone speed control system used to determine speed was not in compliance with the provisions of this section relating to tests for accuracy, certification or calibration.

(j) An owner who receives a notice of violation pursuant to the provisions of this section shall follow the procedures set forth in section 51-164n of the general statutes.

Sec. 334. (NEW) (Effective October 1, 2021) The Department of Motor Vehicles shall provide the Department of Transportation and any vendor with information regarding the owner of a motor vehicle identified by a work zone speed camera control system as allegedly violating the provisions of section 332 of this act. Such information shall include, but need not be limited to, the make and number plate of such motor vehicle and the name and address of the owner of such motor vehicle.

Sec. 335. (NEW) (Effective October 1, 2021) If an owner does not pay the fine imposed for a violation of section 332 of this act or after being found guilty at a trial for the commission of such violation, the Commissioner of Motor Vehicles may refuse to register or suspend the
registration of the motor vehicle operated at the time of such violation.

Sec. 336. (NEW) (Effective October 1, 2021) (a) No personally identifiable information shall be sold or disclosed by the department or a vendor to any person or entity except where the disclosure is made (1) in connection with the charging, collection and enforcement of the fines imposed pursuant to section 332 of this act, (2) pursuant to a judicial order, including a search warrant or subpoena, in a criminal proceeding, or (3) to comply with federal or state laws or regulations.

(b) No personally identifiable information shall be stored or retained by the department or a vendor unless such information is necessary for the collection and enforcement of the fines imposed pursuant to section 332 of this act.

(c) The department or a vendor may disclose aggregate information and other data gathered from work zone speed control systems that does not directly or indirectly identify an owner or a motor vehicle for research purposes authorized by the Commissioner of Transportation.

(d) Except as otherwise provided by law or in connection with an administrative summons or judicial order, including a search warrant or subpoena, in a criminal proceeding, the department or a vendor shall destroy personally identifiable information and other data that specifically identifies a motor vehicle and relates to a violation of section 332 of this act not later than one year after any fine is imposed or the resolution of a trial conducted for the alleged commission of such violation.

(e) Personally identifiable customer information shall not be deemed a public record, for purposes of the Freedom of Information Act, as defined in section 1-200 of the general statutes.

Sec. 337. (Effective October 1, 2021) The Commissioner of Transportation may adopt regulations, in accordance with the provisions of chapter 54 of the general statutes, to implement the
provisions of section 331 to 336, inclusive, of this act, and establish
certificates and procedures for work zone speed control systems.

Sec. 338. (NEW) (Effective October 1, 2021) Not later than January 1,
2023, the Commissioner of Transportation shall assess the efficacy of the
pilot program established pursuant to section 331 of this act and submit
a report on such assessment to the joint standing committees of the
General Assembly having cognizance of matters relating to
transportation and appropriations and the budgets of state agencies, in
accordance with the provisions of section 11-4a of the general statutes.

the Mashantucket Pequot Tribe, or an instrumentality or an affiliate wholly-owned by said tribe, the Mohegan Tribe of Indians of Connecticut, or an instrumentality or an affiliate wholly-owned by said tribe, or the Connecticut Lottery Corporation, on a form prescribed by the commissioner, issue a provisional license to operate fantasy contests to such tribe, instrumentality, affiliate or corporation, as applicable, and such provisional license shall permit such license holder to operate fantasy contests, as defined in section 1 of public act 21-23, off the reservation of the tribes and within the state, provided:

(1) Prior to the issuance of such provisional licenses, the Mashantucket Pequot Tribe and the Mohegan Tribe of Indians of Connecticut each enter into a memorandum of understanding with the Governor concerning the operation of fantasy contests in Connecticut pursuant to a provisional license to operate fantasy contests. Notwithstanding the provisions of section 3-6c of the general statutes, each memorandum of understanding entered into pursuant to this subdivision shall be considered approved by the General Assembly under section 3-6c of the general statutes upon the Governor entering into such memorandum of understanding, without any further action required by the General Assembly;

(2) Prior to the issuance of such provisional licenses, the Mashantucket Pequot Tribe, or an instrumentality or an affiliate wholly-owned by said tribe, the Mohegan Tribe of Indians of Connecticut, or an instrumentality or an affiliate wholly-owned by said tribe, and the Connecticut Lottery Corporation shall provide to the Commissioner of Consumer Protection a certification, by the president or the chief officer who is the top ranking official of such tribe, instrumentality, affiliate or corporation, that such tribe, instrumentality, affiliate or corporation will operate all fantasy contests in conformance with standards of operation and management that are substantially in compliance with the goals of public act 21-23 and remain in compliance with the provisions of this section during any period of time that the provisional license is valid; and
(3) All such provisional licenses issued pursuant to this section shall expire simultaneously on the earlier of September 30, 2021, or the date on which all the master wagering licenses described in sections 3 and 4 of public act 21-23 have been issued, provided prior to expiration, a holder of a provisional license to operate fantasy contests may obtain from the commissioner a one-time extension of not more than one hundred fifty days, as necessary for the continued operation of fantasy contests pursuant to this section, during which time the commissioner may require that such licensee bring such licensee's fantasy contest operations into compliance with the department's regulations or proposed regulations published on the state's eRegulations System.

(b) Each holder of a provisional license under this section may contract with an individual or entity to operate fantasy contests under this section, provided such individual or entity maintains a valid license to operate fantasy contests or a valid license to offer fantasy contests pursuant to a regulatory framework in at least one other state, except no individual or entity which has operated fantasy contests in this state prior to July 1, 2021, shall be eligible to provide any services in connection with the operation of fantasy contests under this section unless such individual or entity makes, prior to entering into a contract with a provisional licensee under this section, a payment to the State Treasurer in an amount determined by the formula set forth in subsection (b) of section 12-578bb of the general statutes, as said section was in effect prior to July 1, 2021, for the period beginning July 1, 2019, and ending May 31, 2021.

(c) No person may offer or operate fantasy contests unless such person (1) has a provisional license to operate fantasy contests or is operating pursuant to a contract with a provisional licensee pursuant to this section, or (2) is licensed pursuant to section 3 or 4 of public act 21-23 to operate fantasy contests or is providing services to such a licensee as an online gaming operator licensed under section 8 of public act 21-23.
Sec. 352. (Effective from passage) Up to $500,000 of the unexpended balance of funds appropriated to the Insurance Department, for Personal Services, in section 6 of Public Act 19-117, shall not lapse on June 30, 2021, and such funds shall be transferred to Other Expenses for the fiscal year ending June 30, 2022, and made available for technology upgrades.

Sec. 353. Subsection (b) of section 17b-106 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2021):

(b) [Effective July 1, 2011, the] The commissioner shall provide a state supplement payment for recipients of Medicaid and the federal Supplemental Security Income Program who reside in long-term care facilities sufficient to increase their personal needs allowance to [sixty] seventy-five dollars per month. Such state supplement payment shall be made to the long-term care facility to be deposited into the personal fund account of each such recipient. For the purposes of this subsection, "long-term care facility" means a licensed chronic and convalescent nursing home, a chronic disease hospital, a rest home with nursing supervision, an intermediate care facility for individuals with intellectual disabilities or a state humane institution.

Sec. 354. Section 17b-272 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2021):

[Effective July 1, 2011, the] The Commissioner of Social Services shall permit patients residing in nursing homes, chronic disease hospitals and state humane institutions who are medical assistance recipients under sections 17b-260 to 17b-262, inclusive, 17b-264 to 17b-285, inclusive, and 17b-357 to 17b-361, inclusive, to have a monthly personal fund allowance of [sixty] seventy-five dollars.

Sec. 355. Section 17b-340d of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):
(a) The Commissioner of Social Services [may] shall implement an acuity-based methodology for Medicaid reimbursement of nursing home services. In the course of developing such a system, the commissioner shall review the skilled nursing facility prospective payment system developed by the Centers for Medicare and Medicaid Services, as well as other methodologies used nationally, and shall consider recommendations from the nursing home industry. Effective July 1, 2022. Notwithstanding section 17b-340, for the fiscal year ending June 30, 2023, and annually thereafter, the Commissioner of Social Services shall establish Medicaid rates paid to nursing home facilities based on cost years ending on September thirtieth in accordance with the following:

(1) Case-mix adjustments to the direct care component, which will be based on Minimum Data Set resident assessment data as well as cost data reported for the cost year ending September 30, 2019, shall be made effective beginning July 1, 2022, and updated every quarter thereafter. After modeling such case-mix adjustments, the Commissioner of Social Services shall evaluate impact on a facility by facility basis and, not later than October 1, 2021, (A) make recommendations to the Secretary of the Office of Policy and Management, and (B) submit a report on the recommendations, in accordance with the provisions of section 11-4a, to the joint standing committees of the General Assembly having cognizance of matters relating to appropriations and the budgets of state agencies and human services on any adjustments needed to facilitate the transition to the new methodology on July 1, 2022. This evaluation may include a review of inflationary allowances, case mix and budget adjustment factors and stop loss and stop gain corridors and the ability to make such adjustments within available appropriations.

(2) Beginning July 1, 2022, facilities will be required to comply with collection and reporting of quality metrics as specified by the Department of Social Services, after consultation with the nursing home industry, consumers, employees and the Department of Public Health. Rate adjustments based on performance on quality metrics will be
phased in, beginning July 1, 2022, with a period of reporting only.

(3) Geographic peer groupings of facilities shall be established by the Department of Social Services pursuant to regulations adopted in accordance with subsection (b) of this section.

(4) Allowable costs shall be divided into the following five cost components: (A) Direct costs, which shall include salaries for nursing personnel, related fringe benefits and nursing pool costs; (B) indirect costs, which shall include professional fees, dietary expenses, housekeeping expenses, laundry expenses, supplies related to patient care, salaries for indirect care personnel and related fringe benefits; (C) fair rent, which shall be defined in regulations adopted in accordance with subsection (b) of this section; (D) capital-related costs, which shall include property taxes, insurance expenses, equipment leases and equipment depreciation; and (E) administrative and general costs, which shall include maintenance and operation of plant expenses, salaries for administrative and maintenance personnel and related fringe benefits. For (i) direct costs, the maximum cost shall be equal to one hundred thirty-five per cent of the median allowable cost of that peer grouping; (ii) indirect costs, the maximum cost shall be equal to one hundred fifteen per cent of the state-wide median allowable cost; (iii) fair rent, the amount shall be calculated utilizing the amount approved pursuant to section 17b-353; (iv) capital-related costs, there shall be no maximum; and (v) administrative and general costs, the maximum shall be equal to the state-wide median allowable cost.

(5) For the fiscal year ending June 30, 2022, the commissioner may, in the commissioner's discretion and within available appropriations, provide pro rata fair rent increases to facilities which have documented fair rent additions placed in service in the cost report year ending September 30, 2020, that are not otherwise included in the rates issued.

(6) There shall be no increase to rates based on inflation or any inflationary factor for the fiscal years ending June 30, 2022, and June 30,
2023, unless otherwise authorized under subdivision (1) of this subsection.

(7) For purposes of computing minimum allowable patient days, utilization of a facility's certified beds shall be determined at a minimum of ninety per cent of capacity, except for facilities that have undergone a change in ownership, new facilities, and facilities which are certified for additional beds which may be permitted a lower occupancy rate for the first three months of operation after the effective date of licensure.

(8) Rates determined under this section shall comply with federal laws and regulations.

(b) The Commissioner of Social Services may implement policies as necessary to carry out the provisions of this section while in the process of adopting the policies as regulations, provided that prior to implementation the policies are posted (1) on the eRegulations System established pursuant to section 4-173b, and (2) the Department of Social Services' Internet web site.

Sec. 356. Section 17b-340 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2021):

(a) For purposes of this subsection, (1) a "related party" includes, but is not limited to, any company related to a chronic and convalescent nursing home through family association, common ownership, control or business association with any of the owners, operators or officials of such nursing home; (2) "company" means any person, partnership, association, holding company, limited liability company or corporation; (3) "family association" means a relationship by birth, marriage or domestic partnership; and (4) "profit and loss statement" means the most recent annual statement on profits and losses finalized by a related party before the annual report mandated under this subsection. The rates to be paid by or for persons aided or cared for by the state or any town in this state to licensed chronic and convalescent nursing homes, to chronic disease hospitals associated with chronic and convalescent
nursing homes, to rest homes with nursing supervision, to licensed residential care homes, as defined by section 19a-490, and to residential facilities for persons with intellectual disability that are licensed pursuant to section 17a-227 and certified to participate in the Title XIX Medicaid program as intermediate care facilities for individuals with intellectual disabilities, for room, board and services specified in licensing regulations issued by the licensing agency shall be determined annually, except as otherwise provided in this subsection [after a public hearing,] by the Commissioner of Social Services, to be effective July first of each year except as otherwise provided in this subsection. Such rates shall be determined on a basis of a reasonable payment for such necessary services, which basis shall take into account as a factor the costs of such services. Cost of such services shall include reasonable costs mandated by collective bargaining agreements with certified collective bargaining agents or other agreements between the employer and employees, provided "employees" shall not include persons employed as managers or chief administrators or required to be licensed as nursing home administrators, and compensation for services rendered by proprietors at prevailing wage rates, as determined by application of principles of accounting as prescribed by said commissioner. Cost of such services shall not include amounts paid by the facilities to employees as salary, or to attorneys or consultants as fees, where the responsibility of the employees, attorneys, or consultants is to persuade or seek to persuade the other employees of the facility to support or oppose unionization. Nothing in this subsection shall prohibit inclusion of amounts paid for legal counsel related to the negotiation of collective bargaining agreements, the settlement of grievances or normal administration of labor relations. The commissioner may, in the commissioner's discretion, allow the inclusion of extraordinary and unanticipated costs of providing services that were incurred to avoid an immediate negative impact on the health and safety of patients. The commissioner may, in the commissioner's discretion, based upon review of a facility's costs, direct care staff to patient ratio and any other related information, revise a facility's rate for any
increases or decreases to total licensed capacity of more than ten beds or
changes to its number of licensed rest home with nursing supervision
beds and chronic and convalescent nursing home beds. The
commissioner may, in the commissioner's discretion, revise the rate of a
facility that is closing. An interim rate issued for the period during
which a facility is closing shall be based on a review of facility costs, the
expected duration of the close-down period, the anticipated impact on
Medicaid costs, available appropriations and the relationship of the rate
requested by the facility to the average Medicaid rate for a close-down
period. The commissioner may so revise a facility's rate established for
the fiscal year ending June 30, 1993, and thereafter for any bed increases,
decreases or changes in licensure effective after October 1, 1989.
Effective July 1, 1991, in facilities that have both a chronic and
convalescent nursing home and a rest home with nursing supervision,
the rate for the rest home with nursing supervision shall not exceed such
facility's rate for its chronic and convalescent nursing home. All such
facilities for which rates are determined under this subsection shall
report on a fiscal year basis ending on September thirtieth. Such report
shall be submitted to the commissioner by February fifteenth. Each for-
profit chronic and convalescent nursing home that receives state
funding pursuant to this section shall include in such annual report a
profit and loss statement from each related party that receives from such
chronic and convalescent nursing home fifty thousand dollars or more
per year for goods, fees and services. No cause of action or liability shall
arise against the state, the Department of Social Services, any state
official or agent for failure to take action based on the information
required to be reported under this subsection. The commissioner may
reduce the rate in effect for a facility that fails to submit a complete and
accurate report on or before February fifteenth by an amount not to
exceed ten per cent of such rate. If a licensed residential care home fails
to submit a complete and accurate report, the department shall notify
such home of the failure and the home shall have thirty days from the
date the notice was issued to submit a complete and accurate report. If
a licensed residential care home fails to submit a complete and accurate
report not later than thirty days after the date of notice, such home may
not receive a retroactive rate increase, in the commissioner's discretion.
The commissioner shall, annually, on or before April first, report the
data contained in the reports of such facilities to the joint standing
committee of the General Assembly having cognizance of matters
relating to appropriations and the budgets of state agencies on the
department's Internet web site. For the cost reporting year commencing
October 1, 1985, and for subsequent cost reporting years, facilities shall
report the cost of using the services of any nursing pool employee by
separating said cost into two categories, the portion of the cost equal to
the salary of the employee for whom the nursing pool employee is
substituting shall be considered a nursing cost and any cost in excess of
such salary shall be further divided so that seventy-five per cent of the
excess cost shall be considered an administrative or general cost and
twenty-five per cent of the excess cost shall be considered a nursing cost,
provided if the total nursing pool costs of a facility for any cost year are
equal to or exceed fifteen per cent of the total nursing expenditures of
the facility for such cost year, no portion of nursing pool costs in excess
of fifteen per cent shall be classified as administrative or general costs.
The commissioner, in determining such rates, shall also take into
account the classification of patients or boarders according to special
care requirements or classification of the facility according to such
factors as facilities and services and such other factors as the
commissioner deems reasonable, including anticipated fluctuations in
the cost of providing such services. The commissioner may establish a
separate rate for a facility or a portion of a facility for traumatic brain
injury patients who require extensive care but not acute general hospital
care. Such separate rate shall reflect the special care requirements of
such patients. If changes in federal or state laws, regulations or
standards adopted subsequent to June 30, 1985, result in increased costs
or expenditures in an amount exceeding one-half of one per cent of
allowable costs for the most recent cost reporting year, the
commissioner shall adjust rates and provide payment for any such
increased reasonable costs or expenditures within a reasonable period
of time retroactive to the date of enforcement. Nothing in this section shall be construed to require the Department of Social Services to adjust rates and provide payment for any increases in costs resulting from an inspection of a facility by the Department of Public Health. Such assistance as the commissioner requires from other state agencies or departments in determining rates shall be made available to the commissioner at the commissioner's request. Payment of the rates established pursuant to this section shall be conditioned on the establishment by such facilities of admissions procedures that conform with this section, section 19a-533 and all other applicable provisions of the law and the provision of equality of treatment to all persons in such facilities. The established rates shall be the maximum amount chargeable by such facilities for care of such beneficiaries, and the acceptance by or on behalf of any such facility of any additional compensation for care of any such beneficiary from any other person or source shall constitute the offense of aiding a beneficiary to obtain aid to which the beneficiary is not entitled and shall be punishable in the same manner as is provided in subsection (b) of section 17b-97. [For the fiscal year ending June 30, 1992, rates for licensed residential care homes and intermediate care facilities for individuals with intellectual disabilities may receive an increase not to exceed the most recent annual increase in the Regional Data Resources Incorporated McGraw-Hill Health Care Costs: Consumer Price Index (all urban)-All Items. Rates for newly certified intermediate care facilities for individuals with intellectual disabilities shall not exceed one hundred fifty per cent of the median rate of rates in effect on January 31, 1991, for intermediate care facilities for individuals with intellectual disabilities certified prior to February 1, 1991.] Notwithstanding any provision of this section, the Commissioner of Social Services may, within available appropriations, provide an interim rate increase for a licensed chronic and convalescent nursing home or a rest home with nursing supervision for rate periods no earlier than April 1, 2004, only if the commissioner determines that the increase is necessary to avoid the filing of a petition for relief under Title 11 of the United States Code; imposition of receivership pursuant
to sections 19a-542 and 19a-543; or substantial deterioration of the facility's financial condition that may be expected to adversely affect resident care and the continued operation of the facility, and the commissioner determines that the continued operation of the facility is in the best interest of the state. The commissioner shall consider any requests for interim rate increases on file with the department from March 30, 2004, and those submitted subsequently for rate periods no earlier than April 1, 2004. When reviewing an interim rate increase request the commissioner shall, at a minimum, consider: (A) Existing chronic and convalescent nursing home or rest home with nursing supervision utilization in the area and projected bed need; (B) physical plant long-term viability and the ability of the owner or purchaser to implement any necessary property improvements; (C) licensure and certification compliance history; (D) reasonableness of actual and projected expenses; and (E) the ability of the facility to meet wage and benefit costs. No interim rate shall be increased pursuant to this subsection in excess of one hundred fifteen per cent of the median rate for the facility's peer grouping, established pursuant to subdivision (2) of subsection (f) of this section, unless recommended by the commissioner and approved by the Secretary of the Office of Policy and Management after consultation with the commissioner. Such median rates shall be published by the Department of Social Services not later than April first of each year. In the event that a facility granted an interim rate increase pursuant to this section is sold or otherwise conveyed for value to an unrelated entity less than five years after the effective date of such rate increase, the rate increase shall be deemed rescinded and the department shall recover an amount equal to the difference between payments made for all affected rate periods and payments that would have been made if the interim rate increase was not granted. The commissioner may seek recovery of such payments from any facility with common ownership. With the approval of the Secretary of the Office of Policy and Management, the commissioner may waive recovery and rescission of the interim rate for good cause shown that is not inconsistent with this section, including, but not
limited to, transfers to family members that were made for no value. The
commissioner shall provide written quarterly reports to the joint
standing committees of the General Assembly having cognizance of
matters relating to aging, human services and appropriations and the
budgets of state agencies, that identify each facility requesting an
interim rate increase, the amount of the requested rate increase for each
facility, the action taken by the commissioner and the secretary pursuant
to this subsection, and estimates of the additional cost to the state for
each approved interim rate increase. Nothing in this subsection shall
prohibit the commissioner from increasing the rate of a licensed chronic
and convalescent nursing home or a rest home with nursing supervision
for allowable costs associated with facility capital improvements or
increasing the rate in case of a sale of a licensed chronic and convalescent
nursing home or a rest home with nursing supervision [pursuant to
subdivision (15) of subsection (f) of this section,] if receivership has been
imposed on such home.

(b) [The Commissioner of Social Services shall adopt regulations in
accordance with the provisions of chapter 54 to specify other allowable
services. For purposes of this section, other allowable services means
those services required by any medical assistance beneficiary residing
in such home or hospital which are not already covered in the rate set
by the commissioner in accordance with the provisions of subsection (a)
of this section.] The Commissioner of Social Services may implement
policies and procedures as necessary to carry out the provisions of this
section while in the process of adopting the policies and procedures as
regulations, provided notice of intent to adopt the regulations is
published in accordance with the provisions of section 17b-10 not later
than twenty days after the date of implementation.

(c) No facility subject to the requirements of this section shall accept
payment in excess of the rate set by the commissioner pursuant to
subsection (a) of this section for any medical assistance patient from this
or any other state. No facility shall accept payment in excess of the
reasonable and necessary costs of other allowable services as specified
by the commissioner pursuant to the regulations adopted under subsection (b) of this section for any public assistance patient from this or any other state. Notwithstanding the provisions of this subsection, the commissioner may authorize a facility to accept payment in excess of the rate paid for a medical assistance patient in this state for a patient who receives medical assistance from another state.

(d) In any instance where the Commissioner of Social Services finds that a facility subject to the requirements of this section is accepting payment for a medical assistance beneficiary in violation of subsection (c) of this section, the commissioner shall proceed to recover through the rate set for the facility any sum in excess of the stipulated per diem and other allowable costs, as provided for in regulations adopted pursuant to subsections (a) and (b) of this section. The commissioner shall make the recovery prospectively at the time of the next annual rate redetermination.

(e) Except as provided in this subsection, the provisions of subsections (c) and (d) of this section shall not apply to any facility subject to the requirements of this section, which on October 1, 1981, (1) was accepting payments from the commissioner in accordance with the provisions of subsection (a) of this section, (2) was accepting medical assistance payments from another state for at least twenty per cent of its patients, and (3) had not notified the commissioner of any intent to terminate its provider agreement, in accordance with section 17b-271, provided no patient residing in any such facility on May 22, 1984, shall be removed from such facility for purposes of meeting the requirements of this subsection. If the commissioner finds that the number of beds available to medical assistance patients from this state in any such facility is less than fifteen per cent the provisions of subsections (c) and (d) of this section shall apply to that number of beds which is less than said percentage.

(f) For the fiscal years ending on or before June 30, 2022, rates for nursing home facilities shall be set in accordance with this subsection.
On and after July 1, 2022, such rates shall be set in accordance with
section 17b-340d. For the fiscal year ending June 30, 1992, the rates paid
by or for persons aided or cared for by the state or any town in this state
to facilities for room, board and services specified in licensing
regulations issued by the licensing agency, except intermediate care
facilities for individuals with intellectual disabilities and residential care
homes, shall be based on the cost year ending September 30, 1989. For
the fiscal years ending June 30, 1993, and June 30, 1994, such rates shall
be based on the cost year ending September 30, 1990. Such rates shall be
determined by the Commissioner of Social Services in accordance with
this section and the regulations of Connecticut state agencies
promulgated by the commissioner and in effect on April 1, 1991, except
that:

(1) Allowable costs shall be divided into the following five cost
components: (A) Direct costs, which shall include salaries for nursing
personnel, related fringe benefits and nursing pool costs; (B) indirect
costs, which shall include professional fees, dietary expenses,
housekeeping expenses, laundry expenses, supplies related to patient
care, salaries for indirect care personnel and related fringe benefits; (C)
fair rent, which shall be defined in accordance with subsection (f) of
section 17-311-52 of the regulations of Connecticut state agencies; (D)
capital-related costs, which shall include property taxes, insurance
expenses, equipment leases and equipment depreciation; and (E)
administrative and general costs, which shall include (i) maintenance
and operation of plant expenses, (ii) salaries for administrative and
maintenance personnel, and (iii) related fringe benefits. The
commissioner may provide a rate adjustment for nonemergency
transportation services required by nursing facility residents. Such
adjustment shall be a fixed amount determined annually by the
commissioner based upon a review of costs and other associated
information. Allowable costs shall not include costs for ancillary
services payable under Part B of the Medicare program.

(2) Two geographic peer groupings of facilities shall be established
for each level of care, as defined by the Department of Social Services for the determination of rates, for the purpose of determining allowable direct costs. One peer grouping shall be comprised of those facilities located in Fairfield County. The other peer grouping shall be comprised of facilities located in all other counties.

(3) For the fiscal year ending June 30, 1992, per diem maximum allowable costs for each cost component shall be as follows: For direct costs, the maximum shall be equal to one hundred forty per cent of the median allowable cost of that peer grouping; for indirect costs, the maximum shall be equal to one hundred thirty per cent of the state-wide median allowable cost; for fair rent, the amount shall be calculated utilizing the amount approved by the Office of Health Care Access pursuant to section 19a-638; for capital-related costs, there shall be no maximum; and for administrative and general costs, the maximum shall be equal to one hundred twenty-five per cent of the state-wide median allowable cost. For the fiscal year ending June 30, 1993, per diem maximum allowable costs for each cost component shall be as follows: For direct costs, the maximum shall be equal to one hundred forty per cent of the median allowable cost of that peer grouping; for indirect costs, the maximum shall be equal to one hundred twenty-five per cent of the state-wide median allowable cost; for fair rent, the amount shall be calculated utilizing the amount approved by the Office of Health Care Access pursuant to section 19a-638; for capital-related costs, there shall be no maximum; and for administrative and general costs the maximum shall be equal to one hundred fifteen per cent of the state-wide median allowable cost. For the fiscal year ending June 30, 1994, per diem maximum allowable costs for each cost component shall be as follows: For direct costs, the maximum shall be equal to one hundred thirty-five per cent of the median allowable cost of that peer grouping; for indirect costs, the maximum shall be equal to one hundred twenty per cent of the state-wide median allowable cost; for fair rent, the amount shall be calculated utilizing the amount approved by the Office of Health Care Access pursuant to section 19a-638; for capital-related costs, there
costs, there shall be no maximum; and for administrative and general
costs the maximum shall be equal to one hundred ten per cent of the
state-wide median allowable cost. For the fiscal year ending June 30,
1995, per diem maximum allowable costs for each cost component shall
be as follows: For direct costs, the maximum shall be equal to one
hundred thirty-five per cent of the median allowable cost of that peer
grouping; for indirect costs, the maximum shall be equal to one hundred
twenty per cent of the state-wide median allowable cost; for fair rent,
the amount shall be calculated utilizing the amount approved by the
Office of Health Care Access pursuant to section 19a-638; for capital-
related costs, there shall be no maximum; and for administrative and
general costs the maximum shall be equal to one hundred five per cent
of the state-wide median allowable cost. For the fiscal year ending June
30, 1996, and any succeeding fiscal year, except for the fiscal years
ending June 30, 2000, and June 30, 2001, for facilities with an interim rate
in one or both periods, per diem maximum allowable costs for each cost
component shall be as follows: For direct costs, the maximum shall be
equal to one hundred thirty-five per cent of the median allowable cost
of that peer grouping; for indirect costs, the maximum shall be equal to
one hundred fifteen per cent of the state-wide median allowable cost;
for fair rent, the amount shall be calculated utilizing the amount
approved pursuant to section 19a-638; for capital-related costs, there
shall be no maximum; and for administrative and general costs the
maximum shall be equal to the state-wide median allowable cost. For
the fiscal years ending June 30, 2000, and June 30, 2001, for facilities with
an interim rate in one or both periods, per diem maximum allowable
costs for each cost component shall be as follows: For direct costs, the
maximum shall be equal to one hundred forty-five per cent of the
median allowable cost of that peer grouping; for indirect costs, the
maximum shall be equal to one hundred twenty-five per cent of the
state-wide median allowable cost; for fair rent, the amount shall be
calculated utilizing the amount approved pursuant to section 19a-638;
for capital-related costs, there shall be no maximum; and for
administrative and general costs, the maximum shall be equal to the
state-wide median allowable cost and such medians shall be based upon
the same cost year used to set rates for facilities with prospective rates.
Costs in excess of the maximum amounts established under this
subsection shall not be recognized as allowable costs, except that the
Commissioner of Social Services (A) may allow costs in excess of
maximum amounts for any facility with patient days covered by
Medicare, including days requiring coinsurance, in excess of twelve per
cent of annual patient days which also has patient days covered by
Medicaid in excess of fifty per cent of annual patient days; (B) may
establish a pilot program whereby costs in excess of maximum amounts
shall be allowed for beds in a nursing home which has a managed care
program and is affiliated with a hospital licensed under chapter 368v;
and (C) may establish rates whereby allowable costs may exceed such
maximum amounts for beds approved on or after July 1, 1991, which are
restricted to use by patients with acquired immune deficiency syndrome
or traumatic brain injury.

(4) For the fiscal year ending June 30, 1992, (A) no facility shall receive
a rate that is less than the rate it received for the rate year ending June
30, 1991; (B) no facility whose rate, if determined pursuant to this
subsection, would exceed one hundred twenty per cent of the state-wide
median rate, as determined pursuant to this subsection, shall receive a
rate which is five and one-half per cent more than the rate it received for
the rate year ending June 30, 1991; and (C) no facility whose rate, if
determined pursuant to this subsection, would be less than one hundred
twenty per cent of the state-wide median rate, as determined pursuant
to this subsection, shall receive a rate which is six and one-half per cent
more than the rate it received for the rate year ending June 30, 1991. For
the fiscal year ending June 30, 1993, no facility shall receive a rate that is
less than the rate it received for the rate year ending June 30, 1992, or six
per cent more than the rate it received for the rate year ending June 30,
1992. For the fiscal year ending June 30, 1994, no facility shall receive a
rate that is less than the rate it received for the rate year ending June 30,

increase shall be effective January 1, 2003, and such facility rate in effect
for the fiscal year ending June 30, 2002, shall be paid for services
provided until December 31, 2002, except any facility that would have
been issued a lower rate effective July 1, 2002, than for the fiscal year
ending June 30, 2002, due to interim rate status or agreement with the

under section 17-311-55 of the regulations of Connecticut state agencies.
For each facility not having an interim rate for the period ending June

beginning with the higher of the computed rate based upon its 2003 cost
report filing or the rate in effect for the period ending June 30, 2005. Such
rate shall then be increased by eleven dollars and eighty cents per day
except that in no event shall the rate for the period ending June 30, 2006,
be thirty-two dollars more than the rate in effect for the period ending
June 30, 2005, and for any facility with a rate below one hundred ninety-

2005, increased by eleven and one-half per cent. For each facility with
an interim rate for the period ending June 30, 2005, the interim
replacement rate for the period ending June 30, 2006, shall not exceed
the rate in effect for the period ending June 30, 2005, increased by eleven
dollars and eighty cents per day plus the per day cost of the user fee

one hundred ninety-five dollars per day for the period ending June 30,
2005, the interim replacement rate for the period ending June 30, 2006,

For the fiscal year ending June 30, 2007, each facility shall receive a rate that is three per cent greater than the rate in effect for the period ending June 30, 2006, except any facility that would have been issued a lower rate effective July 1, 2006, than for the rate period ending June 30, 2006, due to interim rate status or agreement with the department, shall be issued such lower rate effective July 1, 2006. For the fiscal year ending June 30, 2008, each facility shall receive a rate that is two and nine-tenths per cent greater than the rate in effect for the period ending June 30, 2007, except any facility that would have been issued a lower rate effective July 1, 2007, than for the rate period ending June 30, 2007, due to interim rate status or agreement with the department, shall be issued such lower rate effective July 1, 2007. For the fiscal year ending June 30, 2009, rates in effect for the period ending June 30, 2008, shall remain in effect until June 30, 2009, except any facility that would have been issued a lower rate for the fiscal year ending June 30, 2009, due to interim rate status or agreement with the department shall be issued such lower rate. For the fiscal years ending June 30, 2010, and June 30, 2011, rates in effect for the period ending June 30, 2009, shall remain in effect until June 30, 2011, except any facility that would have been issued a lower rate for the fiscal year ending June 30, 2010, or the fiscal year ending June 30, 2011, due to interim rate status or agreement with the department, shall be issued such lower rate. For the fiscal years ending June 30, 2012, and June 30, 2013, rates in effect for the period ending June 30, 2011, shall remain in effect until June 30, 2013, except any facility that would have been issued a lower rate for the fiscal year ending June 30, 2012, or the fiscal year ending June 30, 2013, due to interim rate status or agreement with the department, shall be issued such lower rate. For the fiscal year ending June 30, 2014, the department shall determine facility rates based upon 2011 cost report filings subject to the provisions of this section and applicable regulations except: (I) A ninety per cent minimum occupancy standard shall be applied; (II) no facility shall receive a rate that is higher than the rate in effect on June 30, 2013; and
(III) no facility shall receive a rate that is more than four per cent lower than the rate in effect on June 30, 2013, except that any facility that would have been issued a lower rate effective July 1, 2013, than for the rate period ending June 30, 2013, due to interim rate status or agreement with the department, shall be issued such lower rate effective July 1, 2013. For the fiscal year ending June 30, 2015, rates in effect for the period ending June 30, 2014, shall remain in effect until June 30, 2015, except any facility that would have been issued a lower rate effective July 1, 2014, than for the rate period ending June 30, 2014, due to interim rate status or agreement with the department, shall be issued such lower rate effective July 1, 2014. For the fiscal years ending June 30, 2016, and June 30, 2017, rates shall not exceed those in effect for the period ending June 30, 2015, except the rate paid to a facility may be higher than the rate paid to the facility for the period ending June 30, 2015, if the commissioner provides, within available appropriations, pro rata fair rent increases, which may, at the discretion of the commissioner, include increases for facilities which have undergone a material change in circumstances related to fair rent additions or moveable equipment placed in service in cost report years ending September 30, 2014, and September 30, 2015, and not otherwise included in rates issued. For the fiscal years ending June 30, 2016, and June 30, 2017, and each succeeding fiscal year, any facility that would have been issued a lower rate, due to interim rate status or agreement with the department, shall be issued such lower rate. For the fiscal year ending June 30, 2018, facilities that received a rate decrease due to the expiration of a 2015 fair rent asset shall receive a rate increase of an equivalent amount effective July 1, 2017. For the fiscal year ending June 30, 2018, the department shall determine facility rates based upon 2016 cost report filings subject to the provisions of this section and applicable regulations, provided no facility shall receive a rate that is higher than the rate in effect on December 31, 2016, and no facility shall receive a rate that is more than two per cent lower than the rate in effect on December 31, 2016. For the fiscal year ending June 30, 2019, no facility shall receive a rate that is higher than the rate in effect on June 30, 2018, except the rate paid to a
facility may be higher than the rate paid to the facility for the period ending June 30, 2018, if the commissioner provides, within available appropriations, pro rata fair rent increases, which may, at the discretion of the commissioner, include increases for facilities which have undergone a material change in circumstances related to fair rent additions or moveable equipment placed in service in the cost report year ending September 30, 2017, and not otherwise included in rates issued. For the fiscal year ending June 30, 2020, the department shall determine facility rates based upon 2018 cost report filings subject to the provisions of this section, adjusted to reflect any rate increases provided after the cost report year ending September 30, 2018, and applicable regulations, provided no facility shall receive a rate that is higher than the rate in effect on June 30, 2019, except the rate paid to a facility may be higher than the rate paid to the facility for the fiscal year ending June 30, 2019, if the commissioner provides, within available appropriations, pro rata fair rent increases, which may, at the discretion of the commissioner, include increases for facilities which have undergone a material change in circumstances related to fair rent additions in the cost report year ending September 30, 2018, and are not otherwise included in rates issued. For the fiscal year ending June 30, 2020, no facility shall receive a rate that is more than two per cent lower than the rate in effect on June 30, 2019, unless the facility has an occupancy level of less than seventy per cent, as reported in the 2018 cost report, or an overall rating on Medicare's Nursing Home Compare of one star for the three most recent reporting periods as of July 1, 2019, unless the facility is under an interim rate due to new ownership. For the fiscal year ending June 30, 2021, no facility shall receive a rate that is higher than the rate in effect on June 30, 2020, except the rate paid to a facility may be higher than the rate paid to the facility for the fiscal year ending June 30, 2020, if the commissioner provides, within available appropriations, pro rata fair rent increases, which may, at the discretion of the commissioner, include increases for facilities which have undergone a material change in circumstances related to fair rent additions in the cost report year ending September 30, 2019, and are not otherwise included in rates
issued. The Commissioner of Social Services shall add fair rent increases to any other rate increases established pursuant to this subdivision for a facility which has undergone a material change in circumstances related to fair rent, except for the fiscal years ending June 30, 2010, June 30, 2011, and June 30, 2012, such fair rent increases shall only be provided to facilities with an approved certificate of need pursuant to section 17b-352, 17b-353, 17b-354 or 17b-355. For the fiscal year ending June 30, 2013, the commissioner may, within available appropriations, provide pro rata fair rent increases for facilities which have undergone a material change in circumstances related to fair rent additions placed in service in cost report years ending September 30, 2008, to September 30, 2011, inclusive, and not otherwise included in rates issued. For the fiscal years ending June 30, 2014, and June 30, 2015, the commissioner may, within available appropriations, provide pro rata fair rent increases, which may include moveable equipment at the discretion of the commissioner, for facilities which have undergone a material change in circumstances related to fair rent additions or moveable equipment placed in service in cost report years ending September 30, 2012, and September 30, 2013, and not otherwise included in rates issued. The commissioner shall add fair rent increases associated with an approved certificate of need pursuant to section 17b-352, 17b-353, 17b-354 or 17b-355. Interim rates may take into account reasonable costs incurred by a facility, including wages and benefits. Notwithstanding the provisions of this section, the Commissioner of Social Services may, subject to available appropriations, increase or decrease rates issued to licensed chronic and convalescent nursing homes and licensed rest homes with nursing supervision. Notwithstanding any provision of this section, the Commissioner of Social Services shall, effective July 1, 2015, within available appropriations, adjust facility rates in accordance with the application of standard accounting principles as prescribed by the commissioner, for each facility subject to subsection (a) of this section. Such adjustment shall provide a pro-rata increase based on direct and indirect care employee salaries reported in the 2014 annual cost report, and adjusted to reflect subsequent salary increases, to reflect reasonable
costs mandated by collective bargaining agreements with certified collective bargaining agents, or otherwise provided by a facility to its employees. For purposes of this subsection, "employee" shall not include a person employed as a facility's manager, chief administrator, a person required to be licensed as a nursing home administrator or any individual who receives compensation for services pursuant to a contractual arrangement and who is not directly employed by the facility. The commissioner may establish an upper limit for reasonable costs associated with salary adjustments beyond which the adjustment shall not apply. Nothing in this section shall require the commissioner to distribute such adjustments in a way that jeopardizes anticipated federal reimbursement. Facilities that receive such adjustment but do not provide increases in employee salaries as described in this subsection on or before July 31, 2015, may be subject to a rate decrease in the same amount as the adjustment by the commissioner. Of the amount appropriated for this purpose, no more than nine million dollars shall go to increases based on reasonable costs mandated by collective bargaining agreements. Notwithstanding the provisions of this subsection, and section 17b-340d, effective July 1, 2019, October 1, 2020, [and] January 1, 2021, July 1, 2021, and July 1, 2022, the commissioner shall, within available appropriations, increase rates for the purpose of wage and benefit enhancements for facility employees. The commissioner shall adjust the rate paid to the facility in the form of a rate adjustment to reflect any rate increases paid after the cost report year ending September 30, 2018. Facilities that receive a rate adjustment for the purpose of wage and benefit enhancements but do not provide increases in employee salaries as described in this subsection on or before September 30, 2019, October 31, 2020, [and] January 31, 2021, July 31, 2021, and July 31, 2022, respectively, may be subject to a rate decrease in the same amount as the adjustment by the commissioner.

(5) For the purpose of determining allowable fair rent, a facility with allowable fair rent less than the twenty-fifth percentile of the state-wide allowable fair rent shall be reimbursed as having allowable fair rent
equal to the twenty-fifth percentile of the state-wide allowable fair rent, provided for the fiscal years ending June 30, 1996, and June 30, 1997, the reimbursement may not exceed the twenty-fifth percentile of the state-wide allowable fair rent for the fiscal year ending June 30, 1995. On and after July 1, 1998, the Commissioner of Social Services may allow minimum fair rent as the basis upon which reimbursement associated with improvements to real property is added. Beginning with the fiscal year ending June 30, 1996, any facility with a rate of return on real property other than land in excess of eleven per cent shall have such allowance revised to eleven per cent. Any facility or its related realty affiliate which finances or refines debt through bonds issued by the State of Connecticut Health and Education Facilities Authority shall report the terms and conditions of such financing or refinancing to the Commissioner of Social Services within thirty days of completing such financing or refinancing. The Commissioner of Social Services may revise the facility's fair rent component of its rate to reflect any financial benefit the facility or its related realty affiliate received as a result of such financing or refinancing, including but not limited to, reductions in the amount of debt service payments or period of debt repayment. The commissioner shall allow actual debt service costs for bonds issued by the State of Connecticut Health and Educational Facilities Authority if such costs do not exceed property costs allowed pursuant to subsection (f) of section 17-311-52 of the regulations of Connecticut state agencies, provided the commissioner may allow higher debt service costs for such bonds for good cause. For facilities which first open on or after October 1, 1992, the commissioner shall determine allowable fair rent for real property other than land based on the rate of return for the cost year in which such bonds were issued. The financial benefit resulting from a facility financing or refinancing debt through such bonds shall be shared between the state and the facility to an extent determined by the commissioner on a case-by-case basis and shall be reflected in an adjustment to the facility's allowable fair rent.

(6) A facility shall receive cost efficiency adjustments for indirect costs
and for administrative and general costs if such costs are below the state-wide median costs. The cost efficiency adjustments shall equal twenty-five per cent of the difference between allowable reported costs and the applicable median allowable cost established pursuant to this subdivision.

(7) For the fiscal year ending June 30, 1992, allowable operating costs, excluding fair rent, shall be inflated using the Regional Data Resources Incorporated McGraw-Hill Health Care Costs: Consumer Price Index (all urban)-All Items minus one and one-half per cent. For the fiscal year ending June 30, 1993, allowable operating costs, excluding fair rent, shall be inflated using the Regional Data Resources Incorporated McGraw-Hill Health Care Costs: Consumer Price Index (all urban)-All Items minus one and three-quarters per cent. For the fiscal years ending June 30, 1994, and June 30, 1995, allowable operating costs, excluding fair rent, shall be inflated using the Regional Data Resources Incorporated McGraw-Hill Health Care Costs: Consumer Price Index (all urban)-All Items minus two per cent. For the fiscal year ending June 30, 1996, allowable operating costs, excluding fair rent, shall be inflated using the Regional Data Resources Incorporated McGraw-Hill Health Care Costs: Consumer Price Index (all urban)-All Items minus two and one-half per cent. For the fiscal year ending June 30, 1997, allowable operating costs, excluding fair rent, shall be inflated using the Regional Data Resources Incorporated McGraw-Hill Health Care Costs: Consumer Price Index (all urban)-All Items minus three and one-half per cent. For the fiscal year ending June 30, 1992, and any succeeding fiscal year, allowable fair rent shall be those reported in the annual report of long-term care facilities for the cost year ending the immediately preceding September thirtieth. The inflation index to be used pursuant to this subsection shall be computed to reflect inflation between the midpoint of the cost year through the midpoint of the rate year. The Department of Social Services shall study methods of reimbursement for fair rent and shall report its findings and recommendations to the joint standing committee of the General Assembly having cognizance of matters relating to human
services on or before January 15, 1993.

(8) On and after July 1, 1994, costs shall be rebased no more frequently than every two years and no less frequently than every four years, as determined by the commissioner. The commissioner shall determine whether and to what extent a change in ownership of a facility shall occasion the rebasing of the facility's costs.

(9) The method of establishing rates for new facilities shall be determined by the commissioner in accordance with the provisions of this subsection until June 30, 2022.

(10) Rates determined under this section shall comply with federal laws and regulations.

(11) Notwithstanding the provisions of this subsection, interim rates issued for facilities on and after July 1, 1991, shall be subject to applicable fiscal year cost component limitations established pursuant to subdivision (3) of this subsection.

(12) A chronic and convalescent nursing home having an ownership affiliation with and operated at the same location as a chronic disease hospital may request that the commissioner approve an exception to applicable rate-setting provisions for chronic and convalescent nursing homes and establish a rate for the fiscal years ending June 30, 1992, and June 30, 1993, in accordance with regulations in effect June 30, 1991. Any such rate shall not exceed one hundred sixty-five per cent of the median rate established for chronic and convalescent nursing homes established under this section for the applicable fiscal year.

(13) For the fiscal year ending June 30, 2014, and any succeeding fiscal year, for purposes of computing minimum allowable patient days, utilization of a facility's certified beds shall be determined at a minimum of ninety per cent of capacity, except for new facilities and facilities which are certified for additional beds which may be permitted a lower occupancy rate for the first three months of operation after the effective
(14) The Commissioner of Social Services shall adjust facility rates from April 1, 1999, to June 30, 1999, inclusive, by a per diem amount representing each facility's allocation of funds appropriated for the purpose of wage, benefit and staffing enhancement. A facility's per diem allocation of such funding shall be computed as follows: (A) The facility's direct and indirect component salary, wage, nursing pool and allocated fringe benefit costs as filed for the 1998 cost report period deemed allowable in accordance with this section and applicable regulations without application of cost component maximums specified in subdivision (3) of this subsection shall be totalled; (B) such total shall be multiplied by the facility's Medicaid utilization based on the 1998 cost report; (C) the resulting amount for the facility shall be divided by the sum of the calculations specified in subparagraphs (A) and (B) of this subdivision for all facilities to determine the facility's percentage share of appropriated wage, benefit and staffing enhancement funding; (D) the facility's percentage share shall be multiplied by the amount of appropriated wage, benefit and staffing enhancement funding to determine the facility's allocated amount; and (E) such allocated amount shall be divided by the number of days of care paid for by Medicaid on an annual basis including days for reserved beds specified in the 1998 cost report to determine the per diem wage and benefit rate adjustment amount. The commissioner may adjust a facility's reported 1998 cost and utilization data for the purposes of determining a facility's share of wage, benefit and staffing enhancement funding when reported 1998 information is not substantially representative of estimated cost and utilization data for the fiscal year ending June 30, 2000, due to special circumstances during the 1998 cost report period including change of ownership with a part year cost filing or reductions in facility capacity due to facility renovation projects. Upon completion of the calculation of the allocation of wage, benefit and staffing enhancement funding, the commissioner shall not adjust the allocations due to revisions submitted to previously filed 1998 annual cost reports. In the event that a facility's
rate for the fiscal year ending June 30, 1999, is an interim rate or the rate includes an increase adjustment due to a rate request to the commissioner or other reasons, the commissioner may reduce or withhold the per diem wage, benefit and staffing enhancement allocation computed for the facility. Any enhancement allocations not applied to facility rates shall not be reallocated to other facilities and such unallocated amounts shall be available for the costs associated with interim rates and other Medicaid expenditures. The wage, benefit and staffing enhancement per diem adjustment for the period from April 1, 1999, to June 30, 1999, inclusive, shall also be applied to rates for the fiscal years ending June 30, 2000, and June 30, 2001, except that the commissioner may increase or decrease the adjustment to account for changes in facility capacity or operations. Any facility accepting a rate adjustment for wage, benefit and staffing enhancements shall apply payments made as a result of such rate adjustment for increased allowable employee wage rates and benefits and additional direct and indirect component staffing. Adjustment funding shall not be applied to wage and salary increases provided to the administrator, assistant administrator, owners or related party employees. Enhancement payments may be applied to increases in costs associated with staffing purchased from staffing agencies provided such costs are deemed necessary and reasonable by the commissioner. The commissioner shall compare expenditures for wages, benefits and staffing for the 1998 cost report period to such expenditures in the 1999, 2000 and 2001 cost report periods to verify whether a facility has applied additional payments to specified enhancements. In the event that the commissioner determines that a facility did not apply additional payments to specified enhancements, the commissioner shall recover such amounts from the facility through rate adjustments or other means. The commissioner may require facilities to file cost reporting forms, in addition to the annual cost report, as may be necessary, to verify the appropriate application of wage, benefit and staffing enhancement rate adjustment payments. For the purposes of this subdivision, "Medicaid utilization" means the number of days of care paid for by Medicaid on an annual
basis including days for reserved beds as a percentage of total resident days.

(15) The interim rate established to become effective upon sale of any licensed chronic and convalescent home or rest home with nursing supervision for which a receivership has been imposed pursuant to sections 19a-541 to 19a-549, inclusive, shall not exceed the rate in effect for the facility at the time of the imposition of the receivership, subject to any annual increases permitted by this section; provided the Commissioner of Social Services may, in the commissioner's discretion, and after consultation with the receiver, establish an increased rate for the facility if the commissioner with approval of the Secretary of the Office of Policy and Management determines that such higher rate is needed to keep the facility open and to ensure the health, safety and welfare of the residents at such facility.

(g) The established interim rate to become effective upon sale of any licensed chronic and convalescent home or rest home with nursing supervision for which a receivership has been imposed pursuant to sections 19a-541 to 19a-549, inclusive, shall not exceed the rate in effect for the facility at the time of the imposition of the receivership, subject to any annual increases permitted by this section, provided the Commissioner of Social Services may, in the commissioner's discretion and after consultation with the receiver, establish an increased rate for the facility if the commissioner, with the approval of the Secretary of the Office of Policy and Management, determines that such higher rate is needed to keep the facility open and to ensure the health, safety and welfare of the residents at such facility.

(h) For the fiscal year ending June 30, 1993, any intermediate care facility for individuals with intellectual disabilities with an operating cost component of its rate in excess of one hundred forty per cent of the median of operating cost components of rates in effect January 1, 1992, shall not receive an operating cost component increase. For the fiscal year ending June 30, 1993, any intermediate care facility for individuals
with intellectual disabilities with an operating cost component of its rate
that is less than one hundred forty per cent of the median of operating
cost components of rates in effect January 1, 1992, shall have an
allowance for real wage growth equal to thirty per cent of the increase
determined in accordance with subsection (q) of section 17-311-52 of the
regulations of Connecticut state agencies, provided such operating cost
component shall not exceed one hundred forty per cent of the median
of operating cost components in effect January 1, 1992. Any facility with
real property other than land placed in service prior to October 1, 1991,
shall, for the fiscal year ending June 30, 1995, receive a rate of return on
real property equal to the average of the rates of return applied to real
property other than land placed in service for the five years preceding
October 1, 1993. For the fiscal year ending June 30, 1996, and any

Beginning with the fiscal year ending June 30, 1993, for the purpose of determining allowable fair rent, a residential care home with allowable fair rent less than the twenty-fifth percentile of the state-wide allowable fair rent shall be reimbursed as having allowable fair rent equal to the twenty-fifth percentile of the state-wide allowable fair rent. Beginning with the fiscal
year ending June 30, 1997, a residential care home with allowable fair
rent less than three dollars and ten cents per day shall be reimbursed as
having allowable fair rent equal to three dollars and ten cents per day.
Property additions placed in service during the cost year ending
September 30, 1996, or any succeeding cost year shall receive a fair rent
allowance for such additions as an addition to three dollars and ten
cents per day if the fair rent for the facility for property placed in service
prior to September 30, 1995, is less than or equal to three dollars and ten
cents per day. Beginning with the fiscal year ending June 30, 2016, a
residential care home shall be reimbursed the greater of the allowable
accumulated fair rent reimbursement associated with real property
additions and land as calculated on a per day basis or three dollars and ten

in the 2000 cost report period upon which the rates are based. Beginning
with the fiscal year ending June 30, 2000, and until the fiscal year ending
June 30, 2009, inclusive, the inflation adjustment for rates made in accordance with subsection (p) of section 17-311-52 of the regulations of Connecticut state agencies shall be increased by two per cent, and beginning with the fiscal year ending June 30, 2002, the inflation adjustment for rates made in accordance with subsection (c) of said section shall be increased by one per cent. Such rate increase shall remain in effect unless:

Commissioner of Social Services may provide fair rent increases to any
facility that has undergone a material change in circumstances related
to fair rent and has an approved certificate of need pursuant to section
17b-352, 17b-353, 17b-354 or 17b-355. For the fiscal years ending June 30,
2014, and June 30, 2015, for those facilities that have a calculated rate
greater than the rate in effect for the fiscal year ending June 30, 2013, the
commissioner may increase facility rates based upon available
appropriations up to a stop gain as determined by the commissioner.

commissioner, shall be issued such lower rate. For the fiscal year ending
June 30, 2014, and each fiscal year thereafter, a residential care home
shall receive a rate increase for any capital improvement made during
the fiscal year for the health and safety of residents and approved by the
Department of Social Services, provided such rate increase is within
available appropriations. For the fiscal year ending June 30, 2015, and
each succeeding fiscal year thereafter, costs of less than ten thousand
dollars that are incurred by a facility and are associated with any land,
building or nonmovable equipment repair or improvement that are
reported in the cost year used to establish the facility's rate shall not be
capitalized for a period of more than five years for rate-setting purposes.
For the fiscal year ending June 30, 2015, subject to available
appropriations, the commissioner may, at the commissioner's
discretion: Increase the inflation cost limitation under subsection (c) of
section 17-311-52 of the regulations of Connecticut state agencies,

five per cent; establish a minimum rate of return applied to real property
of five per cent inclusive of assets placed in service during cost year
2013; waive the standard rate of return under subsection (f) of section

under subsection (f) of section 17-311-52 of the regulations of
Connecticut state agencies to avoid financial hardship. For the fiscal
years ending June 30, 2016, and June 30, 2017, rates shall not exceed

except the commissioner may, in the commissioner's discretion and
within available appropriations, provide pro rata fair rent increases to
facilities which have documented fair rent additions placed in service in
the cost report year ending September 30, 2017, that are not otherwise

shall not exceed those in effect for the fiscal year ending June 30, 2019,
except the commissioner may, in the commissioner's discretion and
within available appropriations, provide pro rata fair rent increases to
facilities which have documented fair rent additions placed in service in
the cost report year ending September 30, 2018, that are not otherwise

Facilities that receive a rate adjustment for the purpose of providing enhanced health care and pension benefits for employees but do not provide such enhanced benefits may be subject to a rate decrease in the same amount as the adjustment by the Commissioner of Social Services.

Sec. 361. (Effective from passage) Notwithstanding the provisions of section 17b-340 of the general statutes, for the fiscal years ending June 30, 2022, and June 30, 2023, the Commissioner of Social Services shall increase the minimum per diem, per bed rate to five hundred one dollars for a residential facility licensed pursuant to section 17a-227 of the general statutes and certified to participate in the Title XIX Medicaid program as an intermediate care facility for individuals with intellectual disability.

Sec. 362. Subsections (i) and (j) of section 17b-342 of the general statutes are repealed and the following is substituted in lieu thereof (Effective July 1, 2021):
(i) (1) On and after July 1, 2015, the Commissioner of Social Services shall, within available appropriations, administer a state-funded portion of the program for persons (A) who are sixty-five years of age and older; (B) who are inappropriately institutionalized or at risk of inappropriate institutionalization; (C) whose income is less than or equal to the amount allowed under subdivision (3) of subsection (a) of this section; and (D) whose assets, if single, do not exceed one hundred fifty per cent of the federal minimum community spouse protected amount pursuant to 42 USC 1396r-5(f)(2) or, if married, the couple's assets do not exceed two hundred per cent of said community spouse protected amount. For program applications received by the Department of Social Services for the fiscal years ending June 30, 2016, and June 30, 2017, only persons who require the level of care provided in a nursing home shall be eligible for the state-funded portion of the program, except for persons residing in affordable housing under the assisted living demonstration project established pursuant to section 17b-347e who are otherwise eligible in accordance with this section.

(2) Except for persons residing in affordable housing under the assisted living demonstration project established pursuant to section 17b-347e, as provided in subdivision (3) of this subsection, any person whose income is at or below two hundred per cent of the federal poverty level and who is ineligible for Medicaid shall contribute nine four and one-half per cent of the cost of his or her care. Any person whose income exceeds two hundred per cent of the federal poverty level shall contribute nine four and one-half per cent of the cost of his or her care in addition to the amount of applied income determined in accordance with the methodology established by the Department of Social Services for recipients of medical assistance. Any person who does not contribute to the cost of care in accordance with this subdivision shall be ineligible to receive services under this subsection. Notwithstanding any provision of sections 17b-60 and 17b-61, the department shall not be required to provide an administrative hearing to a person found ineligible for services under this subsection because of a failure to
contribute to the cost of care.

(3) Any person who resides in affordable housing under the assisted living demonstration project established pursuant to section 17b-347e and whose income is at or below two hundred per cent of the federal poverty level, shall not be required to contribute to the cost of care. Any person who resides in affordable housing under the assisted living demonstration project established pursuant to section 17b-347e and whose income exceeds two hundred per cent of the federal poverty level, shall contribute to the applied income amount determined in accordance with the methodology established by the Department of Social Services for recipients of medical assistance. Any person whose income exceeds two hundred per cent of the federal poverty level and who does not contribute to the cost of care in accordance with this subdivision shall be ineligible to receive services under this subsection.

Notwithstanding any provision of sections 17b-60 and 17b-61, the department shall not be required to provide an administrative hearing to a person found ineligible for services under this subsection because of a failure to contribute to the cost of care.

(4) The annualized cost of services provided to an individual under the state-funded portion of the program shall not exceed fifty per cent of the weighted average cost of care in nursing homes in the state, except an individual who received services costing in excess of such amount under the Department of Social Services in the fiscal year ending June 30, 1992, may continue to receive such services, provided the annualized cost of such services does not exceed eighty per cent of the weighted average cost of such nursing home care. The commissioner may allow the cost of services provided to an individual to exceed the maximum cost established pursuant to this subdivision in a case of extreme hardship, as determined by the commissioner, provided in no case shall such cost exceed that of the weighted cost of such nursing home care.

(j) The Commissioner of Social Services shall collect data on services provided under the program, including, but not limited to, the: (1)
Number of participants before and after copayments are reduced pursuant to subsection (i) of this section, (2) average hours of care provided under the program per participant, and (3) estimated cost savings to the state by providing home care to participants who may otherwise receive care in a nursing home facility. The commissioner shall, in accordance with the provisions of section 11-4a, report on the results of the data collection to the joint standing committees of the General Assembly having cognizance of matters relating to aging, appropriations and the budgets of state agencies and human services not later than July 1, 2022. The commissioner may implement revised criteria for the operation of the program while in the process of adopting such criteria in regulation form, provided the commissioner [prints] publishes notice of intention to adopt the regulations in [the Connecticut Law Journal within twenty days of implementing the policy] accordance with section 17b-10. Such criteria shall be valid until the time final regulations are effective.

Sec. 363. Section 17b-112 of the general statutes is repealed and the following is substituted in lieu thereof (Effective November 1, 2021):

(a) The Department of Social Services shall administer a temporary family assistance program under which cash assistance shall be provided to eligible families in accordance with the temporary assistance for needy families program, established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The Commissioner of Social Services may operate portions of the temporary family assistance program as a solely state-funded program, separate from the federal temporary assistance for needy families program, if the commissioner determines that doing so will enable the state to avoid fiscal penalties under the temporary assistance for needy families program. Families receiving assistance under the solely state-funded portion of the temporary family assistance program shall be subject to the same conditions of eligibility as those receiving assistance under the federal temporary assistance for needy families program.

Under the temporary family assistance program, benefits shall be
provided to a family for not longer than twenty-one months, except as
provided in subsections (b) and (c) of this section. For the purpose of
calculating said twenty-one-month time limit, months of assistance
received on and after January 1, 1996, pursuant to time limits under the
aid to families with dependent children program, shall be included. For
purposes of this section, "family" means one or more individuals who
apply for or receive assistance together under the temporary family
assistance program. If the commissioner determines that federal law
allows individuals not otherwise in an eligible covered group for the
temporary family assistance program to become covered, such family
may also, at the discretion of the commissioner, be composed of (1) a
pregnant woman, or (2) a parent, both parents or other caretaker relative
and at least one child who is under the age of eighteen, or who is under
the age of nineteen and a full-time student in a secondary school or its
equivalent. A caretaker relative shall be related to the child or children
by blood, marriage or adoption or shall be the legal guardian of such a
child or pursuing legal proceedings necessary to achieve guardianship.
If the commissioner elects to allow state eligibility consistent with any
change in federal law, the commissioner may administratively transfer
any qualifying family cases under the cash assistance portion of the
state-administered general assistance program to the temporary family
assistance program without regard to usual eligibility and enrollment
procedures. If such families become an ineligible coverage group under
the federal law, the commissioner shall administratively transfer such
families back to the cash assistance portion of the state-administered
general assistance program without regard to usual eligibility and
enrollment procedures to the degree that such families are eligible for
the state program.

(b) The Commissioner of Social Services shall exempt a family from
such time-limited benefits for circumstances including, but not limited
to: (1) A family with a needy caretaker relative who is incapacitated or
of an advanced age, as defined by the commissioner, if there is no other
nonexempt caretaker relative in the household; (2) a family with a needy
caretaker relative who is needed in the home because of the incapacity
of another member of the household, if there is no other nonexempt
caretaker relative in the household; (3) a family with a caretaker relative
who is not legally responsible for the dependent children in the
household if such relative's needs are not considered in calculating the
amount of the benefit and there is no other nonexempt caretaker relative
in the household; (4) a family with a caretaker relative caring for a child
who is under one year of age [and who was born not more than ten
months after the family's enrollment] if there is no other nonexempt
caretaker relative in the household; (5) a family with a pregnant or
postpartum caretaker relative if a physician has indicated that such
relative is unable to work and there is no other nonexempt caretaker
relative in the household; (6) a family with a caretaker relative
determined by the commissioner to be unemployable and there is no
other nonexempt caretaker relative in the household; and (7) minor
parents attending and satisfactorily completing high school or high
school equivalency programs.

(c) A family who is subject to time-limited benefits may petition the
Commissioner of Social Services for six-month extensions of such
benefits. The commissioner shall grant not more than two extensions to
such family who has made a good faith effort to comply with the
requirements of the program and despite such effort has a total family
income at a level below the payment standard, or has encountered
circumstances preventing employment including, but not limited to: (1)
Domestic violence or physical harm to such family's children; or (2)
other circumstances beyond such family's control. The commissioner
shall disregard ninety dollars of earned income in determining
applicable family income. The commissioner may grant a subsequent
six-month extension if each adult in the family meets one or more of the
following criteria: (A) The adult is precluded from engaging in
employment activities due to domestic violence or another reason
beyond the adult's control; (B) the adult has two or more substantiated
barriers to employment including, but not limited to, the lack of
available child care, substance abuse or addiction, severe mental or
domestic violence or a child who has a serious physical or behavioral
health problem; (C) the adult is working thirty-five or more hours per
week, is earning at least the minimum wage and continues to earn less
than the family's temporary family assistance payment standard; or (D)
the adult is employed and works less than thirty-five hours per week
due to (i) a documented medical impairment that limits the adult's
hours of employment, provided the adult works the maximum number
of hours that the medical condition permits, or (ii) the need to care for a
disabled member of the adult's household, provided the adult works the
maximum number of hours the adult's caregiving responsibilities
permit. Families receiving temporary family assistance shall be notified
by the department of the right to petition for such extensions.
Notwithstanding the provisions of this section, the commissioner shall
not provide benefits under the state's temporary family assistance
program to a family that is subject to the twenty-one month benefit limit
and has received benefits beginning on or after October 1, 1996, if such
benefits result in that family's receiving more than sixty months of time-
limited benefits unless that family experiences domestic violence, as
defined in Section 402(a)(7)(B), P.L. 104-193. For the purpose of
calculating said sixty-month limit: (I) A month shall count toward the
limit if the family receives assistance for any day of the month, provided
any months of temporary family assistance received during the public
health emergency declared by Governor Ned Lamont related to the
COVID-19 pandemic shall not be included, and (II) a month in which a
family receives temporary assistance for needy families benefits that are
issued from a jurisdiction other than Connecticut shall count toward the
limit.
(d) Under said program, [(I)] no family shall be eligible that has total
gross earnings exceeding the federal poverty level, however, in the
calculation of the benefit amount for eligible families and previously
eligible families that become ineligible temporarily because of receipt of
workers' compensation benefits by a family member who subsequently returns to work immediately after the period of receipt of such benefits, earned income shall be disregarded up to the federal poverty level, [; and (2) the increase in benefits to a family in which an infant is born after the initial ten months of participation in the program shall be limited to an amount equal to fifty per cent of the average incremental difference between the amounts paid per each family size.] Except when determining eligibility for a six-month extension of benefits pursuant to subsection (c) of this section, the commissioner shall disregard the first fifty dollars per month of income attributable to current child support that a family receives in determining eligibility and benefit levels for temporary family assistance. Any current child support in excess of fifty dollars per month collected by the department on behalf of an eligible child shall be considered in determining eligibility but shall not be considered when calculating benefits and shall be taken as reimbursement for assistance paid under this section, except that when the current child support collected exceeds the family's monthly award of temporary family assistance benefits plus fifty dollars, the current child support shall be paid to the family and shall be considered when calculating benefits.

(e) A family receiving assistance under said program shall cooperate with child support enforcement, under title IV-D of the Social Security Act. A family shall be ineligible for benefits for failure to cooperate with child support enforcement.

(f) A family leaving assistance at the end of (1) said twenty-one-month time limit, including a family with income above the payment standard, or (2) the sixty-month limit shall have an interview for the purpose of being informed of services that may continue to be available to such family, including employment services available through the Labor Department. [Said] Such interview shall [contain] include (A) a determination of benefits available to [said] the family provided by the Department of Social Services; [I. Said interview shall also include] and (B) a determination of whether such family is eligible for supplemental
nutrition assistance or Medicaid. Information and referrals shall be made to such a family for services and benefits including, but not limited to, the earned income tax credit, rental subsidies emergency housing, employment services and energy assistance.

(g) Notwithstanding section 17b-104, commencing on July 1, 2023, the Commissioner of Social Services shall provide an annual cost-of-living adjustment in temporary family assistance benefits equal to the most recent percentage increase in the consumer price index for urban consumers whenever funds appropriated for temporary family assistance lapse at the close of any fiscal year and such adjustment has not otherwise been included in the budget for the assistance program, provided the increase would not create a budget deficiency in succeeding years. The commissioner shall provide a prorated benefit increase from such available lapsed funds in any fiscal year when such funds are not sufficient to cover a cost-of-living adjustment in accordance with this subsection.

[(g)] (h) An applicant or recipient of temporary family assistance who is adversely affected by a decision of the Commissioner of Social Services may request and shall be provided a hearing in accordance with section 17b-60.

Sec. 364. Subsection (a) of section 17b-104 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2021):

(a) The Commissioner of Social Services shall administer the program of state supplementation to the Supplemental Security Income Program provided for by the Social Security Act and state law. The commissioner may delegate any powers and authority to any deputy, assistant, investigator or supervisor, who shall have, within the scope of the power and authority so delegated, all of the power and authority of the Commissioner of Social Services. The commissioner shall establish a standard of need based on the cost of living in this state for the
temporary family assistance program and the state-administered
general assistance program. The commissioner shall make a
reinvestigation, at least every twelve months, of all cases receiving aid
from the state, except that such reinvestigation may be conducted every
twenty-four months for recipients of assistance to the elderly or disabled
with stable circumstances, and shall maintain all case records of the
several programs administered by the Department of Social Services so
that such records show, at all times, full information with respect to
eligibility of the applicant or recipient. In the determination of need
under any public assistance program, such income or earnings shall be
disregarded as federal law requires, and such income or earnings may
be disregarded as federal law permits. In determining eligibility, the
commissioner shall disregard from income (1) Aid and Attendance
pension benefits granted to a veteran, as defined under section 27-103,
or the surviving spouse of such veteran, and (2) any tax refund or
advance payment with respect to a refundable credit to the same extent
such refund or advance payment would be disregarded under 26 USC
6409 in any federal program or state or local program financed in whole
or in part with federal funds. The commissioner shall encourage and
promulgate such incentive earning programs as are permitted by
federal law and regulations.

Sec. 365. Subsection (c) of section 17b-191 of the general statutes is
repealed and the following is substituted in lieu thereof (Effective July 1,
2021):

(c) To be eligible for cash assistance under the program, a person shall
(1) be (A) eighteen years of age or older; (B) a minor found by a court to
be emancipated pursuant to section 46b-150; or (C) under eighteen years
of age and the commissioner determines good cause for such person's
eligibility, and (2) not have assets exceeding two hundred fifty dollars
or, if such person is married, such person and his or her spouse shall not
have assets exceeding five hundred dollars. In determining eligibility,
the commissioner shall not consider as income (A) Aid and Attendance
pension benefits granted to a veteran, as defined in section 27-103, or the
surviving spouse of such veteran; and (B) any tax refund or advance payment with respect to a refundable credit to the same extent such refund or advance payment would be disregarded under 26 USC 6409 in any federal program or state or local program financed in whole or in part with federal funds. No person who is a substance abuser and refuses or fails to enter available, appropriate treatment shall be eligible for cash assistance under the program until such person enters treatment. No person whose benefits from the temporary family assistance program have terminated as a result of time-limited benefits or for failure to comply with a program requirement shall be eligible for cash assistance under the program.

Sec. 366. Subsection (l) of section 17b-342 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2021):

(l) In determining eligibility for the program described in this section, the commissioner shall not consider as income (1) Aid and Attendance pension benefits granted to a veteran, as defined in section 27-103, or the surviving spouse of such veteran, and (2) any tax refund or advance payment with respect to a refundable credit to the same extent such refund or advance payment would be disregarded under 26 USC 6409 in any federal program or state or local program financed in whole or in part with federal funds.

Sec. 367. (Effective from passage) Not later than October 1, 2021, the Commissioner of Social Services shall amend the Medicaid state plan to include services provided by acupuncturists licensed pursuant to section 20-206bb of the general statutes and chiropractors licensed pursuant to section 20-27 of the general statutes as optional services under the Medicaid program.

Sec. 368. Section 17b-280c of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2021):

(b) The Commissioner of Social Services shall amend the Medicaid state plan to provide a minimum weekly reimbursement rate of eighty-eight dollars and fifty-two cents to a chemical maintenance provider for methadone maintenance treatment of a Medicaid beneficiary, provided no such provider receiving a higher rate shall have such rate reduced to the minimum as a result of the implementation of a new minimum reimbursement rate.

[(c) Notwithstanding subsection (b) of this section, on or after July 1, 2020, any reimbursement to a chemical maintenance provider for methadone maintenance treatment shall be contingent upon meeting certain performance measures as determined by the commissioner. Such performance measures shall be developed in consultation with the Department of Mental Health and Addiction Services and chemical maintenance providers. Initial performance measures shall be developed by September 30, 2019, including the means by which such measures shall be evaluated. The initial evaluation period shall be based on the claims data for the quarter ending March 31, 2020. The performance measures and thresholds may be adjusted after the initial evaluation period. Failure to meet department-identified standards on performance measures shall result in a rate reduction of (1) up to five per cent for the quarters ending September 30, 2020, and December 31, 2020, and (2) up to ten per cent beginning January 1, 2021. No provider shall receive a rate decrease under this subsection that is more than a ten per cent decrease annually.]
[(d)] (c) The Commissioner of Social Services, pursuant to section 17b-10, may implement policies and procedures to administer the provisions of this section while in the process of adopting such policies and procedures in regulation form, provided the commissioner [prints] posts notice of the intent to adopt the regulations on the department's Internet web site and the eRegulations System not later than twenty days after the date of implementation. Such policies and procedures shall be valid until the time final regulations are adopted.

The commissioner shall seek federal approval to amend the Medicaid state plan, if necessary, to adjust rates of reimbursement in accordance with this section.

Sec. 370. Section 17b-265 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2021):

(a) In accordance with 42 USC 1396k, the Department of Social Services shall be subrogated to any right of recovery or indemnification that an applicant or recipient of medical assistance or any legally liable relative of such applicant or recipient has against an insurer or other legally liable third party including, but not limited to, a self-insured plan, group health plan, as defined in Section 607(1) of the Employee Retirement Income Security Act of 1974, service benefit plan, managed care organization, health care center, pharmacy benefit manager, dental benefit manager, third-party administrator or other party that is, by statute, contract or agreement, legally responsible for payment of a claim for a health care item or service, for the cost of all health care items

The department shall inform an applicant of such assignments at the time of application. Any entitlements from a contractual agreement with an applicant or recipient, legally liable relative or a state or federal program for such medical services, not to exceed the amount expended by the department, shall be so assigned. Such entitlements shall be directly reimbursable to the department by third party payors. The Department of Social Services may assign its right to subrogation or its entitlement to benefits to a designee or a health care provider participating in the Medicaid program and providing services to an applicant or recipient, in order to assist the provider in obtaining payment for such services. In accordance with subsection (b) of section 38a-472, a provider that has received an assignment from the department shall notify the recipient's health insurer or other legally liable third party including, but not limited to, a self-insured plan, group health plan, as defined in Section 607(1) of the Employee Retirement Income Security Act of 1974, service benefit plan, managed care organization, health care center, pharmacy benefit manager, dental benefit manager, third-party administrator or other

the right of an applicant or recipient to maintain an independent cause
of action against such third party tortfeasor.

(c) Claims for recovery or indemnification submitted by the
department, or the department's designee, shall not be denied solely on
the basis of the date of the submission of the claim, the type or format of
the claim, the lack of prior authorization or the failure to present proper
documentation at the point-of-service that is the basis of the claim, if (1)
the claim is submitted by the state within the three-year period
beginning on the date on which the item or service was furnished; and
(2) any action by the state to enforce its rights with respect to such claim
is commenced within six years of the state's submission of the claim.

(d) When a recipient of medical assistance has personal health

No insurer, as defined in section 38a-497a, shall impose requirements on the state Medicaid agency, which has been assigned the rights of an individual eligible for Medicaid and covered for health benefits from an insurer, that differ from requirements applicable to an agent or assignee of another individual so covered.

(f) The Commissioner of Social Services shall not pay for any services provided under this chapter if the individual eligible for medical assistance has coverage for the services under an accident or health insurance policy.

(g) An insurer or other legally liable third party, upon receipt of a claim submitted by the department or the department's designee, in accordance with the requirements of subsection (c) of this section, for payment of a health care item or service covered under a state medical assistance program administered by the department, shall, not later than ninety days after receipt of the claim or not later than ninety days after the effective date of this section, whichever is later, (1) make payment on the claim, (2) request information necessary to determine its legal obligation to pay the claim, or (3) issue a written reason for denial of the claim. For the fiscal year ending June 30, 2017, and each fiscal year thereafter, each regional council of governments shall receive a regional services grant, the amount of which will be based on a formula to be determined by the secretary, except that, for the fiscal year ending June 30, 2018, and each fiscal year thereafter, thirty-five per cent of such grant moneys shall be awarded to regional councils of governments for the purpose of assisting regional education service centers in merging their human resource, finance or technology services with such services provided by municipalities within the region. For the fiscal year ending June 30, 2017, three million dollars shall be expended by the secretary from the Municipal Revenue Sharing Fund established in section 4-66p for the purpose of the regional services grant. No such council shall receive a grant for the fiscal year ending June 30, 2018, or any fiscal year thereafter, unless the secretary approves a spending plan for such grant moneys submitted by such council to the secretary on or before July 1, 2017, and annually thereafter. The regional councils of governments shall use such grants for planning purposes and to achieve efficiencies in the delivery of municipal services by regionalizing such services,
including, but not limited to, region-wide consolidation of such services. Such efficiencies shall not diminish the quality of such services. A unanimous vote of the representatives of such council shall be required for approval of any expenditure from such grant. On or before October 1, 2017, and biennially thereafter, each such council shall submit a report, in accordance with section 11-4a, to the joint standing committees of the General Assembly having cognizance of matters relating to planning and development and finance, revenue and bonding. Such report shall summarize the expenditure of such grants and provide recommendations concerning the expansion, reduction or modification of such grants.

[(f)] (e) For the fiscal year ending June 30, 2020, and each fiscal year thereafter, each municipality shall receive a municipal revenue sharing grant as follows:

(1) (A) A municipality having a mill rate at or above twenty-five shall receive the per capita distribution or pro rata distribution, whichever is higher for such municipality.

(B) Such grants shall be increased by a percentage calculated as follows:

| T1034 | Sum of per capita distribution amount for all municipalities having a mill rate below twenty-five – pro rata distribution amount for all municipalities having a mill rate below twenty-five |
| T1039 | Sum of all grants to municipalities calculated pursuant to subparagraph (A) of subdivision (1) of this subsection. |

(C) Notwithstanding the provisions of subparagraphs (A) and (B) of
this subdivision, Hartford shall receive not more than 5.2 per cent of the municipal revenue sharing grants distributed pursuant to this subsection; Bridgeport shall receive not more than 4.5 per cent of the municipal revenue sharing grants distributed pursuant to this subsection; New Haven shall receive not more than 2.0 per cent of the municipal revenue sharing grants distributed pursuant to this subsection and Stamford shall receive not more than 2.8 per cent of the equalization grants distributed pursuant to this subsection. Any excess funds remaining after such reductions in payments to Hartford, Bridgeport, New Haven and Stamford shall be distributed to all other municipalities having a mill rate at or above twenty-five on a pro rata basis according to the payment they receive pursuant to this subdivision; and

(2) A municipality having a mill rate below twenty-five shall receive the per capita distribution or pro rata distribution, whichever is less for such municipality.

(3) For the purposes of this subsection, "mill rate" means the mill rate for real property and personal property other than motor vehicles.

[(g)] (f) Except as provided in subsection (c) of this section, a municipality may disburse any municipal revenue sharing grant funds to a district within such municipality.

[(h)] (g) (1) Except as provided in subdivision (2) of this subsection, for the fiscal year ending June 30, 2018, and each fiscal year thereafter, the amount of the grant payable to a municipality in any year in accordance with subsection [(d) or (f)](e) of this section shall be reduced if such municipality increases its adopted budget expenditures for such fiscal year above a cap equal to the amount of adopted budget expenditures authorized for the previous fiscal year by 2.5 per cent or more or the rate of inflation, whichever is greater. Such reduction shall be in an amount equal to fifty cents for every dollar expended over the cap set forth in this subsection. For the purposes of this section, (A)
"municipal spending" does not include expenditures for debt service, special education, implementation of court orders or arbitration awards, expenditures associated with a major disaster or emergency declaration by the President of the United States, a disaster emergency declaration issued by the Governor pursuant to chapter 517 or any disbursement made to a district pursuant to subsection (c) or [(g)] (f) of this section, budgeting for an audited deficit, nonrecurring grants, capital expenditures or payments on unfunded pension liabilities, (B) "adopted budget expenditures" includes expenditures from a municipality's general fund and expenditures from any nonbudgeted funds, and (C) "capital expenditure" means a nonrecurring capital expenditure of one hundred thousand dollars or more. Each municipality shall annually certify to the secretary, on a form prescribed by said secretary, whether such municipality has exceeded the cap set forth in this subsection and if so the amount by which the cap was exceeded.

(2) For the fiscal year ending June 30, 2018, and each fiscal year thereafter, the amount of the grant payable to a municipality in any year in accordance with subsection [(d) or (f)] (e) of this section shall not be reduced in the case of a municipality whose adopted budget expenditures exceed the cap set forth in subdivision (1) of this subsection by an amount proportionate to any increase to its municipal population from the previous fiscal year, as determined by the secretary.

[(i)] (h) For the fiscal year ending June 30, 2020, and each fiscal year thereafter, the amount of the grant payable to a municipality in any year in accordance with subsection [(f)] (e) of this section shall be reduced proportionately in the event that the total of such grants in such year exceeds the amount available for such grants in the municipal revenue sharing account established pursuant to subsection (b) of this section.

(4) Each district shall receive the same percentage of the grant amount payable to the municipality in which it is located.

(B) If the total of grants payable to each municipality and district in accordance with the provisions of subdivisions (1) to (4), inclusive, of this subsection exceeds the amount appropriated for the purposes of said subdivisions, the amount of the grant payable to each municipality and district shall be reduced proportionately, except that no grant shall be reduced below the amount set forth in subdivision (1) of this subsection.

Undue hardship shall be demonstrated by a showing that the ambulatory surgical center is at substantial risk of defaulting on a bond or loan covenant or similar obligation if such ambulatory surgical center were to make payment on the due date of the amount for which the extension is requested. Such request shall be filed on forms prescribed by the commissioner and shall include complete information of such ambulatory surgical center's inability, due to undue hardship, to make payment of the tax on or before the due date of such payment. The commissioner shall not grant any extension for a general statement of hardship by an ambulatory surgical center or for the convenience of an ambulatory surgical center.

(B) The commissioner may grant an extension if the commissioner determines an undue hardship exists. Such extension shall not exceed three months from the original due date of the payment, except that the commissioner may grant an additional extension not exceeding three months from the initial extended due date of the payment (i) upon the filing of a subsequent request by the ambulatory surgical center on or before the extended due date of the payment, on forms prescribed by the commissioner, and (ii) upon a showing of extraordinary circumstances, as determined by the commissioner.

(4) If the commissioner grants an extension pursuant to subdivision (3) of this subsection, no penalty shall be imposed and no interest shall accrue during the period of time for which an extension is granted if the ambulatory surgical center pays the tax due on or before the extended due date of the payment. If the ambulatory surgical center does not pay such tax by the extended due date, a penalty shall be imposed in accordance with subsection (c) of this section and interest shall begin to accrue at a rate of one per cent per month for each month or fraction thereof from the extended due date of such tax until the date of payment.

(5) Nothing in this section shall prohibit an ambulatory surgical center from seeking remuneration for the tax imposed by this section.
(c) (1) Except as provided in subdivision (3) of subsection (b) of this section, if any ambulatory surgical center fails to pay the amount of tax reported to be due on such ambulatory surgical center's return within the time specified under the provisions of this section, there shall be imposed a penalty equal to ten per cent of such amount due and unpaid or fifty dollars, whichever is greater. The tax shall bear interest at the rate of one per cent per month or fraction thereof from the due date of such tax until the date of payment.

(2) If any ambulatory surgical center has not filed its return within one month of the due date of such return, the commissioner may file such return at any time thereafter, according to the best information obtainable and according to the forms prescribed. There shall be added to the tax imposed upon the basis of such return an amount equal to ten per cent of such tax or fifty dollars, whichever is greater. The tax shall bear interest at the rate of one per cent per month or fraction thereof from the due date of such tax until the date of payment.

(3) Subject to the provisions of section 12-3a of the general statutes, the commissioner may waive all or part of the penalties provided under this subsection when it is proven to the commissioner's satisfaction that the failure to pay any tax on time was due to reasonable cause and was not intentional or due to neglect.

(4) The commissioner shall notify the Commissioner of Social Services of any amount delinquent under this section and, upon receipt of such notice, the Commissioner of Social Services shall deduct and withhold such amount from amounts otherwise payable by the Department of Social Services to the delinquent ambulatory surgical center.

(d) (1) Any person required under this section to pay any tax, file a return, keep any records or supply any information and who wilfully fails, at the time required by law, to pay such tax, file such return, keep such records or supply such information shall, in addition to any other...
penalty provided by law, be fined not more than one thousand dollars
or imprisoned not more than one year, or both. As used in this
subsection, "person" includes any officer or employee of an ambulatory
surgical center under a duty to pay such tax, file such return, keep such
records or supply such information. Notwithstanding the provisions of
section 54-193 of the general statutes, no person shall be prosecuted for
a violation of the provisions of this subsection committed on or after July
1, 1997, except within three years after such violation has been
committed.

(2) Any person who wilfully delivers or discloses to the commissioner
or the commissioner's authorized agent any list, return, account,
statement or other document, known by such person to be fraudulent
or false in any material matter, shall, in addition to any other penalty
provided by law, be guilty of a class D felony. No person shall be
charged with an offense under both this subdivision and subdivision (1)
of this subsection in relation to the same tax period but such person may
be charged and prosecuted for both such offenses upon the same
information.

(e) For the fiscal year ending June 30, 2024, and each fiscal year
thereafter, the Comptroller is authorized to record as revenue for each
fiscal year the amount of tax imposed under the provisions of this
section prior to the end of each fiscal year and which tax is received by
the Commissioner of Revenue Services not later than five business days
after the last day of July immediately following the end of each fiscal
year.

Sec. 518. (NEW) (Effective July 1, 2023, and applicable to calendar quarters
commencing on or after July 1, 2023) (a) (1) The commissioner may
examine, as the commissioner deems necessary, the records of any
ambulatory surgical center subject to the tax imposed under section 517
of this act. If the commissioner determines from such examination that
there is a deficiency with respect to the payment of any such tax due, the
commissioner shall assess the deficiency in tax, give notice of such
deficiency assessment to the ambulatory surgical center and make demand for payment. Such amount shall bear interest at the rate of one per cent per month or fraction thereof from the date when the original tax was due and payable.

(A) When it appears that any part of the deficiency for which a deficiency assessment is made is due to negligence or intentional disregard of the provisions of this section or regulations adopted thereunder, there shall be imposed a penalty equal to ten per cent of the amount of such deficiency assessment or fifty dollars, whichever is greater.

(B) When it appears that any part of the deficiency for which a deficiency assessment is made is due to fraud or intent to evade the provisions of this section or regulations adopted thereunder, there shall be imposed a penalty equal to twenty-five per cent of the amount of such deficiency assessment.

(C) No ambulatory surgical center shall be subject to more than one penalty under this subdivision in relation to the same tax period. Not later than thirty days after the mailing of such notice, the ambulatory surgical center shall pay to the commissioner, in cash or by check, draft or money order drawn to the order of the Commissioner of Revenue Services, any additional amount of tax, penalty and interest shown to be due.

(2) Except in the case of a wilfully false or fraudulent return with intent to evade the tax, no assessment of additional tax or fee shall be made after the expiration of more than three years from the date of the filing of a return or from the original due date of a return, whichever is later. Where, before the expiration of the period prescribed under this subsection for the assessment of an additional tax, an ambulatory surgical center has consented, in writing, that such period may be extended, the amount of such additional tax due may be determined at any time within such extended period. The period so extended may be
further extended by subsequent consent, in writing, before the expiration of the extended period.

(b) (1) The commissioner may enter into an agreement with the Commissioner of Social Services, delegating to the Commissioner of Social Services the authority to examine the records and returns of any ambulatory surgical center for any period during which such ambulatory surgical center received payments pursuant to the state's Medicaid program and was subject to the tax imposed under section 517 of this act, to determine whether such tax has been underpaid or overpaid. If such authority is so delegated, examinations of such records and returns by the Commissioner of Social Services and determinations by the Commissioner of Social Services that such tax has been underpaid or overpaid shall have the same effect as similar examinations or determinations made by the commissioner.

(2) The commissioner may enter into an agreement with the Commissioner of Social Services to facilitate the exchange of returns or return information necessary for the Commissioner of Social Services to perform his or her responsibilities under this section and to ensure compliance with the state's Medicaid program.

(3) The Commissioner of Social Services may engage an independent auditor to assist in the performance of said commissioner's duties and responsibilities under this subsection. Any reports generated by such independent auditor shall be provided simultaneously to the department and the Department of Social Services.

(c) (1) The commissioner may require all persons subject to the tax imposed under section 517 of this act to keep such records as the commissioner may prescribe and may require the production of books, papers, documents and other data, to provide or secure information pertinent to the determination of the taxes imposed under section 517 of this act and the enforcement and collection thereof.

(2) The commissioner or any person authorized by the commissioner
may examine the books, papers, records and equipment of any person
liable under the provisions of this section and may investigate the
character of the business of such liable person to verify the accuracy of
any return filed or, if no return is filed by such person, to ascertain and
determine the amount required to be paid.

(3) All records, books, papers, documents, data, secure information,
audit reports and audit work papers maintained or generated pursuant
to sections 517 to 522, inclusive, of this act shall be deemed to be return
and return information, as such terms are defined in section 12-15 of the
general statutes, and shall be subject to the provisions of said section.

Sec. 519. (NEW) (Effective July 1, 2023, and applicable to calendar quarters
commencing on or after July 1, 2021) (a) Any ambulatory surgical center
subject to the tax under section 517 of this act, believing that it has
overpaid any tax due under said sections, may file a claim for refund, in
writing, with the commissioner not later than three years after the due
date for which such overpayment was made, stating the specific grounds
upon which the claim is founded. Failure to file a claim within the time
prescribed in this subsection shall constitute a waiver of any demand
against the state on account of overpayment. Within a reasonable time,
as determined by the commissioner, following receipt of such claim for
refund, the commissioner shall determine whether such claim is valid
and, if so determined, the commissioner shall notify the Comptroller of
the amount of such refund. The Comptroller shall draw an order on the
Treasurer in the amount thereof for payment to the ambulatory surgical
center. If the commissioner determines that such claim is not valid, either
in whole or in part, the commissioner shall mail notice of the proposed
disallowance in whole or in part of the claim to the ambulatory surgical
center, which notice shall set forth briefly the commissioner's findings of
fact and the basis of disallowance in each case decided in whole or in
part adversely to the ambulatory surgical center. Sixty days after the date
on which it is mailed, a notice of proposed disallowance shall constitute
a final disallowance except only for such amounts as to which the
ambulatory surgical center has filed a written protest with the
commissioner in accordance with the provisions of subsection (b) of this section.

(b) On or before the sixtieth day after the mailing of the proposed disallowance, the ambulatory surgical center may file with the commissioner a written protest against the proposed disallowance. The ambulatory surgical center shall set forth in such protest the grounds on which the protest is based. If a protest is filed, the commissioner shall reconsider the proposed disallowance and, if the ambulatory surgical center has so requested, may grant or deny the ambulatory surgical center or its authorized representative a hearing.

(c) The commissioner shall mail notice of the commissioner's determination to the ambulatory surgical center, which notice shall set forth briefly the commissioner's findings of fact and the basis of decision in each case decided in whole or in part adversely to the ambulatory surgical center.

(d) The action of the commissioner on the ambulatory surgical center's protest shall be final upon the expiration of one month from the date on which the commissioner mails notice of the commissioner's determination to the ambulatory surgical center, unless within such period the ambulatory surgical center seeks judicial review of the commissioner's determination.

Sec. 520. (NEW) (Effective July 1, 2023, and applicable to calendar quarters commencing on or after July 1, 2023) (a) Any ambulatory surgical center subject to any tax under section 517 of this act that is aggrieved by the action of the commissioner, the Commissioner of Social Services or an authorized agent of said commissioners in fixing the amount of any tax, penalty or interest under section 517 of this act may apply to the commissioner, in writing, not later than sixty days after the notice of such action is delivered or mailed to such ambulatory surgical center, for a hearing and a correction of the amount of such tax, penalty or interest, setting forth the reasons why such hearing should be granted and the
amount by which such tax, penalty or interest should be reduced. The commissioner shall promptly consider each such application and may grant or deny the hearing requested. If the hearing request is denied, the ambulatory surgical center shall be notified immediately. If the hearing request is granted, the commissioner shall notify the ambulatory surgical center of the date, time and place for such hearing. After such hearing, the commissioner may make such order as appears just and lawful to the commissioner and shall furnish a copy of such order to the ambulatory surgical center. The commissioner may, by notice in writing, order a hearing on the commissioner's own initiative and require an ambulatory surgical center or any other individual who the commissioner believes to be in possession of relevant information concerning such ambulatory surgical center to appear before the commissioner or the commissioner's authorized agent with any specified books of account, papers or other documents, for examination under oath.

(b) Any ambulatory surgical center subject to the tax under section 517 of this act that is aggrieved because of any order, decision, determination or disallowance of the commissioner under section 517 of this act or subsection (a) of this section may, not later than one month after service of notice of such order, decision, determination or disallowance, take an appeal therefrom to the superior court for the judicial district of New Britain, which appeal shall be accompanied by a citation to the commissioner to appear before said court. Such citation shall be signed by the same authority and such appeal shall be returnable at the same time and served and returned in the same manner as is required in case of a summons in a civil action. The authority issuing the citation shall take from the appellant a bond or recognizance to the state of Connecticut, with surety, to prosecute the appeal to effect and to comply with the orders and decrees of the court in the premises. Such appeals shall be preferred cases, to be heard, unless cause appears to the contrary, at the first session, by the court or by a committee appointed by the court. Said court may grant such relief as may be equitable and, if such tax or charge has been paid prior to the granting of such relief, may
order the Treasurer to pay the amount of such relief, with interest at the
rate of two-thirds of one per cent per month or fraction thereof, to such
ambulatory surgical center. If the appeal has been taken without
probable cause, the court may tax double or triple costs, as the case
demands and, upon all such appeals that are denied, costs may be taxed
against such ambulatory surgical center at the discretion of the court but
no costs shall be taxed against the state.

Sec. 521. (NEW) (Effective July 1, 2023, and applicable to calendar quarters
commencing on or after July 1, 2023) The commissioner and any agent of
the commissioner duly authorized to conduct any inquiry, investigation
or hearing pursuant to section 517 of this act shall have power to
administer oaths and take testimony under oath relative to the matter of
inquiry or investigation. At any hearing ordered by the commissioner,
the commissioner or the commissioner's agent authorized to conduct
such hearing and having authority by law to issue such process may
subpoena witnesses and require the production of books, papers and
documents pertinent to such inquiry or investigation. No witness under
subpoena authorized to be issued under the provisions of this section
shall be excused from testifying or from producing books, papers or
documentary evidence on the ground that such testimony or the
production of such books, papers or documentary evidence would tend
to incriminate such witness, but such books, papers or documentary
evidence so produced shall not be used in any criminal proceeding
against such witness. If any person disobeys such process or, having
appeared in obedience thereto, refuses to answer any pertinent question
put to such person by the commissioner or the commissioner's
authorized agent, or to produce any books, papers or other documentary
evidence pursuant thereto, the commissioner or such agent may apply
to the superior court of the judicial district wherein the ambulatory
surgical center resides or wherein the business has been conducted, or to
any judge of such court if the same is not in session, setting forth such
disobedience to process or refusal to answer, and such court or such
judge shall cite such person to appear before such court or such judge to
answer such question or to produce such books, papers or other
documentary evidence and, upon such person's refusal so to do, shall
commit such person to a community correctional center until such
person testifies, but not for a period longer than sixty days.
Notwithstanding the serving of the term of such commitment by any
person, the commissioner may proceed in all respects with such inquiry
and examination as if the witness had not previously been called upon
to testify. Officers who serve subpoenas issued by the commissioner or
under the commissioner's authority and witnesses attending hearings
conducted by the commissioner pursuant to this section shall receive fees
and compensation at the same rates as officers and witnesses in the
courts of this state, to be paid on vouchers of the commissioner on order
of the Comptroller from the proper appropriation for the administration
of this section.

Sec. 522. (NEW) (Effective July 1, 2023, and applicable to calendar quarters
commencing on or after July 1, 2023) The amount of any tax, penalty or
interest, due and unpaid under the provisions of section 517 of this act
may be collected under the provisions of section 12-35 of the general
statutes. The warrant provided under section 12-35 of the general
statutes shall be signed by the commissioner or the commissioner's
authorized agent. The amount of any such tax, penalty or interest shall
be a lien on the real estate of the ambulatory surgical center from the last
day of the month next preceding the due date of such tax until such tax
is paid. The commissioner may record such lien in the records of any
town in which the real estate of such ambulatory surgical center is
situated but no such lien shall be enforceable against a bona fide
purchaser or qualified encumbrancer of such real estate. When any tax
with respect to which a lien has been recorded under the provisions of
this subsection has been satisfied, the commissioner shall, upon request
of any interested party, issue a certificate discharging such lien, which
certificate shall be recorded in the same office in which the lien was
recorded. Any action for the foreclosure of such lien shall be brought by
the Attorney General in the name of the state in the superior court for
the judicial district in which the property subject to such lien is situated, or, if such property is located in two or more judicial districts, in the superior court for any one such judicial district, and the court may limit the time for redemption or order the sale of such property or make such other or further decree as it judges equitable. For purposes of section 12-39g of the general statutes, a fee under this section shall be treated as a tax.

[(b) Notwithstanding the provisions of section 10-287i of the general statutes, or any regulation adopted by the State Board of Education or the Department of Administrative Services pursuant to said section concerning the percentage of a school building project grant that the Department of Administrative Services shall withhold from an applicant pending completion of an audit pursuant to section 10-287 of the general statutes, the department shall withhold five per cent of such grant from the town of West Haven for the new construction project (Project Number 21DASY156142N0621) at Washington Elementary School pending completion of an audit pursuant to said section.]
Sec. 535. (NEW) (Effective July 1, 2021) (a) For the fiscal years ending June 30, 2022, to June 30, 2024, inclusive, the Commissioner of Economic and Community Development, in coordination with the Secretary of the Office of Policy and Management, may, for the purposes of implementing the state's Economic Action Plan, use bond funds, funding received as a result of the American Rescue Plan Act of 2021, P.L. 117-2, as amended from time to time, and available resources, to provide (1) not more than one hundred million dollars for major projects selected pursuant to subsection (b) of this section, and (2) matching grants pursuant to subsection (c) of this section.

(b) On and after July 1, 2021, and until July 1, 2024, the Department of Economic and Community Development may develop and issue requests for proposals for major projects in the state. The department shall develop criteria consistent with the purposes of the state's Economic Action Plan to (1) evaluate proposals submitted pursuant to this subsection, and (2) select proposals for funding pursuant to subdivision (1) of subsection (a) of this section.

(c) On and after July 1, 2021, and until July 1, 2024, the Commissioner of Economic and Community Development may establish a competitive grant program to provide matching grants of not more than ten million dollars for major projects selected pursuant to subsection (b) of this section. Each major project selected pursuant to subsection (b) of this section shall be eligible for a matching grant under this subsection not more than two times a year. The commissioner shall establish eligibility criteria, an application process, evaluation criteria and reporting requirements for the competitive grant program.

Sec. 536. Subdivision (3) of subsection (b) of section 10-287 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2021):

(3) (A) All orders and contracts for construction management services shall be awarded from a pool of not more than the four most responsible
qualified proposers after a public selection process. Such process shall,
at a minimum, involve requests for qualifications, followed by requests
for proposals, including fees, from the proposers meeting the
qualifications criteria of the request for qualifications process. Public
advertisements shall be required in a newspaper having circulation in
the town in which construction is to take place, except for school
building projects for which the town or regional school district is using
a state contract pursuant to subsection (d) of section 10-292. Following
the qualification process, the awarding authority shall evaluate the
proposals to determine the four most responsible qualified proposers
using those criteria previously listed in the requests for qualifications
and requests for proposals for selecting construction management
services specific to the project or school district. Such evaluation criteria
shall include due consideration of the proposer's pricing for the project,
experience with work of similar size and scope as required for the order
or contract, organizational and team structure for the order or contract,
past performance data, including, but not limited to, adherence to
project schedules and project budgets and the number of change orders
for projects, the approach to the work required for the order or contract,
including on and after July 1, [2021] 2022, whether the proposer intends
to self-perform any project element and the benefit to the awarding
authority that will result from such self-performance, and documented
contract oversight capabilities, and may include criteria specific to the
project. Final selection by the awarding authority is limited to the pool
of the four most responsible qualified proposers and shall include
consideration of all criteria included within the request for proposals.

As used in this subdivision, "most responsible qualified proposer"
means the proposer who is qualified by the awarding authority when
considering price and the factors necessary for faithful performance of
the work based on the criteria and scope of work included in the request
for proposals.

(B) On and after July 1, [2021] 2022, upon the written approval of the
Commissioner of Administrative Services, an awarding authority may
permit a construction manager to self-perform a portion of the construction work if the awarding authority and the commissioner determine that the construction manager can self-perform the work more cost-effectively than a subcontractor. All work not performed by the construction manager shall be performed by trade subcontractors selected by a process approved by the awarding authority and the commissioner. The construction manager's contract shall include a guaranteed maximum price for the cost of construction. Such guaranteed maximum price shall be determined not later than ninety days after the selection of the trade subcontractors. Construction shall not begin prior to the determination of the guaranteed maximum price, except work relating to site preparation and demolition may commence prior to such determination.
