Re: S.B. No. 127: An Act Concerning the Sale of Electric Vehicles in the State

Dear Representative Lemar, Senator Cassano, Senator Somers, Representative Carney and Members of the Transportation Committee:

I am writing in support of S.B. No. 127: An Act Concerning the Sale of Electric Vehicles in the State. The Town of North Stonington has begun to investigate the benefits of owning an Electric Vehicle and have even recently received a grant to procure one. We recognize this is the direction transportation is heading. Connecticut needs to be more proactive in this migration to EV vehicle sales and this bill will help us move in that direction. It will be important there is a competitive marketplace offering these vehicles.

Sincerely,

Mike Urgo
First Selectman
