Sec. 3. (*Effective July 1, 2021*) All provisions of section 3-20 of the general statutes or the exercise of any right or power granted thereby which are not inconsistent with the provisions of sections 1 to 7, inclusive, of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to sections 1 to 7, inclusive, of this act, and temporary notes issued in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds.

Sec. 4. (*Effective July 1, 2021*) None of the bonds described in sections 1 to 7, inclusive, of this act, shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

Sec. 5. (*Effective July 1, 2021*) For the purposes of sections 1 to 7, inclusive, of this act, "state moneys" means the proceeds of the sale of bonds authorized pursuant to said sections 1 to 7, inclusive, or of temporary notes issued in anticipation of the moneys to be derived from the sale of such bonds. Each request filed as provided in section 4 of this act for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and expended and, in

**House Bill No. 6690**

addition to any terms and conditions required pursuant to said section 4, shall include the recommendation of the person signing such request as to the extent to which federal, private or other moneys then available or thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available hereunder for such project. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, such amount of such federal, private or other moneys then available, or thereafter to be made available for costs in connection with such project, may be added to any state moneys available or becoming available hereunder for such project and shall be used for such project. Any other federal, private or other moneys then available or thereafter to be made available for costs in connection with such project shall, upon receipt, be used by the State Treasurer, in conformity with applicable federal and state law, to meet the principal of outstanding bonds issued pursuant to sections 1 to 7, inclusive, of this act, or to meet the principal of temporary notes issued in anticipation of the money to be derived from the sale of bonds theretofore authorized pursuant to said sections 1 to 7, inclusive, for the purpose of financing such costs, either by purchase or redemption and cancellation of such bonds or notes or by payment thereof at maturity. Whenever any of the federal, private or other moneys so received with respect to such project are used to meet the principal of such temporary notes or whenever principal of any such temporary notes is retired by application of revenue receipts of the state, the amount of bonds theretofore authorized in anticipation of which such temporary notes were issued, and the aggregate amount of bonds which may be authorized pursuant to section 1 of this act, shall each be reduced by the amount of the principal so met or retired. Pending use of the federal, private or other moneys so received to meet principal as hereinabove directed, the amount thereof may be invested by the State Treasurer in bonds or obligations of, or guaranteed by, the

**House Bill No. 6690**

state or the United States or agencies or instrumentalities of the United States, shall be deemed to be part of the debt retirement funds of the state, and net earnings on such investments shall be used in the same manner as the moneys so invested.

Sec. 6. (*Effective July 1, 2021*) Any balance of proceeds of the sale of said bonds authorized for any project described in section 2 of this act in excess of the cost of such project may be used to complete any other project described in said section 2, if the State Bond Commission shall so determine and direct. Any balance of proceeds of the sale of said bonds in excess of the costs of all the projects described in said section 2 shall be deposited to the credit of the General Fund.

Sec. 7. (*Effective July 1, 2021*) The bonds issued pursuant to this section and sections 1 to 6, inclusive, of this act, shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 8. (*Effective July 1, 2021*) The State Bond Commission shall have power, in accordance with the provisions of this section and sections 9 and 10 of this act, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding \$100,000,000.

Sec. 9. (*Effective July 1, 2021*) The proceeds of the sale of bonds described in sections 8 to 11, inclusive, of this act shall be used by the Department of Housing for the purposes hereinafter stated: Housing development and rehabilitation, including moderate cost housing, moderate rental, congregate and elderly housing, urban homesteading,

**House Bill No. 6690**

community housing development corporations, housing purchase and rehabilitation, housing for the homeless, housing for low-income persons, limited equity cooperatives and mutual housing projects, abatement of hazardous material including asbestos and lead-based paint in residential structures, emergency repair assistance for senior citizens, housing land bank and land trust, housing and community development, predevelopment grants and loans, reimbursement for state and federal surplus property, private rental investment mortgage and equity program, housing infrastructure, demolition, renovation or redevelopment of vacant buildings or related infrastructure, septic system repair loan program, acquisition and related rehabilitation including loan guarantees for private developers of rental housing for the elderly, projects under the program established in section 8-37pp of the general statutes, and participation in federal programs, including administrative expenses associated with those programs eligible under the general statutes, not exceeding \$100,000,000, provided not more than \$30,000,000 shall be used for revitalization of state moderate rental housing units on the Connecticut Housing Finance Authority's State Housing Portfolio.

Sec. 10. (*Effective July 1, 2021*) None of the bonds described in sections 8 to 11, inclusive, of this act shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

Sec. 11. (*Effective July 1, 2021*) All provisions of section 3-20 of the general statutes, or the exercise of any right or power granted thereby which are not inconsistent with the provisions of this section and sections 8 to 10, inclusive, of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to this

**House Bill No. 6690**

section and sections 8 to 10, inclusive, of this act and temporary notes in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds. Such bonds issued pursuant to section 8 of this act shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on such bonds as the same become due, and accordingly and as part of the contract of the state with the holders of such bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 12. (*Effective July 1, 2021*) The State Bond Commission shall have power, in accordance with the provisions of this section and sections 13 to 19, inclusive, of this act, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding \$304,150,000.

facilities, not exceeding \$2,000,000.

Sec. 22. (*Effective July 1, 2022*) All provisions of section 3-20 of the general statutes or the exercise of any right or power granted thereby which are not inconsistent with the provisions of sections 20 to 26, inclusive, of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to sections 20 to 26, inclusive, of this act, and temporary notes issued in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds.

Sec. 23. (*Effective July 1, 2022*) None of the bonds described in sections 20 to 26, inclusive, of this act, shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

Sec. 24. (*Effective July 1, 2022*) For the purposes of sections 20 to 26, inclusive, of this act, "state moneys" means the proceeds of the sale of bonds authorized pursuant to said sections 20 to 26, inclusive, or of temporary notes issued in anticipation of the moneys to be derived from the sale of such bonds. Each request filed as provided in section 23 of this act for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and expended and, in addition to any terms and conditions required pursuant to said section 23, shall include the recommendation of the person signing such request as to the extent to which federal, private or other moneys then available or thereafter to be made available for costs in connection with

**House Bill No. 6690**

any such project should be added to the state moneys available or becoming available hereunder for such project. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, such amount of such federal, private or other moneys then available, or thereafter to be made available for costs in connection with such project, may be added to any state moneys available or becoming available hereunder for such project and shall be used for such project. Any other federal, private or other moneys then available or thereafter to be made available for costs in connection with such project shall, upon receipt, be used by the State Treasurer, in conformity with applicable federal and state law, to meet the principal of outstanding bonds issued pursuant to sections 20 to 26, inclusive, of this act, or to meet the principal of temporary notes issued in anticipation of the money to be derived from the sale of bonds theretofore authorized pursuant to said sections 20 to 26, inclusive, for the purpose of financing such costs, either by purchase or redemption and cancellation of such bonds or notes or by payment thereof at maturity. Whenever any of the federal, private or other moneys so received with respect to such project are used to meet the principal of such temporary notes or whenever principal of any such temporary notes is retired by application of revenue receipts of the state, the amount of bonds theretofore authorized in anticipation of which such temporary notes were issued, and the aggregate amount of bonds which may be authorized pursuant to section 20 of this act, shall each be reduced by the amount of the principal so met or retired. Pending use of the federal, private or other moneys so received to meet principal as hereinabove directed, the amount thereof may be invested by the State Treasurer in bonds or obligations of, or guaranteed by, the state or the United States or agencies or instrumentalities of the United States, shall be deemed to be part of the debt retirement funds of the state, and net earnings on such investments shall be used in the same manner as the moneys so

**House Bill No. 6690**

invested.

Sec. 25. (*Effective July 1, 2022*) Any balance of proceeds of the sale of said bonds authorized for any project described in section 21 of this act in excess of the cost of such project may be used to complete any other project described in said section 21, if the State Bond Commission shall so determine and direct. Any balance of proceeds of the sale of said bonds in excess of the costs of all the projects described in said section 21 shall be deposited to the credit of the General Fund.

Sec. 26. (*Effective July 1, 2022*) The bonds issued pursuant to this section and sections 20 to 25, inclusive, of this act, shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 27. (*Effective July 1, 2022*) The State Bond Commission shall have power, in accordance with the provisions of this section and sections 28 and 29 of this act, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding \$100,000,000.

Sec. 28. (*Effective July 1, 2022*) The proceeds of the sale of bonds described in sections 27 to 30, inclusive, of this act shall be used by the Department of Housing for the purposes hereinafter stated: Housing development and rehabilitation, including moderate cost housing, moderate rental, congregate and elderly housing, urban homesteading, community housing development corporations, housing purchase and rehabilitation, housing for the homeless, housing for low-income persons, limited equity cooperatives and mutual housing projects,

abatement of hazardous material including asbestos and lead-based paint in residential structures, emergency repair assistance for senior citizens, housing land bank and land trust, housing and community development, predevelopment grants and loans, reimbursement for state and federal surplus property, private rental investment mortgage and equity program, housing infrastructure, demolition, renovation or redevelopment of vacant buildings or related infrastructure, septic system repair loan program, acquisition and related rehabilitation including loan guarantees for private developers of rental housing for the elderly, projects under the program established in section 8-37pp of the general statutes, and participation in federal programs, including administrative expenses associated with those programs eligible under the general statutes, not exceeding \$100,000,000, provided not more than \$30,000,000 shall be used for revitalization of state moderate rental housing units on the Connecticut Housing Finance Authority's State Housing Portfolio.

Sec. 29. (*Effective July 1, 2022*) None of the bonds described in sections 27 to 30, inclusive, of this act shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

Sec. 30. (*Effective July 1, 2022*) All provisions of section 3-20 of the general statutes, or the exercise of any right or power granted thereby which are not inconsistent with the provisions of this section and sections 27 to 29, inclusive, of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to this section and sections 27 to 29, inclusive, of this act and temporary notes in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section 3-20

**House Bill No. 6690**

and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds. Such bonds issued pursuant to section 27 of this act shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on such bonds as the same become due, and accordingly and as part of the contract of the state with the holders of such bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 31. (*Effective July 1, 2022*) The State Bond Commission shall have power, in accordance with the provisions of this section and sections 32 to 38, inclusive, of this act, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding \$263,550,000.

Sec. 32. (*Effective July 1, 2022*) The proceeds of the sale of the bonds described in sections 31 to 38, inclusive, of this act shall be used for the purpose of providing grants-in-aid and other financing for the projects, programs and purposes hereinafter stated:

Sec. 33. (*Effective July 1, 2022*) All provisions of section 3-20 of the general statutes or the exercise of any right or power granted thereby which are not inconsistent with the provisions of sections 31 to 38, inclusive, of this act are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to sections 31 to 38, inclusive, of this act, and temporary notes issued in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said sections 31 to 38, inclusive, and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds.

Sec. 34. (*Effective July 1, 2022*) None of the bonds described in sections 31 to 38, inclusive, of this act shall be authorized except upon a finding

**House Bill No. 6690**

by the State Bond Commission that there has been filed with it a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require.

Sec. 35. (*Effective July 1, 2022*) For the purposes of sections 31 to 38, inclusive, of this act, "state moneys" means the proceeds of the sale of bonds authorized pursuant to said sections 31 to 38, inclusive, or of temporary notes issued in anticipation of the moneys to be derived from the sale of such bonds. Each request filed as provided in section 34 of this act for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and expended and, in addition to any terms and conditions required pursuant to said section 34, include the recommendation of the person signing such request as to the extent to which federal, private or other moneys then available or thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available under said sections 31 to 38, inclusive, for such project. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, such amount of such federal, private or other moneys then available or thereafter to be made available for costs in connection with such project may be added to any state moneys available or becoming available hereunder for such project and be used for such project. Any other federal, private or other moneys then available or thereafter to be made available for costs in connection with such project upon receipt shall, in conformity with applicable federal and state law, be used by the State Treasurer to meet the principal of outstanding bonds issued pursuant to said sections 31 to 38, inclusive, or to meet the principal of temporary notes issued in anticipation of the money to be derived from the sale of bonds

**House Bill No. 6690**

theretofore authorized pursuant to said sections 31 to 38, inclusive, for the purpose of financing such costs, either by purchase or redemption and cancellation of such bonds or notes or by payment thereof at maturity. Whenever any of the federal, private or other moneys so received with respect to such project are used to meet the principal of such temporary notes or whenever the principal of any such temporary notes is retired by application of revenue receipts of the state, the amount of bonds theretofore authorized in anticipation of which such temporary notes were issued, and the aggregate amount of bonds which may be authorized pursuant to section 31 of this act shall each be reduced by the amount of the principal so met or retired. Pending use of the federal, private or other moneys so received to meet the principal as directed in this section, the amount thereof may be invested by the State Treasurer in bonds or obligations of, or guaranteed by, the state or the United States or agencies or instrumentalities of the United States, shall be deemed to be part of the debt retirement funds of the state, and net earnings on such investments shall be used in the same manner as the moneys so invested.

Sec. 36. (*Effective July 1, 2022*) The bonds issued pursuant to sections 31 to 38, inclusive, of this act shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 37. (*Effective July 1, 2022*) In accordance with section 32 of this act, the state, through the state agencies specified in said section 32, may provide grants-in-aid and other financings to or for the agencies for the purposes and projects as described in said section 32. All financing shall

**House Bill No. 6690**

be made in accordance with the terms of a contract at such time or times as shall be determined within authorization of funds by the State Bond Commission.

Sec. 38. (*Effective July 1, 2022*) In the case of any grant-in-aid made pursuant to subsection (b), (c), (d), (e), (f) or (g) of section 32 of this act that is made to any entity which is not a political subdivision of the state, the contract entered into pursuant to section 32 of this act shall provide that if the premises for which such grant-in-aid was made ceases, within ten years of the date of such grant, to be used as a facility for which such grant was made, an amount equal to the amount of such grant, minus ten per cent per year for each full year which has elapsed since the date of such grant, shall be repaid to the state and that a lien shall be placed on such land in favor of the state to ensure that such amount shall be repaid in the event of such change in use, provided if the premises for which such grant-in-aid was made are owned by the state, a municipality or a housing authority, no lien need be placed.

Sec. 39. (*Effective July 1, 2021*) The State Bond Commission shall have power, in accordance with the provisions of this section and sections 40 to 44, inclusive, of this act, from time to time to authorize the issuance of special tax obligation bonds of the state in one or more series and in principal amounts in the aggregate, not exceeding \$836,910,000.

Sec. 40. (*Effective July 1, 2021*) The proceeds of the sale of bonds described in sections 39 to 44, inclusive, of this act, to the extent hereinafter stated, shall be used for the purpose of payment of the transportation costs, as defined in subdivision (6) of section 13b-75 of the general statutes, with respect to the projects and uses hereinafter described, which projects and uses are hereby found and determined to be in furtherance of one or more of the authorized purposes for the issuance of special tax obligation bonds set forth in section 13b-74 of the general statutes. (c) For the Bureau of Administration: Department facilities, not exceeding \$68,945,000.

Sec. 41. (*Effective July 1, 2021*) None of the bonds described in sections 39 to 44, inclusive, of this act shall be authorized except upon a finding by the State Bond Commission that there has been filed with it (1) a request for such authorization, which is signed by the Secretary of the Office of Policy and Management or by or on behalf of such state officer, department or agency and stating such terms and conditions as said commission, in its discretion, may require, and (2) any capital development impact statement and any human services facility colocation statement required to be filed with the Secretary of the Office of Policy and Management pursuant to section 4b-31 of the general statutes, any advisory report regarding the state conservation and development policies plan required pursuant to section 16a-31 of the general statutes and any statement regarding farmland required pursuant to subsection (g) of section 3-20 of the general statutes and section 22-6 of the general statutes, provided the State Bond Commission may authorize said bonds without a finding that the reports and statements required by subdivision (2) of this section have been filed with it if said commission authorizes the secretary of said commission to accept such reports and statements on its behalf. No funds derived from the sale of bonds authorized by said commission without a finding that the reports and statements required by subdivision (2) of this section have been filed with it shall be allotted by the Governor for any project until the reports and statements required by subdivision (2) of this section, with respect to such project, have been

**House Bill No. 6690**

filed with the secretary of said commission.

Sec. 42. (*Effective July 1, 2021*) For the purposes of sections 39 to 44, inclusive, of this act, each request filed, as provided in section 41 of this act, for an authorization of bonds shall identify the project for which the proceeds of the sale of such bonds are to be used and expended and, in addition to any terms and conditions required pursuant to said section 41, include the recommendation of the person signing such request as to the extent to which federal, private or other moneys then available or thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available from the proceeds of bonds and temporary notes issued in anticipation of the receipt of the proceeds of bonds. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, such amount of such federal, private or other moneys then available or thereafter to be made available for costs in connection with such project shall be added to such state moneys.

Sec. 43. (*Effective July 1, 2021*) Any balance of proceeds of the sale of bonds authorized for the projects or purposes of section 40 of this act, in excess of the aggregate costs of all the projects so authorized, shall be used in the manner set forth in sections 13b-74 to 13b-77, inclusive, of the general statutes, and in the proceedings of the State Bond Commission respecting the issuance and sale of said bonds.

Sec. 44. (*Effective July 1, 2021*) Bonds issued pursuant to this section and sections 39 to 43, inclusive, of this act shall be special obligations of the state and shall not be payable from or charged upon any funds other than revenues of the state pledged therefor in subsection (b) of section 13b-61 of the general statutes and section 13b-61a of the general statutes, or such other receipts, funds or moneys as may be pledged therefor. Said bonds shall not be payable from or charged upon any funds other than

**House Bill No. 6690**

such pledged revenues or such other receipts, funds or moneys as may be pledged therefor, nor shall the state or any political subdivision thereof be subject to any liability thereon, except to the extent of such pledged revenues or such other receipts, funds or moneys as may be pledged therefor. Said bonds shall be issued under and in accordance with the provisions of sections 13b-74 to 13b-77, inclusive, of the general statutes.

thereafter to be made available for costs in connection with any such project should be added to the state moneys available or becoming available from the proceeds of bonds and temporary notes issued in anticipation of the receipt of the proceeds of bonds. If the request includes a recommendation that some amount of such federal, private or other moneys should be added to such state moneys, then, if and to the extent directed by the State Bond Commission at the time of authorization of such bonds, such amount of such federal, private or other moneys then available or thereafter to be made available for costs in connection with such project shall be added to such state moneys.

Sec. 49. (*Effective July 1, 2022*) Any balance of proceeds of the sale of the bonds authorized for the projects or purposes of section 46 of this act, in excess of the aggregate costs of all the projects so authorized, shall be used in the manner set forth in sections 13b-74 to 13b-77, inclusive, of the general statutes, and in the proceedings of the State Bond Commission respecting the issuance and sale of said bonds.

Sec. 50. (*Effective July 1, 2022*) Bonds issued pursuant to this section and sections 45 to 49, inclusive, of this act, shall be special obligations of the state and shall not be payable from or charged upon any funds other than revenues of the state pledged therefor in subsection (b) of section 13b-61 of the general statutes and section 13b-61a of the general statutes, or such other receipts, funds or moneys as may be pledged therefor. Said bonds shall not be payable from or charged upon any funds other than such pledged revenues or such other receipts, funds or moneys as may be pledged therefor, nor shall the state or any political subdivision thereof be subject to any liability thereon, except to the extent of such pledged revenues or such other receipts, funds or moneys as may be pledged therefor. Said bonds shall be issued under and in accordance with the provisions of sections 13b-74 to 13b-77, inclusive, of the general statutes.

Sec. 51. Subsections (a) and (b) of section 4-66c of the general statutes

such bonds so authorized may be issued in accordance with said section 3-20 and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds. None of said bonds shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization which is signed by or on behalf of the Secretary of the Office of Policy and Management and states such terms and conditions as said commission, in its discretion, may require. Said bonds issued pursuant to this section shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 59. Subsection (a) of section 22a-483 of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(a) For the purposes of sections 22a-475 to 22a-483, inclusive, the State Bond Commission shall have the power, from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts, not exceeding in the aggregate [~~one billion eight hundred sixty-five million one hundred twenty-five thousand nine hundred seventy-six~~] two billion sixty-five million one hundred twenty-five thousand nine hundred seventy-six dollars, provided [~~seventy-five~~] one hundred million dollars of said authorization shall be effective July 1, [~~2020~~] 2022.

Sec. 60. Subsection (d) of section 22a-483 of the general statutes is

**House Bill No. 6690**

repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(d) Notwithstanding the foregoing, nothing herein shall preclude the State Bond Commission from authorizing the issuance of revenue bonds, in principal amounts not exceeding in the aggregate [three billion nine hundred sixty-eight million eighty thousand] four billion four hundred eighty-six million eighty thousand dollars, provided [three hundred fifty million three hundred thousand] two hundred thirty-seven million dollars of said authorization shall be effective July 1, [2018] 2022, that are not general obligations of the state of Connecticut to which the full faith and credit of the state of Connecticut are pledged for the payment of the principal and interest. Such revenue bonds shall mature at such time or times not exceeding thirty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such revenue bonds. The revenue bonds, revenue state bond anticipation notes and revenue state grant anticipation notes authorized to be issued under sections 22a-475 to 22a-483, inclusive, shall be special obligations of the state and shall not be payable from nor charged upon any funds other than the revenues or other receipts, funds or moneys pledged therefor as provided in said sections 22a-475 to 22a-483, inclusive, including the repayment of municipal loan obligations; nor shall the state or any political subdivision thereof be subject to any liability thereon except to the extent of such pledged revenues or the receipts, funds or moneys pledged therefor as provided in said sections 22a-475 to 22a-483, inclusive. The issuance of revenue bonds, revenue state bond anticipation notes and revenue state grant anticipation notes under the provisions of said sections 22a-475 to 22a-483, inclusive, shall not directly or indirectly or contingently obligate the state or any political subdivision thereof to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment. The revenue bonds, revenue state bond anticipation notes and revenue state grant

**House Bill No. 6690**

anticipation notes shall not constitute a charge, lien or encumbrance, legal or equitable, upon any property of the state or of any political subdivision thereof, except the property mortgaged or otherwise encumbered under the provisions and for the purposes of said sections 22a-475 to 22a-483, inclusive. The substance of such limitation shall be plainly stated on the face of each revenue bond, revenue state bond anticipation note and revenue state grant anticipation note issued pursuant to said sections 22a-475 to 22a-483, inclusive, shall not be subject to any statutory limitation on the indebtedness of the state and such revenue bonds, revenue state bond anticipation notes and revenue state grant anticipation notes, when issued, shall not be included in computing the aggregate indebtedness of the state in respect to and to the extent of any such limitation. As part of the contract of the state with the owners of such revenue bonds, revenue state bond anticipation notes and revenue state grant anticipation notes, all amounts necessary for the punctual payment of the debt service requirements with respect to such revenue bonds, revenue state bond anticipation notes and revenue state grant anticipation notes shall be deemed appropriated, but only from the sources pledged pursuant to said sections 22a-475 to 22a-483, inclusive. The proceeds of such revenue bonds or notes may be deposited in the Clean Water Fund for use in accordance with the permitted uses of such fund. Any expense incurred in connection with the carrying out of the provisions of this section, including the costs of issuance of revenue bonds, revenue state bond anticipation notes and revenue state grant anticipation notes may be paid from the accrued interest and premiums or from any other proceeds of the sale of such revenue bonds, revenue state bond anticipation notes or revenue state grant anticipation notes and in the same manner as other obligations of the state. All provisions of subsections (g), (k), (l), (s) and (u) of section 3-20 or the exercise of any right or power granted thereby which are not inconsistent with the provisions of said sections 22a-475 to 22a-483, inclusive, are hereby adopted and shall apply to all revenue bonds, state revenue bond anticipation notes and state revenue grant anticipation

violent act.

[(2) If the aggregate dollar amount for the grants approved by the commissioner pursuant to subdivision (1) of this subsection is less than five million dollars, any eligible nonprofit organization applicant that owns an eligible nonprofit organization applicant building may apply, at such time and in such manner as the commissioner prescribes, to the department for a grant for eligible expenses for eligible nonprofit organization buildings incurred on or after February 1, 2021, for the purposes described in subsection (c) of this section. The commissioner shall require all eligible nonprofit organization applicants to submit information to the department to demonstrate that such eligible nonprofit organization applicant is at a heightened risk of being the target of a terrorist attack, hate crime or violent act. The commissioner shall evaluate such information based on neutral criteria applied equally to all eligible nonprofit organization applicants. The commissioner shall determine which expenses are eligible under the program and whether to approve or deny an application in accordance with the eligible nonprofit organization building security infrastructure criteria developed pursuant to subdivision (1) of subsection (b) of this section and upon a determination that the eligible nonprofit organization applicant is at a heightened risk of being the target of a terrorist attack, hate crime or violent act.]

Sec. 91. Subsection (a) of section 29-1cc of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(a) For the purposes described in subsection (b) of this section, the State Bond Commission shall have the power from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts not exceeding in the aggregate [five] twenty million dollars, provided five million dollars of said authorization shall be effective July 1, 2022.

**House Bill No. 6690**

Sec. 92. (*Effective July 1, 2021*) (a) For the purposes described in subsection (b) of this section, the State Bond Commission shall have the power from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts not exceeding in the aggregate sixty-four million two hundred thousand dollars, provided (1) two hundred thousand dollars of such authorization shall be effective July 1, 2021, (2) thirteen million five hundred thousand dollars of such authorization shall be effective July 1, 2022, (3) twenty-three million five hundred thousand dollars of such authorization shall be effective July 1, 2023, (4) thirteen million five hundred thousand dollars of such authorization shall be effective July 1, 2024, and (5) thirteen million five hundred thousand dollars of such authorization shall be effective July 1, 2025.

(b) The proceeds of the sale of such bonds, to the extent of the amount stated in subsection (a) of this section, shall be used by CTNext for the purpose of recapitalizing the innovation place program established under section 32-39k of the general statutes for existing and new innovation places, provided (1) two hundred thousand dollars shall be used for an economic feasibility study of certain lands in Trumbull in the fiscal year commencing July 1, 2021, and (2) ten million dollars shall be deposited in the fiscal year commencing July 1, 2023, in the CTNext Fund established under section 32-39i of the general statutes for general operational purposes.

(c) All provisions of section 3-20 of the general statutes, or the exercise of any right or power granted thereby, that are not inconsistent with the provisions of this section are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to this section. Temporary notes in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with section 3-20 of the general statutes and from time to time renewed. Such bonds shall mature at such time or times not

Sec. 99. Section 10a-104c of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(a) The Board of Trustees of The University of Connecticut shall develop, continuously maintain and revise from time to time a program to facilitate the recruitment of eminent faculty and their research staffs to the university. Such program shall support economic development in the state through faculty research and promote core sectors of the state economy by accelerating the pace of applied research and development. Such program shall supplement the compensation of such faculty and related costs of personnel and materials needed to secure such faculty for the university. Eligibility shall be limited to individuals who have demonstrated excellence in their field of research and have an interest in working collaboratively on research that meets societal needs or commercialization of discoveries, innovations or technologies.

(b) Not later than April 1, 2020, and biennially thereafter, said board shall develop a plan for the recruitment and hiring of research faculty, including those whose research is focused on societal needs or can be commercialized. Such plan shall outline the operating and capital costs

**House Bill No. 6690**

associated with the plan and include recruitment and hiring goals.

(c) (1) The Board of Trustees of The University of Connecticut shall commence a research faculty recruitment and hiring program in accordance with the plan submitted pursuant to subsection (b) of this section. Such program shall be used (A) to hire faculty who meet the qualifications specified in subsection (a) of this section and who will assist the university in achieving the goals and requirements set forth in said subsection, and (B) to support the compensation of such faculty and related construction, renovation and equipment costs.

(2) Under such program, the university shall encourage and facilitate the creation of new business ventures in the state that fuel economic growth and shall provide resources for proof of concept, technology maturation, early-stage and later-stage venture capital funding and other measures that encourage expansion of the university's entrepreneurial ecosystem.

(d) The president of The University of Connecticut shall submit an annual report, in accordance with the provisions of section 11-4a, on the university's progress in meeting [such] hiring goals under this section and the implementation of the program under subsection (c) of this section to the joint standing committees of the General Assembly having cognizance of matters relating to higher education and finance, revenue and bonding.

Sec. 100. (*Effective July 1, 2021*) (a) For the purposes described in subsection (b) of this section, the State Bond Commission shall have the power from time to time to authorize the issuance of bonds of the state in one or more series and in principal amounts not exceeding in the aggregate forty-six million one hundred thousand dollars, provided (1) six million four hundred sixty thousand dollars of such authorization shall be effective July 1, 2021, (2) eleven million seven hundred twenty-nine thousand two hundred dollars of such authorization shall be

**House Bill No. 6690**

effective July 1, 2022, (3) fourteen million four hundred eighty-nine thousand two hundred dollars of such authorization shall be effective July 1, 2023, (4) nine million two hundred twenty thousand dollars of such authorization shall be effective July 1, 2024, and (5) four million two hundred one thousand six hundred dollars shall be effective July 1, 2025.

(b) The proceeds of the sale of such bonds, to the extent of the amount stated in subsection (a) of this section, shall be used by the Board of Trustees of The University of Connecticut for the purposes of subsection (c) of section 10a-104c of the general statutes.

(c) All provisions of section 3-20 of the general statutes, or the exercise of any right or power granted thereby, that are not inconsistent with the provisions of this section are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to this section. Temporary notes in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with section 3-20 of the general statutes and from time to time renewed. Such bonds shall mature at such time or times not exceeding twenty years from their respective dates as may be provided in or pursuant to the resolution or resolutions of the State Bond Commission authorizing such bonds. None of such bonds shall be authorized except upon a finding by the State Bond Commission that there has been filed with it a request for such authorization that is signed by or on behalf of the Secretary of the Office of Policy and Management and states such terms and conditions as said commission, in its discretion, may require. Such bonds issued pursuant to this section shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on such bonds as the same become due, and accordingly and as part of the contract of the state with the holders of such bonds, appropriation of all amounts necessary for punctual payment of such

**House Bill No. 6690**

principal and interest is hereby made, and the State Treasurer shall pay such principal and interest as the same become due.

Sec. 101. (*Effective from passage*) The Commissioner of Energy and Environmental Protection shall pay from the grants-in-aid authorized in section 4-66c of the general statutes the amount of one hundred fifty thousand dollars to the town of Brooklyn for the purpose of reimbursing the town for improvements at Riverside Park.

Sec. 102. (NEW) (*Effective from passage*) (a) The State Bond Commission shall authorize the issuance of bonds of the state, in accordance with the provisions of section 3-20 of the general statutes, in principal amounts not exceeding in the aggregate twenty-five million dollars for the Connecticut Port Authority established pursuant to section 15-31a of the general statutes. The amount authorized for the issuance and sale of such bonds in each of the following fiscal years shall not exceed the following corresponding amount for each such fiscal year, provided, to the extent the authority does not provide for the use of all or a portion of such amount in any such fiscal year, such amount not provided for shall be carried forward and added to the authorized amount for the next succeeding fiscal year, and, provided further, the costs of issuance and capitalized interest, if any, may be added to the capped amount in each fiscal year, and each of the authorized amounts shall be effective on July first of the fiscal year indicated as follows:

Fiscal Year Ending June Thirtieth	Amount
2022	\$5,000,000
2023	5,000,000
2024	5,000,000
2025	5,000,000

**House Bill No. 6690**

2026	5,000,000
Total	\$25,000,000

(b) The State Bond Commission shall approve a memorandum of understanding between the Connecticut Port Authority and the state, acting by and through the Secretary of the Office of Policy and Management and the Treasurer, providing for the issuance of said bonds for the purposes of projects undertaken by the Connecticut Port Authority regarding ports not located in the towns of New Haven, New London or Bridgeport, including provisions regarding the extent to which federal, private or other moneys then available or thereafter to be made available for costs should be added to the proceeds of the bonds authorized pursuant to this section for such projects. The memorandum of understanding shall be deemed to satisfy the provisions of section 3-20 of the general statutes and the exercise of any right or power granted thereby that is not inconsistent with the provisions of this section.

(c) All provisions of section 3-20 of the general statutes, or the exercise of any right or power granted thereby, that are not inconsistent with the provisions of this section are hereby adopted and shall apply to all bonds authorized by the State Bond Commission pursuant to this section. Temporary notes in anticipation of the money to be derived from the sale of any such bonds so authorized may be issued in accordance with said section, and from time to time renewed. All bonds issued pursuant to this section shall be general obligations of the state and the full faith and credit of the state of Connecticut are pledged for the payment of the principal of and interest on said bonds as the same become due, and accordingly and as part of the contract of the state with the holders of said bonds, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the Treasurer shall pay such principal and interest as the same become due.

**House Bill No. 6690**

(d) Subject to the amount of limitations of the capping provisions in subsection (a) of this section, the principal amount of the bonds authorized under this section shall be deemed to be an appropriation and allocation of such amount, and such approval of such request shall be deemed the allotment by the Governor of such capital outlays within the meaning of section 4-85 of the general statutes.

Sec. 103. (NEW) (*Effective July 1, 2021*) As used in this section and sections 104 to 110, inclusive, of this act:

(1) "Designated beneficiary" means an individual born on or after July 1, 2021, whose birth was subject to medical coverage provided under HUSKY Health, as defined in section 17b-290 of the general statutes;

(2) "Eligible expenditure" means an expenditure associated with any of the following, each as prescribed by the Treasurer: (A) Education of a designated beneficiary; (B) purchase of a home in Connecticut by a designated beneficiary; (C) investment in a business in Connecticut by a designated beneficiary; or (D) any investment in financial assets or personal capital that provides long-term gains to wages or wealth; and

(3) "Trust" means the Connecticut Baby Bond Trust.

Sec. 104. (NEW) (*Effective July 1, 2021*) (a) There is established the Connecticut Baby Bond Trust. The trust shall constitute an instrumentality of the state and shall perform essential governmental functions as provided in sections 103 to 110, inclusive, of this act. The trust shall receive and hold all payments and deposits or contributions intended for the trust, as well as gifts, bequests, endowments or federal, state or local grants and any other funds from any public or private source and all earnings until disbursed in accordance with section 109 of this act.

(b) The amounts on deposit in the trust shall not constitute property of the state and the trust shall not be construed to be a department,

**House Bill No. 6690**

institution or agency of the state. Amounts on deposit in the trust shall not be commingled with state funds and the state shall have no claim to or against, or interest in, such funds. Any contract entered into by or any obligation of the trust shall not constitute a debt or obligation of the state and the state shall have no obligation to any designated beneficiary or any other person on account of the trust and all amounts obligated to be paid from the trust shall be limited to amounts available for such obligation on deposit in the trust. The amounts on deposit in the trust may only be disbursed in accordance with the provisions of section 109 of this act. The trust shall continue in existence as long as it holds any deposits or has any obligations and until its existence is terminated by law and upon termination any unclaimed assets shall return to the state. Property of the trust shall be governed by section 3-61a of the general statutes.

(c) The Treasurer shall be responsible for the receipt, maintenance, administration, investing and disbursements of amounts from the trust. The trust shall not receive deposits in any form other than cash.

Sec. 105. (NEW) (*Effective July 1, 2021*) The Treasurer, on behalf of the trust and for purposes of the trust, may:

(1) Receive and invest moneys in the trust in any instruments, obligations, securities or property in accordance with section 106 of this act;

(2) Enter into one or more contractual agreements, including contracts for legal, actuarial, accounting, custodial, advisory, management, administrative, advertising, marketing and consulting services for the trust and pay for such services from the assets of the trust;

(3) Procure insurance in connection with the trust's property, assets, activities or deposits to the trust;

**House Bill No. 6690**

(4) Apply for, accept and expend gifts, grants or donations from public or private sources to enable the trust to carry out its objectives;

(5) Adopt regulations in accordance with chapter 54 of the general statutes for purposes of this act;

(6) Sue and be sued;

(7) Establish one or more funds within the trust; and

(8) Take any other action necessary to carry out the purposes of this act, and incidental to the duties imposed on the Treasurer pursuant to this act.

Sec. 106. (NEW) (*Effective July 1, 2021*) Notwithstanding the provisions of sections 3-13 to 3-13h, inclusive, of the general statutes, the Treasurer shall invest the amounts on deposit in the trust in a manner reasonable and appropriate to achieve the objectives of the trust, exercising the discretion and care of a prudent person in similar circumstances with similar objectives. The Treasurer shall give due consideration to rate of return, risk, term or maturity, diversification of the total portfolio within the trust, liquidity, the projected disbursements and expenditures and the expected payments, deposits, contributions and gifts to be received. The Treasurer shall not require the trust to invest directly in obligations of the state or any political subdivision of the state or in any investment or other fund administered by the Treasurer. The assets of the trust shall be continuously invested and reinvested in a manner consistent with the objectives of the trust until disbursed for eligible expenditures or expended on expenses incurred by the operations of the trust.

Sec. 107. (NEW) (*Effective July 1, 2021*) The property of the trust and the earnings on the trust shall be exempt from all taxation by the state and all political subdivisions of the state.

**House Bill No. 6690**

Sec. 108. (NEW) (*Effective July 1, 2021*) (a) Notwithstanding any provision of the general statutes, to the extent permitted by federal law no moneys invested in the Connecticut Baby Bond Trust shall be considered to be an asset or income for purposes of determining an individual's eligibility for assistance under any program administered by the Department of Social Services.

(b) Notwithstanding any provision of the general statutes, no moneys invested in the trust shall be considered to be an asset for purposes of determining an individual's eligibility for need-based, institutional aid grants offered to an individual at the public eligible educational institutions in the state.

Sec. 109. (NEW) (*Effective July 1, 2021*) (a) The Treasurer shall establish in the Connecticut Baby Bond Trust an accounting for each designated beneficiary. Each such accounting shall include the amount transferred to the trust pursuant to section 110 of this act, plus the designated beneficiary's pro rata share of total net earnings from investments of sums held in the trust.

(b) Upon a designated beneficiary's eighteenth birthday and completion of a financial literacy requirement as prescribed by the Treasurer, such beneficiary shall become eligible to receive the total sum of the accounting under subsection (a) of this section to be used for an eligible expenditure. The Treasurer may adopt regulations, in accordance with the provisions of chapter 54 of the general statutes, to carry out the purposes of this section.

(c) A designated beneficiary may submit a claim for such accounting until his or her thirtieth birthday, as prescribed by the Treasurer, provided such designated beneficiary is a resident of the state at the time of such claim. If a designated beneficiary (1) is deceased before submitting a valid claim, or (2) fails to submit a valid claim, as determined by the Treasurer, before his or her thirtieth birthday, such

**House Bill No. 6690**

accounting shall be credited back to the assets of the trust.

(d) Subject to obtaining adequate consent authorizing the disclosure of confidential information related to designated beneficiaries in accordance with all applicable state or federal laws, the Treasurer and the Department of Social Services shall enter into a memorandum of understanding to establish information sharing practices in order to carry out the purposes of this act.

Sec. 110. (NEW) (*Effective July 1, 2021*) Upon the birth of a designated beneficiary, the Treasurer shall transfer three thousand two hundred dollars from the General Fund to the trust to be credited toward the accounting of such designated beneficiary as described in section 109 of this act.

Sec. 111. (NEW) (*Effective July 1, 2021*) (a) The Treasurer is authorized to issue bonds, notes or other obligations of the state from time to time in one or more series in an aggregate principal amount of not more than six hundred million dollars, and to apply the net proceeds of such issuance to deposit to the trust as provided in subsection (b) below. The Treasurer is authorized to issue bonds, notes or other obligations in an amount sufficient to refund such bonds, notes or other obligations previously issued pursuant to this section. In addition to the bonds, notes or other obligations authorized by this section to for deposit to the trust, the Treasurer is authorized to issue bonds, notes or other obligations in such additional amounts as the Treasurer shall determine to pay the costs of issuance of such bonds, notes or other obligations issued pursuant to this section. The amount authorized for the issuance and sale of bonds in accordance with this section shall be capped in each fiscal year in the following amounts, provided, if the amount required for deposit to the trust as provided for in subsection (b) of this section is less than such capped amount or, to the extent the Governor disapproves the request for issuance of all or a portion of the amount of the bonds as provided in subsection (b) of this section, the amount so

**House Bill No. 6690**

disapproved, shall be carried forward and added to the capped amount for a subsequent fiscal year, but not later than the fiscal year ending June 30, 2033, and provided further, the costs of issuance may be added to the capped amount in each fiscal year, and each of the authorized amounts shall be effective on July first of the fiscal year indicated as follows:

Fiscal Year Ending June Thirtieth	Amount
2023	\$50,000,000
2024	\$50,000,000
2025	\$50,000,000
2026	\$50,000,000
2027	\$50,000,000
2028	\$50,000,000
2029	\$50,000,000
2030	\$50,000,000
2031	\$50,000,000
2032	\$50,000,000
2033	\$50,000,000
2034	\$50,000,000

(b) (1) On or before the first day of September in each year, commencing September 1, 2022, the Department of Social Services shall inform the Treasurer of the number of designated beneficiaries born in the prior fiscal year. Promptly thereafter, the Treasurer shall submit to the Governor and the Secretary of the Office of Policy and Management, a report of and a calculation of the total amount required to deposit to the trust for crediting three thousand two hundred dollars for the account of each such designated beneficiary born in the prior fiscal year

**House Bill No. 6690**

as described in section 109 of this act. The Governor may, not later than thirty days after such submission, approve or disapprove all or a portion of such amount by notifying the Treasurer, in writing, of such decision and the reasons for it. If the Governor does not act within such thirty-day period, the issuance of bonds for the deposit into the trust for the fiscal year beginning on July first of that year is deemed approved. The Treasurer after submitting such report may issue bonds in such amount, subject to the capped amount for such fiscal year, plus such additional amount as may be required for costs of issuance and capitalized interest, if any.

(2) In the event that the Governor shall approve only a portion of the total amount set forth in the report of the Treasurer described in subdivision (1) of this subsection, or the total amount set forth in the report of the Treasurer described in subdivision (1) of this subsection exceeds the capped amount set forth in such fiscal year, the amount to be credited for the account of each designated beneficiary born in the prior fiscal year shall be reduced ratably.

(3) Subject to the amount of limitations of such capping provisions in subsection (a) of this section and following the approval or deemed approval of the request to issue bonds as provided in subdivision (1) of this subsection, the principal amount of the bonds authorized under this section shall be deemed to be an appropriation and allocation of such amount, and such approval of such request shall be deemed the allotment by the Governor of such deposits within the meaning of section 4-85 of the general statutes. The Treasurer is authorized to deposit such amount from available funds to the trust whether or not the bonds so authorized have then been issued, and shall maintain a separate nonlapsing account to record the proceeds of bonds so authorized and deposits made to the trust.

(c) All such bonds, notes or other obligations shall be general obligations of the state and the full faith and credit of the state of

**House Bill No. 6690**

Connecticut are pledged for the payment of the principal of and interest on such bonds, notes or other obligations as the same shall become due, and accordingly and as part of the contract of the state with the holders of such bonds, notes or other obligations, appropriation of all amounts necessary for punctual payment of such principal and interest is hereby made, and the Treasurer shall pay such principal and interest as the same become due. All such bonds, notes or other obligations shall be sold at not less than par and accrued interest in such manner and on such terms as the Treasurer may determine is in the best interest of the state, and shall be signed in the name of the state and on its behalf by the Treasurer. All such bonds, notes or other obligations shall mature at such time or times not later than twenty years after their respective issuance, in such principal amounts and at such times, bear such date or dates, be payable at such place or places, bear interest at such rate or different or varying rates, payable at such time or times, be in such denominations, be in such form with or without interest coupons attached, carry such registration and transfer privileges, be payable in such medium of payment, be subject to such terms of redemption with or without premium and have such additional security, covenant or contract provisions, as appropriate or necessary to improve their marketability, as the Treasurer shall determine prior to their issuance. In connection with such bonds, notes or other obligations, the Treasurer may enter into such paying agent agreements, indentures of trust, escrow agreements or other agreements, with such parties and with such provisions as the Treasurer determines are appropriate or necessary.

(d) The Treasurer may obtain from a commercial bank or insurance company authorized to do business within or without this state a letter of credit, line of credit or other liquidity facility or credit facility for the purpose of providing funds for the payments in respect of bonds, notes or other obligations required by the holder thereof to be redeemed or repurchased prior to maturity or for providing additional security for

**House Bill No. 6690**

such bonds, notes or other obligations. In connection with any such liquidity facility or credit facility, the Treasurer may enter into any reimbursement agreements, remarketing agreements, standby purchase agreements or any other necessary or appropriate agreements on behalf of the state in connection with securing, insuring or remarketing such bonds, notes or other obligations, on such terms and conditions as the Treasurer determines to be in the best interest of the state. The Treasurer is authorized to pledge the full faith and credit of the state to the state's payment obligations under any such agreement and the Treasurer is authorized to include such pledge in any such agreement as part of the contract with the provider of such liquidity facility or credit facility. The Treasurer shall apply any appropriation for the payment of such bonds, notes or other obligations to such reimbursement repayment if such liquidity facility or credit facility is drawn upon. As part of the contract of the state with the other parties to any agreement entered into pursuant to this subsection for which the full faith and credit of the state is pledged to the state's payment obligations under such agreement, appropriation of all amounts necessary for the punctual payment of the obligations of the state under any such agreement is hereby made and the Treasurer shall pay such amounts as the same become due.

(e) In connection with or incidental to the carrying of such bonds, notes or other obligations, or in connection with or incidental to the sale and issuance of such bonds, notes or other obligations, the Treasurer may enter into such contracts as the Treasurer may determine to be necessary or appropriate to place the obligation of the state, as represented by the bonds, notes or other obligations, in whole or in part, on such interest rate or cash flow basis as the Treasurer may determine, including without limitation, interest rate swap agreements, insurance agreements, forward payment conversion agreements, futures contracts, contracts providing for payments based on levels of, or changes in, interest rates or market indices, contracts to manage interest rate risk, including without limitation, interest rate floors or caps,

**House Bill No. 6690**

options, puts, calls and similar arrangements. Such contracts shall contain such payment, security, default, remedy and other terms and conditions as the Treasurer may deem appropriate and shall be entered into with such party or parties as the Treasurer may select, after giving due consideration, where applicable, for the creditworthiness of the counter party or counter parties, including any rating by a nationally recognized rating agency, the impact on any rating on outstanding bonds, notes or other obligations or any other criteria as the Treasurer may deem appropriate, provided the unsecured long-term obligations of the counter party or counter parties are rated the same or higher than the underlying rating of the state on the applicable bonds, notes or other obligations by at least one nationally recognized rating agency. The Treasurer is authorized to pledge the full faith and credit of the state to the state's payment obligations under any contract entered into pursuant to this subsection. As part of the contract of the state with the other parties to any agreement entered into pursuant to this subsection for which the full faith and credit of the state is pledged to the state's payment obligations under such agreement, appropriation of all amounts necessary for the punctual payment of the obligations of the state under any such agreement is hereby made and the Treasurer shall pay such amounts as the same become due.

(f) The Superior Court shall have jurisdiction to enter judgment against the state founded (1) upon any express contract between the state and the purchasers and subsequent owners and transferees of any bonds, notes or other obligations issued or contracted to be issued by the state pursuant to this section, and (2) upon any agreement entered into pursuant to subsection (c) or (d) of this section. Any action brought under this subsection shall be brought in the superior court for the judicial district of Hartford. The jurisdiction conferred upon the Superior Court by this subsection includes any set-off, claim or demand on the part of the state against any plaintiff commencing an action under this subsection. Such action shall be tried to the court without a jury. All

**House Bill No. 6690**

legal defenses, except governmental immunity, shall be reserved to the state. Any action brought under this subsection shall be privileged in respect to assignment for trial upon motion of either party.

(g) Any expense incurred in connection with the issuance or renewal of the bonds, notes or other obligations issued pursuant to this section shall be paid from the accrued interest and premiums on such bonds, notes or other obligations, from the proceeds of the sale of such bonds, notes or other obligations or otherwise from the General Fund. The Treasurer is authorized to issue such bonds, notes or other obligations in such form and manner that the interest on such bonds, notes or other obligations may be includable or excludable under the Internal Revenue Code of 1986, or any subsequent corresponding internal revenue code of the United States, as amended from time to time, in the gross income of the holders or owners of such bonds, notes or other obligations. The Treasurer may make representations and agreements for the benefit of the holders or owners of any such bonds, notes or other obligations which are necessary or appropriate to ensure the inclusion or exclusion of interest on such bonds, notes or other obligations of the state from taxation under the Internal Revenue Code of 1986 or any subsequent corresponding internal revenue code of the United States, as amended from time to time, including agreements to pay rebates to the federal government of investment earnings derived from the investment of the proceeds of bonds, notes or other obligations. The Treasurer may make representations and agreements for the benefit of the holders or owners of such bonds, notes or other obligations on behalf of the state to provide secondary market disclosure information. Any such agreement may include: (1) Covenants to provide secondary market disclosure information, (2) arrangements for such information to be provided with the assistance of a paying agent, trustee or other agent, and (3) remedies for breach of such agreement, which remedies may be limited to specific performance. The state shall protect and save harmless any official or former official of the state from financial loss and expense, including

**House Bill No. 6690**

legal fees and costs, if any, arising out of any claim, demand, suit or judgment by reason of alleged negligence on the part of such official, while acting in the discharge of his or her official duties, in providing secondary market disclosure information or performing any other duties set forth in any agreement to provide secondary market disclosure information. Nothing in this section shall be construed to preclude the defense of governmental immunity to any such claim, demand or suit. For purposes of this subsection "official" means any person elected or appointed to office or any state employee. This indemnity provision shall not apply to cases of wilful and wanton fraud.

(h) All such bonds, notes or other obligations, their transfer and the income therefrom, including any profit on the sale or transfer thereof, shall at all times be exempt from all taxation by the state or under its authority, except for estate or succession taxes, but the interest on such bonds, notes or other obligations shall be included in the computation of any excise or franchise tax. Such bonds, notes or other obligations are hereby made and declared to be (1) legal investments for savings banks and trustees unless otherwise provided in the instrument creating the trust, (2) securities in which all public officers and bodies, all insurance companies and associations and persons carrying on an insurance business, all banks, bankers, trust companies, savings banks and savings associations, including savings and loan associations, building and loan associations, investment companies and persons carrying on a banking or investment business, all administrators, guardians, executors, trustees and other fiduciaries and all persons who are or may be authorized to invest in bonds, notes or other obligations of the state, may properly and legally invest funds, including capital in their control or belonging to them, and (3) securities that may be deposited with and shall be received by all public officers and bodies for any purpose for which the deposit of bonds, notes or other obligations of the state is or may be authorized.

**House Bill No. 6690**

Sec. 112. (NEW) (*Effective from passage*) (a) As used in this section:

(1) "Administrative costs" means the costs paid or incurred by the administrator of the Community Investment Fund 2030 Board established under subsection (b) of this section, including, but not limited to, allocated staff costs and other out-of-pocket costs attributable to the administration and operation of the board;

(2) "Administrator" means the Commissioner of Economic and Community Development, or the commissioner's designee;

(3) "Eligible project" means:

(A) (i) A project proposed by a municipality, community development corporation or nonprofit organization, for the purpose of promoting economic or community development in the municipality or a municipality served by such corporation or organization, such as brownfield remediation, affordable housing, establishment of or improvements to water and sewer infrastructure to support smaller scale economic development, pedestrian safety and traffic calming improvements, establishment of or improvements to energy resiliency or clean energy projects and land acquisition and capital projects to construct, rehabilitate or renovate buildings and structures to facilitate or improve home rehabilitation programs and facilities such as libraries and senior centers; or

(ii) A grant-in-aid proposed by a municipality, community development corporation or nonprofit organization for the purpose of providing (I) a revolving loan program, microloans or gap financing, to small businesses located within such municipality or a municipality served by such corporation or organization, or (II) start-up funds to establish a small business in any such municipality; and

(B) Such project or grant-in-aid furthers consistent and systematic fair, just and impartial treatment of all individuals, including

**House Bill No. 6690**

individuals who belong to underserved and marginalized communities that have been denied such treatment, such as Black, Latino and indigenous and Native American persons; Asian Americans and Pacific Islanders and other persons of color; members of religious minorities; lesbian, gay, bisexual, transgender and queer persons and other persons comprising the LGBTQ+ community; persons who live in rural areas; and persons otherwise adversely affected by persistent poverty or inequality; and

(4) "Municipality" means a municipality designated as a public investment community pursuant to section 7-545 of the general statutes or as an alliance district pursuant to section 10-262u of the general statutes.

(b) (1) There is established a Community Investment Fund 2030 Board, which shall be within the Department of Economic and Community Development. The board shall consist of the following members:

(A) The speaker of the House of Representatives and the president pro tempore of the Senate;

(B) The majority leader of the House of Representatives, the majority leader of the Senate, the minority leader of the House of Representatives and the minority leader of the Senate;

(C) One appointed by the speaker of the House of Representatives and one appointed by the president pro tempore of the Senate, each of whom shall be a member of the Black and Puerto Rican Caucus of the General Assembly;

(D) The two chairpersons of the general bonding subcommittee of the joint standing committee of the General Assembly having cognizance of matters relating to finance, revenue and bonding;

**House Bill No. 6690**

(E) Two appointed by the Governor; and

(F) The Secretary of the Office of Policy and Management, the Attorney General, the Treasurer, the Comptroller, the Secretary of the State and the Commissioners of Economic and Community Development, Administrative Services, Social Services and Housing, or their designees.

(2) All initial appointments shall be made not later than sixty days after the effective date of this section. The terms of the members appointed by the Governor shall be coterminous with the term of the Governor or until their successors are appointed, whichever is later. Any vacancy in appointments shall be filled by the appointing authority. Any vacancy occurring other than by expiration of term shall be filled for the balance of the unexpired term.

(3) Notwithstanding any provision of the general statutes, it shall not constitute a conflict of interest for a trustee, director, partner, officer, stockholder, proprietor, counsel or employee of any person to serve as a member of the board, provided such trustee, director, partner, officer, stockholder, proprietor, counsel or employee abstains and absents himself or herself from any deliberation, action and vote by the board in specific respect to such person. The members appointed by the Governor shall be deemed public officials and shall adhere to the code of ethics for public officials set forth in chapter 10 of the general statutes.

(4) The speaker of the House of Representatives and the president pro tempore of the Senate shall serve as the chairpersons of the board and shall schedule the first meeting of the board, which shall be held not later than January 1, 2022. The board shall meet at least quarterly.

(5) Eleven members of the board shall constitute a quorum for the transaction of any business.

(6) The members of the board shall serve without compensation, but

**House Bill No. 6690**

shall, within the limits of available funds, be reimbursed for expenses necessarily incurred in the performance of their duties.

(7) The board shall have the following powers and duties: (A) Review eligible projects to be recommended to the Governor under subsection (c) of this section for approval; (B) establish bylaws to govern its procedures; (C) review and provide comments to the Department of Economic and Community Development on projects funded through the state's Economic Action Plan as provided under subsection (d) of this section; and (D) perform such other acts as may be necessary and appropriate to carry out its duties described in this section.

(8) The administrator shall hire such employee or employees as may be necessary to assist the board to carry out its duties described in this section.

(c) (1) The Community Investment Fund 2030 Board shall establish an application and review process with guidelines and terms for funds provided from the bond proceeds under subsection (e) of this section for eligible projects. Such funds shall be used for costs related to an eligible project recommended by the board and approved by the Governor pursuant to this subsection and to pay or to reimburse the administrator for administrative costs under this section.

(2) The chairpersons of the board shall notify the chief elected official of each municipality when the application and review process has been established and shall publicize the availability of any funds available under this section. Each such official or any community development corporation or nonprofit organization may submit an application to the board requesting funds for an eligible project. The board shall meet to consider applications submitted and determine which, if any, the board will recommend to the Governor for approval.

(3) (A) The board shall give priority to eligible projects (i) that are

**House Bill No. 6690**

proposed by a municipality that (I) has implemented local hiring preferences pursuant to section 7-112 of the general statutes, or (II) has or will leverage municipal, private, philanthropic or federal funds for such project, and (ii) that have a project labor agreement or employ or will employ ex-offenders or individuals with physical, intellectual or developmental disabilities. The board shall give additional priority to an application submitted by a municipality that includes a letter of support for the proposed eligible project from a member or members of the General Assembly in whose district the eligible project is or will be located.

(B) In evaluating applications for an eligible project described in subparagraph (A)(ii) of subdivision (3) of subsection (a) of this section, the board shall (i) evaluate the risk of default on the repayment of a proposed loan or financing, (ii) consider the impact of the eligible project on job creation or retention in the municipality, (iii) consider the impact of the eligible project on blighted properties in the municipality, and (iv) consider the overall impact of the eligible project on the community. The board shall not recommend any proposed loan or financing under subparagraph (A)(ii) of subdivision (3) of subsection (a) of this section for which the interest rate varies from the prevailing market rate.

(4) (A) Whenever the board deems it necessary or desirable, the chairpersons of the board shall submit to the Governor a list of the board's recommendations of eligible projects to be funded from bond proceeds under subsection (e) of this section. The board may recommend state funding for eligible projects, provided the total cost of such recommendations shall not exceed one hundred seventy-five million dollars in any fiscal year. Such list shall include, at a minimum:

(i) For each eligible project described in subparagraph (A)(i) of subdivision (3) of subsection (a) of this section, a description of such project, the municipality in which such project is located, the amount of

**House Bill No. 6690**

funds sought for such project, any cost estimates for such project, any schematics or plans for such project, the total estimated project costs and the applicable fiscal year to which such disbursement will be attributed; and

(ii) For each eligible project described in subparagraph (A)(ii) of subdivision (3) of subsection (a) of this section, a description of and specific terms for any proposed loans, financing or start-up funds to be provided from such grant-in-aid, the types of small businesses located or to be located in the municipality that may be eligible for such loan, financing or start-up funds, the amount of the grant-in-aid sought and the applicable fiscal year to which such disbursement will be attributed.

(B) The Governor shall review the eligible projects on the list and may recommend changes to any eligible project on the list. The Governor shall determine the most appropriate method of funding for each eligible project and shall provide to the members of the board, in writing, such determination for each eligible project on the list and the reasons therefor. The board may reconsider at a future meeting any eligible project for which the Governor recommends a change. Each eligible project for which the Governor recommends the allocation of bond funds shall be considered at a State Bond Commission meeting not later than two months after the date such eligible project was submitted to the Governor pursuant to subparagraph (A) of this subdivision.

(5) Funds for an eligible project approved under this section may be administered on behalf of the board by a state agency, as determined by the Secretary of the Office of Policy and Management, provided a memorandum of understanding between the administrator of the Community Investment Fund 2030 Board and the state, acting by and through the Secretary of the Office of Policy and Management, has been entered into with respect to such funds and project.

(6) Not later than August 31, 2023, the board shall submit a report, in

**House Bill No. 6690**

accordance with the provisions of section 11-4a of the general statutes, to the General Assembly, the Black and Puerto Rican caucus of the General Assembly, the Auditors of Public Accounts and the Governor, for the preceding fiscal year, that includes (A) a list of the eligible projects recommended by the board and approved by the Governor pursuant to this section, (B) the total amount of funds provided for such eligible projects, (C) for each such eligible project, a description of the project and the amounts and terms of the funds provided, (D) the status of the project and any balance remaining of the allocated funds, and (E) any other information the board deems relevant or necessary. The board shall submit such report annually for each fiscal year in which the funds specified in subparagraph (A) of subdivision (3) of this subsection are disbursed for eligible projects.

(7) The Auditors of Public Accounts shall audit, on a biennial basis, all eligible projects funded under this section and shall report their findings to the Governor, the Secretary of the Office of Policy and Management and the General Assembly.

(d) (1) For the fiscal year ending June 30, 2022, and each fiscal year thereafter, one hundred twenty-five million dollars of the funds available for the purposes of the state's Economic Action Plan shall be reserved for (A) projects that provide (i) a revolving loan program, microloans or gap financing, to women or minority-owned small businesses, (ii) start-up funds to establish women or minority-owned small businesses, (iii) brownfield remediation or broadband expansion, (iv) human services, workforce development, mental health services, educational programming, preapprenticeship and apprenticeship training, youth services programming or physical, intellectual and developmental disability services; (B) projects that provide the potential to directly impact community enrichment programs for, or related to, financial literacy, home ownership opportunity, free or reduced tuition for vocational training schools, academic scholarships, seniors' and

**House Bill No. 6690**

veterans' services and arts and culture; or (C) projects that provide the potential to directly impact youth and adult enrichment programs for, or related to, "earn while you learn" programs, paid internships or summer youth programming.

(2) The Commissioner of Economic and Community Development shall receive and consider comments from the Community Investment Fund 2030 Board on funding for such projects. The commissioner shall provide quarterly expenditure reports to the board for such projects and hold public hearings for such projects before the board.

(e) (1) The State Bond Commission may authorize the issuance of bonds of the state, in accordance with the provisions of section 3-20 of the general statutes, in principal amounts not exceeding in the aggregate eight hundred seventy-five million dollars. Sec. 115. Section 10-283b of the general statutes is repealed and the following is substituted in lieu thereof (*Effective July 1, 2021*):

(a) On and after July 1, 2011, the Commissioner of Administrative Services shall include school building projects for the Technical Education and Career System on the list developed pursuant to section 10-283. The adoption of the list by the General Assembly and authorization by the State Bond Commission of the issuance of bonds pursuant to section 10-287d shall fund the full cost of the projects. On or after July 1, 2011, the Commissioner of Administrative Services, in consultation with the Commissioner of Education, may approve applications for grants to assist school building projects for the Technical Education and Career System to remedy damage from fire and catastrophe, to correct safety, health and other code violations, to replace roofs, to remedy a certified school indoor air quality emergency, or to purchase and install portable classroom buildings at any time within the limit of available grant authorization and to make payments on such a project within the limit of appropriated funds, provided portable classroom building projects do not create a new facility or cause an existing facility to be modified so that the portable buildings comprise a substantial percentage of the total facility area, as determined by the Commissioner of Administrative Services. Such projects shall be subject to the requirements of chapters 59 and 60.

(b) The Department of Administrative Services shall ensure that an architect and a construction manager or construction administrator hired to work on a project pursuant to subsection (a) of this section are not related persons as defined in subdivision (18) of subsection (a) of section 12-218b.

(c) Not later than January 1, 2023, and biennially thereafter, the Department of Administrative Services shall develop a status report on

**House Bill No. 6690**

all current and pending school building projects for the Technical Education and Career System. Such status report shall include, but need not be limited to, the costs associated with each such school building project for the Technical Education and Career System, the anticipated date of the next project application per technical education and career school, and the projected date of commencement of pending school building projects and the date of completion of current school building projects for the Technical Education and Career System. The department shall submit such status report to the joint standing committee of the General Assembly having cognizance of matters relating to education, in accordance with the provisions of section 11-4a.

Sec. 116. (*Effective from passage*) The Commissioner of Administrative Services shall waive any audit deficiencies for the town of Hamden related to costs associated with (1) the new construction project at Spring Glen School (Project Number 062-0094 N), provided such costs do not exceed one million seven hundred ninety-two thousand eight hundred ninety-four dollars, (2) the interdistrict magnet facility project at Wintergreen Interdistrict Magnet School (Project Number 062-0077 MAG), provided such costs do not exceed one million three hundred fifteen thousand twelve dollars, and (3) the new construction project at Hamden Middle School (Project Number 062-0084 N), provided such costs do not exceed two million nine hundred forty thousand two hundred dollars.

Sec. 117. (*Effective from passage*) Notwithstanding the provisions of section 10-283 of the general statutes, or any regulation adopted by the State Board of Education or the Department of Administrative Services pursuant to said section requiring that the description of a project type for a school building project be made at the time of application for a school building project grant, the town of New Britain may change the description and scope of the renovation project at Chamberlain Elementary School (Project Number 20DASY089169RNV0620) to
