OLR Bill Analysis
HB 6421

AN ACT CONCERNING THE CONTINUATION OF RETIREMENT ALLOWANCES FOR CERTAIN RETIREES UPON SUBSEQUENT EMPLOYMENT BY A BOARD OF EDUCATION.

SUMMARY

Under current law, retirees of the Connecticut Municipal Employees Retirement System (CMERS) cannot receive pension payments if they are re-employed by a CMERS town for more than 20 hours per week or 90 days per year. This bill allows a retired paid, municipal (1) uniformed fire department member or (2) regular police department member, to be re-employed in a public safety capacity by a CMERS-participating school district and continue to receive the CMERS pension payments. It also specifies that the re-employed worker is not eligible to earn additional retirement credit based on the re-employment.
