## ***OFA Fiscal Note***

### ***No Fiscal Impact***

This amendment strikes the underlying bill and its associated fiscal impact.

This bill, which allows the Governor to renew certain emergency declarations from July 21, 2021 through March 1, 2022, has no direct fiscal impact.

The bill also establishes a bipartisan commission to study sections 19a-131a and 28-9 of the general statutes and make recommendations on how these sections should be amended to provide greater legislative oversight of declarations of public health and civil preparedness emergencies and the exercise of executive authority. This provision has no fiscal impact.
