The amendment strikes the language in the underlying bill and the associated impact.

The amendment results in a cost to the Department of Social Services (DSS) associated with establishing Medicaid coverage for community violence prevention services for certain Medicaid beneficiaries by July 1, 2022, to the extent allowed under federal law. The cost to DSS depends on the utilization of such services by eligible individuals and the associated rate established. The amendment specifies implementation of these provisions is dependent on the availability of federal matching funds.
