Explanation

The Amendment redirects administrative responsibility from the Department of Economic Development (DECD) to the Department of Veterans' Affairs (DVA). Additionally, the Amendment makes advertising and publishing of the Veterans and Military Tourism trail contingent upon the solicitation of private donations by the DVA Commissioner. There is no fiscal impact to the DVA because they currently have the staff and expertise to administer the program.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge.
