Explanation

This amendment requires the Department of Public Health (DPH) to annually report on the number of adverse reactions to immunizations. Based on the data collection requirements under the amendment DPH may need to hire an additional staff person to handle this new responsibility.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
