Explanation

The amendment strikes the underlying bill and its associated fiscal impact.

This amendment proposes a constitutional amendment. The Secretary of the State is anticipated to incur a cost of \$5,000 in FY 23 (for the November 2022 election) for providing posters with the proposed constitutional amendment question and explanation to each polling place in every municipality. This cost will cover the printing and mailing of the posters.

As all materials required for placing a constitutional amendment on the ballot are supplied by the State, and the vote will occur on the same day as a regularly scheduled statewide election, no costs will be incurred by municipalities.
