AMENDMENT

LCO No.: 7693

---

## ***OFA Fiscal Note***

### ***Revenue Loss***

The amendment eliminates the funding designated for the energy efficiency retrofit grant program by eliminating the \$5 fee on building permit applications established by the bill. The exact amount of revenue lost under the amendment is unknown, but the fee is anticipated to generate approximately \$1 to \$3 million annually.

It is unclear how the grants and operating costs of the energy efficiency retrofit grant program would be funded under the amendment.
