Explanation

The amendment strikes the language of the bill and its associated fiscal impact.

Section 1 of the amendment expands the reasons for which an elector may vote by absentee ballot for any election, primary, or referendum

¹ State mandate is defined in Sec. 2-32b(2) of the Connecticut General Statutes, "state mandate" means any state initiated constitutional, statutory or executive action that requires a local government to establish, expand or modify its activities in such a way as to necessitate additional expenditures from local revenues.

occurring before June 1, 2021 to include the sickness of COVID-19. It is anticipated there will be an increase in absentee ballot applications as a result of this provision.

Sections 2 and 3 require the absentee ballot inner envelope statement be updated to include "the sickness of COVID-19" and allow SOS to make changes to absentee voting forms and materials. No fiscal impact is anticipated as a result of such modifications.

The amendment also expands violations that constitute a false statement which results in a potential minimal revenue gain of less than \$5,000 in FY 21. In FY 19 there was one violation of false statement by absentee voting, which resulted in no fines collected.

Section 5 permits absentee ballots to be deposited into a secure drop box for elections prior to June 1, 2021. As drop boxes were ordered for absentee ballots for the 2020 primary election, no additional costs are anticipated as a result of this provision.²

Additionally, this section requires municipal clerks to retrieve absentee ballots deposited to such drop boxes beginning twenty-nine days before the election and each weekday thereafter until the polls close. If said drop box is located outside of a building other than where the clerk's office is located, the clerk, or their designee, must be escorted by a police officer. Minimal costs may be incurred if town staff and local police departments cannot handle this provision with current staffing levels.

Section 6 allows town clerks to deliver sorted and checked absentee ballots to registrars of voters before election day to begin certain pre-counting procedures. No fiscal impact is anticipated as a result of this provision.

Sections 7 - 12 authorizes municipalities to conduct certain absentee ballot pre-counting procedures. No fiscal impact is anticipated as a

² SOS ordered 200 drop boxes at a total cost of approximately \$365,000, including shipping. Costs were supported by federal CARES Act funding.

result of these provisions.

Sections 15 - 20 extends numerous deadlines and timeframes associated with processing absentee ballots and canvassing and reports the returns. No fiscal impact is anticipated as a result of these provisions.
