SB-1202

AN ACT CONCERNING PROVISIONS RELATED TO REVENUE
AND OTHER ITEMS TO IMPLEMENT THE STATE BUDGET FOR
THE BIENNIUM ENDING JUNE 30, 2023.

AMENDMENT

LCO No.: 10974

OFA Fiscal Note

No Fiscal Impact

The amendment establishes emissions requirements for fossil fuel burning generators used by qualified data centers and green building standards for these centers. It requires that qualified data centers who enter into agreements with the Department of Economic and Community Development (DECD) meet certain standards of the Federal Environmental Protection Agency. This is not anticipated to result in a fiscal impact to the state or municipalities as it would apply to private, third-parties.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
