

Support for HB5313

Good Afternoon Sen. Maroney, Rep. D'Agostino, Vice Chairs Sen. Fonfara and Rep. Gibson, Ranking Members Sen. Witkos and Rep. Rutigliano, and members of the General Law Committee,

Please take this correspondence as a vote of confidence in amended changes to the raised bill outlined in the subject line of my email. These seem like reasonable changes, and as such is a good bill to pass out of committee for the full House/Senate to debate if needed as well as vote upon.

Peace to all of you. May you have a safe, yet productive and effective legislative session this year.

Sincerely,  
Steve Jones
