Issue

This report lists the COVID-19 executive orders (EOs) that the governor extended past April 20, 2021.

Summary

The governor declared public health and civil preparedness emergencies on [March 10, 2020](#), in response to the COVID-19 pandemic. He renewed this declaration on [September 1, 2020](#), [January 26, 2021](#), [April 19, 2021](#), and [May 18, 2021](#), while also declaring new states of emergency on each of these dates. ([SA 21-2](#), signed by the governor on March 31, 2021, ratified the first three declarations and authorized a renewal through May 20, 2021; [SA 21-4](#) (signed on May 13), extended the renewal authorization through July 20, 2021.)

Previously, when renewing the emergency declaration, the governor issued accompanying EOs to broadly extend all unexpired EOs from one emergency period to the next. With the April 19 renewal, however, he issued six accompanying orders that extended only a subset of the unexpired COVID-19 EOs. Collectively, the six orders (1) extended specified EOs through May 20, 2021 (EOs [11](#) and [11E](#)), and (2) merged specified EOs affecting similar subjects into new, consolidated EOs (with modifications in some cases) that are effective through May 20 (EOs [11A](#) through [11D](#)).

On April 30, the governor issued a seventh EO ([EO 11F](#)), which extended an additional EO and amended one of the consolidated EOs. On May 18, he issued an additional order ([EO 12](#)), which revised mask and face covering requirements, effective through July 20, 2021.

Table 1 below lists the orders extended through May 20 by EOs [11](#), [11E](#), and [11F](#). Table 2 lists the merged orders and their subject matter. The merged orders address sector rules for businesses ([11A](#)), liquor permits and sales ([11B](#), as amended by [11F](#)), visitation at congregate facilities ([11C](#)), and state contracting and real property ([11D](#)).
