**Testimony of the Judicial Branch  
Transportation Committee Public Hearing  
February 19, 2021**

**H.B. 6426, An Act Concerning Recommendations by the  
Connecticut Airport Authority Regarding the Provision of  
Security Services and Meteorological Evaluation Towers**

Thank you for the opportunity to submit written testimony on behalf of the Judicial Branch concerning *H.B. 6426, An Act Concerning Recommendations by the Connecticut Airport Authority Regarding the Provision of Security Services and Meteorological Evaluation Towers*.

Should the Committee decide to act favorably on this proposal, we would request the following clarifications. First, in line 45, was the intention to reference subsection (b) instead of subsection (a)? Additionally, is the intent in Section 3 (c) to make these criminal violations or is this a civil penalty? The current language is unclear.

Thank you for your time and attention to this matter.
