

Support of SB #608 Safety of Children When Buying Ice Cream From a Frozen Dessert Truck

Hello Everyone and thank you for the allowing me the opportunity to provide testimony and be heard in support of SB #608 Safety of Children When Buying Ice Cream from a Frozen Dessert Truck and I am so encouraged by the positive comments by our representatives on this call today.

I am a resident of Branford and parent of 3 children- my 8 year old daughter and 6 year old twins who love their summers and ice cream and are careful, cautious children. I am also a friend of Tristan Barhorst Family and as such I am uncomfortably aware how tragic accidents can occur in a moment that devastate lives and rip away that innocence and joy.

To the extent that our government's responsibility is to promote the safety and well being of our citizens, I can think of no greater use of that power than to enact common sense legislation to safeguard our children. I am grateful to the sponsors of this bill and I support this legislation whole heartedly.

Sincerely,
Katie Westrin
