#### **BACKGROUND**

##### ***CRISIS Initiative Pilot Program***

The CRISIS Initiative pilot program has generally established procedures among specific State Police and DMHAS personnel for referring and handling incidents involving individuals with addiction disorders or mental health conditions as well as other crisis incidents. The program began in 2017 and involved DMHAS assigning a full-time licensed clinician social worker with State Police Troop E, which generally covers southeast Connecticut and is based out of Montville. The 2021 state budget implementer expanded the program to Troop D, which generally covers northeast Connecticut and is based out of Killingly (PA 21-2, June Special Session, § 75).
