HB-5190

AN ACT CONCERNING TESTING FOR HUMAN
IMMUNODEFICIENCY VIRUS.

OFA Fiscal Note

State Impact: None

Municipal Impact: None

Explanation

This bill, under certain conditions, requires physicians, physician assistants, and advanced practice registered nurses, when treating a patient age 13 or older in a hospital emergency department or primary care setting, to offer the patient an HIV test at least annually where practicable.

The bill also requires the Department of Public Health to develop and post on its website educational materials for the public, hospitals, and primary care providers about the bill's requirement for offering HIV testing. This has no fiscal impact.
