AN ACT CONCERNING REVISIONS TO THE MOTOR VEHICLE STATUTES.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. Section 14-16c of the 2022 supplement to the general
2 statutes is repealed and the following is substituted in lieu thereof
3 (*Effective October 1, 2022*):

4 (a) (1) (A) Any insurance company that takes possession of a motor
5 vehicle for which a certificate of title has been issued in this state, that
6 has been declared a total loss and that is offered for sale in this state by
7 such insurance company or its agent as a result of the settlement of a
8 claim for damage or theft, shall stamp the word "SALVAGE" in one-
9 inch-high letters not to exceed three inches in length on the vehicle's
10 certificate of title and shall attach to such certificate of title a copy of the
11 appraiser's damage report for such totalled motor vehicle, except that if
12 the insurance company determines that such motor vehicle has ten or
13 more major component parts that are damaged beyond repair and must
14 be replaced, the insurance company shall stamp the words "SALVAGE
15 PARTS ONLY" in one-inch-high letters not to exceed three inches in

16 length on the vehicle's certificate of title. A copy of such certificate shall
17 be sent by the insurance company to the Department of Motor Vehicles.
18 If the Commissioner of Motor Vehicles determines that salvage
19 information required to be reported by an insurance company to the
20 National Motor Vehicle Title Information System under 49 USC Sections
21 30501 to 30505, inclusive, and 28 CFR Sections 25.51 to 25.57, inclusive,
22 is available to the department on a regular basis from the National
23 Motor Vehicle Title Information System, the commissioner may
24 discontinue the requirement that an insurance company submit a copy
25 of such certificate to the department. (B) Any insurance company that
26 takes possession of a motor vehicle for which a certificate of title has
27 been issued in any state other than this state that has been declared a
28 total loss and that is offered for sale in this state by such insurance
29 company or its agent as a result of the settlement of a claim for damage
30 or theft, shall attach to such certificate of title a copy of the appraiser's
31 damage report for such totalled motor vehicle.

32 (2) (A) Any person, firm or corporation that is a self-insurer and owns
33 a motor vehicle for which a certificate of title has been issued in this
34 state, that has been declared a total loss and that is offered for sale in
35 this state by such self-insurer or its agent, shall stamp the word
36 "SALVAGE" in one-inch-high letters not to exceed three inches in length
37 on the vehicle's certificate of title and shall attach to such certificate of
38 title a copy of the appraiser's damage report for such totalled motor
39 vehicle, except that if such self-insurer determines that such motor
40 vehicle has ten or more major component parts that are damaged
41 beyond repair and must be replaced, the self-insurer shall stamp the
42 words "SALVAGE PARTS ONLY" in one-inch-high letters not to exceed
43 three inches in length on the motor vehicle's certificate of title. Any
44 person, firm or corporation that is insured other than by means of self-
45 insurance and owns such a motor vehicle, shall forward the vehicle's
46 certificate of title to the company insuring such vehicle or the company
47 paying the totalled claim. Such insurer shall stamp the word
48 "SALVAGE" in one-inch-high letters not to exceed three inches in length
49 on the certificate of title except that if the insurance company determines
50 that such motor vehicle has ten or more major component parts that are

51 damaged beyond repair and must be replaced, the insurer taking
52 possession of such motor vehicle shall stamp the words "SALVAGE
53 PARTS ONLY" in one-inch-high letters not to exceed three inches in
54 length on the motor vehicle's certificate of title and shall return such
55 certificate to such person, firm or corporation. A copy of such certificate
56 shall be sent by the person, firm or corporation to the Department of
57 Motor Vehicles. If the Commissioner of Motor Vehicles determines that
58 salvage information required to be reported by a self-insurer to the
59 National Motor Vehicle Title Information System under 49 USC Sections
60 30501 to 30505, inclusive, and 28 CFR Sections 25.51 to 25.57, inclusive,
61 is available to the department on a regular basis from the National
62 Motor Vehicle Title Information System, the commissioner may
63 discontinue the requirement that a self-insurer submit a copy of such
64 certificate to the department. (B) Any person, firm or corporation that is
65 a self-insurer and owns a motor vehicle for which a certificate of title has
66 been issued in any state other than this state that has been declared a
67 total loss and that is offered for sale in this state by such self-insurer or
68 its agent, shall attach to such certificate of title a copy of the appraiser's
69 damage report for such totalled motor vehicle.

70 (3) For purposes of this subsection, "major component part" has the
71 same meaning as provided in subdivision (2) of subsection (a) of section
72 14-149a.

73 (b) Any insurance company or its agent taking possession of a motor
74 vehicle in accordance with subsection (a) of this section or any person,
75 firm or corporation that owns such motor vehicle shall copy the
76 certificate and give the original of such certificate, with a copy of the
77 appraiser's damage report attached thereto, to any subsequent
78 purchaser of the motor vehicle that has been declared a total loss. The
79 name and address of any such purchaser shall be recorded on the
80 original and the copy, as provided on the certificate. The copy shall
81 serve only as a record of transfers of the total loss motor vehicle.

82 (c) Any insurance company that takes possession of a motor vehicle
83 for which a certificate of title has been issued in this state, as a result of

84 a full settlement of a claim for damage or theft, but is unable to obtain
85 the title to the vehicle from the insured or any lienholder of record for
86 the vehicle may apply to the department for a certificate of title,
87 SALVAGE title or SALVAGE-PARTS ONLY title, as described in
88 subsection (a) of this section. The application for a certificate of title
89 pursuant to this subsection shall (1) be on a form prescribed by the
90 commissioner, (2) include [documents as required by the commissioner
91 in lieu of the documents required under subsection (a) of this section,
92 and (3) include evidence satisfactory to the commissioner] an attestation
93 that the insurance company (A) provided at least [two notices] one
94 notice by certified mail, return receipt requested, certificate of mailing
95 or commercial delivery service that provides evidence of delivery to the
96 insured and any lienholder of record for the vehicle indicating the
97 insurance company's intention to apply for a certificate of title as the
98 owner of the vehicle, and (B) made payment to the insured or any
99 lienholder of record in full settlement of the claim involving the vehicle.
100 The commissioner [may] shall issue a certificate of title pursuant to this
101 subsection only in the name of the insurance company not earlier than
102 thirty days after the date of the payment described in subparagraph (B)
103 of subdivision [(3)] (2) of this section is made.

104 (d) The person, firm, company or corporation required to stamp
105 "SALVAGE" on the certificate of title shall stamp the following
106 statement on the face of any original or copy of such certificate issued in
107 accordance with this section: "WARNING: ALL PURCHASERS OF THE
108 MOTOR VEHICLE DESCRIBED HEREIN MUST RECORD THEIR
109 NAME AND ADDRESS ON THE REVERSE SIDE. THIS VEHICLE
110 CANNOT BE REGISTERED OR RETITLED WITHOUT PASSING
111 INSPECTION UNDER SECTION 14-103a. THIS DOCUMENT MUST
112 BE SUBMITTED AT THE TIME OF INSPECTION."

113 (e) No motor vehicle for which a copy of a certificate of title has been
114 made in accordance with this section may be operated upon any
115 highway in this state, except that an owner of any such motor vehicle
116 who is a motor vehicle dealer or repairer licensed under the provisions
117 of section 14-52 may operate such vehicle for the purpose of presenting

118 the vehicle for inspection pursuant to section 14-103a. If such vehicle
119 fails to comply with the minimum standards, it shall be transported
120 from the site of such inspection. If any such motor vehicle is rebuilt for
121 sale or use, the owner shall apply to the Commissioner of Motor
122 Vehicles for an original certificate of title and present the vehicle for
123 inspection pursuant to section 14-103a. The certificate of title issued in
124 accordance with this section must be presented at the time of inspection,
125 unless waived by the commissioner for good cause.

126 (f) If an insurance company requests that a used car dealer licensed
127 under the provisions of section 14-52 take possession of a motor vehicle
128 that is subject to an insurance claim and subsequently a total loss claim
129 is not paid by the insurance company with respect to such motor
130 vehicle, the used car dealer may, if such motor vehicle has been
131 abandoned at the place of business of the used car dealer for more than
132 thirty days, apply to the department for a certificate of title in the name
133 of the used car dealer without surrendering the certificate of title. The
134 application for a certificate of title pursuant to this subsection shall (1)
135 be on a form prescribed by the commissioner, and (2) include an
136 attestation that the used car dealer provided at least two notices by
137 certified mail, return receipt requested or commercial delivery service
138 that provides evidence of proof of delivery, to the insured and any
139 lienholder of record, to have the motor vehicle removed from the place
140 of business.

141 ~~[(f)]~~ (g) Notwithstanding the provisions of this section, a motor
142 vehicle for which a certificate of title has been issued in this state, that
143 has been declared a total loss in settlement of a claim for theft, having
144 no damage to a major component part or having damage not exceeding
145 (1) fifteen per cent of the retail value of such motor vehicle, as
146 determined in accordance with the provisions of section 38a-353, or (2)
147 one thousand dollars as evidenced by an insurance adjuster's damage
148 appraisal report, shall not be required to have its certificate of title
149 stamped in accordance with the provisions of this section provided
150 proof of such damage or lack of damage to a major component part, is
151 attached to such certificate.

152 [(g)] (h) No insurance company and no firm or corporation that is a
153 self-insurer may sell or transfer any totalled or salvaged motor vehicle,
154 major component parts or any other parts of a motor vehicle to any
155 person, firm or corporation that is not licensed under the provisions of
156 subparts (D) or (H) of part III of this chapter. No person, firm or
157 corporation licensed as a new or used car dealer who holds a permit
158 pursuant to the provisions of section 14-65 may sell or transfer any
159 totalled or salvaged motor vehicle with a certificate of title stamped
160 "SALVAGE PARTS ONLY" or any motor vehicle that has ten or more
161 major component parts damaged beyond repair and in need of
162 replacement to any person, firm or corporation which is not licensed
163 under the provisions of subpart (H) of this part or under a similar
164 provision of law of any other state. Any sale or transfer in violation of
165 the provisions of this section shall constitute an unfair method of
166 competition and an unfair or deceptive act or practice, as defined by
167 section 42-110b.

168 [(h)] (i) Notwithstanding the provisions of section 1-350b and the
169 requirements of section 1-350d that a signature on a power of attorney
170 executed in this state be witnessed by two witnesses and acknowledged
171 by a notary public, a commissioner of the Superior Court or other
172 individual authorized by law to take acknowledgments, a power of
173 attorney used to support an application for or transfer of a certificate of
174 title by an insurance company or its agent shall only require the
175 signature or electronic signature of the insured who has received or is
176 to receive a total loss settlement of a claim for damage or theft from the
177 insurance company.

178 [(i)] (j) The Commissioner of Motor Vehicles may adopt regulations,
179 in accordance with the provisions of chapter 54, to implement the
180 provisions of this section.

181 Sec. 2. Subsection (d) of section 14-164c of the 2022 supplement to the
182 general statutes is repealed and the following is substituted in lieu
183 thereof (*Effective October 1, 2022*):

184 (d) No motor vehicle subject to the inspection requirements of this

185 section shall be operated upon the highways of this state unless such
186 vehicle has been presented for inspection in accordance with a schedule
187 for inspection and compliance as established by the commissioner. The
188 commissioner shall grant waivers from compliance with standards for
189 vehicles which fail any required inspection and require an unreasonable
190 cost of repair to bring the vehicle into compliance or require additional
191 time to make emissions-related repairs to the vehicle. The commissioner
192 may determine compliance of a vehicle that has failed an emissions
193 retest by means of a complete physical and functional diagnosis and
194 inspection of the vehicle, in accordance with the provisions of 40 CFR
195 Part 51.360, showing that no additional emissions-related repairs are
196 needed. An extension of time, not to exceed the period of inspection
197 frequency, may be granted to obtain needed repairs on a vehicle in the
198 case of economic hardship of the owner. An extension of time, not to
199 exceed ninety days, may be granted to obtain emissions-related repairs
200 on a vehicle. Only one [such] extension of time may be granted for any
201 vehicle. The commissioner may design a sticker to be affixed to the
202 windshield of each vehicle which shall bear the date of expiration of the
203 assigned inspection period on both sides. The commissioner may also
204 design a sticker to be affixed to the windshield of each vehicle that is
205 exempt from the requirements of this chapter, which sticker shall bear
206 the date, if any, on which such vehicle is no longer exempt and is
207 required to be presented for inspection. As used in this section,
208 "unreasonable cost of repair" means cost of repair in excess of the
209 amounts required to be expended by Title 40, Part 51.360 of the Code of
210 Federal Regulations, as amended from time to time.

211 Sec. 3. Subsection (k) of section 14-164c of the 2022 supplement to the
212 general statutes is repealed and the following is substituted in lieu
213 thereof (*Effective October 1, 2022*):

214 (k) (1) The commissioner, with approval of the Secretary of the Office
215 of Policy and Management, shall establish, and from time to time
216 modify, the inspection fees, not to exceed twenty dollars for each
217 biennial inspection or reinspection required pursuant to this chapter for
218 inspections performed at official emissions inspection stations. Such

219 fees shall be paid in a manner prescribed by the commissioner. If the
220 costs to the state of the emissions inspection program, including
221 administrative costs and payments to any independent contractor,
222 exceed the income from such fees, such excess costs shall be borne by
223 the state. Any person whose vehicle has been inspected at an official
224 emissions inspection station shall, if such vehicle is found not to comply
225 with any required standards, have the vehicle repaired and have the
226 right within sixty consecutive calendar days to return such vehicle to
227 the same official emissions inspection station for one reinspection
228 without charge, provided, where the sixtieth day falls on a Sunday, legal
229 holiday or a day on which the commissioner has established that special
230 circumstances or conditions exist that have caused emissions inspection
231 to be impracticable, such person may return such vehicle for
232 reinspection on the next day. The commissioner shall assess a late fee of
233 twenty dollars against the owner of a motor vehicle that has not
234 presented such motor vehicle for an emissions inspection within thirty
235 days following the expiration date of the assigned inspection period, or
236 that has not presented such motor vehicle for a reinspection within sixty
237 days or ninety days if an extension was granted, as the case may be,
238 following a test failure, or both. The commissioner may waive such late
239 fee when it is proven to the commissioner's satisfaction that the failure
240 to have the vehicle inspected within thirty days of the assigned
241 inspection period or during the sixty-day or ninety-day reinspection
242 period was due to exigent circumstances. If ownership of the motor
243 vehicle has been transferred, the new owner shall have such motor
244 vehicle inspected within thirty days of the registration of such motor
245 vehicle. The commissioner may specify a longer period for all new
246 owners to achieve compliance after a transfer of ownership if
247 circumstances require closure or limited operations of the Department
248 of Motor Vehicles or emissions inspection stations. After the expiration
249 of such thirty-day period, or the period specified by the commissioner,
250 the commissioner shall require the payment of the late fee specified in
251 this subdivision. If the thirtieth day falls on a Sunday, legal holiday or a
252 day on which the commissioner has established that special
253 circumstances or conditions exist that have caused emissions inspection

254 to be impracticable, such vehicle may be inspected on the next day and
255 no late fee shall be assessed.

256 (2) If the commissioner authorizes a licensed dealer or repairer to
257 conduct emissions inspections of 1996 model year and newer vehicles
258 required by this chapter, the commissioner may authorize such licensee
259 to charge a fee, not to exceed twenty dollars for each biennial inspection
260 or reinspection.

261 (3) Upon the registration of each new motor vehicle subject to the
262 inspection requirements of this chapter, or of each motor vehicle that is
263 four or less model years of age that has not been registered previously
264 in this state, the commissioner may issue a sticker indicating the exempt
265 status of such motor vehicle and the date on which the motor vehicle is
266 scheduled to be presented for inspection. Any such sticker that may be
267 issued shall be displayed on the motor vehicle in accordance with
268 subsection (d) of this section. On and after July 1, 2002, the commissioner
269 shall charge a fee of forty dollars in addition to any other fees required
270 for such registration. All receipts from the payment of such fee shall be
271 deposited in the Special Transportation Fund.

272 Sec. 4. Subsection (c) of section 14-50 of the 2022 supplement to the
273 general statutes is repealed and the following is substituted in lieu
274 thereof (*Effective October 1, 2022*):

275 (c) The commissioner shall waive any operator's license or
276 registration fee, including any renewal fee, in the case of any person in
277 the active service of the armed forces of the United States who was a
278 legal resident of Connecticut at the time of [his or her] such person's
279 induction; and for one licensing period to any person who is a veteran,
280 as defined in section 27-103, which person applies for such operator's
281 license or registration within two years following the date of separation,
282 [and was a legal resident of Connecticut at the time of his or her
283 induction.] The commissioner may adopt regulations, in accordance
284 with chapter 54, to implement the provisions of this subsection.

285 Sec. 5. Subsection (b) of section 27-102a of the general statutes is

286 repealed and the following is substituted in lieu thereof (*Effective October*
287 *1, 2022*):

288 (b) Any member of the armed forces of any state or of any reserve
289 component of the armed forces of the United States who has been called
290 to active service in the armed forces of any state of the United States
291 shall be exempt from the payment of any fine or late fee assessed for
292 failure to renew a motor vehicle operator's license or motor vehicle
293 registration or for failure to have emissions inspection performed in a
294 timely manner provided such member renews the license or registration
295 or has the member's vehicle inspected at an official emissions inspection
296 station no later than [sixty] ninety days following the date such member
297 is released from the qualifying military service.

298 Sec. 6. Section 14-140 of the general statutes is repealed and the
299 following is substituted in lieu thereof (*Effective October 1, 2022*):

300 (a) Any person who has been arrested by an officer for a violation of
301 any provision of any statute relating to motor vehicles may be released,
302 upon [his] such person's own recognizance, by such officer in [his] such
303 person's discretion, unless such violation is of a provision relating to
304 driving while under the influence of intoxicating liquor or drugs or
305 using a motor vehicle without permission of the owner or evading
306 responsibility for personal injury or property damage or involves the
307 death or serious injury of another, in which cases such person shall not
308 be released on [his] such person's own recognizance.

309 (b) If any person so arrested or summoned wilfully fails to appear for
310 any scheduled court appearance at the time and place assigned, or if any
311 person charged with an infraction involving the use of a motor vehicle,
312 or with a motor vehicle violation specified in section 51-164n, as
313 amended by this act, fails to pay the fine and any additional fee imposed
314 or send in [his] such person's plea of not guilty by the answer date or
315 wilfully fails to appear for any scheduled court appearance which may
316 be required, or if any person fails to pay any surcharge imposed under
317 section 13b-70, any fee imposed under section 51-56a, as amended by
318 this act, or any cost imposed under section 54-143 or 54-143a, a report of

319 such failure shall be sent to the commissioner by the court having
320 jurisdiction. The provisions of this section shall be extended to any
321 nonresident owner or operator of a motor vehicle residing in any state,
322 the proper authorities of which agree with the commissioner to revoke,
323 until personal appearance to answer the charge against [him, his] such
324 person, such person's motor vehicle registration certificate or operator's
325 license, upon [his] such person's failure to appear for any scheduled
326 court appearance. Any infractions or violations, for which a report of
327 failure to appear has been sent to the commissioner under this
328 subsection, that have not otherwise been disposed of shall be dismissed
329 by operation of law seven years after such report was sent.
330 Notwithstanding the provisions of section 14-111, the commissioner
331 shall not suspend the operator's license of any person solely for failure
332 to pay any fines, fees or other charges associated with an infraction
333 involving the use of a motor vehicle.

334 (c) The commissioner may enter into reciprocal agreements with the
335 proper authorities of other states, which agreements may include
336 provisions for the suspension or revocation of licenses and registrations
337 of residents and nonresidents who fail to appear for trial at the time and
338 place assigned.

339 (d) Any judgment under this section shall be opened upon the
340 payment to the clerk of the Superior Court of a fee of forty dollars. Such
341 filing fee may be waived by the court.

342 (e) In addition, the provisions of subsection (b) of this section shall
343 apply to sections 29-322, 29-349 and 29-351.

344 Sec. 7. Section 14-45a of the 2022 supplement to the general statutes
345 is repealed and the following is substituted in lieu thereof (*Effective*
346 *October 1, 2022*):

347 (a) The Commissioner of Motor Vehicles shall adopt regulations, in
348 accordance with the provisions of chapter 54, concerning the licensing
349 of persons with health problems. Such regulations shall (1) include basic
350 standards for licensing decisions with respect to the most common and

351 recurrent health problems, such as visual and neurological
352 impairments, (2) include procedures for the referral of individual cases
353 to the medical advisory board, and (3) specify vision standards that are
354 necessary for a person to operate a motor vehicle safely.

355 (b) Prior to issuing a motor vehicle operator's license to a person who
356 has not previously been issued a license in this state or whose
357 Connecticut motor vehicle operator's license expired more than two
358 years prior to the application date, the commissioner may require such
359 person to (1) pass a vision screening conducted by the Department of
360 Motor Vehicles to determine if the person meets vision standards
361 specified in the regulations adopted pursuant to subsection (a) of this
362 section, or (2) submit to the commissioner the results of a vision
363 examination conducted by a licensed medical professional, as defined
364 in section 14-46b, that certifies that such person meets such vision
365 standards.

366 (c) The Commissioner of Motor Vehicles shall issue a motor vehicle
367 operator's license to a person who wears spectacles with bioptic lenses,
368 provided such person otherwise meets the vision standards specified in
369 the regulations adopted pursuant to subsection (a) of this section and
370 requirements for such license.

371 Sec. 8. (NEW) (*Effective from passage*) The Commissioner of Motor
372 Vehicles shall include, as part of the annual report required under
373 section 4-60 of the general statutes submitted to the Governor, a report
374 for the preceding fiscal year regarding (1) the number of special number
375 plates offered by the commissioner pursuant to part III of chapter 246 of
376 the general statutes, (2) the number of special number plates issued by
377 the commissioner, (3) the amount of fees collected upon such issuance,
378 and (4) the accounts in which such fees were deposited.

379 Sec. 9. Section 14-42 of the general statutes is repealed and the
380 following is substituted in lieu thereof (*Effective October 1, 2022*):

381 (a) An application for an operator's license or identity card shall be
382 made on forms furnished by the commissioner. The applications shall

383 be in such form and contain such provisions and information as the
384 commissioner may determine, except as provided in subsection (b) of
385 this section.

386 (b) The commissioner shall require any person [applying] who
387 applies for an operator's license or identity card, or any person who
388 applies to renew such license or card and did not previously consent to
389 make an anatomical gift through inclusion on the state donor registry,
390 maintained pursuant to section 14-42a, to indicate whether such person
391 consents or declines to make an anatomical gift through inclusion in the
392 state donor registry. [maintained pursuant to section 14-42a] In the case
393 of a person who applies to renew an operator's license or identity card
394 and previously consented to make an anatomical gift through inclusion
395 in the state donor registry, the commissioner shall not require such
396 person to reaffirm such consent. An operator's license issued to a person
397 who has authorized inclusion on such donor registry shall have a donor
398 symbol imprinted on such license or identity card.

399 Sec. 10. Subsection (b) of section 14-66 of the general statutes is
400 repealed and the following is substituted in lieu thereof (*Effective October*
401 *1, 2022*):

402 (b) The commissioner, or an inspector authorized by the
403 commissioner, shall examine each wrecker, including its number,
404 equipment and identification, and shall determine the mechanical
405 condition of such wrecker and whether or not it is properly equipped to
406 do the work intended. A wrecker shall be deemed properly equipped if
407 there are [two] flashing yellow lights installed and mounted on such
408 wrecker that (1) show in all directions at all times, and (2) [indicate the
409 full width of such wrecker. Such lights shall be mounted not less than
410 eight feet above the road surface] and are as close to the back of the cab
411 of such wrecker as practicable. Such lights shall be in operation when
412 such wrecker is towing a vehicle and when such wrecker is at the scene
413 of an accident or the location of a disabled motor vehicle. In addition,
414 each wrecker shall be equipped with a spot light mounted so that its
415 beam of light is directed toward the hoisting equipment in the rear of

447 Sec. 12. Section 14-65e of the general statutes is repealed and the
448 following is substituted in lieu thereof (*Effective October 1, 2022*):

449 For the purposes of sections 14-65f to 14-65j, inclusive, ["motor
450 vehicle repair shop"] as amended by this act, and section 14 of this act:

451 (1) "Motor vehicle repair shop" or "repair shop" means a new car

453 section 14-51, or their agents or employees;

454 (2) "Aftermarket part" means a motor vehicle replacement part that is
455 not an original equipment manufacturer part; and

456 (3) "Original equipment manufactured part" means a motor vehicle
457 replacement part manufactured by the original equipment

459 Sec. 13. Section 14-65f of the general statutes is repealed and the
460 following is substituted in lieu thereof (*Effective October 1, 2022*):

461 (a) (1) Prior to performing any repair work on a motor vehicle, a
462 motor vehicle repair shop shall obtain a written authorization to
463 perform the work, on an invoice signed by the customer, that includes
464 an estimate in writing of the maximum cost to the customer of the parts
465 and labor necessary for the specific job authorized. A repair shop shall
466 not charge for work done or parts supplied without a written
467 authorization or in excess of the estimate unless the customer gives
468 consent orally or in writing.

469 (2) In addition to, or as part of, the written authorization set forth in
470 subdivision (1) of this subsection, a motor vehicle repair shop shall
471 obtain a written acknowledgment that the customer is aware of his or
472 her right to choose the licensed repair shop where the motor vehicle will
473 be repaired. Such acknowledgment shall read as follows: "I am aware of
474 my right to choose the licensed repair shop where the damage to the
475 motor vehicle will be repaired." A repair shop shall not repair a motor
476 vehicle without such acknowledgment, which may be transmitted by
477 facsimile or by electronic mail.

478 (b) If the repair shop is unable to estimate the cost of repair because
479 the specific repairs to be performed are not known at the time the vehicle

480 is delivered to the repair shop, the written authorization required by this
481 section need not include an estimate of the maximum cost of parts and
482 labor. In such a case, prior to commencing any repairs, the repair shop
483 shall notify the customer of the work to be performed and the estimated
484 maximum cost to the customer of the necessary parts and labor, obtain
485 the customer's written or oral authorization and record such
486 information on the invoice.

487 (c) If, during the course of performing repair work, the repair shop
488 discovers that repairs other than those authorized are needed or that the
489 cost of authorized repairs will exceed the estimate, the repair shop shall
490 not proceed with the repairs without first obtaining the customer's
491 additional written or oral consent and recording such information on
492 the invoice.

493 (d) No repair shop shall have a claim against a motor vehicle for
494 repairs, other than for repairs actually performed and authorized, in an
495 amount greater than that authorized by the customer under the
496 provisions of sections 14-65e to 14-65j, inclusive, as amended by this act.

497 (e) If a motor vehicle is delivered to a repair shop at a time when the
498 shop is not open for business, the authorization to repair the vehicle and
499 the estimate of the cost of parts and labor may be given orally but shall
500 be recorded on the invoice.

501 (f) Unless requested by a customer, the requirement for a repair shop
502 to furnish an advance written estimate shall not apply to repair work for
503 which the total cost for parts and labor is less than fifty dollars.

504 (g) Unless otherwise requested by a customer, a motor vehicle repair
505 shop shall (1) follow the collision repair procedures, guidelines,
506 recommendations or service bulletins issued by the original equipment
507 manufacturer when repairing a motor vehicle, and (2) repair a motor
508 vehicle, in a manner determined by such motor vehicle repair shop, to
509 ensure the safe operation of the motor vehicle and reasonably mitigate
510 the diminished value of the motor vehicle.

511 [(g)] (h) Violation of any provision of this section shall be an
512 infraction.

513 Sec. 14. (NEW) (*Effective October 1, 2022*) (a) No person or entity, other
514 than the owner of the motor vehicle, shall require, request, encourage or
515 cause a motor vehicle repair shop to: (1) Repair the motor vehicle in an
516 unsafe manner, as determined by the repair shop or original
517 manufacturer of the motor vehicle, (2) install an aftermarket part, or (3)
518 install a used part on the motor vehicle unless such used part is from a
519 motor vehicle of the same model year age or newer and is of like kind
520 and quality of the part being replaced.

521 (b) Violation of any provision of this section shall be an infraction.

522 Sec. 15. (NEW) (*Effective from passage*) (a) There is established a
523 Removable Windshield Placard Advisory Council that shall be within
524 the Department of Motor Vehicles for administrative purposes only. The

526 issuance and use of removable windshield placards for persons who are
527 blind and persons with disabilities, (2) recommend best practices to the
528 Commissioner of Motor Vehicles for clear and concise policies and
529 regulations regarding the issuance and use of removable windshield
530 placards pursuant to section 14-253a of the general statutes, and (3)
531 make educational materials available to medical professionals, law
532 enforcement officers and the general public regarding the proper
533 issuance and use of such removable windshield placards.

534 (b) The advisory council shall consist of thirteen members, appointed
535 as follows: (1) Seven appointed by the Governor; (2) one appointed by

546 (d) The Governor shall designate the chairperson of the advisory
547 council. The advisory council shall meet at least annually and at such
548 other times as the chairperson deems necessary or upon the request of a
549 majority of the members. Members shall serve without compensation.

550 (e) On or before January 1, 2023, and annually thereafter, the advisory
551 council shall submit a report on its activities and any recommendations
552 to the Governor and the joint standing committee of the General
553 Assembly having cognizance of matters relating to transportation, in
554 accordance with the provisions of section 11-4a of the general statutes.

555 Sec. 16. (NEW) (*Effective October 1, 2022*) (a) Any person who violates

559 (b) No person shall be convicted of a violation of subsection (a) of this
560 section and a violation of section 14-279 of the general statutes because

565 act, and section 16 of this act, "live digital video school bus violation
566 detection monitoring system" or "monitoring system" means a system
567 with one or more camera sensors and computers that produce live
568 digital and recorded video images of motor vehicles being operated in
569 violation of section [14-279] 16 of this act. A monitoring system shall
570 produce a live visual image that is viewable remotely and a recorded
571 image of the license plate number of a motor vehicle violating section
572 [14-279] 16 of this act. Such recorded image shall indicate the date, time
573 and location of the violation.

574 (b) A municipality or local or regional board of education may install,
575 operate and maintain live digital video school bus violation detection
576 monitoring systems, or may enter into an agreement with a private
577 vendor for the installation, operation and maintenance of such
578 monitoring systems. Such agreement shall provide for the
579 compensation to the vendor for the expense of the monitoring services
580 and cost of equipment provided by the vendor and for the
581 reimbursement of the vendor for the expenses of installing, operating
582 and maintaining the monitoring system. Such agreement shall provide
583 that the vendor shall, on an annual basis, submit a report to such
584 municipality or local or regional board of education that includes, but is
585 not limited to: (1) The total number of citations issued as a result of a

588 board of education shall, within thirty days, submit such report to the
589 joint standing committee of the General Assembly having cognizance of
590 matters relating to transportation. A municipality or local or regional
591 board of education serving a municipality that has entered into an

604 record images of the occupants of such motor vehicle or of any other
605 persons or vehicles in the vicinity at the time the images are recorded.

606 Sec. 18. Section 14-279b of the 2022 supplement to the general statutes

607 is repealed and the following is substituted in lieu thereof (*Effective*

610 and recorded by a live digital video school bus violation detection
611 monitoring system, a state or municipal police officer shall review the
612 evidence file which shall include two or more digital photographs,
613 recorded video or other recorded images. If, after such review, such
614 officer determines that there are reasonable grounds to believe that a
615 violation of section [14-279] 16 of this act has occurred, such officer shall
616 authorize the issuance of a summons for such alleged violation. If such
617 officer authorizes the issuance of a summons for such alleged violation,
618 the law enforcement agency shall, not later than thirty days after the
619 alleged violation, mail a summons to the registered owner of the motor
620 vehicle together with a copy of two or more digital photographs,

622 (b) As provided in subsection (b) of section 14-107, proof of the
623 registration number of the motor vehicle therein concerned shall be
624 prima facie evidence that the owner was the operator thereof, except
625 that, in the case of a leased or rented motor vehicle, such proof shall be
626 prima facie evidence that the lessee was the operator thereof. A
627 photographic or digital still or video image that clearly shows the
628 [license] number plate number of a vehicle violating section [14-279] 16
629 of this act shall be sufficient proof of the identity of such vehicle for
630 purposes of subsection (b) of section 14-107.

631 (c) Any person who is alleged to have committed a violation of

633 subsection (a) of this section shall follow the procedures set forth in
634 section 51-164n, as amended by this act.

642 vehicle, (2) the violation was necessary to avoid injuring the person or
643 property of another, (3) the violation was incurred while participating
644 in a funeral procession, (4) the violation was incurred during a period
645 of time in which the motor vehicle had been reported as being stolen to
646 an organized local police department or the state police and had not

650 or (6) the violation was necessary in order for the operator to comply
651 with any other general statute or regulation concerning the operation of
652 a motor vehicle.

653 (f) No recorded image produced by a monitoring system pursuant to
654 this section may be introduced as evidence in any other civil or criminal
655 proceedings.

656 (g) A recorded image produced by a monitoring system shall be
657 destroyed (1) ninety days after the date of the alleged violation if a
658 summons is not issued for such alleged violation pursuant to subsection
659 (a) of this section, or (2) upon final disposition of the case to which it
660 pertains if a summons is issued for such alleged violation pursuant to
661 subsection (a) of this section.
