Sec. 166. Subsection (k) of section 16-245 of the 2022 supplement to the general statutes is repealed and the following is substituted in lieu thereof (Effective October 1, 2022):

Notwithstanding the provisions of subsection (b) of section 16-244c regarding an alternative transitional standard offer option or an alternative standard service option, the authority shall require a payment by a licensee that fails to comply with the renewable portfolio standards in accordance with subdivision (4) of subsection (g) of this section in the amount of: (1) For calendar years up to and including calendar year 2017, five and one-half cents per kilowatt hour, (2) for calendar years commencing on January 1, 2018, and up to and including the calendar year commencing on January 1, 2020, five and one-half cents per kilowatt hour if the licensee fails to comply with the renewable portfolio standards during the subject annual period for Class I renewable energy sources, and two and one-half cents per kilowatt hour if the licensee fails to comply with the renewable portfolio standards during the subject annual period for Class II renewable energy sources, and (3) for calendar years commencing on and after January 1, 2021, four cents per kilowatt hour if the licensee fails to comply with the renewable portfolio standards during the subject annual period for Class I renewable energy sources, and two and one-half cents per kilowatt hour if the licensee fails to comply with the renewable portfolio standards during the subject annual period for Class II renewable energy sources. On or before December 31, 2013, the authority shall issue a decision, following an uncontested proceeding, on whether any licensee has failed to comply with the renewable portfolio standards for calendar years up to and including 2012, for which a decision has not already been issued. On and after June 5, 2013, the Public Utilities Regulatory Authority shall annually conduct an uncontested proceeding in order to determine whether any licensee has failed to comply with the renewable portfolio standards during the preceding year. Not later than December 31, 2014, and annually thereafter, the authority shall, following such proceeding, issue a decision as to whether the licensee has failed to comply with the renewable portfolio standards during the preceding year. The authority shall allocate such payment to the Clean Energy Fund for the
development of Class I renewable energy sources, provided, on and after June 5, 2013, any such payment shall be refunded to ratepayers by using such payment to offset the costs to all customers of electric distribution companies of the costs of contracts and tariffs entered into pursuant to sections 16-244r, 16-244t and section 16-244z, except that, on and after January 1, 2023, any such payment that is attributable to a failure to comply with the Class II renewable portfolio standards shall be deposited in the sustainable materials management account established pursuant to section 168 of this act. Sec. 173. Section 10-183b of the 2022 supplement to the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2022):

As used in this chapter, unless the context otherwise requires:

(1) "Actuarial reserve basis" means a basis under which the liabilities of the retirement system are determined under acceptable actuarial methods and under which assets are accumulated under a program designed to achieve a proper balance between the accumulated assets and the liabilities of the system.

(2) "Amortization of unfunded liabilities" means: (A) For fiscal years ending on or before June 30, 2019, a systematic program of annual payments determined as a level per cent of expected member annual salaries in lieu of a lump sum payment; and (B) for fiscal years ending on or after June 30, 2020, a systematic program of annual payments, transitioning equally over five consecutive fiscal years from a level per cent of expected annual member salaries to a level payment, in lieu of a lump sum payment.

(3) "Annual salary" means the annual salary rate for service as a Connecticut teacher during a school year but not including unused sick leave, unused vacation, terminal pay, coaching or extra duty assignments, unless compensation for coaching or extra duty assignment was included in salary for which contributions were made prior to July 1, 1971. In no event shall annual salary include amounts determined by the board to be included for the purpose of inflating the member's average annual salary. The inclusion in annual salary of amounts paid to the member, in lieu of payment by the employer for the cost of benefits, insurance, or individual retirement arrangements which in prior years had been paid by the employer and not included in the
member's annual salary, shall be prima facie evidence that such
amounts are included for the purpose of inflating the member's average
annual salary. Annual salary shall not (A) include payments the timing
of which may be directed by the member, (B) include payments to a
superintendent pursuant to an individual contract between such
superintendent and a board of education, of amounts which are not
included in base salary, or (C) exceed the maximum amount allowed
under Section 401(a)(17) of the Internal Revenue Code for the applicable
limitation year, provided in no event shall the limitation under Section
401(a)(17) of the Internal Revenue Code apply to the annual salary of a
member whose membership began prior to January 1, 1996, if such
limitation would reduce the amount of the member's annual salary
below the amount permitted for calculation of the member's retirement
benefit under chapter 167a, without regard to the limitation under
Section 401(a)(17) of the Internal Revenue Code. Annual salary shall
include amounts paid to the member during a sabbatical leave during
which mandatory contributions were remitted, provided such member
returned to full-time teaching for at least five full years following the
completion of such leave.

(4) "Average annual salary" means the average [annual salary
received during the three years of highest salary] of the three highest
annual salaries received as an active member.

(5) "Board" means the Teachers' Retirement Board.

(6) "Child" means a natural child, an adopted child, or a stepchild of
a deceased member who has been a stepchild for at least one year
immediately prior to the date on which the member died. A child is a
"dependent child" of a deceased member if at the time of the member's
death (A) the member was living with the child or providing or
obligated to provide, by agreement or court order, a reasonable portion
of the support of the child, and (B) the child (i) is unmarried and has not
attained age eighteen, or (ii) is disabled and such disability began prior
to the child's attaining age eighteen.
(7) "Contributions" means amounts withheld pursuant to this chapter and paid to the board by an employer from compensation payable to a member. Prior to July 1, 1989, "mandatory contributions" are contributions required to be withheld under this chapter and consist of five per cent regular contributions and "one per cent contributions". From July 1, 1989, to June 30, 1992, "mandatory contributions" are contributions required to be withheld under this chapter and consist of five per cent regular contributions and one per cent health contributions. From July 1, 1992, to June 30, 2004, "mandatory contributions" are contributions required to be withheld under this chapter and consist of six per cent "regular contributions" and one per cent health contributions. From July 1, 2004, to December 31, 2017, "mandatory contributions" are contributions required to be withheld under this chapter and consist of six per cent regular contributions and one and one-fourth per cent health contributions. From January 1, 2018, to December 31, 2019, inclusive, "mandatory contributions" are contributions required to be withheld under this chapter and consist of seven per cent "regular contributions" and one and one-fourth per cent health contributions. On and after January 1, 2020, "mandatory contributions" are contributions required to be withheld under this chapter and consist of seven per cent "regular contributions" and one and one-fourth per cent health contributions, except that no health contributions shall be required for an employee of the state that (A) has completed the vesting service necessary to receive health benefits provided to retired state employees, and (B) does not participate in any group health insurance plans maintained for retired teachers. Nothing in this subdivision shall affect any other obligation of such a state employee to contribute to the state's retiree health care trust fund. "Voluntary contributions" are contributions by a member authorized to be withheld under section 10-183i.

(8) "Coparticipant" means a person who the member elects at the time of retirement to receive guaranteed lifetime benefits upon the death of the member.
"Credited interest" means interest at the rate from time to time fixed by the board consistent with industry standards and practices. Such interest shall be applied to a member's account based on the balance as of the previous June thirtieth. (o) On January 1, 1988, each eligible retired member who had rendered at least twenty-five years of full-time service prior to normal
tirement under the provisions of subsection (a) of section 10-183f, or such member's successor beneficiary, as defined in subsection (j) of this
section, shall receive a single increase in retirement benefits provided under this chapter. Such increase shall be paid to such eligible members
or successor beneficiaries whose monthly benefit as of December 31, 1987, before any reduction for an optional benefit payment plan, is less
than eight hundred dollars, and shall be sufficient to increase such monthly benefit to eight hundred dollars.

(p) On January 1, 1991, each eligible retired member who had rendered at least twenty-five years of full-time service at least twenty
years of which were service in the public schools of Connecticut prior to early retirement before January 1, 1976, under the provisions of
subsection (c) of section 10-183f, or such member's successor beneficiary, as defined in subsection (j) of this section, shall receive a single increase
in retirement benefits provided under this chapter. Such increase shall be paid to such eligible members or successor beneficiaries whose
monthly benefit as of December 31, 1990, before any reduction for an
optional benefit payment plan, is less than eight hundred dollars, and
shall be sufficient to increase such monthly benefit to eight hundred
dollars.

(q) On January 1, 1999, each eligible retired member who had
rendered at least twenty-five years of full-time service, or such
member's successor beneficiary, as defined in subsection (j) of this
section, shall receive a single increase in benefits provided under this
chapter. Such increase shall be sufficient to increase the monthly benefit
of such eligible members or successor beneficiaries, whose monthly
benefit as of December 31, 1998, before any actuarial reduction for early
retirement or for an optional benefit payment plan, is less than twelve
hundred dollars and shall be sufficient to increase such monthly benefit
to twelve hundred dollars.

(r) No retirement benefit payable under this chapter, including any
cost of living allowance, shall exceed the maximum dollar limit in effect
under Section 415(b) of the Internal Revenue Code for the applicable
limitation year, as increased in subsequent years pursuant to Section
415(d) of the Internal Revenue Code. [A subsequent annual increase
shall apply to a member if the increase becomes effective after the
member retires or, if such increase becomes effective before a member
retires, after the date on which such benefit begins to accrue.]

(s) For purposes of this section, "successor beneficiary" means any
person, other than the member, who is receiving benefits as the result of
the election of a period certain option or a coparticipant option,
including an election for such an option by a surviving spouse under
subsection (d) of section 10-183h.

Sec. 177. Section 10-183h of the general statutes is repealed and the
following is substituted in lieu thereof (Effective July 1, 2022):

(a) The basic monthly survivor's [monthly] benefit, subject to a family
maximum of one thousand five hundred dollars, shall be (1) three
hundred dollars each for a surviving spouse, plus twenty-five dollars
for each year of service in excess of twelve years in the [Connecticut] public schools of Connecticut completed by the member, subject to a maximum monthly benefit of six hundred dollars, (2) three hundred dollars each for a dependent former spouse; for a dependent parent if there is no surviving spouse or dependent child; and for a legal guardian of any dependent child if there is no surviving spouse, dependent former spouse or dependent parent, and (3) three hundred dollars for each dependent child. In applying the family maximum, the benefit shall be first allocated to the child or children, with the excess allocated to the surviving spouse and any dependent former spouse in proportion to the amount each would receive according to the above formula. Payment of the benefit shall commence on the last day of the month following the month of the member’s death. Such benefit shall continue through the month preceding the month in which the survivor dies or ceases to be eligible for such benefit. Such benefit to the legal guardian of dependent children shall continue until all such children are no longer dependent, as defined in section 10-183b. Notwithstanding the provisions of this subsection, any such surviving spouse, dependent former spouse, dependent parent or legal guardian may waive the right to payment of the benefit under this subsection in order that a designated beneficiary who is the child of the deceased member may receive such member's accumulated contributions plus credited interest. Such waiver shall be made prior to the payment of the benefit to any such surviving spouse, dependent former spouse, dependent parent or legal guardian.

(b) [If no coparticipant option under 10-183j has become effective, a] A lump sum death benefit shall be payable to [the] a surviving spouse. Such benefit shall be one thousand dollars for five years or less of [Connecticut public school] service in the public schools of Connecticut, plus two hundred dollars for each year of credited service in the public schools of Connecticut in excess of five years, to a maximum of two thousand dollars. [For purposes of this subsection, purchased military service and purchased leaves of absence under subdivisions (3) and (8)
of subsection (b) of section 10-183e shall be deemed to be Connecticut public school service.] If there is no surviving spouse, such benefit shall be equal to the member's burial expenses but not in excess of what would have been payable to a surviving spouse and shall be payable to the person who paid such expenses. No payment under this subsection shall be made unless application for the payment is filed with the board within two years of such member's death.

(c) In lieu of [such] a basic survivor's benefit and [such] a lump sum death benefit, a sole survivor who has attained age eighteen, and is the member's designated beneficiary may elect to receive an amount equal to such member's accumulated contributions together with credited interest. [When a member has designated two or more beneficiaries, who have, at the time of such member's death, attained age eighteen, the one entitled to basic survivor's benefits, if any, shall be deemed the sole survivor within the meaning of this subsection, provided, that all other designated beneficiaries relinquish all claim to any amounts that may be due them from the system.]

(d) The surviving spouse of any member who, at the time of death was eligible for a retirement benefit other than a disability benefit and had not filed a waiver of the coparticipant's option, may elect to receive (1) a monthly benefit for life equal to the benefit payable if a one hundred per cent coparticipant's option had been elected or (2) an amount equal to the member's accumulated contributions with credited interest.

(e) If no coparticipant option has become effective and if the aggregate payments under this section are less than the accumulated mandatory contributions of a deceased member plus credited interest, there shall be paid to such member's designated beneficiary an amount equal to the difference between such aggregate payments and such accumulated mandatory contributions plus credited interest.

(f) Notwithstanding the provisions of subparagraph (B) of
subdivision [(23)] (25) of section 10-183b, benefits payable under this section to a surviving spouse shall not be terminated because of remarriage if such surviving spouse has attained the age of sixty.

(g) If a member who has filed an application for retirement dies prior to the effective date of retirement, such member's spouse, if such spouse is designated on such application as the sole beneficiary, may elect to receive either (1) the preretirement death benefits as set forth in this section, or (2) the benefit payment option selected by the deceased member on such retirement application.

Sec. 178. Section 10-183j of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2022):

(a) [In lieu of a normal, early, proratable or deferred vested benefit, a] A member [may] shall elect [either of the] one of the benefit options described in [subsections (b) and (c) of] this section. A member may amend or revoke such benefit option election by delivering written notice, signed by the member and notarized, to the board prior to the date of the member's retirement. A member's benefit option election may not be amended or revoked after the member's date of retirement.

(b) A member may elect the Plan N single life option. A member electing this option shall receive benefits as described in section 10-183g.

[(b) A] (c) A member may elect the Plan C period certain option. [may be elected in which the member receives] A member electing this option shall receive an actuarially reduced benefit for a fixed period of time selected by such member. [and for the remainder of such member's life.] Such member may select a fixed period of twenty-five years or such shorter period as the board may offer. If such member dies before receiving the benefit for the selected period, such benefit shall be paid to the member's designated beneficiary for the remainder of such period. If such member's designated beneficiary dies before such member, or if such member has no designated beneficiary and such member dies before receiving the benefit for the selected period, any...
remaining benefit shall be paid to such member's estate as a commuted value. If there are multiple designated beneficiaries and a designated beneficiary dies before the end of the selected period, the deceased designated beneficiary's remaining benefit shall be allocated equally to the remaining living designated beneficiaries. If a sole designated beneficiary dies before the end of such period, any remaining benefit shall be paid to the designated beneficiary's estate as a commuted value.

[(c) A] (d) (1) A member may elect the Plan D coparticipant's option. [may be elected in which the member receives] A member electing this option shall receive an actuarially reduced benefit as [provided in] described in subdivision (2) of this subsection [(d) of this section] and upon such member's death, one-third, one-half, two-thirds, three-fourths or all of such [amount is] benefit shall be paid to such member's designated beneficiary for life. Any member who elects this option shall select one designated beneficiary, who shall be such member's coparticipant. The member's selection of a designated beneficiary shall be irrevocable and shall terminate only as provided in this subsection.

With respect to any benefits which become effective on or after January 1, 2001, if twenty-five per cent of the aggregate benefits paid to the member or such member's designated beneficiary are, upon the death of such member or such designated beneficiary, less than such member's accumulated contributions plus credited interest, the estate of such member or such designated beneficiary, as appropriate, shall be paid a lump sum amount equal to the difference between such aggregate benefits paid and such accumulated contributions plus credited interest.

[(d)] (2) The benefits payable to [such] a member electing the Plan D coparticipant's option and such member's coparticipant shall be computed as follows:

[(1)] (A) The benefit payable to such member at retirement and to such coparticipant upon such member's death shall be the actuarial equivalent of the normal, early, or proratable or deferred vested benefit for which such member is eligible and based upon such
member's age at retirement and the age of such coparticipant on such retirement date. In the event the member predeceases the coparticipant, upon the death of the coparticipant, any remaining value in the account shall be paid in a lump sum to the coparticipant's estate. In the event (i) the coparticipant predeceases the member, (ii) the member and the coparticipant divorce, or (iii) the member and the coparticipant legally separate on or after July 1, 2020, the member's actuarially reduced benefit shall revert to an unreduced benefit under Plan N and, upon the member's death, any remaining value in the member's account shall be paid to the member's designated beneficiary, if any, or, if there is no designated beneficiary, to the member's estate.

[(2) The benefit payable to such coparticipant of such member who dies after such option first becomes effective but before retirement shall be the actuarial equivalent of the normal, early or proratable benefit for which such member was eligible based on such member's age at death and the age of such coparticipant on such date of death.]

[(3) (A) (i) Except as provided in this subparagraph [(B) of this subdivision,] a coparticipant option shall be terminated, for any member whose designated coparticipant dies or is divorced from the member after the member's retirement, on the date of such death or divorce. Such member shall thereupon be paid the normal, early or proratable retirement benefit for which the member is eligible. [(B)] (ii) On and after July 1, 2016, upon the divorce of a member and the member's designated coparticipant or upon the legal separation of a member and such member's designated coparticipant occurring on or after July 1, 2020, and subsequent to the member's retirement, the member may retain the coparticipant designation and the coparticipant option elected at the time of retirement by filing a [qualified] domestic relations order with the board.

Sec. 179. Section 10-183k of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2022):
(a) A member who voluntarily or involuntarily terminates [prior to] service with the member's employer, including termination due to the member's death, before retirement shall be entitled to have refunded his or her accumulated voluntary contributions with credited interest.

(b) A member who voluntarily or involuntarily terminates service with the member's employer, including termination due to the member's death, before retirement with less than five [years'] years of credited service in the public schools of Connecticut shall be entitled to have refunded his or her accumulated regular contributions with credited interest. A member who voluntarily or involuntarily terminates service with the member's employer, including termination due to the member's death, before the member's retirement with more than five years of credited service shall be entitled to have refunded his or her accumulated regular contributions with credited interest and his or her accumulated one per cent contributions withheld prior to July 1, 1989. A member who elects to receive a refund of contributions in accordance with this subsection, shall have all credited service canceled and any right to benefits under this chapter shall be extinguished, except as provided in subsection (d) of this section.

(c) A member who voluntarily or involuntarily terminates service with the member's employer, including termination due to the member's death, before retirement with more than ten years' credited service in the public schools of Connecticut [but prior to retirement] may elect to receive in lieu of the benefits provided by this chapter a refund of his or her accumulated contributions with credited interest as provided in subsection (b) of this section. If such member elects a refund, all credited service shall be cancelled and any rights to benefits provided by this chapter shall be extinguished, except as provided in subsection (d) of this section. If such member does not elect a refund, but dies before age sixty or before receiving the deferred vested benefit, if later, such member's [accumulated voluntary contributions,] accumulated regular contributions with credited interest and accumulated one per cent contributions withheld prior to July 1, 1989,
[together with credited interest] shall be paid to such member's designated beneficiary.

(d) A member who receives a refund and returns to service shall be regarded as a new member unless such member repays, subject to the requirements established by the board, the amount refunded, other than voluntary contributions and the interest thereon, together with credited interest compounded from the date interest was last credited to such member's account to the date of repayment. The credited service accumulated before termination and any unfunded one per cent contributions withheld prior to July 1, 1989, and credited interest shall be restored to a member who makes such repayment. Restored contributions and interest shall be credited with credited interest for the period between the last day for which interest was credited on such contributions and such member's [return to service] date of repayment.

greater than the minimum salary paid for such teacher's regular
Teaching assignment.] In the event an employer does not deduct the
monthly amount for the member's mandatory contribution from the
member's annual salary, as required and set forth in subdivision (4) of
this subsection, the member shall remit such amount to the board. A
member who fails to remit such amount to the board shall not receive
annual salary rate credit for the amount to which the payment relates.

(b) (1) Each local treasurer or other person having custody of amounts
deducted under this chapter by an employer shall transmit and report
such amounts to the board so that they are received by [said] the board
no later than the fifth business day of the following month. On and after
July 1, 2001, all such amounts shall be transmitted via electronic transfer
of funds. [Such amounts] If the employer deducted such amount from
the member's salary but failed to remit the payment to the board, the
employer shall be responsible for paying the amount deducted for the
mandatory contribution plus the credited interest due from the date the
payment of the mandatory contribution amount was required to be
made by the employer to the date the payment was received by the
board. In the event the mandatory contribution amount is not received
by the board, the member shall be ineligible for the associated service
credit. The board shall not be required to refund credited interest for
payments made to the board before the required due date.

(2) All amounts transmitted to the board for member contributions
shall at all times be the property of the system and while in the custody
of such local treasurer or other person such person is a fiduciary with
respect to such amounts and shall discharge a fiduciary's
responsibilities solely for the benefit of the system. If such amounts are
not accompanied by the reports and information deemed necessary or
desirable by the board for the proper administration of the system, in
accordance with subsection (a) of this section, the board may deem such
amounts not received by the fifth business day of the following month
for purposes of this subsection until the date on which such reports and
information are received. [Said] The board shall be entitled to receive
from an employer interest at the rate of nine per cent per year from the
due date on all amounts deducted by such employer and not received
by [said] the board by the fifth business day of the following month.
Interest at the rate of nine per cent per year shall be compounded
annually on the interest assessed from the date payment is received to

into the armed forces, as defined in section 27-103 [. Such contributions
as may be approved by the board of education shall be included in the
annual itemized budget estimate of the costs of maintenance of public
schools for the ensuing year] on behalf of such members, in accordance
with the Uniformed Services Employment and Reemployment Rights
Act, 38 USC Chapter 43, as amended from time to time.

Sec. 182. Section 10-183q of the general statutes is repealed and the
following is substituted in lieu thereof (Effective July 1, 2022):

(a) The portion of each member's compensation deducted or to be
deducted under this chapter and all rights of each member and of each
survivor to receive benefits or other payments under this chapter: [shall]
(1) Shall be exempt from the operation of any laws relating to
bankruptcy or insolvency; and (2) shall not be subject to garnishment,
attachment, execution, levy or any other similar legal process or order of any court, except such compensation shall be subject to a court-approved domestic relations order in favor of an alternate payee. No assignment of any right of a member or any other person to receive benefits or other payments from the system shall be valid. The funds of the system invested in personal property shall be exempt from taxation.

(b) A person selected by the court as an alternate payee under an approved domestic relations order may elect, at the time and in the manner prescribed by the board, to have any portion of an eligible rollover distribution or trustee-to-trustee transfer paid directly to an eligible retirement plan by way of a direct rollover. Taxable funds may be distributed as a rollover if elected by such person. For purposes of this subsection, "eligible rollover distribution" and "eligible retirement plan" have the same meanings as provided in Section 402 of the Internal Revenue Code of 1986, or any subsequent corresponding internal revenue code of the United States, as amended from time to time, except (1) a qualified trust shall be deemed an eligible retirement plan only if it accepts such person's eligible rollover distribution; and (2) in the case of an eligible rollover distribution to a surviving spouse, an eligible retirement plan means an individual retirement account or an individual retirement annuity, as defined in said section of the Internal Revenue Code of 1986.

Sec. 183. Section 10-183t of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2022):

(a) The [retirement] board shall offer one or more health benefit plans to: Any member receiving retirement benefits or a disability allowance from the system; the spouse or surviving spouse of such member, and a disabled dependent of such member if there is no spouse or surviving spouse, provided such member, spouse, surviving spouse, or disabled dependent is participating in Medicare Part A hospital insurance and Medicare Part B medical insurance. The board may offer one or more basic plans, the cost of which to any such member, spouse, surviving
spouse or disabled dependent shall be one-third of the basic plan's premium equivalent, and one or more optional plans, provided such member, spouse, surviving spouse or disabled dependent shall pay one-third of the basic plan's premium equivalent plus the difference in cost between any such basic plans and any such optional plans. The board shall designate those plans which are basic and those plans which are optional for the purpose of determining such cost and the amount to be charged or withheld from benefit payments for such plans. The surviving spouse of a member, or a disabled dependent of a member if there is no surviving spouse, shall not be ineligible for participation in any such plan solely because such surviving spouse or disabled dependent is not receiving benefits from the system. With respect to any person participating in any such plan, the state shall appropriate to the board one-third of the cost of such basic plan or plans, or one-third of the cost of the rate in effect during the fiscal year ending June 30, 1998, whichever is greater. [On and after July 1, 2012, federal reimbursements received by the retirement board under the retiree drug subsidy provisions of Medicare Part D shall be used to offset amounts appropriated by the state to the board pursuant to this subsection.]

(b) (1) Any member who (A) is receiving retirement benefits or a disability allowance from the system, the spouse or surviving spouse of such member, or a disabled dependent of such member if there is no spouse or surviving spouse, and who is not participating in Medicare Part A hospital insurance and Medicare Part B medical insurance, and (B) meets the state's eligibility criteria for health insurance or is eligible to participate in the group health insurance plan offered by such member's last employing board of education, may fully participate in any or all group health insurance plans maintained for active teachers by such member's last employing board of education, or by the state in the case of a member who was employed by the state, upon payment to such board of education or to the state, as applicable, by such member, spouse, surviving spouse or disabled dependent, of the premium charged for [his] the member's form of coverage. Such premium shall be
no greater than that charged for the same form of coverage for active teachers.

(2) The member's spouse, surviving spouse or disabled dependent shall not be ineligible for participation in any such plan solely because such spouse, surviving spouse or disabled dependent is not receiving benefits from the system. No person shall be ineligible for participation in such plans for failure to enroll in such plans at the time the member's retirement benefit or disability allowance became effective.

(3) Nothing in this subsection shall be construed to impair or alter the provisions of any collective bargaining agreement relating to the payment by a board of education of group health insurance premiums on behalf of any member receiving benefits from the system. Prior to the cancellation of coverage for any member, spouse, surviving spouse or disabled dependent for failure to pay the required premiums or cost due, the board of education or the state, if applicable, shall notify the Teachers' Retirement Board of its intention to cancel such coverage at least thirty days prior to the date of cancellation. Absent any contractual provisions to the contrary, the payments made pursuant to subsection (c) of this section shall be first applied to any cost borne by the member, spouse, surviving spouse or disabled dependent participating in any such plan.

(4) As used in this subsection, "last employing board of education" means the board of education by which such member was employed when such member filed his or her initial application for retirement, and "health insurance plans" means hospital, medical, major medical, dental, prescription drug or auditory benefit plans that are available to active teachers.

(c) (1) On and after July 1, [2000] 2022, the board shall pay a subsidy [equal to the subsidy paid in the fiscal year ending June 30, 2000] of two hundred twenty dollars, to the board of education or to the state, if applicable, on behalf of any member who is receiving retirement
benefits or a disability allowance from the system, the spouse of such
member, the surviving spouse of such member, or a disabled dependent
of such member if there is no spouse or surviving spouse, who is
participating in a health insurance plan maintained by a board of
education or by the state, if applicable. Such payment shall not exceed
the actual cost of such insurance.

(2) With respect to any person participating in any such plan
pursuant to subsection (b) of this section, the state shall appropriate to
the board one-third of the cost of the subsidy, except that, for the fiscal
year ending June 30, 2013, the state shall appropriate twenty-five per
cent of the cost of the subsidy. On and after July 1, 2018, for the fiscal
year ending June 30, 2019, and for each fiscal year thereafter, fifty per
cent of the total amount appropriated by the state in each such fiscal
year for the state's share of the cost of such subsidies shall be paid to the
board on or before July first of such fiscal year, and the remaining fifty
per cent of such total amount shall be paid to the board on or before
December first of such fiscal year.

(3) No payment to a board of education pursuant to this subsection
may be used to reduce the amount of any premium payment on behalf
of any such member, spouse, surviving spouse, or disabled dependent,
made by such board pursuant to any agreement in effect on July 1, 1990.
On and after July 1, [2012] 2022, the board shall pay a subsidy of [two
hundred twenty] four hundred forty dollars per month on behalf of the
member, spouse or the surviving spouse of such member who: (A) Has
attained the normal retirement age to participate in Medicare, (B) is not
eligible for Medicare Part A without cost, and (C) contributes at least
[two hundred twenty] four hundred forty dollars per month towards
his or her medical and prescription drug plan provided by the board of
education.

(d) The Treasurer shall establish a separate retired teachers' health
insurance premium account within the Teachers' Retirement Fund.
Commencing July 1, 1989, and annually thereafter all health benefit plan
contributions withheld under this chapter in excess of five hundred thousand dollars shall, upon deposit in the Teachers' Retirement Fund, be credited to such account. Interest derived from the investment of funds in the account shall be credited to the account. Funds in the account shall be used for (1) payments to boards of education pursuant to subsection (c) of this section and for payment of premiums on behalf of members, spouses of members, surviving spouses of members or disabled dependents of members participating in one or more health insurance plans pursuant to subsection (a) of this section in an amount equal to the difference between the amount paid pursuant to subsection (a) of this section and the amount paid pursuant to subsection (c) of this section, and (2) payments for professional fees associated with the administration of the health benefit plans offered pursuant to this section. If, during any fiscal year, there are insufficient funds in the account for the purposes of all such payments, the General Assembly shall appropriate sufficient funds to the account for such purpose.

(e) (1) Not later than the first business day of February, May, August and November of each year, each employer shall submit to the board, in a format required by the board, any information the board determines to be necessary concerning additions, deletions and premium changes for the health insurance subsidy program described in subsection (c) of this section. Any report received by the board after the due date shall be processed in the following quarterly cycle. An employer's failure to timely submit a quarterly report shall result in a delay of the subsidy for that quarter and the board shall pay the subsidy as a retroactive subsidy, as provided in subdivision (2) of this subsection.

(2) Retroactive subsidy payments shall be limited to six months prior to the first day of the month in which the board receives an untimely report that includes newly eligible retired members or dependents. The board shall pay the subsidy retroactively to the effective date of the disability, provided any eligible members or dependents are added to the report not later than the first quarter following the board's approval of the disability and the member's disability allowance is initiated.
within four months of board approval. The employer shall hold any
member or dependent harmless for any costs associated with, arising
from or out of the loss of the benefit of the subsidy as a result of the
employer's untimely or inaccurate filing of the quarterly report.

Sec. 184. Subsection (b) of section 10-183v of the 2022 supplement to
the general statutes is repealed and the following is substituted in lieu
thereof (Effective July 1, 2022):

(b) A teacher receiving retirement benefits from the system may be
reemployed for up to one full school year by a local board of education,
the State Board of Education, the Technical Education and Career
System or by any constituent unit of the state system of higher education
(1) in a position designated by the Commissioner of Education as a
subject shortage area for the school year in which the teacher is being
employed, (2) at a school located in a school district identified as a
priority school district, pursuant to section 10-266p, for the school year
in which the teacher is being employed, (3) if the teacher graduated from
a public high school in an educational reform district, as defined in
section 10-262u, or (4) if the teacher graduated from an historically black
college or university or a Hispanic-serving institution, as those terms are
defined in the Higher Education Act of 1965, P.L. 89-329, as amended
from time to time, and reauthorized by the Higher Education
Notice of such reemployment shall be sent to the board by the employer
and by the retired teacher at the time of hire and at the end of the
assignment. Such reemployment may be extended for one additional
school year, not to exceed two school years over the lifetime of the
retiree, provided the local board of education (A) submits a written
request for approval to the Teachers' Retirement Board, (B) certifies that
no qualified candidates are available prior to the reemployment of such
teacher, and (C) indicates the type of assignment to be performed, the
anticipated date of rehire and the expected duration of the assignment.

Sec. 185. Section 10-183aa of the 2022 supplement to the general
statutes is amended by adding subsection (h) as follows (Effective July 1, 2022):

(NEW) (h) For purposes of this section, "active member" means a member who (1) is actively employed as a teacher at the time the member submits an application for disability benefits, or (2) was actively employed as a teacher not more than ninety days before the date the member submitted his or her application for disability benefits.

Sec. 186. Section 10-183ff of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2022):

(a) Should any change or error in records result in any member or beneficiary receiving from the teachers' retirement system more or less than [he] the member or beneficiary would have been entitled to receive had the records been correct, then upon discovery of any such error the Teachers' Retirement Board shall notify the member or beneficiary affected. [and correct the same, and as far as practicable] The board shall, to the extent feasible, adjust the member's or beneficiary's payments [in such manner] so that the member or beneficiary is paid the actuarial equivalent of the benefit [to which such member or beneficiary] he or she was correctly entitled [shall] to be paid. The provisions of this subsection shall not apply to a person under twenty-one years of age who is delivering or accepting delivery of cigarettes or a tobacco product (1) in such person's capacity as an employee, or (2) as part of a scientific study being conducted by an organization for the purpose of medical research to further efforts in cigarette and tobacco product use prevention and cessation, provided such medical research has been approved by the organization's institutional review board, as defined in section 21a-408.

(c) Any person under twenty-one years of age who misrepresents such person's age to purchase cigarettes or a tobacco product shall be fined not more than fifty dollars for the first offense and not less than fifty dollars or more than one hundred dollars for each subsequent offense.

(d) (1) A seller or seller's agent or employee shall request that each
person intending to purchase cigarettes or a tobacco product present a
driver's license or identity card to establish that such person is twenty-

[(d) (1)] (2) A seller or seller's agent or employee may perform a
transaction scan to check the validity of a driver's license or identity card
presented by a cardholder as a condition for selling, giving away or
otherwise distributing cigarettes or a tobacco product to the cardholder.

[(2)] (3) If the information deciphered by the transaction scan
performed under subdivision [(1)] (2) of this subsection fails to match
the information printed on the driver's license or identity card presented
by the cardholder, or if the transaction scan indicates that the
information so printed is false or fraudulent, neither the seller nor any
seller's agent or employee shall sell, give away or otherwise distribute
any cigarettes or a tobacco product to the cardholder.

[(3)] (4) Subdivision [(1)] (2) of this subsection does not preclude a
seller or seller's agent or employee from using a transaction scan device
to check the validity of a document other than a driver's license or an
identity card, if the document includes a bar code or magnetic strip that
may be scanned by the device, as a condition for selling, giving away or
otherwise distributing cigarettes or a tobacco product to the person
presenting the document.

(e) (1) No seller or seller's agent or employee shall electronically or

(5) Any person who violates this subsection shall be subject to a civil penalty of not more than one thousand dollars.

(f) (1) In any prosecution of a seller or seller's agent or employee for a violation of subsection (b) of this section, it shall be an affirmative defense that all of the following occurred: (A) A cardholder attempting to purchase or receive cigarettes or a tobacco product presented a driver's license or an identity card; (B) a transaction scan of the driver's license or identity card that the cardholder presented indicated that the license or card was valid and indicated that the cardholder was at least twenty-one years of age; and (C) the cigarettes or a tobacco product was sold, given away or otherwise distributed to the cardholder in reasonable reliance upon the identification presented and the completed transaction scan.

(2) In determining whether a seller or seller's agent or employee has proven the affirmative defense provided by subdivision (1) of this section, the trier of fact in such prosecution shall consider that reasonable reliance upon the identification presented and the completed transaction scan may require a seller or seller's agent or employee to exercise reasonable diligence and that the use of a transaction scan device does not excuse a seller or seller's agent or employee from exercising such reasonable diligence to determine the following: (A)
Whether a person to whom the seller or seller's agent or employee sells, gives away or otherwise distributes cigarettes or a tobacco product is twenty-one years of age or older; and (B) whether the description and picture appearing on the driver's license or identity card presented by a cardholder is that of the cardholder.

(c) The Commissioner of Consumer Protection, acting upon the advice of the Commission of Pharmacy, may by regulation designate, after investigation, as a controlled substance, a substance or chemical composition containing any quantity of a substance which has been found to have a stimulant, depressant or hallucinogenic effect upon the higher functions of the central nervous system and having a tendency to promote abuse or physiological or psychological dependence or both. Such substances are classifiable as amphetamine-type, barbiturate-type, cannabis-type, cocaine-type, hallucinogenic, morphine-type and other stimulant and depressant substances, and specifically exclude alcohol, caffeine and nicotine. Substances which are designated as controlled substances shall be classified in schedules I to V by regulations adopted pursuant to subsection (a) of this section.

Any such claim shall include: (1) A certificate issued by a licensed medical professional documenting the laboratory test or diagnosis that such affected person contracted COVID-19 (A) requiring such person to isolate and quarantine from others, (B) preventing such affected person from performing such affected person's employment duties, or (C) requiring in-patient or outpatient medical treatment; (2) for the purposes of requesting assistance for uncompensated leave, evidence of (A) such affected person's weekly earnings during the eight calendar weeks immediately preceding the time of diagnosis, except in the case of an employee who has not yet worked for that employer for an eight-week period, for the time period such employee was employed, and (B) uncompensated leave due to the contraction of COVID-19 or symptoms that were later diagnosed as COVID-19; (3) for the purposes of requesting assistance for out-of-pocket costs for medical and surgical aid or hospital or nursing service, evidence of such affected person's costs; and (4) any additional information as requested or required by the administrator.

average weekly earnings during the eight calendar weeks immediately preceding the date such person was initially unable to work as a result of contracting COVID-19, or due to symptoms that were later diagnosed as COVID-19, except in the case of an employee who has not yet worked for that employer for an eight-week period, seventy-five per cent of such affected person's average weekly earnings for the time period such employee was employed, and after such earnings have been reduced by any deduction for: (A) Federal or state taxes, or both; (B) the federal Insurance Contributions Act, provided such assistance shall not exceed the average weekly earnings of all workers in the state as calculated by the Labor Commissioner, pursuant to section 31-309; and (C) any benefits received for total or partial unemployment as provided in chapter 567, [and] any amount of temporary total or temporary partial disability benefits under chapter 568, and any amounts provided through a paid leave plan provided by an employer or pursuant to any state or federal law, for the same days of such claimed assistance; [.] (2) all documented out-of-pocket COVID-19 related costs for medical and surgical aid or hospital and nursing service incurred directly as a result of such affected person contracting COVID-19, including, but not limited to, medical rehabilitation services, mental health therapy services and prescription drugs; [.] and (3) burial expenses in the amount of three thousand dollars in any case in which an employee died due to contracting COVID-19 during (A) the public health and civil preparedness emergencies declared by the Governor on March 10, 2020, or any extension of such declarations, or (B) any new public health and civil preparedness emergencies declared by the Governor as a result of a COVID-19 outbreak in this state.

(f) The administrator shall promptly review all claims submitted pursuant to this section. The administrator shall evaluate each claim and determine, on the basis of information provided by the affected person, or additional information provided at the request of the administrator, whether or not such claim should be approved and, if approved, the amount of assistance offered. The administrator shall provide such
determination, in writing, to such affected person not later than sixty
business days after having received the notice of claim, or, if the
administrator requested additional information, not later than ten
business days after receiving such additional information, and shall
direct the Comptroller to pay any such assistance offered to such
affected person in the amount and for the duration determined by the
administrator, if applicable. If the administrator determines more
information is needed from the affected person for the purpose of
requesting assistance for uncompensated leave, out-of-pocket costs for
medical and surgical aid or hospital or nursing service or burial
expenses, the administrator may pay such affected person for the
completed parts of their claim while the remainder of the claim is
pending.

(g) For purposes of this section, a pending workers' compensation
claim submitted by an affected person shall not prevent the
administrator from approving such person's claim for assistance under
this section, provided any workers' compensation benefits such affected
person receives for the workers' compensation claim shall be offset by
the amount of assistance such affected person receives for
uncompensated leave under this section, as deemed appropriate by the
presiding workers' compensation commissioner. Any assistance
available under this section shall be offset by any workers' compensation benefits already paid to the affected person for the
uncompensated leave or out-of-pocket medical costs, including
payments made without prejudice. It shall be the responsibility of the
administrator of the fund to notify the Workers' Compensation
Commission of an available offset.

(h) For purposes of this section, a disability or unemployment claim
submitted by an affected person or affected employee shall not prevent
the administrator from approving such person's claim for assistance
under this section, provided any assistance available under this section
shall be offset by any disability or unemployment benefits already paid
to the affected person for the uncompensated leave, including payments
made without prejudice. If an affected person or affected employee received unemployment benefits pursuant to chapter 567, nothing in this section shall be construed to require such person to be currently employed with a previous employer in order to qualify for assistance from the fund.

[(h)] (i) An affected person may request that a determination made pursuant to subsection (f) of this section be reconsidered by the administrator's designee by filing a request with the administrator, on a form prescribed by the administrator, not later than twenty business days after the mailing of the notice of such determination. The administrator, not later than three business days after receipt of such request for reconsideration, shall designate an individual to conduct such reconsideration and shall submit to such designated individual all documents relating to such affected person's claim. The administrator's designee shall conduct any reconsideration requested by an affected person, which shall consist of a de novo review of all relevant evidence, not later than twenty business days after such individual's designation. Such administrator's designee shall issue such designee's decision affirming, modifying or reversing the decision of the administrator not later than twenty business days after the designee's reconsideration of the determination and shall submit such decision in writing to the administrator and the affected person. The decision shall include a short statement of findings that shall specify any assistance to be paid to the affected person in accordance with subsection (f) of this section.

[(i)] (j) Any statement, document, information or matter may be considered by the administrator or, on reconsideration, by the administrator's designee, if in the opinion of the administrator or designee, it contributes to a determination of the claim, whether or not the same would be admissible in a court of law.

[(j)] (k) There shall be no right of appeal by any affected person or affected employee claiming assistance under this section following the final decision of the administrator's designee issued pursuant to
subsection [(h)] [(i)] of this section.

[(k)] [(l)] Any assistance provided to an affected person under this section shall not be considered income for the purpose of the state's personal income tax law, corporation tax or any other tax laws.

[(l)] [(m)] If a claim is paid to an affected person erroneously or as a result of wilful misrepresentation by such affected person, the administrator may seek repayment of benefits from the affected person having received such compensation and may also, in the case of wilful misrepresentation, seek payment of a penalty in the amount of fifty percent of the benefits paid as a result of such misrepresentation.

[(m)] [(n)] On or before January 1, 2022, and monthly thereafter, and any other time at the request of the administrator, the Comptroller shall submit a report to the administrator indicating the value of the Connecticut Essential Workers COVID-19 Assistance Fund at the time of the report.

[(n)] [(o)] On or before January 1, 2022, and at least quarterly thereafter, the administrator shall submit to the joint standing committee of the General Assembly having cognizance of matters relating to labor, in accordance with section 11-4a, a report on the financial condition of the Connecticut Essential Workers COVID-19 Assistance Fund. Such report shall include (1) an estimate of the fund's value as of the date of the report; (2) the effect of scheduled payments on the fund's value; (3) an estimate of the monthly administrative costs necessary to operate the program and the fund; and (4) any recommendations for legislation to improve the operation or administration of the program and the fund.

(p) On or after the effective date of this section, the administrator shall review any previously denied, or currently pending, claim for assistance from the program and make a new determination of eligibility.

Sec. 208. Subsection (b) of section 2 of public act 22-1 is repealed and the following is substituted in lieu thereof (Effective May 1, 2023):
(b) Notwithstanding any provision of the general statutes, special act, municipal charter or ordinance, the zoning commission of each municipality shall allow any licensee or permittee of a food establishment operating in such municipality to engage in outdoor food and beverage service as an accessory use of such food establishment's permitted use. Such accessory use shall be allowed as of right, subject only to any required administrative site plan review to determine conformance with zoning requirements not contemplated by this section, provided such accessory use would not result in the expansion of a nonconforming use, and such licensee or permittee shall comply with any applicable provision of title 30 of the general statutes.

Sec. 209. Section 18-81p of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

The Commissioner of Correction, in consultation with the Department of Mental Health and Addiction Services and the Judicial Department, shall annually review, evaluate and make recommendations concerning [substance abuse detoxification and treatment programs for drug-dependent pretrial and sentenced inmates of correctional facilities and] (1) substance use disorder screening, diagnostic and treatment services that are available to individuals who are incarcerated during the entirety of any period of incarceration; (2) mental health screening, diagnostic and treatment services that are available to individuals who are incarcerated during the entirety of any period of incarceration; and (3) the reintegration of such [inmates] individuals into the community. [The commissioner shall examine various options for the detoxification and treatment of drug-dependent inmates including, but not limited to, methadone maintenance treatment and other therapies or treatments, and the reintegration of drug-dependent inmates into the community upon their release from incarceration, including the transfer of inmates to community-based methadone or other therapy or treatment programs. The commissioner shall report his findings and recommendations and submit a proposal for detoxification, treatment and reintegration programs including, if
appropriate, the establishment of one or more pilot programs for methadone maintenance or other therapy or treatment for drug-dependent inmates to the General Assembly not later than February 1, 1998. On or before January 1, 2023, and annually thereafter, the Commissioner of Correction shall report on such review, in accordance with the provisions of section 11-4a, to the joint standing committees of the General Assembly having cognizance of matters relating to the judiciary, public health and appropriations and the budgets of state agencies.

Sec. 210. (Reserved)

Sec. 211. (Reserved)

Sec. 212. (Effective July 1, 2022) (a) The Commissioner of Emergency Services and Public Protection, in consultation with the Commissioner of Administrative Services, the State Fire Marshal, the Secretary of the Office of Policy and Management and the chairman of the Commission on Fire Prevention and Control, shall, within available appropriations, establish and administer a pilot program for the purpose of implementing a data collection system related to fire and rescue service delivery in the state. For a period of three years commencing from July 1, 2022, the commissioner shall administer such pilot program in any local or regional fire department or district that has self-identified as challenged or in crisis regarding the delivery of fire and rescue services.

(b) Any local or regional fire department or district may apply for participation in the data collection program. Any application submitted pursuant to this subsection shall include a written statement by the fire department or district that it is currently challenged or in crisis regarding the delivery of fire and rescue services.

(c) Notwithstanding subsection (a) or (b) of this section, the Tolland County Mutual Aid Emergency Communications Center, the Quinebaug Valley Emergency Communications Center, the Litchfield County Dispatch, the Valley Shore Emergency Communications Center
and the Northwest Connecticut Public Safety Communications Center
may elect to participate in the data collection program upon request.

(d) Not later than sixty days after the commissioner approves the
application of any local or regional fire department or district pursuant
to subsection (b) of this section, the commissioner shall admit such fire
department or district to the data collection program.

(e) For the purposes of data collection pursuant to such pilot
program, the commissioner shall either utilize the National Fire
Operations Reporting System or develop a data collection system
capable of real-time tracking information relevant to fire and rescue
responses, including, but not limited to (1) call processing time, (2)
alarm handling, and (3) turnout time. The commissioner shall provide
to any fire department or district participating in the program monthly
reports of the data collected for such fire department or district pursuant
to the program.

(f) On or before July 1, 2023, and annually thereafter, the
commissioner shall conduct an evaluation of the fire and rescue data
collection pilot program. Such evaluation shall address the overall
effectiveness of the pilot program in collecting the relevant data. The
commissioner shall submit, in accordance with the provisions of section
11-4a of the general statutes, such evaluation and any recommendations
for legislation to the joint standing committees of the General Assembly
having cognizance of matters relating to public safety and planning and
development.

Sec. 213. Subsections (d) to (f), inclusive, of section 31-225a of the 2022
supplement to the general statutes are repealed and the following is
substituted in lieu thereof (Effective July 1, 2022):

(d) (1) The standard rate of contributions shall be five and four-tenths
per cent. Each employer who has not been chargeable with benefits, for
a sufficient period of time to have his or her rate computed under this
section shall pay contributions at a rate that is the higher of [(1)] (A) one
per cent, or [(2)] (B) the state's five-year benefit cost rate. For purposes
of this subsection, the state's five-year benefit cost rate shall be
computed annually on or before June thirtieth and shall be derived by
dividing the total dollar amount of benefits paid to claimants under this
chapter during the five consecutive calendar years immediately
preceding the computation date by the five-year payroll during the
same period, except that, to the extent allowed by federal law and as
necessary to respond to the spread of COVID-19, for any taxable year
commencing on or after January 1, 2022, the state's five-year benefit cost
rate shall be calculated without regard to benefit payments and taxable
wages for calendar years 2020 and 2021, when applicable. [If the
resulting quotient is not an exact multiple of one-tenth of one per cent,
the five-year benefit cost rate shall be the next higher such multiple.]

(2) For the period beginning January 1, 2023, and ending December
31, 2023, the state's five-year benefit cost rate shall be calculated
pursuant to the formula under subdivision (1) of this subsection minus
two-tenths of one per cent.

(3) If the resulting quotient in this subsection is not an exact multiple
of one-tenth of one per cent, the five-year benefit cost rate shall be the
next higher such multiple.

(e) (1) (A) As of each June thirtieth, the administrator shall determine
the charged tax rate for each qualified employer. Such rate shall be
obtained by calculating a benefit ratio for each qualified employer. The
employer's benefit ratio shall be the quotient obtained by dividing the
total amount chargeable to the employer's experience account during
the experience period by the total of his or her taxable wages during
such experience period that have been reported by the employer to the
administrator on or before the following September thirtieth. The
resulting quotient, expressed as a per cent, shall constitute the
employer's charged rate, except that each employer's charged rate for
calendar years 2024 and 2025 shall be divided by 1.471 and 1.269,
respectively.
(i) For calendar years commencing prior to January 1, 2024, if the resulting quotient is not an exact multiple of one-tenth of one per cent, the charged rate shall be the next higher such multiple, except that if the resulting quotient is less than five-tenths of one per cent, the charged rate shall be five-tenths of one per cent and if the resulting quotient is greater than five and four-tenths per cent, the charged rate shall be five and four-tenths per cent.

(ii) For calendar years commencing on or after January 1, 2024, if the resulting quotient is less than one-tenth of one per cent, the charged rate shall be one-tenth of one per cent and if the resulting quotient is greater than ten per cent, the charged rate shall be ten per cent.

(B) If the benefit ratios calculated pursuant to subparagraph (A) of this subdivision would result in the average benefit ratio of all employers within a sector of the North American Industry Classification System increasing over the prior calendar year's such average by an amount equal to or greater than .01, the benefit ratio of each employer within such sector shall be adjusted downward by an amount equal to one-half of the increase in the average benefit ratio of all employers within such sector. Sectors 21 and 23 of said system shall be considered one sector for the purposes of this subparagraph.

(2) (A) Each contributing employer subject to this chapter shall pay an assessment to the administrator at a rate established by the administrator sufficient to pay interest due on advances from the federal unemployment account under Title XII of the Social Security Act (42 U.S. Code Sections 1321 to 1324). The administrator shall establish the necessary procedures for payment of such assessments. The amounts received by the administrator based on such assessments shall be paid over to the State Treasurer and credited to the General Fund. Any amount remaining from such assessments, after all such federal interest charges have been paid, shall be transferred to the Employment Security Administration Fund or to the Unemployment Compensation Advance Fund established under section 31-264a, (i) to the extent that any federal
interest charges have been paid from the Unemployment Compensation
Advance Fund, (ii) to the extent that the administrator determines that
reimbursement is appropriate, or (iii) otherwise to the extent that
reimbursement of the advance fund is the appropriate accounting
principle governing the use of the assessments. Sections 31-265 to 31-
274, inclusive, shall apply to the collection of such assessments.

(B) On and after January 1, 1994, and conditioned upon the issuance
of any revenue bonds pursuant to section 31-264b, each contributing
employer shall also pay an assessment to the administrator at a rate
established by the administrator sufficient to pay the interest due on
advances from the Unemployment Compensation Advance Fund and
reimbursements required for advances from the Unemployment
Compensation Advance Fund, computed in accordance with subsection
(h) of section 31-264a. The administrator shall establish the assessments
as a percentage of the charged tax rate for each employer pursuant to
subdivision (1) of this subsection. The administrator shall establish the
necessary procedures for billing, payment and collection of the
assessments. Sections 31-265 to 31-274, inclusive, shall apply to the
collection of such assessments by the administrator. The payments
received by the administrator based on the assessments, excluding
interest and penalties on past due assessments, are hereby pledged and
shall be paid over to the State Treasurer for credit to the Unemployment
Compensation Advance Fund.

(f) (1) (A) For each calendar year commencing with calendar year
1994 but prior to calendar year 2013, the administrator shall establish a
fund balance tax rate sufficient to maintain a balance in the
Unemployment Compensation Trust Fund equal to eight tenths of one
per cent of the total wages paid to workers covered under this chapter
by contributing employers during the year ending the last preceding
June thirtieth. If the fund balance tax rate established by the
administrator results in a fund balance in excess of said per cent as of
December thirtieth of any year, the administrator shall, in the year next
following, establish a fund balance tax rate sufficient to eliminate the
fund balance in excess of said per cent.

(B) For each calendar year commencing with calendar year 2013, the administrator shall establish a fund balance tax rate sufficient to maintain a balance in the Unemployment Compensation Trust Fund that results in an average high cost multiple equal to 0.5.

(C) Commencing with calendar year 2014 and ending with calendar year 2018, the administrator shall establish a fund balance tax rate sufficient to maintain a balance in the Unemployment Compensation Trust Fund that results in an average high cost multiple that is increased by 0.1 from the preceding calendar year.

(D) Commencing with calendar year 2019, the administrator shall establish a fund balance tax rate sufficient to maintain a balance in the Unemployment Compensation Trust Fund that results in an average high cost multiple equal to 1.0. If the fund balance tax rate established by the administrator results in a fund balance in excess of the amount prescribed in this subdivision as of December thirtieth of any year, the administrator shall, in the year next following, establish a fund balance rate sufficient to eliminate the fund balance in excess of said amount.

(E) The assessment levied by the administrator at any time (i) during a calendar year commencing on or after January 1, 1994, but prior to January 1, 1999, shall not exceed one and five-tenths per cent, (ii) during a calendar year commencing on or after January 1, 1999, but prior to January 1, 2013, shall not exceed one and four-tenths per cent, and shall not be calculated to result in a fund balance in excess of eight-tenths of one per cent of such total wages, (iii) during a calendar year commencing on or after January 1, 2013, but prior to January 1, 2024, shall not exceed one and four-tenths per cent and shall not be calculated to result in a fund balance in excess of the amounts prescribed in this subdivision, [and] (iv) during the calendar year beginning January 1, 2023, and ending December 31, 2023, shall not exceed one and two-tenths per cent and shall not be calculated to result in a fund balance in excess of the amounts prescribed in this subdivision.
excess of the amounts prescribed in this subdivision, and (v) during a calendar year commencing on or after January 1, 2024, shall not exceed one per cent and shall not be calculated to result in a fund balance in excess of the amounts prescribed in this subdivision.

(F) During a calendar year that begins during an economic recession declared by the National Bureau of Economic Research on or before November fifteenth of the prior calendar year, the assessment levied by the administrator shall not exceed one-half of one per cent unless such maximum rate jeopardizes the state's access to interest-free federal advances, including, but not limited to, those offered pursuant to 42 USC 1322 and subject to the funding goals established in 20 CFR 606.32, as amended from time to time.

(2) The average high cost multiple shall be computed as follows: The result of the balance of the Unemployment Compensation Trust Fund on December thirtieth immediately preceding the new rate year divided by the total wages paid to workers covered under this chapter by contributing employers for the twelve months ending on the December thirtieth immediately preceding the new rate year shall be the numerator and the average of the three highest calendar benefit cost rates in (A) the last twenty years, or (B) a period including the last three recessions, whichever is longer, shall be the denominator. Benefit cost rates are computed as benefits paid including the state's share of extended benefits but excluding reimbursable benefits as a per cent of total wages in covered employment. The results rounded to the next lower one decimal place will be the average high cost multiple.

Sec. 214. Section 38a-129 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2022):

Sec. 215. Subsections (g) to (o), inclusive, of section 38a-135 of the general statutes are repealed and the following is substituted in lieu thereof (Effective July 1, 2022):

(g) (1) Except as provided in subdivision (2) of this subsection, the ultimate controlling person of every insurer subject to registration shall concurrently file with such registration an annual group capital calculation not later than June first of each year, with the lead state commissioner. The report shall be completed in accordance with the NAIC group capital calculation instructions, which may permit the lead state commissioner to allow a controlling person that is not the ultimate controlling person to file the group capital calculation. The report shall be filed with the lead state commissioner of the insurance holding company system as determined by the lead state commissioner in accordance with the procedures contained in the Financial Analysis Handbook adopted by the NAIC.

(2) An insurance holding company system shall be exempt from filing the group capital calculation if it is:

(A) An insurance holding company system that has only one insurer within its holding company structure, that only writes business and is only licensed in its domestic state and assumes no business from any other insurer;

(B) An insurance holding company system that is subject to the group capital requirements applicable to an insurance group that owns a depository institution or institutions by the United States Federal Reserve Board. The lead state commissioner shall request such group capital requirements applicable to the insurance group from the United
States Federal Reserve Board under the terms of information sharing agreements in effect. If the United States Federal Reserve Board cannot share the calculation with the lead state commissioner, the insurance holding company system shall not be exempt from the group capital calculation filing:

(C) An insurance holding company system whose non-United States group-wide supervisor is located within a reciprocal jurisdiction as described in section 38a-85 that recognizes the United States regulatory approach to group supervision and group capital; or

(D) An insurance holding company system:

(i) That provides information to the lead state commissioner that meets the requirements for accreditation under the NAIC financial standards and accreditation program, either directly or indirectly through the group-wide supervisor, who has determined such information is satisfactory to allow the lead state commissioner to comply with the NAIC group supervision approach, as detailed in the NAIC Financial Analysis Handbook; and

(ii) Whose non-United States group-wide supervisor that is not in a reciprocal jurisdiction recognizes and accepts, as specified by the lead state commissioner in regulation, the group capital calculation as the world-wide group capital assessment for United States insurance groups who operate in that jurisdiction.

(3) Notwithstanding subparagraphs (C) and (D) of subdivision (2) of this subsection, a lead state commissioner shall require the group capital calculation for the United States operations of any non-United States based insurance holding company system where, after any necessary consultation with other supervisors or officials, it is determined appropriate by the lead state commissioner for prudential oversight and solvency monitoring purposes or for ensuring competitiveness of the insurance marketplace.
(4) Notwithstanding subparagraphs (A) and (D) of subdivision (2) of this subsection, the lead state commissioner shall have the discretion to exempt the ultimate controlling person from filing the annual group capital calculation or to accept a limited group capital filing or report in accordance with criteria as specified by the lead state commissioner in regulation.

(5) If the lead state commissioner determines that an insurance holding company system no longer meets one or more of the requirements for an exemption for filing the group capital calculation under subdivision (2) of this subsection, the insurance holding company system shall file the group capital calculation at the next annual filing date unless given an extension by the lead state commissioner based on reasonable grounds shown.

(6) The information reported and provided to the lead state commissioner by an insurance holding company, including an insurance holding company supervised by the United States Federal Reserve Board pursuant to this subsection, shall:

(A) Be confidential by law and privileged;

(B) Not be subject to disclosure under section 1-210;

(C) Not be subject to subpoena; and

(D) Not be subject to discovery or admissible in any civil action.

(7) The group capital calculation and resulting group capital ratio required pursuant to this subsection are regulatory tools for assessing group risks and capital adequacy and are not intended as a means to rank insurers or insurance holding company systems generally.

(h) The ultimate controlling person of every insurer subject to registration and also scoped into the NAIC liquidity stress test framework shall file the results of a specific year's liquidity stress test to the lead state insurance commissioner of the insurance holding
company system as determined by procedures within the Financial Analysis Handbook adopted by the NAIC.

(1) The NAIC liquidity stress test framework includes scope criteria applicable to a specific data year. These scope criteria are reviewed at least annually by the NAIC Financial Stability Task Force or its successor. Any change to the NAIC liquidity stress test framework or to the data year for which the scope criteria are to be measured shall be effective on January first of the year following the calendar year when such changes are adopted. Insurers meeting at least one threshold of the scope criteria shall be considered scoped into the NAIC liquidity stress test framework for the specified data year unless the lead state commissioner, in consultation with the NAIC Financial Stability Task Force or its successor, determines the insurer should not be scoped into the NAIC liquidity stress test framework for that data year. Insurers that do not trigger at least one threshold of the scope criteria shall be considered scoped out of the NAIC liquidity stress test framework for the specified data year, unless the lead state insurance commissioner, in consultation with the NAIC Financial Stability Task Force or its successor, determines the insurer should be scoped into the NAIC liquidity stress test framework for that data year.

(2) The performance of, and filing of the results from, a specific year's liquidity stress test shall comply with the NAIC liquidity stress test framework's instructions and reporting templates for that year and any lead state insurance commissioner determinations, in conjunction with the NAIC Financial Stability Task Force or its successor, provided within the NAIC liquidity stress test framework.

(3) The information reported and provided to the lead state commissioner by an insurance holding company, including an insurance holding company supervised by the United States Federal Reserve Board pursuant to this subsection, shall:

(A) Be confidential by law and privileged:
(B) Not be subject to disclosure under section 1-210;

(C) Not be subject to subpoena; and

(D) Not be subject to discovery or admissible in any civil action.

(4) The liquidity stress test along with its results and supporting disclosures required pursuant to this subsection are regulatory tools for assessing group liquidity risks and are not intended as a means to rank insurers or insurance holding company systems generally.

[(g)] (i) The commissioner shall terminate the registration of any insurance company that demonstrates that it no longer is a member of an insurance holding company system.

[(h)] (j) The commissioner may require or allow two or more affiliated insurance companies subject to registration hereunder to file a consolidated registration statement.

[(i)] (k) The commissioner may allow an insurance company that is authorized to do business in this state and is part of an insurance holding company system to register on behalf of any affiliated insurer that is required to register under subsection (a) of this section and to file all information and materials required to be filed under this section.

[(j)] (l) Any person may file with the commissioner a disclaimer of affiliation with any insurance company and any insurance company may file a disclaimer of affiliation with any other person. The disclaimer shall fully disclose all material relationships and bases for affiliation between such person and such insurance company as well as the basis for disclaiming such affiliation. After a disclaimer has been filed, the insurance company shall be relieved of any duty to register or report under this section that may arise out of the insurance company's relationship with such person unless the commissioner disallows such disclaimer. The commissioner shall disallow such disclaimer only after furnishing all parties in interest with notice and an opportunity to be
heard, and after making specific findings of fact to support such disallowance.

[(k)] (m) The failure to file a registration statement or any amendment, addition thereto or summary or an enterprise risk report required by this section within the time specified for such filing shall be a violation of sections 38a-129 to 38a-140, inclusive.

[(l)] (n) The commissioner may by regulation or order exempt any insurance company or class of insurance companies from registration under this section if, in the commissioner's judgment, registration by such company or class of companies is not necessary to effectuate the purposes of said sections.

[(m)] (o) A foreign or alien insurer shall not be required to register pursuant to this section if it is (1) subject to disclosure requirements and standards adopted by statute or regulation in the jurisdiction of its domicile that are substantially similar to those contained in this section and subsections (a), (b), (f) and (g) of section 38a-136, or (2) admitted in the domiciliary jurisdiction of the principal insurer in its holding company system and in said jurisdiction is subject to disclosure requirements and standards adopted by statute or regulation that are substantially similar to those contained in this section and subsections (a), (b), (f) and (g) of section 38a-136. The commissioner may require any authorized insurer that is a member of a holding company system not subject to registration under this section to furnish a copy of the registration statement or other information filed by such insurance company with the insurance regulatory authority of its domicile or the domicile of the principal insurer in its holding company system, as the case may be.

[(n)] (p) (1) To assess the business strategy, financial, legal or regulatory position risk exposure, risk management or governance processes of a domestic insurance company registered under this section that is part of an insurance holding company system that has
international operations, and as part of the examination pursuant to section 38a-14a of such insurance company, the commissioner may initiate, be a member of or participate in a supervisory college, which shall be a temporary or permanent forum for communication between and cooperation among state, federal and international regulatory officials.

(2) If the commissioner initiates a supervisory college, the commissioner shall (A) establish the membership of, and participation by state, federal or international regulatory officials in, such supervisory college, (B) establish the functions of the supervisory college and the role of members and participants, and select a chairperson for such supervisory college, (C) coordinate the activities of the supervisory college, including meeting planning and processes for information sharing that comply with the applicable confidentiality provisions set forth in section 38a-137, and (D) establish a crisis management plan for such supervisory college.

(3) The commissioner may enter into written agreements with state, federal or international regulatory officials for the governing of the activities of a supervisory college. Any such agreements shall maintain the confidentiality requirements under section 38a-137.

(4) Each insurance company subject to registration under this section shall be assessed for and shall pay to the commissioner its share of the reasonable costs, including reasonable travel expenses, of the commissioner's participation in a supervisory college. Such payment shall be in addition to any other taxes, fees and moneys otherwise payable to the state. The commissioner shall establish the assessment method for such costs and provide reasonable notice to each insurance company subject to any such assessment.

(5) Nothing in this subsection shall be construed to limit the authority of the commissioner to regulate an insurance company or its affiliate under the commissioner's jurisdiction or to delegate any regulatory
authority of the commissioner to a supervisory college.

[(o) (q) (1) As used in this subsection: (A) "Group-wide supervisor" means the regulatory official (i) authorized by such official's jurisdiction to conduct and coordinate group-wide supervisory activities, and (ii) who is determined or acknowledged to be the group-wide supervisor of an internationally active insurance group pursuant to this subsection; and (B) "internationally active insurance group" means any insurance holding company system that (i) includes an insurance company registered pursuant to this section, and (ii) meets the following criteria: (I) Premiums are written in at least three countries; (II) the percentage of gross premiums written, including, for purposes of this subsection, administrative service fees, associated expenses and claims payments, without such amounts transacted in the United States is at least ten per cent of the insurance holding company system's total gross written premiums; and (III) based on a three-year rolling average, the total assets of the insurance holding company system are at least fifty billion dollars or the total gross written premiums of the insurance holding company system are at least ten billion dollars.

(2) (A) The commissioner, in cooperation with other state, federal and international regulatory agencies of the jurisdictions where members of the internationally active insurance group are domiciled, shall determine a single group-wide supervisor for an internationally active insurance group. An insurance holding company system that does not qualify as an internationally active insurance group may request that the commissioner make a determination or acknowledgment of a group-wide supervisor as set forth in this subsection.

(B) The commissioner may determine that the commissioner is the appropriate group-wide supervisor for an internationally active insurance group that conducts substantial insurance business operations in this state and may act as a group-wide supervisor for any internationally active insurance group in accordance with the provisions of this subsection.
(C) The commissioner may acknowledge that the regulatory official of another jurisdiction is an appropriate group-wide supervisor for an internationally active insurance group that (i) does not conduct substantial insurance business operations in the United States, (ii) conducts substantial insurance business operations in the United States but not in this state, or (iii) conducts substantial insurance business operations in the United States and in this state but the commissioner has determined, pursuant to the factors set forth in subdivision (3) of this subsection, that the regulatory official of another jurisdiction is the appropriate group-wide supervisor.

(D) When another regulatory official is acting as the group-wide supervisor of an internationally active insurance group, the commissioner shall acknowledge such official as the group-wide supervisor, except that the commissioner shall make a determination or acknowledgment of a group-wide supervisor for such insurance group if a material change in such insurance group results in (i) the largest share of such insurance group's premiums, assets or liabilities being held by member insurance companies domiciled in this state, or (ii) this state being the place of domicile of the top-tiered insurance company or companies in such insurance group.

(E) A regulatory official determined or acknowledged to be a group-wide supervisor of an internationally active insurance group may determine, after considering the factors set forth in subdivision (3) of this subsection, that it is appropriate to acknowledge another regulatory official to serve as the group-wide supervisor of such insurance group. Such acknowledgment shall be made (i) in cooperation with and subject to the acknowledgment of other regulatory officials of the jurisdictions where members of such insurance group are domiciled, and (ii) in consultation with such insurance group.

(3) The commissioner shall consider the following factors in making a determination or acknowledgment under subdivision (2) of this subsection:
(A) The place of domicile of the member insurance companies of the
internationally active insurance group that holds the largest share of
such insurance group's premiums, assets or liabilities;

(B) The place of domicile of the top-tiered insurance company or
companies in the internationally active insurance group;

(C) The locations of the executive offices or the largest operational
offices of the internationally active insurance group; and

(D) Whether (i) a regulatory official of another jurisdiction is acting
or seeking to act as the group-wide supervisor under a regulatory
system the commissioner determines to be substantially similar to that
provided under the laws of this state or is otherwise sufficient in terms
of group-wide supervision, enterprise risk analysis and cooperation
with other regulatory officials, and (ii) such regulatory official acting or
seeking to act as the group-wide supervisor provides the commissioner
with reasonably reciprocal recognition and cooperation.

(4) The commissioner may collect, pursuant to section 38a-14a, from
any insurance company registered pursuant to this section any
information necessary for the commissioner to determine whether the
commissioner may act as the group-wide supervisor of an
internationally active insurance group of which such company is a
member or whether the commissioner may acknowledge that a
regulatory official of another jurisdiction should act as the group-wide
supervisor of such insurance group.

(5) Prior to issuing any determination or acknowledgment under this
subsection, the commissioner shall notify the member insurance
company registered pursuant to this section and the ultimate controlling
person of the internationally active insurance group of such pending
determination or acknowledgment. The commissioner shall provide the
internationally active insurance group at least thirty calendar days to
submit any additional information pertinent to such determination or
acknowledgment that is requested by the commissioner or that such
insurance group chooses to submit. The commissioner shall publish in
the Connecticut Law Journal and post on the Insurance Department's
Internet web site a current list of internationally active insurance groups
that the commissioner has determined are subject to group-wide
supervision by the commissioner.

(6) The commissioner may conduct and coordinate the following
group-wide supervision activities for an internationally active insurance
group for which the commissioner is determined to be the group-wide
supervisor:

(A) Assess the enterprise risks within the internationally active
insurance group to ensure that material financial conditions of and
liquidity risks to the members of such insurance group that are engaged
in the business of insurance are identified by management and that
reasonable and effective mitigation measures are in place;

(B) Request from members of such insurance group information
necessary and appropriate to assess enterprise risk, including, but not
limited to, information about governance, risk assessment and
management, capital adequacy and material intercompany transactions;

(C) Coordinate and, through the authority of the regulatory officials
of the jurisdictions where members of the internationally active
insurance group are domiciled, compel the development and
implementation of reasonable measures designed to ensure the
internationally active insurance group is able to timely recognize and
mitigate material enterprise risks to the members of such insurance
group that are engaged in the business of insurance;

(D) Communicate with other state, federal and international
regulatory agencies of the jurisdictions where members of the
internationally active insurance group are domiciled and share relevant
information, subject to the confidentiality provisions of section 38a-137,
through a supervisory college, as set forth in subsection [(n)] (p) of this
section;
(E) Enter into agreements with or obtain documentation from any member insurance company registered under this section, any other member of the internationally active insurance group and any other state, federal and international regulatory agencies of the jurisdictions where members of the internationally active insurance group are domiciled, to establish or clarify the commissioner's role as group-wide supervisor and that may include provisions for resolving disputes with other regulatory officials. No such agreement or documentation shall serve as evidence that an insurance company or person within an insurance company holding system that is not domiciled or incorporated in this state is doing business in this state or is otherwise subject to the jurisdiction of this state; and

(F) Other activities necessary to effectuate the group-wide supervisory purposes of this section and sections 38a-129 to 38a-140, inclusive, and within the authority granted in said sections.

(7) If the commissioner acknowledges that a regulatory official of a jurisdiction not accredited by NAIC is the group-wide supervisor of an internationally active insurance group, the commissioner shall reasonably cooperate through a supervisory college or otherwise with group supervision undertaken by such group-wide supervisor, provided such cooperation is in compliance with the laws of this state and such group-wide supervisor recognizes and cooperates with the commissioner's activities as a group-wide supervisor for other internationally active insurance groups, where applicable. The commissioner may refuse to cooperate if the commissioner determines such recognition and cooperation are not reasonably reciprocated. The commissioner may enter into agreements with or obtain documentation from any member insurance company registered pursuant to this section, any affiliate of such insurance company and any other state, federal and international regulatory agencies of the jurisdictions where members of the internationally active insurance group are domiciled, to establish or clarify such official's role as group-wide supervisor.
(8) The commissioner may adopt regulations, in accordance with the provisions of chapter 54, to carry out the provisions of this subsection.

(9) Each insurance company registered pursuant to this section shall be liable for and shall pay the reasonable expenses of the commissioner's administration of this subsection, including the engagement of the services of attorneys, actuaries and other professionals and all reasonable travel expenses.

Sec. 216. Section 38a-136 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2022):

(a) Transactions within an insurance holding company system to which an insurance company subject to registration under section 38a-135 is a party shall be subject to the following requirements:

(1) The terms shall be fair and reasonable;

(2) Charges or fees for services performed shall be reasonable;

(3) Expenses incurred and payment received shall be allocated to the insurance company in conformity with customary insurance accounting practices consistently applied;

(4) The books, accounts and records of each party shall be so maintained as to clearly and accurately disclose the precise nature and details of the transactions, including such accounting information as is necessary to support the reasonableness of the charges or fees to the respective parties;

(5) The insurance company's surplus shall be reasonable in relation to such company's outstanding liabilities and adequate to its financial needs; [and]

(6) Agreements for cost-sharing services and management shall include such provisions as may be required by
regulations adopted by the commissioner; [*]

(7) If an insurance company subject to sections 38a-129 to 38a-140, inclusive, is determined by the commissioner to be in a hazardous financial condition as set forth in sections 38a-8-101 to 38a-8-104, inclusive, of the regulations of Connecticut state agencies or a condition that would be grounds for supervision, conservation or a delinquency proceeding as set forth in chapter 704c, the commissioner may require the insurance company to secure and maintain either a deposit, held by the commissioner, or a bond, as determined by the insurance company at the insurance company's discretion, for the protection of the insurance company for the duration of the contracts or agreements, or the existence of the condition for which the commissioner required the deposit or the bond. In determining whether the bond is required, the commissioner shall consider whether concerns exist with respect to affiliates of the insurance company to fulfill the contracts or agreements if the insurance company were to be put into liquidation. Once the insurance company is determined to be in a hazardous financial condition or a condition that is grounds for supervision, conservation or a delinquency proceeding, and a deposit or bond is necessary, the commissioner may determine the amount of the deposit or bond, not to exceed the value of the contracts or agreements in any one year, and whether such deposit or bond shall be required for a single contract, multiple contracts or a contract only with a specific affiliate of the insurance company;

(8) All records and data of the insurance company held by an affiliate shall remain the property of the insurance company and shall be subject to control of the insurance company, identifiable, and segregated or readily capable of segregation, at no additional cost to the insurance company, from all other persons' records and data, including, but not limited to, all records and data that are otherwise the property of the insurance company, in whatever form maintained, including, but not limited to, claims and claim files, policyholder lists, application files, litigation files, premium records, rate books, underwriting manuals,
personnel records, financial records or similar records within the possession, custody or control of the affiliate. At the request of the insurance company, the affiliate shall provide that the receiver can obtain a complete set of all records of any type that pertain to the insurance company's business; obtain access to the operating systems on which the data is maintained; obtain the software that runs such systems either through assumption of licensing agreements or otherwise; and restrict the use of the data by the affiliate if it is not operating the insurance company's business. The affiliate shall provide a waiver of any landlord lien or other encumbrance to give the insurance company access to all records and data in the event of the affiliate's default under a lease or other agreement; and

(9) Premiums or other funds that belong to the insurance company that are collected by or held by an affiliate or affiliates are the exclusive property of the insurance company and shall be subject to the control of the insurance company. Any right of offset of amounts due to or due from the insurance company and an affiliate or affiliates in the event an insurance company is placed into receivership shall be subject to chapter 704c.

(b) (1) The following transactions involving a domestic insurance company and any person in its holding company system, including amendments to or modifications of affiliate agreements previously filed pursuant to this section and that are subject to any materiality standards specified in subparagraphs (A) to (G), inclusive, of this subdivision, may not be entered into unless the insurance company has notified the commissioner in writing of its intention to enter into such transaction at least thirty days prior thereto, or such shorter period as the commissioner may permit, and the commissioner has approved or not disapproved it within such period. The written notice for such amendments or modifications shall specify the reasons for the change and the financial impact on the domestic insurance company. Not later than thirty days after the termination of a previously filed agreement, the domestic insurance company shall notify the commissioner of such
termination for the commissioner's determination of what written notice or filing shall be required, if any:

(A) Sales, purchases, exchanges, loans or extensions of credit, or investments, provided such transactions are equal to or exceed: (i) With respect to nonlife insurance companies, the lesser of three per cent of the insurance company's admitted assets or twenty-five per cent of surplus; or (ii) with respect to life insurance companies, three per cent of the insurance company's admitted assets; each as of the thirty-first day of December next preceding;

(B) Loans or extensions of credit to any person who is not an affiliate, where the insurance company makes such loans or extensions of credit with the agreement or understanding that the proceeds of such transactions, in whole or in substantial part, are to be used to make loans or extensions of credit to, to purchase assets of, or to make investments in, any affiliate of the insurance company making such loans or extensions of credit, provided such transactions are equal to or exceed: (i) With respect to nonlife insurance companies, the lesser of three per cent of the insurance company's admitted assets or twenty-five per cent of surplus; or (ii) with respect to life insurance companies, three per cent of the insurance company's admitted assets; each as of the thirty-first day of December next preceding;

(C) Reinsurance agreements or modifications thereto, including (i) all reinsurance pooling agreements, and (ii) agreements in which the reinsurance premium or a change in the insurance company's liabilities, or the projected reinsurance premium or a projected change in the insurance company's liabilities in any of the next three years, equals or exceeds five per cent of the insurance company's surplus, as of the thirty-first day of December next preceding, including those agreements that may require as consideration the transfer of assets from an insurance company to a nonaffiliate, if an agreement or understanding exists between the insurance company and nonaffiliate that any portion of such assets will be transferred to one or more affiliates of the
insurance company;

(D) All management agreements, service contracts, tax allocation agreements and cost-sharing arrangements;

(E) Guarantees by a domestic insurance company, except that a guarantee that is (i) quantifiable as to amount, and (ii) does not exceed the lesser of one-half of one per cent of the insurance company's admitted assets or ten per cent of surplus with regard to policyholders, as of the thirty-first day of December next preceding, shall not be subject to the notice requirement of this subsection;

(F) Direct or indirect acquisitions or investments in a person that controls the domestic insurance company or in an affiliate of the insurance company in an amount that, together with the insurance company's present holdings in such investments, exceeds two and one-half per cent of the insurance company's surplus with regard to policyholders. This subsection shall not apply to direct or indirect acquisitions of or investments in (i) subsidiaries acquired pursuant to section 38a-102d or authorized pursuant to any section of this title other than sections 38a-129 to 38a-140, inclusive, or (ii) nonsubsidiary affiliates that are subject to the provisions of sections 38a-129 to 38a-140, inclusive; and

(G) Any material transactions, specified by regulation, that the commissioner determines may adversely affect the interests of the insurance company's policyholders.

(2) Nothing contained in this section shall be deemed to authorize or permit any transactions that, in the case of an insurance company not a member of the same insurance holding company system, would be otherwise contrary to law.

(c) A domestic insurance company may not enter into transactions that are part of a plan or series of like transactions with persons within the insurance holding company system if the purpose of those separate
transactions is to avoid the statutory threshold amount and thus avoid the review that would otherwise occur. If the commissioner determines that such separate transactions were entered into over any twelve-month period for such purpose, the commissioner may exercise authority under section 38a-140.

(d) The commissioner, in reviewing transactions pursuant to subsection (b) of this section, shall consider whether the transactions comply with the standards set forth in subsection (a) of this section and whether they may adversely affect the interests of policyholders.

(e) Except as may be exempted pursuant to regulations adopted, in accordance with the provisions of chapter 54, by the commissioner or otherwise waived by the commissioner, the commissioner shall be notified not later than thirty days after any material investment of the domestic insurance company in any one corporation if the total investment in such corporation by such insurance company's insurance holding company system exceeds ten per cent of such corporation's voting securities.

(f) (1) No insurance company subject to registration under section 38a-135 shall pay any extraordinary dividend or make any other extraordinary distribution to its stockholders until the commissioner has approved such payment or until thirty days after the commissioner has received notice from such company of the declaration thereof within which period the commissioner has not disapproved such payment, whichever is sooner. For the purposes of this subsection, an extraordinary dividend or distribution is any dividend or distribution of cash or other property, whose fair market value together with that of other dividends or distributions made within the preceding twelve months, exceeds the greater of (A) ten per cent of such insurance company's surplus as of the thirty-first day of December last preceding, or (B) the net gain from operations of such insurance company, if such company is a life insurance company, or the net income, if such company is not a life insurance company, for the twelve-month period.
ending the thirty-first day of December last preceding, but shall not include pro rata distributions of any class of the insurance company's own securities.

(2) Notwithstanding any other provision of law, an insurance company may declare an extraordinary dividend or distribution that is conditional upon the commissioner's approval thereof, but such a declaration shall confer no rights upon stockholders until (A) the commissioner has approved the payment of such dividend or distribution, or (B) until thirty days after such declaration thereof within which period the commissioner has not disapproved such declaration, whichever is sooner.

(g) For purposes of sections 38a-129 to 38a-140, inclusive, in determining whether an insurance company's surplus is reasonable in relation to the insurance company's outstanding liabilities and adequate to its financial needs, the following factors, in addition to others, shall be considered: (1) The size of the insurance company as measured by its assets, capital and surplus, reserves, premium writings, insurance in force and other appropriate criteria; (2) the extent to which the insurance company's business is diversified among the several lines of insurance; (3) the number and size of risks insured in each line of business; (4) the nature of the geographical dispersion of the insurance company's insured risks; (5) the nature and extent of the insurance company's reinsurance program; (6) the quality, diversification and liquidity of the insurance company's investment portfolio; (7) the recent past and projected future trend in the size of the insurance company's surplus; (8) the surplus maintained by other comparable insurance companies; (9) the adequacy of the insurance company's reserves; (10) the quality of the company's earnings and the extent to which the reported earnings include extraordinary items; and (11) the quality and liquidity of investments in affiliates. The commissioner may discount any such investment or treat any such investment as a disallowed asset for purposes of determining the adequacy of surplus whenever, in the commissioner's judgment, such investment warrants.
(h) (1) Any domestic insurance company that is affiliated with an insurance holding company system shall report for informational purposes to the Insurance Commissioner all dividends and other distributions to securityholders, not later than five business days after the declaration and at least ten days, commencing from the date of receipt by the Insurance Department, prior to payment thereof.

(2) No dividend or other distribution may be paid when the surplus of the insurance company is less than the surplus required by section 38a-72 for the kind or kinds of business authorized to be transacted by such company, nor when the payment of a dividend or other distribution would reduce its surplus to less than such amount.

(3) Except as otherwise provided by law, no dividend or other distribution exceeding an amount equal to an insurance company's earned surplus may be paid without the Insurance Commissioner's prior approval. For purposes of this subsection, "earned surplus" means "unassigned funds-surplus", as defined in the annual report of the insurance company that was most recently submitted pursuant to section 38a-53, reduced by twenty-five per cent of unrealized appreciation in value or revaluation of assets or unrealized profits on investments, as defined in such report.

(i) (1) The commissioner may require a domestic insurance company of which control has been acquired pursuant to section 38a-130 to submit to a financial examination and a market conduct examination within thirty days after such acquisition in accordance with procedures set forth by NAIC's examiner's handbook and such regulations as the commissioner may adopt.

(2) No domestic insurance company of which control has been acquired pursuant to section 38a-130 shall, without the prior approval of the commissioner: (A) Pay or propose to pay any dividend during the period of two years from the date of acquisition of control of such insurance company; (B) acquire or enter into an agreement or
understanding to acquire control, during the period of three years after
the date of acquisition of control of such insurance company, of any
other person or persons whose assets exceed twenty-five million dollars;
(C) provide or propose to provide directly or indirectly, during the
period of three years after the date of acquisition of control of such
insurance company, any loans, advances, guarantees, pledges or other
financial assistance; or (D) engage in any material transaction with any
person during the period of three years after the date of acquisition of
such insurance company. For purposes of this subsection, a "material
transaction" shall include, but not be limited to, any transfer or
encumbrance of assets not in the ordinary course of business that,
together with all other transfers or encumbrances made within the
preceding twelve months, exceeds in value the greater of (i) ten per cent
of such insurance company's surplus as of the December thirty-first last
preceding, or (ii) the net gain from operations of such insurance
compny, if such company is a life insurance company, or the net
investment income of such company, if such company is not a life
insurance company, for the twelve-month period ending the December
thirty-first last preceding.

(3) The commissioner shall, upon a written request from the
controlled domestic insurance company and, upon public hearing after
notice to all interested parties, determine whether any limitations
contained in subdivision (2) of this subsection shall be continued, or
whether and on what conditions they may be waived. Such
determination shall be predicated on the results of the examinations
under subdivision (1) of this subsection and such further examinations,
if any, the commissioner may require concerning the adequacy of the
insurance company's reserves, the effect any proposed transaction will
have on the insurance company's surplus, its cash flow needs and its
ability to satisfy any reasonably anticipated obligations in the
foreseeable future, and any other effect the proposed transaction would
have on the financial stability or solvency of the insurance company and
the quality and liquidity of its assets. All fees and expenses relating to
such examinations shall be paid by the insurance company.

(4) Nothing in this subsection shall be interpreted to prohibit any transactions between a domestic insurance company and any of its subsidiaries in the ordinary course of business.

(j) (1) Any affiliate that is a party to an agreement or contract with a domestic insurance company that is subject to subparagraph (D) of subdivision (1) of subsection (b) of this section shall be subject to the jurisdiction of any order of rehabilitation or liquidation against the insurance company and to the authority of any rehabilitator or liquidator for the insurance company appointed pursuant to chapter 704c, for the purpose of interpreting, enforcing and overseeing the affiliate's obligations under the agreements or contracts to perform services for the insurance company that:

(A) Are an integral part of the insurance company's operations, including, but not limited to, management, administration, accounting, data processing, marketing, underwriting, claims handling, investment or any other similar functions; or

(B) Are essential to the insurance company's ability to fulfill its obligations under insurance policies.

(2) The commissioner may require that an agreement or contract pursuant to subparagraph (D) of subdivision (1) of subsection (b) of this section for provisions or services set forth in subparagraphs (A) and (B) of subdivision (1) of this subsection specify that the affiliate consents to the jurisdiction described in subdivision (1) of this subsection.

Sec. 217. Section 38a-137 of the general statutes is repealed and the following is substituted in lieu thereof (Effective July 1, 2022):

(a) All information, documents, materials and copies thereof obtained by or disclosed to the commissioner or any other person in the course of an examination or investigation made pursuant to section 38a-14a and
all information reported, furnished or filed pursuant to sections 38a-131, 38a-135 and 38a-136 shall (1) be confidential by law and privileged, (2) not be subject to disclosure under section 1-210, (3) not be subject to subpoena, and (4) not be subject to discovery or admissible in evidence in any civil action. The commissioner shall not make such information, documents, materials or copies public without the prior written consent of the insurance company to which it pertains unless the commissioner, after giving the insurance company and its affiliates who would be affected thereby notice and opportunity to be heard, determines that the interests of policyholders, securityholders or the public will be served by the publication thereof, in which event the commissioner may publish all or any part thereof in such manner as the commissioner may deem appropriate. The commissioner may use such information, documents, materials or copies in the furtherance of any regulatory or legal action brought as part of the commissioner's official duties.

(b) Neither the commissioner nor any person who receives information, documents, materials or copies as set forth in subsection (a) of this section or with whom such information, documents, materials or copies are shared, while acting under the authority of the commissioner, shall testify or be required to testify in any civil action concerning such information, documents, materials or copies.

(c) Except as specified in subdivision (2) of subsection (f) of section 38a-135, to assist the commissioner in the performance of the commissioner's duties, the commissioner:

(1) May share information, documents, materials or copies thereof, including information, documents, materials or copies deemed confidential and privileged pursuant to subsection (a) of this section, with (A) other state, federal and international regulatory officials, (B) the NAIC (or its affiliate or subsidiaries) and any third-party consultants designated by the commissioner, (C) the International Association of Insurance Supervisors, (D) the Bank for International Settlements, (E) the Federal Insurance Office, (F) state, federal and international law
enforcement authorities, and (G) members or participants of a supervisory college, as described in subsection [(n)] (p) of section 38a-135, of which the commissioner is a member or a participant, provided the recipient of any such information, documents, materials or copies agrees, in writing, to maintain the confidentiality and privileged status of such information, documents, materials and copies, and has verified, in writing, the recipient's legal authority to maintain confidentiality;

(2) May receive information, documents, materials or copies thereof, including confidential and privileged information, documents, materials or copies, from the NAIC [or its affiliates or subsidiaries] and any third-party consultants designated by the commissioner, the International Association of Insurance Supervisors, the Bank for International Settlements, the Federal Insurance Office, or state, federal and international law enforcement authorities. The commissioner shall maintain as confidential and privileged any information, documents, materials or copies received with notice or the understanding that such information, documents, materials or copies are confidential and privileged under the laws of the jurisdiction that is the source of such information, documents, materials or copies; and

(3) Shall enter into written agreements consistent with this subsection with the NAIC and any third-party consultants designated by the commissioner, and may enter into written agreements consistent with this subsection with the International Association of Insurance Supervisors or the Bank for International Settlements, governing the sharing and use of information, documents, materials or copies thereof shared or received pursuant to sections 38a-129 to 38a-140, inclusive. Any such agreement consistent with this subsection shall (A) specify the procedures and protocols regarding the confidentiality and security of information shared (i) with the NAIC [or its affiliates or subsidiaries] or a third-party consultant designated by the commissioner, the International Association of Insurance Supervisors or the Bank for International Settlements pursuant to sections 38a-129 to 38a-140, inclusive, and (ii) by the NAIC [or its affiliates or subsidiaries] or a third-
party consultant designated by the commissioner, the International
Association of Insurance Supervisors or the Bank for International
Settlements with other state, federal or international regulatory officials,
(B) provide that the recipient agrees in writing to maintain the
confidentiality and privileged status of the documents, materials or
other information and has verified in writing the recipient's legal
authority to maintain such confidentiality or privilege, (C) specify that
the commissioner shall retain ownership of such information and that
the use of such information by the NAIC [or its affiliates or subsidiaries]
or a third-party consultant, the International Association of Insurance
Supervisors or the Bank for International Settlements is subject to the
commissioner's discretion, [(C) (D) excluding documents, material or
information reported pursuant to subsection (h) of section 38a-135,
prohibit the NAIC or third-party consultant designated by the
commissioner from storing such information shared pursuant to
sections 38a-129 to 38a-140, inclusive, in a permanent database after the
underlying analysis is completed, (E) require prompt notice to be given
to an insurance company whose confidential information is in the
possession of the NAIC or [its affiliates or subsidiaries] a third-party
consultant designated by the commissioner, the International
Association of Insurance Supervisors or the Bank for International
Settlements, if the NAIC or [its affiliates or subsidiaries] a third-party
consultant designated by the commissioner, the International
Association of Insurance Supervisors or the Bank for International
Settlements is subject to a request or subpoena for disclosure or
production of such information, [and (D)] (F) require the NAIC or [its
affiliates or subsidiaries] a third-party consultant designated by the
commissioner, the International Association of Insurance Supervisors or
the Bank for International Settlements, if any said entity [or such affiliate
or subsidiary] is subject to disclosure of an insurance company's
confidential information that has been shared with said entity, [or such
affiliate or subsidiary,] to allow such insurance company to intervene in
any judicial or administrative action regarding such disclosure or
information, and (G) for documents, material or information reported
pursuant to subsection (h) of section 38a-135, in the case of an agreement involving a third-party consultant, provide for notification of the identity of the consultant to the applicable insurer.

(d) No waiver of any applicable privilege or claim of confidentiality in any information, documents, materials or copies thereof shall occur as a result of disclosure to the commissioner or of sharing in accordance with this section. Nothing in this section shall be construed to delegate any regulatory authority of the commissioner to any person or entity with which any information, documents, materials or copies thereof have been shared.

(e) Any information, documents, materials or copies thereof in the possession of the NAIC or [its affiliates or subsidiaries] a third-party consultant designated by the commissioner, the International Association of Insurance Supervisors or the Bank for International Settlements pursuant to this section shall be confidential by law and privileged and shall not be subject to discovery or admissible in evidence in any civil action in this state.

Sec. 219. Section 19a-754a of the 2022 supplement to the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

section 10-261, of each town in the regional school district by such
town's ranking, as determined in this subsection, (B) adding together
the figures determined under subparagraph (A) of this subdivision, and
(C) dividing the total computed under subparagraph (B) of this

expected to need, based on the useful life of existing equipment and
projections of changing technology and the estimated cost of the
equipment. The council shall annually submit such plan to the
Department of Administrative Services and the department shall file
such plan directly with the joint standing committees of the General

Sec. 371. (NEW) (Effective July 1, 2022) (a) For the fiscal year ending June 30, 2023, and each fiscal year thereafter, the Department of Administrative Services shall administer a heating, ventilation and air conditioning system grant program to reimburse local and regional boards of education for costs associated with projects for the installation, replacement or upgrading of heating, ventilation and air conditioning systems or other improvements to indoor air quality in school buildings.

replacement or upgrading of heating, ventilation and air conditioning
systems or other improvements to indoor air quality in school buildings.

(g) Any project for the installation, replacement or upgrading of
heating, ventilation and air conditioning systems or other
improvements to indoor air quality in school buildings for which a grant
is awarded under this section shall be completed by the end of the next
calendar year, unless the duration of such project is extended by the
commissioner upon a showing of good cause by the local or regional
board of education or regional educational service center.

(h) Any local or regional board of education or regional educational
service center that receives a grant under this section shall (1) be
responsible for the routine maintenance and cleaning of the heating,
ventilation and air conditioning system, and (2) provide training to

(2) Not later than fifteen calendar days after receiving a property tax grant pursuant to this section, the municipality shall disburse to any district located within the municipality the amount of any such property tax grant that is attributable to the district.

property taxes the municipality would have levied on motor vehicles
for the preceding fiscal year if the mill rate imposed on motor vehicles
for such year was equal to the mill rate imposed on real property and
personal property other than motor vehicles for such year; and

(B) Districts that imposed mill rates that, when combined with the
mill rate of the municipality in which the district is located, were greater
than 32.46 mills on real property and personal property other than
motor vehicles for the preceding fiscal year, in an amount equal to the
difference between (i) the amount of property taxes the district would
have levied on motor vehicles for the preceding fiscal year if the mill
rate imposed on motor vehicles for such year, when combined with the
mill rate imposed on motor vehicles for such year by the municipality
in which the district is located, was 32.46 mills, and (ii) the amount of

Treasurer's Internet web site of all property having a value of fifty
dollars or more reported and transferred to the Treasurer which was
presumed abandoned during preceding calendar years and notice of

posted notice, the Treasurer may make such notice accessible to the
public electronically through additional telecommunications methods
as the Treasurer deems cost effective and appropriate] The Treasurer
shall maintain a readily searchable list of property presumed abandoned and reported or transferred to the Treasurer under this part and for which there is sufficient information for the Treasurer to identify the apparent owner of such property.

(b) The [posted notice] searchable list required under subsection (a) of this section shall contain: (1) The names [, in alphabetical order,] and the last-known addresses, if any, of all persons reported as the apparent owners of unclaimed property, [and (2) a statement that any person possessing an interest in such property may obtain from the Treasurer] (2) information concerning the amount and description of such property and the name and address of the holder thereof [free of charge. The Treasurer may cause to be posted at any time, in the manner prescribed in subsection (a) of this section, an additional notice stating that such list may be obtained from other specified sources] and (3) such other information as may be required by the Treasurer.

(c) [The Treasurer may insert in any such notice such additional information as the Treasurer deems necessary for the proper administration of this part] The Treasurer shall notify by first-class mail each person, other than an individual to whom the Treasurer makes or will make a payment pursuant to subsection (f) of section 3-70a, reported as the apparent owner of unclaimed property that was reported or transferred to the Treasurer during the preceding calendar year and for whom the holder of such property has reported a last-known address to the Treasurer. Such notice shall include information concerning the amount and description of such property and the process by which such owner may verify ownership to and claim such property.

[(d) The provisions of this section shall not apply to items reported in the aggregate pursuant to subsection (h) of section 3-65a.]
(a) Any person claiming an interest in property surrendered to the Treasurer under the provisions of this part may claim such property, or the proceeds from the sale thereof, at any time thereafter. Any person claiming an interest in such property shall file a certified claim with the Treasurer, setting forth the facts upon which such party claims to be entitled to recover such [money or] property. The Treasurer shall prescribe the form that such a verified claim shall take.

(b) The Treasurer shall consider each claim not later than ninety days after it is filed. The Treasurer may hold hearings on any claim and may refer any claim to the Office of the Claims Commissioner, which shall hold hearings thereon and promptly return the Claims Commissioner's recommendations for the payment or rejection thereof. The Treasurer shall deliver the Treasurer's decision in writing on each claim heard, with a finding of fact and a statement of the reasons for the Treasurer's decision. Any person aggrieved by a decision of the Treasurer may appeal therefrom in accordance with the provisions of section 4-183, except venue for such appeal shall be in the judicial district of New Britain.

(c) (1) (A) No agreement entered into prior to January 1, 2023, to locate property shall be valid if: [(1)] (i) Such agreement is entered into [(A)] (I) within two years after the date a report of unclaimed property is required to be filed under section 3-65a, or [(B)] (II) between the date such a report is required to be filed under said section and the date it is filed under said section, whichever period is longer; [(2)] (ii) such agreement is entered into within two years after the date of posting of the notice required by section 3-66a, or [(3)] (iii) pursuant to such agreement, any person undertakes to locate property included in a report of unclaimed property that is required to be filed under section 3-65a for a fee or other compensation exceeding ten per cent of the value of the recoverable property.

(B) No agreement entered into on or after January 1, 2023, to locate property shall be valid if: (i) Such agreement is entered into (I) within
two years after the date a report of unclaimed property is required to be
filed under section 3-65a, or (II) between the date such a report is
required to be filed under said section and the date it is filed under said
section, whichever period is longer; or (ii) pursuant to such agreement,
any person undertakes to locate property included in a report of
unclaimed property that is required to be filed under section 3-65a for a
fee or other compensation exceeding ten per cent of the value of the
recoverable property.

(2) An agreement to locate property shall be valid only if it is in
writing, signed by the owner, and discloses the nature and value of the
property, and the owner's share after the fee or compensation has been
subtracted is clearly stipulated. Nothing in this section shall be
construed to prevent an owner from asserting, at any time, that any
agreement to locate property is based upon excessive or unjust
consideration.

(d) The Treasurer shall pay each claim allowed without deduction for
costs of notices or sale or for service charges. The Treasurer shall notify
the Commissioner of Revenue Services of the payment of claims of five
hundred dollars or more to the domiciliary administrator or executor of
a deceased owner.

(e) In the case of any claim allowed under this section for property,
funds or money delivered to the Treasurer pursuant to subdivision (1)
or (2) of subsection (a) of section 3-57a, the Treasurer shall pay such
claim with interest as follows: For each calendar year or portion thereof
that the property, funds or money has been paid or delivered to the
Treasurer, the Treasurer shall pay interest at a rate that is not less than
the deposit index, as determined under section 36a-26, for such year.
Such interest shall accrue from the date of payment or delivery of the
property, funds or money to the Treasurer until the date of payment or
delivery of the property, funds or money to the claimant.

(f) Notwithstanding the provisions of subsection (a) of this section,
where the amount of a property reported or transferred to the Treasurer under this part is less than two thousand five hundred dollars, the Treasurer shall pay such amount to an individual if the Treasurer has determined (1) that such individual is the sole owner of such property, and (2) to the Treasurer's satisfaction, the current address of such individual.

Sec. 421. Section 3-65a of the general statutes is repealed and the following is substituted in lieu thereof (Effective January 1, 2023):

(a) Within one hundred eighty days before a presumption of abandonment is to take effect in respect to property subject to section 3-60b or 3-60c and within one year before a presumption of abandonment is to take effect in respect to all other property subject to this part, and if the owner's claim is not barred by law, the holder shall notify the owner thereof, by first class mail directed to the owner's last-known address, that evidence of interest must be indicated as required by this part or such property will be transferred to the Treasurer and will be subject to escheat to the state.

(b) [Within] Not later than ninety days after the close of the calendar year in which property is presumed abandoned, the holder shall pay or deliver such property to the Treasurer and file, on forms [which] that the Treasurer shall provide, a report of unclaimed property. Each report shall be verified and shall include: (1) The name, if known, and last-known address, if any, of each person appearing to be the owner of such property; (2) in case of unclaimed funds of an insurance company, the full name of the insured or annuitant and beneficiary and his or her last-known address appearing on the insurance company's records; (3) the nature and identifying number, if any, or description of the property and the amount appearing from the records to be due; [except that the holder shall report in the aggregate items having a value of less than fifty dollars;] (4) the date when the property became payable, demandable or returnable and the date of the last transaction with the owner with respect to the property; (5) if the holder is a successor to
other holders, or if the holder has changed the holder's name, all prior
known names and addresses of each holder of the property; and (6) such
other information as the Treasurer may require.

(c) Verification, if made by a partnership, shall be executed by a
partner; if made by an unincorporated association or private
corporation, by an officer; and if made by a public corporation, by its
chief fiscal officer.

(d) The Treasurer shall keep a permanent record of all reports
submitted to the Treasurer pursuant to this section.

(e) Except for claims paid under section 3-67a and except as provided
in subsection (e) of section 3-70a, no owner shall be entitled to any
interest, income or other increment which may accrue to property
presumed abandoned from and after the date of payment or delivery to
the Treasurer.

(f) The Treasurer may decline to receive any property the value of
which is less than the cost of giving notice or holding sale, or may
postpone taking possession until a sufficient sum accumulates.

(g) The Treasurer, or any officer or agency designated by the
Treasurer, may examine any person on oath or affirmation, or the
records of any person or any agent of the person including, but not
limited to, a dividend disbursement agent or transfer agent of a business
association, banking organization or insurance company that is the
holder of property presumed abandoned to determine whether the
person or agent has complied with this part. The Treasurer may conduct
the examination even if the person or agent believes the person or agent
is not in possession of any property that must be paid, delivered or
reported under this part. The Treasurer may bring an action in a court
of appropriate jurisdiction to enforce the provisions of this part.

(h) Upon request of the holder, the Treasurer may approve the
aggregate reporting on an estimated basis of two hundred or more items
in each of one or more categories of unclaimed funds whenever it appears to the Treasurer that each of the items in any such category has a value of more than ten dollars but less than fifty dollars and the cost of reporting such items would be disproportionate to the amounts involved. Any holder electing to so report any such category in the aggregate shall assume responsibility for any valid claim presented within twenty years after the year in which the items in such category are presumed abandoned.]

[(i) (h) A record of the issuance of a check, draft or similar instrument is prima facie evidence of the obligation represented by the check, draft or similar instrument. In claiming property from a holder who is also the issuer, the Treasurer’s burden of proof as to the existence and amount of the property and its abandonment is satisfied by showing issuance of the instrument and passage of the requisite period of abandonment. Defenses of payment, satisfaction, discharge and want of consideration are affirmative defenses that shall be established by the holder.

[(j) (i) Notwithstanding the provisions of subsection (b) of this section, the holder of personal property presumed abandoned pursuant to subdivision (5) of subsection (a) of section 3-57a shall (1) sell such property and pay the proceeds arising from such sale, excluding any charges that may lawfully be withheld, to the Treasurer, unless such property consists of military medals, in which case such property shall not be sold, and (2) provide the Treasurer with records deemed appropriate by the Treasurer of property so presumed abandoned. A holder of such property may contract with a third party to store and sell such property and to pay the proceeds arising from such sale, excluding any charges that may be lawfully withheld, to the Treasurer, provided the third party holds a surety bond or other form of insurance coverage with respect to such activities. Any holder who sells such property and remits the excess proceeds to the Treasurer or who transmits such property to a bonded or insured third party for such purposes, shall not be responsible for any claims related to the sale or transmission of the
property or proceeds to the Treasurer. If the Treasurer exempts any such
property from being remitted or sold pursuant to this subsection,
whether by regulations or guidelines, the holder of such property may
dispose of such property in any manner such holder deems appropriate
and such holder shall not be responsible for any claims related to the
disposition of such property or any claims to the property itself. For
purposes of this subsection, charges that may lawfully be withheld
include costs of storage, appraisal, advertising and sales commissions as
well as lawful charges owing under the contract governing the safe
deposit box rental.

[(k) (j) In the event military medals are presumed abandoned
pursuant to subdivision (5) of subsection (a) of section 3-57a, a banking
or financial organization shall transmit such medals to the Department
of Veterans Affairs in accordance with procedures established by the
Treasurer. The Treasurer and Commissioner of Veterans Affairs shall
enter into a memorandum of understanding concerning the handling of
such medals and the Department of Veterans Affairs shall hold such
medals in custody pursuant to such memorandum. The Treasurer may
make any information obtained pursuant to this section, including any
photograph or other visual depiction of a military medal but excluding
Social Security numbers, available to the public to facilitate the
identification of the original owner of such medal or such owner's heirs

in an IV-D support case, from retaining child support collected from a
parent subject to a support order of the Superior Court or family support
magistrate based on an assignment of support rights provided in accordance with section 17b-77, unless retaining such support would conflict with federal law. The state of Connecticut shall have a lien against property of any kind or interest in any property, estate or claim of any kind of the parent of an aid to dependent children or temporary family assistance beneficiary, in addition and not in substitution of any other state claim, for amounts owing under any order for support of any court or any family support magistrate, including any arrearage under such order, provided household goods and other personal property identified in section 52-352b, real property pursuant to section 17b-79, as long as such property is used as a home for the beneficiary and money received for the replacement of real or personal property, shall be exempt from such lien.

proceeds of such causes of action shall be assignable to the state for
payment of the amount due under section 18-85a, and regulations

to the attorney for such person to pay the Commissioner of Correction
or the commissioner's designee in accordance with its terms, except if,
after written notice from the attorney for such person informing the
commissioner or the commissioner's designee of the settlement of the
cause of action or judgment thereon and requesting the amount of the

Sec. 463. (NEW) (Effective July 1, 2022) (a) The Office of Early
Childhood shall establish and administer the Start Early - Early Child
Development Initiative. The office shall develop funding priorities for
the initiative for early education and support services through a grant
program for research and early education service providers to support
the growth and enhancement of a system of high-quality early
childhood care and education and support services. The office may test
more than one type of intervention or type of program for young
children and families, and shall track the differences in children's
progress by program type. Funding under the initiative may include
targeted formula grants to providers in high-need areas throughout the
state to serve a cohort of children from infancy through kindergarten
entrance and may include existing providers serving a cohort of
children in the target community who agree to implement research-
based professional development or curricular interventions that begin
in the infant and toddler years.

(b) The office shall establish standards for the initiative that shall include, but need not be limited to, eligibility requirements, participant requirements, program outcome metrics, data reporting requirements, evaluative methods and a formula for the distribution of grant funds for a period not less than five years. Such standards may include, but need not be limited to, guidelines for staff-child interactions, lesson plans, parental engagement, staff qualifications and training, and curriculum content, including physical, social, emotional, quantitative, executive function and preliteracy development.

(d) Any contract entered into under the initiative may include a provision requiring the provider to provide access to family support services in order to receive a grant-in-aid. Such family support services shall include, but need not be limited to, parenting support, home visiting, early intervention services, information about child development, and assistance to help parents complete their education, learn English, enroll in a job training program or find employment.
(e) The office shall develop an annual report concerning the data and outcome measures for the initiative. The report shall include, but need not be limited to, achievement on the elements outlined in the Connecticut Early Learning and Development Standards as reported in the accompanying assessment tool. The office may develop recommendations for modifications to the early education system based on an evaluation of such data and outcome measures. Not later than January 1, 2023, and annually thereafter, the office shall submit, in accordance with the provisions of section 11-4a of the general statutes, such report and any such recommendations to the joint standing committee of the General Assembly having cognizance of matters relating to education.

(c) Any required employer or agent of such employer that violates subsection (b) of this section shall pay a civil penalty in an amount not less than two thousand five hundred dollars but not more than five thousand dollars for each offense. Any pay period in which an employee is paid at a rate less than that required by this section shall constitute an offense. The contracting department of the state that has imposed such civil penalty on the required employer or agent of such employer shall, within two days after taking such action, notify the Labor Commissioner, in writing, of the name of the employer or agent involved, the violations involved and steps taken to collect the fine.

(d) The Labor Commissioner may make complaint to the proper prosecuting authorities for the violation of any provision of subsection (b) of this section.

(e) For the purpose of predetermining the standard rate of covered wages on an hourly basis, the Labor Commissioner shall establish classifications for all hourly nonsupervisory employees based on the applicable occupation codes and titles set forth in the federal Register of
Wage Determinations under the Service Contract Act of 1965, 41 USC 351, et seq., provided the Labor Commissioner shall classify any individual employed on or before July 1, 2009, as a grounds maintenance laborer or laborer as a janitor, and shall classify any individual hired after July 1, 2009, performing the duty of grounds maintenance laborer, laborer or janitor as a light cleaner, heavy cleaner, furniture handler or window cleaner, as appropriate. The Labor Commissioner shall then determine the standard rate of wages for each classification of hourly nonsupervisory employees which shall be (1) the prevailing rate of wages paid to employees in each classification, or if there is no such prevailing rate of wages, the minimum hourly wages set forth in the federal Register of Wage Determinations under the Service Contract Act, plus (2) the prevailing rate of benefits paid to employees in each classification, or if there is no such prevailing rate of benefits, a thirty per cent surcharge on the amount determined in subdivision (1) of this subsection to cover the cost of any health, welfare and retirement benefits, other than those otherwise required by federal, state or local law and shall not include vacation, holiday and personal leave, or, if no such benefits are provided to the employees, an amount equal to thirty per cent of the amount determined in subdivision (1) of this section, which shall be paid directly to the employees. The standard rate of wages for any employee entitled to receive such rate on or before July 1, 2009, shall not be less than the minimum hourly wage for the classification set forth in the federal Register of Wage Determinations under the Service Contract Act plus the prevailing rate of benefits for such classification for as long as that employee continues to work for a required employer.

(f) Required employers with employees covered by collective bargaining agreements which call for wages and benefits that are reasonably related to the standard rate of wages shall not be economically disadvantaged in the bidding process, provided the collective bargaining agreement was arrived at through arms-length negotiations.
(g) The Labor Commissioner shall, in accordance with subsection (e) of this section, determine the standard rate of wages for each classification on an hourly basis where any covered services are to be provided, and the state agent empowered to let such contract shall contact the Labor Commissioner at least ten days prior to the date such contract will be advertised for bid, to ascertain the standard rate of wages and shall include the standard rate of wages on an hourly basis for all classifications of employment in the proposal for the contract. The standard rate of wages on an hourly basis shall, at all times, be considered the minimum rate for the classification for which it was established. Each required employer shall contact the Labor Commissioner on or before September first of each year for the duration of such contract to ascertain the standard wages to be provided each year and shall make any necessary adjustments on September first, annually.

(h) Where a required employer is awarded a contract to perform services that are substantially the same as services that have been rendered under a predecessor contract, such required employer shall retain, for a period of ninety days, all employees who had been employed by the predecessor to perform services under such predecessor contract, except that the successor contract need not retain employees who worked less than fifteen hours per week or who had been employed at the site for less than sixty days. During such ninety-day period, the successor contract shall not discharge without just cause an employee retained pursuant to this subsection. If the performance of an employee retained pursuant to this subsection or section 4a-82 is satisfactory during the ninety-day period, the successor contractor shall offer the employee continued employment for the duration of the successor contract under the terms and conditions established by the successor contractor, or as required by law. The provisions of this subsection shall not apply to any contract covered by section 31-57g or subsections (n) and (o) of section 4a-82.

(i) Each required employer subject to the provisions of this section
shall (1) keep, maintain and preserve such records relating to the wages and hours worked by each employee and a schedule of the occupation or work classification at which each person is employed during each work day and week in such manner and form as the Labor Commissioner establishes to assure the proper payments due to such employees, [and] (2) annually or upon written request, submit to the contracting state agent a certified payroll which shall consist of a complete copy of such records accompanied by a statement signed by the employer which indicates that (A) such records are correct, (B) the rate of wages paid to each employee is not less than the standard rate of wages required by this section, (C) such employer has complied with the provisions of this section, and (D) such employer is aware that filing a certified payroll which it knows to be false is a class D felony for which such employer may be fined not more than five thousand dollars or imprisoned not more than five years, or both, and (3) not later than the first day upon which work is required to be performed under the contract, and for the duration of the contract, post in a prominent and accessible place a poster stating (A) the standard rate of wages owed to the employees under this section, (B) employee rights and remedies for a violation of this section, and (C) the contact information of the Labor Commissioner. The Labor Commissioner shall develop a suitable poster containing the information described in subdivision (3) of this subsection for employers and provide such poster to required employers. The Labor Commissioner shall post its determinations of the corresponding standard rates for each classification on its Internet web site. Notwithstanding the provisions of section 1-210, the certified payroll shall be considered a public record and every person shall have the right to inspect and copy such record in accordance with the provisions of section 1-212. The provisions of subsections (a) and (b) of section 31-59, section 31-66 and section 31-69 which are not inconsistent with the provisions of this section shall apply. The Labor Commissioner, the Director of Wage and Workplace Standards and wage enforcement agents of the Labor Department shall have power to enter, during usual business hours, the place of business or employment of any employer to determine compliance with this section, and for such purpose may examine payroll and other records and interview employees, call hearings, administer oaths, take testimony under oath and take depositions in the manner provided by sections 52-148a to 52-148e, inclusive. The commissioner or the director, for such purpose, may issue subpoenas for the attendance of witnesses and the production of books and records. Any required employer, an officer or agent of such employer, or the officer or agent of any corporation, firm or partnership who wilfully fails to furnish time and wage records as required by law to the commissioner, the director or any wage enforcement agent upon request or who refuses to admit the commissioner, the director or such agent to a place of employment or who hinders or delays the commissioner, the director or such agent in the performance of any duties in the enforcement of this section shall be fined not less than twenty-five dollars nor more than one hundred dollars, and each day of such failure to furnish time and wage records to the commissioner, the director or such agent shall constitute a separate offense, and each day of refusal of admittance, of hindering or of delaying the commissioner, the director or such agent shall constitute a separate offense.

Sec. 470. Subsection (c) of section 32-70 of the general statutes is repealed and the following is substituted in lieu thereof (Effective from passage):

(c) (1) On or before September 30, 1993, the Commissioner of Economic and Community Development shall approve the designation of ten areas as enterprise zones, not more than four of which shall be in municipalities with a population greater than eighty thousand and not
more than six of which shall be in municipalities with a population of less than eighty thousand.

(2) (A) On or after October 1, 1993, the commissioner shall approve the designation of two areas as enterprise zones. Each such area shall be in a municipality with a population of less than eighty thousand, in which there are one or more base or plant closures. Such municipalities shall be in different counties. If the commissioner approves the designation of an area of a municipality as an enterprise zone because of a plant closure in the municipality and there is a closure of another plant in any other municipality in the state by the same business, the commissioner shall also designate an area in such other municipality as an enterprise zone. If any such designated area includes a portion of a census tract in which any such base or plant is located, the census tracts in such area shall not be required to meet the eligibility criteria set forth under subsection (a) of this section for enterprise zone designation. If any such area is located elsewhere in the municipality, the census tracts in such area shall meet such eligibility criteria. As used in this subparagraph, (i) "base" means any United States or state of Connecticut military base or facility located in whole or in part within the state; (ii) "plant" means any manufacturing business or economic base business, as defined in section 32-222; and (iii) "closure" means any reduction or transfer in military personnel or civilian employment at one or more bases or plants in a municipality, which occurred between July 1, 1989, and July 1, 1993, or is scheduled to occur between July 1, 1993, and July 1, 1996, and exceeds two thousand persons. Such employment figures shall be certified by the Labor Department.

(B) On or after October 1, 1993, the commissioner shall approve the designation of three other areas as enterprise zones, one of which shall be in a municipality with a population greater than eighty thousand and two of which shall be in municipalities with a population of less than eighty thousand. The census tracts in such areas shall meet the eligibility criteria set forth under subsection (a) of this section for enterprise zone designation. The commissioner shall approve the designation of
enterprise zones under this subparagraph for those municipalities
which he or she determines to have experienced the largest increases in
poverty from October 1, 1989, to October 1, 1993, inclusive, based on a
weighted average of the unemployment rate, caseload under the
temporary family assistance program and per capita income of less than
ninety per cent of the state average between 1985 and 1989. In making
his determination, the commissioner may also consider the vacancy
rates for commercial and industrial facilities in a municipality and a
municipality’s program for the implementation of an effective
enterprise zone program. To the extent appropriate, the commissioner
shall use the Regional Economic Models, Inc. (REMI) system in making
the calculations for such determination.

(C) Notwithstanding the provisions of subsection (a) of this section,
municipalities that were not distressed municipalities under the
provisions of subsection (b) of section 32-9p on February 1, 1986, shall
be eligible to designate areas as enterprise zones under subparagraph
(A) or (B) of this subdivision.

(3) On or after July 1, 2014, the commissioner shall approve the
designation of two areas as enterprise zones as follows: (A) One area
shall be in a municipality with a population of not more than fifty
thousand, as enumerated in the 2010 federal decennial census, and in
which is located a United States Postal Service processing center that at
any point in time employed one thousand or more persons, except that
such area shall only be designated as an enterprise zone for a term of
five years from the date any portion of the area is transferred, provided
such transfer occurs on or after July 1, 2014, and (B) one area shall be in
a municipality with a population of not less than seven thousand eight
hundred and not more than seven thousand nine hundred, as
enumerated in the 2010 federal decennial census, and having a total area
of not more than 12.2 square miles. Each such enterprise zone area shall
consist of two contiguous United States census tracts, contiguous
portions of such census tracts or all or a portion of an individual census
tract, as determined in accordance with the most recent federal
decennial census and, if such area is covered by zoning, a portion of such area shall be zoned to allow commercial or industrial activity. The census tracts in each such enterprise zone area shall not be required to meet the eligibility criteria set forth in subsection (a) of this section. Notwithstanding the provisions of subsection (a) of this section, municipalities that were not distressed municipalities under the provisions of subsection (b) of section 32-9p on February 1, 1986, shall be eligible to designate areas as enterprise zones under this subdivision.

(4) (A) The commissioner shall not approve the designation of more than one enterprise zone in any municipality. The commissioner shall adopt regulations in accordance with chapter 54 concerning such additional qualifications for an area to become an enterprise zone as he or she deems necessary.

(B) The commissioner may remove the designation of any area he or she has approved as an enterprise zone if such area no longer meets the criteria for designation as such an area set forth in this section or in regulations adopted pursuant to this section, [provided] except that no such designation shall be removed (i) less than ten years from the original date of approval of such zone, or (ii) if the number of residents in such area with income below the poverty level, as determined by the most recent United States census, has not been reduced by at least seventy-five per cent from the original date of approval of such zone.

(C) The commissioner may designate any additional area as an enterprise zone if that area is designated as an enterprise zone, empowerment zone or enterprise community pursuant to any federal legislation.

Such citation shall be signed by the same authority and such appeal shall be returnable at the same time and served and returned in the same manner as is required in case of a summons in a civil action. The authority issuing the citation shall take from the applicant a bond or recognizance to such town or city, with surety, to prosecute the application to effect and to comply with and conform to the orders and decrees of the court in the premises. Any such application shall be a preferred case, to be heard, unless good cause appears to the contrary, at the first session, by the court or by a committee appointed by the court. The pendency of such application shall not suspend an action by such town or city to collect not more than seventy-five per cent of the tax so assessed or not more than ninety per cent of such tax with respect to any real property for which the assessed value is five hundred thousand dollars or more, and upon which such appeal is taken. If, during the pendency of such appeal, a new assessment year begins, the applicant may amend his application as to any matter therein, including an appeal for such new year, which is affected by the inception of such new year and such applicant need not appear before the board of tax review or board of assessment appeals, as the case may be, to make such amendment effective.

at the discretion of the court. If the assessment made by the board of tax
review or board of assessment appeals, as the case may be, is reduced

costs awarded by the court. The amount to which the assessment is so
reduced shall be the assessed value of such property on the grand lists

Such application may be made within one year from the date as of which the property was last evaluated for purposes of taxation and shall be served and returned in the same manner as is required in the case of a summons in a civil action, and the pendency of such application shall not suspend action upon the tax against the applicant. In all such actions, the Superior Court shall have power to grant such relief upon such terms and in such manner and form as to justice and equity appertains, and costs may be taxed at the discretion of the court.
