Cal. No. 79

"AN ACT CONCERNING NOTIFICATION OF PESTICIDE APPLICATIONS NEAR LAKES AND PONDS."

-
- 1 In line 17, strike "time and"
- 2 Strike lines 18 to 33, inclusive, and insert the following in lieu thereof:
- 3 "date of the application to any owner or tenant of such shoreline
- 4 property that abuts the lake or pond to be treated. In determining
- 5 whether a property abuts a lake or pond, any setback shall not be
- 6 considered, provided the owner of such setback shall additionally be
- 7 provided with any such notice. A pesticide application business shall
- 8 make not less than two attempts to notify any such owner or tenant,
- 9 provided the second such attempt shall occur twenty-four hours or
- 10 more after the first attempt. Such attempts shall be made as early as
- 11 practicable but not less than twenty-four hours before the application.
- 12 Notice shall be made by telephone, mail, personal notification or by

13 leaving a conspicuous notice on an entry door of the home located on
14 such abutting property. If attempts at notification by the applicator fail,
15 an emergency application is necessary or best management practices of
16 integrated pest management, as defined in section 22-11a, recommend
17 an immediate pesticide application to reduce the amount of pesticides
18 that would otherwise be necessary, the applicator shall attempt to notify
19 each such owner or tenant in person immediately prior to the
20 application. Any person who provides notice of an aircraft application
21 of a pesticide pursuant to regulations adopted under section 22a-66 shall
22 not be required to provide notice under this subdivision."
