
OLR Bill Analysis

sSB 414

AN ACT CONCERNING MENTAL HEALTH PARITY.

SUMMARY

This bill requires the insurance commissioner to report annually, beginning by January 1, 2023, to the Insurance and Real Estate Committee on the effectiveness of state laws about health insurers' (1) application of, and reporting on, nonquantitative treatment limitations (NQTLs) for mental health and substance use disorder benefits and (2) coverage of substance abuse services provided under court order. NQTLs are non-numeric limits on the scope or duration of coverage, such as prior authorization requirements.
