---

SB-355

AN ACT ESTABLISHING THE 340B DRUG PRICING  
NONDISCRIMINATION ACT.

AMENDMENT

LCO No.: 6359

File Copy No.: 354

Senate Calendar No.: 252

---

## ***OFA Fiscal Note***

### ***Eliminates Cost In Bill***

The amendment eliminates the cost in the underlying bill of up to \$50,000 to the Insurance Department (DOI) associated with hiring a consultant because the amendment removes the requirement for DOI to adopt implementing regulations.

The amendment may result in a revenue gain to the state to the extent the Office of the Attorney General (OAG) enforces the bill's provisions. It does not result in costs to OAG as the agency would still have discretion over what enforcement action is brought under these provisions.

The amendment also makes other revisions that are not anticipated to change the rest of the fiscal impact provided for the underlying bill.

*The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.*
