HB 6873

AN ACT REQUIRING THE POLICE OFFICER STANDARDS AND TRAINING COUNCIL TO DEVELOP AND PROMULGATE A MODEL POLICY REQUIRING THE USE OF A SEAT SAFETY BELT FOR ANY PERSON WHO IS BEING TRANSPORTED IN A MUNICIPAL POLICE VEHICLE.

SUMMARY

This bill requires the Police Officer Standards and Training Council (POST), by December 31, 2023, to develop and promulgate a model policy that provides guidelines on required seat belt use in municipal police vehicles and standardized procedures for municipal police officers to ensure that anyone being transported in their vehicles is secured by a seat belt.

Under the bill, starting January 1, 2024, if a municipal law enforcement unit's chief law enforcement officer finds, through existing POST-developed procedures, that a municipal police officer's actions constitute a violation of the policy the bill establishes and the violation undermines public confidence in the municipal law enforcement unit, the chief law enforcement officer must report the violation to POST, which must then do a de novo review (a new, independent review) of the matter.

Whenever POST believes there is a reasonable basis for suspending, canceling, or revoking a municipal officer's certification because of the reported violation, the council must give the officer notice and an adequate opportunity for a hearing before he or she is disciplined. The hearing must be done following the Uniform Administrative Procedure Act. If POST finds by clear and convincing evidence that a violation of the bill has occurred, it may suspend, revoke, or cancel the officer's certificate.
