AN ACT CONCERNING EDUCATION MANDATE RELIEF.

OFA Fiscal Note

State Impact: None

Municipal Impact:

Municipalities	Effect	FY 24 \$	FY 25 \$
Local and Regional School Districts	Potential Savings	Minimal	Minimal

Explanation

The bill results in a potential minimal savings to local and regional school districts by removing a one-credit mastery-based diploma assessment as a graduation requirement, beginning in FY 24. The bill allows districts to maintain the assessment as a graduation requirement if they choose. To the extent districts choose to discontinue the assessment, there is a potential savings associated with reduced purchasing of materials.

The bill establishes an education mandate relief task force and requires the State Department of Education (SDE) to biennially review and identify obsolete or duplicative mandates. These provisions have no fiscal impact as it is anticipated that SDE can complete the requirement with existing resources.

The bill makes a clarifying change regarding school violence prevention training for school personnel which has no fiscal impact, as it is not anticipated to change the cost associated with such training.
