Explanation

The fiscal impact of the bill, which requires the Office of Policy and Management to provide reimbursement of eligible expenses for municipal tree removal under the Local Capital Improvement Program for FY 24 and FY 25, would be subject to availability of funds appropriated for the expanded program. The fiscal impact of any legislation appropriating funds for such a purpose would be noted in the fiscal note relevant to the other legislation.

House "A" eliminates the original bill and its associated fiscal impact, and results in the impact described above.
