Section 1 of the bill prohibits a hotel or motel operator from providing a financial incentive for a room that is based upon an hourly rate or an occupancy period of no more than 12 hours. This has no fiscal impact since there is no fine for any violations tied to this prohibition.

Additionally, **Section 2** of the bill increases the membership on the Trafficking in Persons Council's membership, from 35 to 36, by adding the Department of Developmental Services (DDS). There is no fiscal impact to DDS to participate on the Council.
