INTERMEDIATE CARE FACILITIES.

As Amended by Senate "A" (LCO 9443)

Senate Calendar No.: 428

### ***OFA Fiscal Note***

***State Impact:*** See Below

***Municipal Impact:*** None

### ***Explanation***

The bill allows providers additional flexibility related the expenditure of currently contracted funding, which does not result in a fiscal impact to the state.

The bill also adds language that allows any state contracted provider that will receive funds for purposes of the bill to use those funds for employees working in intermediate care facilities for individuals with intellectual disability or behavioral health needs. The fiscal impact will be dependent on the funding provided.

Department of Developmental Services' (DDS) contracted private providers received funding in FY 23 to provide wage and benefit enhancements to their DDS funded employees. The bill enables providers to use this funding to support employees who work in Department of Social Services funded Intermediate Care Facilities for individuals with Intellectual Disability(ICF/ID), as originally intended.

Senate "A" adds the language related to providers who have not received funding and will receive funding described above.
