Testimony:

President Trump is the greatest leader of this country since its founding. As a Latina, he understands the value of hard work and that the American people shine best when corruption is stopped. Nora Dannehy represents the swamp! She once championed President Trumps' values before betraying him. She found, in the Durham report, that the FBI lied to us. And now they are protecting corrupt Biden. I want judges to be fair and by betraying President Trump, Nora Dannehy can not be trusted as a judge.
