CORRECTION

To Fiscal Note on LCO No. 9990
sHB-6669, File No. 453

AN ACT PROTECTING PATIENTS AND PROHIBITING UNNECESSARY HEALTH CARE COSTS.

The fiscal note on LCO No. 9990 omitted sections 11-14. The fiscal impacts of these sections are as follows:

Sections 11 and 14 make technical and clarifying changes to the Certificate of Need process administered by OHS, which results in no fiscal impact.

Section 12 allows OHS to retain an independent consultant for a pending Certificate of Need application, at the expense of the applicant, when the agency lacks the subject matter expertise, which results in no fiscal impact.

Section 13, which results in no fiscal impact, requires OHS to provide a determination letter within 30 days of receipt of intent to healthcare facilities proposing to relocate.
